- 7.1. A grievance is a complaint by a member of the bargaining unit, or the Union, involving the meaning, interpretation, application, or alleged violation of any provision of this Agreement.
- 7.2. A grievance may be filed and presented by a member of the bargaining unit, or by the Union acting through its representatives. Any individual employee may present his/her grievance and have the grievance adjusted without intervention of the Union if the adjustment of the grievance is not inconsistent with the terms of this Agreement, is non-precedent setting and the Union has been given an opportunity to have a Union representative present at such adjustment.
- 7.3. The grievance procedure provided in this Agreement shall be the sole and exclusive means of presenting and resolving complaints involving the application or interpretation of this Agreement.
- 7.4. All grievances shall be presented in accordance with the following procedure:

Within five (5) working days after presentation of the grievance, the Supervisor shall give a written response to the Employee and a copy to the Local President and/or their designee

Step Two: After the Supervisor's answer is communicated and if the grievance is not disposed of at Step One, it may be submitted within five (5) working days to the Assistant Superintendent of Administrative Services on a written 'Statement of Grievance' signed by the aggrieved employee. A copy shall be given to the supervisor involved at the same time. The "Statement of the Grievance" shall name the employee involved, shall identify all the provisions of this Agreement alleged to be violated by appropriate reference, shall state the contention of the employee with respect to these provisions, and shall indicate the relief requested.

The Assistant Superintendent of Administrative Services shall contact the Union within 5 days to schedule a meeting with the Union and Grievant to discuss and attempt to resolve the grievance.

The Assistant Superintendent of Administrative Services shall render a decision, in writing, within five (5) working days after meeting with the aggrieved employee, the Union Chief steward, and the Union president or his/her designee. A copy of the decision shall be furnished to the aggrieved employee and the Union president.

Step Three: If the grievance is not disposed of at Step Two, the decision of the Assistant Superintendent of Administrative Services may be appealed in writing, to the Board within three (3) working days after the date such decision was rendered.

A Committee of the Board shall meet with the aggrieved employee and the Union within fifteen (15) working days after the date the written appeal is filed with the Board. Arrangements for the meeting shall be made between the

employer and the Council staff representative. The Board shall render its decision within five (5) working days after the meeting. The decision of the Board shall be communicated, in writing, to the grievant and to the Union.

Step Four: If the grievance remains unresolved at the conclusion of Step Three, it may be submitted to arbitration provided written notice of the intent to arbitrate is delivered to the Board within ten (10) working days after the receipt of the decision under Step Three.

It is mutually agreed the following Arbitrators will be used in a rotating order to hear such cases. However if the Arbitrator is not available to hear the case within 120 calendar days the parties agree to contact the next arbitrator in order until the case is scheduled with one of the Arbitrators:

1. Barry Brown	2. George Roumell	3. Ben Kerner	4. Ildiko Knott
----------------	-------------------	---------------	-----------------

- 7.5. The number of days provided for the presentation and processing of grievances in each step of the grievance procedure establish the maximum time limits and any grievance not presented within the time limits provided at each respective step of the grievance procedure shall be deemed withdrawn; provided however the time limits set forth herein may be extended by mutual agreement between the Board, or its representative, and the employee and/or the union.
- 7.6. The filing of the grievance shall in no way interfere with the right of the Board to proceed in carrying out its management responsibilities, subject to the final decision of the grievance.
- 7.7. In the event the alleged grievance involves an order, requirement, etc., excepting concerns dealing with Health and Safety issues, the grievant shall fulfill or carry out such order or requirement, etc., pending the final decision of the grievance.
- 7.8. It shall be the function of the Arbitrator, and he/she shall be empowered, except as his/her powers are limited by this Agreement, after due investigation, to make a decision in cases of alleged violation or interpretation of the specific articles and sections of this Agreement.
 - A. He/she shall have no power to add to, subtract from, disregard, alter or modify any of the terms of this Agreement.
 - B. He/she shall have no power to establish salary structures or change any salary.
 - C. In rendering decisions, the Arbitrator shall give due regard to the responsibility of management as conditioned by this Agreement.
 - D. If the Board disputes the arbitrability of any grievance under the terms of this Agreement; the Arbitrator shall have to decide if the grievance is arbitrable. In the event that a case is appealed to an Arbitrator on which he/she has no power to rule, it shall be referred back to the parties without decision or recommendation on its merits.
 - E. There shall be no appeal from an arbitrator's decision if within the scope of authority as set forth above. It shall be final and binding on the Union, its members, the employee or employees involved, and the Board. The Union shall discourage any attempt of its members, and shall not encourage or cooperate with any of its members, in any appeal to any court or labor board from a decision of an arbitrator nor shall the Union or its members by any other means attempt to bring about the settlement of any grievance.
 - F. The fees and expenses of the arbitrator shall be shared equally by the Board and the Union. All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expense of witnesses called by the other.

G. The Board shall not be required to pay back wages more than ten (10) days prior to the date a written grievance is filed.

1. All claims for back wages shall be limited to the amount of wages that the employee would otherwise have earned.
2. No decision in any case shall require a retroactive wage adjustment in any other case, unless, by mutual agreement, the other case was held pending the outcome of the representative case.

7.9. If a grievance affects a group of employees or the bargaining unit as a whole, the Union may submit such grievance in writing to the Assistant Superintendent of Administrative Services directly, and the processing of such grievance shall be commenced at Step Two.

ARTICLE 8

WORKING SCHEDULES AND CONDITIONS

8.1. The normal work week shall be forty (40) hours, consisting of five (5) days of eight (8) hours each (exclusive of an unpaid thirty (30) minute lunch period), Monday through Friday, inclusive. Management shall have the right to establish an alternative 40-hour workweek schedule encompassing workdays from Monday through Saturday without incurring any overtime under any provisions of this agreement. The union agrees to continue to talk, through a labor/management committee to work towards an alternate work week schedule for a minimal staff. No changes will be implemented without prior approval of both parties. This provision shall not be construed as a guarantee of work. Employees shall not be required to work more than forty (40) hours in any one- (1) week, except as hereinafter provided. There shall be a specified starting and quitting time, which shall not be changed without prior consultation with the Union. Time and one-half shall be paid for all work over eight (8) hours in any one day and over forty (40) hours in any one- (1) week, and for all hours worked on Saturday. Double time shall be paid for all hours worked on Sunday and holidays provided in this Agreement. Overtime will be allowed only under certain circumstances. **Nothing in Article 8 shall be considered an entitlement to overtime. The assignment of overtime shall always remain within the discretion of the Board.**

A. Weekend check of building: For all schools, excluding the high school, one (1) hour on each Sunday. Two (2) hours for the high school. On three (3) day holiday weekends there will be a bulletin sent out from Central Office stating which days the buildings are to be checked. No building checks allowed on days when there is activity scheduled in the building. All or any of this building check schedule is subject to change from Central Office.

1. Central office has the right to request or deny any and all weekend checks in any or all of its buildings at any time.
2. Building checks assigned at the discretion of the Board shall continue to be performed by custodial members within those buildings. Forty-five minutes will be allotted to complete the building check.
3. Building checks assigned at the discretion of the Board at Ferndale High School and Ferndale Middle School will be done as one check by an employee assigned to those buildings who is above a Custodial I classification. Two hours will be allotted for this building check.
4. No building check will be performed on days when there are activities scheduled in the buildings unless specifically requested by the Board.

B. Emergency situations, which must be given immediate attention, after the usual work hours: Such situations should be reported to the Supervisor of Custodial and Maintenance

Services. If he cannot be contacted, then report the situation to the Business Manager, if possible, before the work is performed. All employees will be guaranteed a minimum of two hours pay for all emergency call ins.

- C. Activities scheduled by the Central Office of which the employee has written notification and which requires work beyond usual work hours, or on Saturday or Sunday: Examples would include special bus trips, recreation department activities, special events of the schools, and rental situations involving school facilities. When an activity is schedule by the Board, a bargaining unit employee shall be assigned to work during the activity, as is the current practice and shall be compensated at the appropriate rate of pay.
- D. When an event requires cleaning time that is in excess of two (2) hours, the employee called in will normally work two hours unless prior approval is obtained by the Head Custodian from administration and the custodial employee(s) required are informed. This provision may be modified in emergency situations by the administration, Head Custodian, or a person in a position named in 8.1.D. above.
- E. If the overtime situation in the high school or middle high school requires only one (1) person, only those employees with a rating above that of custodian I shall be eligible for the overtime.
- F. Partial Work Crews.
During the breaks when a partial work crew is required to work for the afternoon shift (p.m.), a designated Custodial I employee shall be selected from the high school custodial staff. Duties to be performed by this person shall include the opening and closing of the building, ensuring that all work areas are properly cleaned, taking proper precautions and initiative to reduce problems and emergencies and to eliminate those emergencies that occur, and to assist in the work assigned to the partial work crew. The person so selected will receive fifteen (15) cents per hour bonus for this work to be paid above the shift premium and regular hourly rate.
- G. All other overtime requested by the administration shall be equalized among all employees in appropriate classifications, except cafeteria workers, as well as possible on a building basis.
 - 1. The equalization shall be on hours - at time and one-half, and double time.
 - 2. An annual report from the Head Custodian in each building shall be issued showing the hours worked by each employee at time and one-half and at double time and the hours refused by each employee at time and one-half and at double time. For the purposes of equalization, hours refused shall be counted as hours worked.
 - 3. Each eligible employee shall be, if possible, offered in turn the available overtime, until January 1. From then on until June 30, employees may be asked out of turn in order to achieve the desired equalization.
 - 4. In each building a Union member may confer with the Head Custodian to achieve the highest degree of such overtime equalization.

8.2. Overtime in the Maintenance I, II, and III classifications, other than bus trips, will be divided as equally as possible between the employees who have the qualifications and ability to perform the overtime work.

8.3. All regular and Special Education bus trip (route) assignments will be made within qualified bus driver and maintenance employee classifications (Article 16.1 and 16.4). Fill-in assignments will be made by the Supervisor of Maintenance and Transportation from among all qualified maintenance employees on an as needed basis. Said maintenance employees, as a condition of continued employment, shall maintain their certification to drive all district vehicles. The Board will pay the costs for employees required to recertify for CDL related licenses; Secretary of the State and Third Party testing.

Bus driving overtime will be equalized, insofar as possible, among all bus driver, relief drivers,

and maintenance employees who are qualified by the State of Michigan and this contract to drive passenger buses.

- 8.4. When schools are closed because of inclement weather or other acts of God, employees are expected to report for work if it is at all possible, with pay at regular rate, and receive an additional compensatory day off. However, if an employee cannot report for work because of an act of God, he/she shall be paid at his/her regular rate. In order to qualify for a full 8-hour day of compensatory time, the employee must have worked a minimum of 6 hours. An employee working less than 6 hours shall receive compensatory time exactly corresponding to the amount of time worked that shift. Substitutes will not be hired to replace employees using these compensatory days.

The compensatory day off will be granted up to and including June 30th of the following year.

- 8.5. All custodial and maintenance employees shall be granted a fifteen (15) minute rest period during the first half of the shift and an additional fifteen (15) minute rest period during the second half of the shift. Earned breaks will be taken at the scheduled work site.
- 8.6. No permanent schedule changes shall be made in the custodial, maintenance and cafeteria departments without prior discussion with the Union. The parties agree that emergency situations may arise where prior discussion will not be possible.

Annexation/Consolidation

- 8.7 In the event that the Ferndale Public Schools are forcibly or voluntarily annexed, consolidated, transferred, or through action taken by the courts, State of Michigan, State Board of Education, Intermediate School District or electorates to or with another district(s), the Board shall use its best effort to protect current maintenance, custodial, cafeteria, and bus driver employment rights as provided in this Agreement.

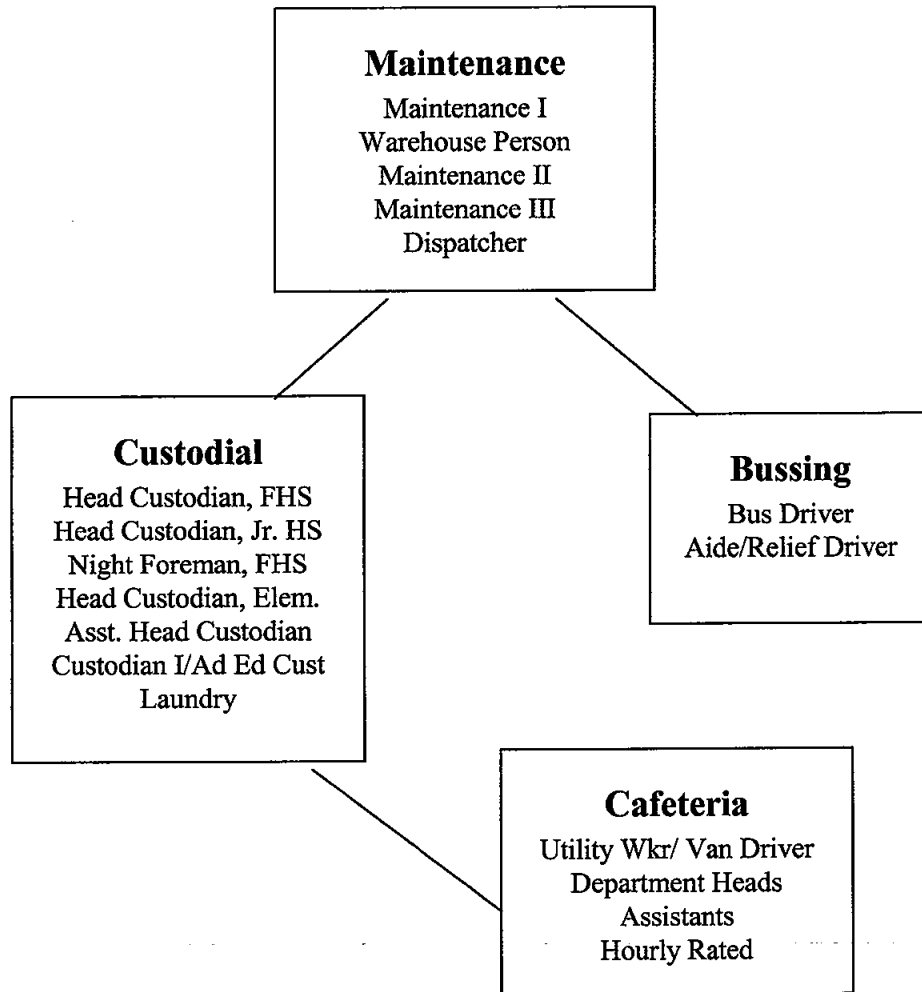

ARTICLE 9

VACANCIES, TRANSFERS, REDUCTION IN STAFF, RECLASSIFICATION

- 9.1 The word layoff shall mean a reduction in the employee work force due to a decrease in work or a lack of funds. Reduction in the work force shall be affected through the following procedure:
- A. An employee(s) affected by the elimination of the position in which they are working shall be able to bump into an equal or lower job classification provided the bumping employee can at the time of bumping satisfactorily meet the standards developed for the position, possesses the skills and ability to perform the duties of the job without a trial period, and has the greater district seniority. The bumping employee shall bump the employee with the least seniority within the affected classification.

The least senior employee within the affected classification shall then bump into a lower classification as per 9.1.a above. This flowchart represents the bumping procedure. An employee(s) within the custodial classification affected by bumping or the elimination of the position in which they are working shall be able to return to previously held position in the cafeteria classification as per 9.1 A above.

9.1. B.

C. Probationary employees within the affected Classification(s) shall be laid off before seniority employee(s) provided a seniority employee(s) remains who can perform the duties according to the criteria established in sentence one of paragraph A of this section. The least senior employee who remains unplaced after bumping is completed shall be laid off. The member/members of the unit that is/are laid off shall have rights of being recalled for two calendar years from their last day of work.

9.2. Employees who are to be laid off for an indefinite period of time will receive ten- (10) work days notice of such layoff. The local Union's president and chief steward shall receive a list of the employees to be laid off from the Board at the time the notice of layoff is issued to the employee(s).

9.3. Employees will be recalled from layoff in the order of their district-wide seniority, if they are able to perform the work available in a school or the district according to 9.1.A.

9.4. Notice to an employee that he is being recalled to work shall be sent to the employee's address the Board has on file. The Board shall be entitled to rely on the address they have on file. If an employee fails to report for work within ten (10) calendar days from the date the notice of recall is mailed, he shall be considered a quit. The Board will consider extension or failure to report upon the submission of information satisfactory to the Board.

9.5. A vacancy in a job classification, within the Unit, shall be posted on or before the fourth (4th)

scheduled working day after the vacancy occurs for a period of five (5) scheduled working days. Two additional successive five (5) day posting periods may be used to fill job vacancies created by lateral transfers. After these two lateral transfers, a person may be hired from the original posting to fill the remaining vacancy.

- 9.6. The Board shall have the right to fill any vacancy in a job classification temporarily. However, the Board agrees to make every reasonable effort to fill the vacancy within thirty (30) days after posting or notify the Union if the job is to be filled or is to be eliminated.

Temporary vacancies shall be filled by the most qualified applicant.

- 9.7. A. It is the intent of these provisions that a posted position would be granted to the person who meets the criteria of the posting. Bidding employees who feel they meet the criteria will be considered by the Board on the basis of their meeting the posted qualifications, their competency, personnel file, and experience; all the foregoing factors being equal, then in the order of their seniority. Should the Board determine that no bidding employee meets the criteria of the previous sentence, the Board may then hire from outside. Bidding Bargaining Unit employees shall be considered for all positions within the Unit before outside hiring considerations are undertaken. An employee, who bids on an opening and is not selected, may request that he be given the reason in writing.
- B. Employees who have a poor work record (i.e., as indicated by reprimand(s) or poor attendance notice(s) in their personnel file) shall be excluded from consideration for all purposes related to this section and Section 8 of this Article. Employees denied consideration on the basis of this provision shall be notified in writing by the Board of the reasons for such denial.
1. Employees at the time of the award shall not earn less than their pre-promotion service-in-grade rate unless the bid is for a lower classification. Any employee bidding downward shall enter the new classification at the same step held in the former job.
 2. Employees affected by movement will be eligible to receive classification step increases on a common date of July 1 of each year, pursuant to the compensation schedule.
 3. Employees awarded a bid shall serve a 160-calendar day probationary/trial period. If the employee fails to voluntarily or involuntarily complete the probationary period, the employee will be placed back in the classification from which the employee was promoted without loss of seniority (unless the employee is disciplined for cause). This replacing into the former classification shall reverse any piggyback transfers or promotions.
- C. Employees with less than two (2) years seniority shall not be eligible to bid on open vacancies and transfers outside of their area of classifications (e.g. maintenance, custodial, cafeteria or bus driving).
- 9.8. Employees in the same job classification who have made application during the posting period shall be eligible for lateral transfer. No more than three (3) lateral transfers shall be made to fill any vacancy in a job classification. Any employee, who transfers under these provisions shall, on acceptance of a transfer to the new position, be ineligible to request any further lateral transfer for a period of one year from the date of transfer. Employees hired after 12/21/81 shall not be able nor eligible to laterally transfer until accumulating at least two- (2) year's seniority.

ARTICLE 10

PROBATIONARY PERIOD

- 10.1. A. New employees hired into year-round (12 month) positions in the bargaining unit shall serve a probationary period of 160 work days during which time they shall be termed "probationary employees."
B. Less than year-round employees hired into the bargaining unit shall serve a probationary period of 160 work days that are served consecutively except as interrupted by any winter, spring, or summer vacations and other scheduled service breaks. When interrupted, the counting of days for the probationary period will continue when the scheduled work begins anew following the break.
- 10.2. Probationary employees' service with the Board may be terminated at any time by the Superintendent, or the Board representative, in his/her sole discretion and neither the employee so terminated nor the Union shall have recourse to the grievance procedure over such termination.
- 10.3. During the first 90 continuous work days of the probationary period, an employee shall not be eligible for the negotiated employee Insurance Benefits as found in Article 15, after which time they shall become eligible for these benefits. If the 90 continuous workdays are interrupted by the summer break then counting begins again with the start of school in the new school year.
- 10.4. After an employee has served the probationary period of employment (160 work days unless interrupted by a service break), the employee shall become a regular full-time employee or a regular part-time employee.
- 10.5. If continuous workdays as used in the Sections above are interrupted by the summer break then the count will be picked up with the start of school. Other service breaks may occur with illnesses or other unusual absences as determined by the Board.

ARTICLE 11

SENIORITY

- 11.1. A. Seniority shall be on a district-wide basis, in accordance with the employee's last date of hire in the district. At the end of the probationary period, persons hired on the same date shall be ranked on the seniority list by representatives of the Board.
B. Beginning July 1, 1986, regular part-time employees who promote to a regular full-time 8 hour position, will have their regular part-time service pro-rated in establishing their full-time seniority ranking. If this employee later returns to part-time status, their former part-time seniority ranking date will be restored.

The pro-ration will be based on the length of their normal scheduled work day at the time of promotion, over a standard eight (8) hour work day: i.e., 3 1/2 hour part-time day is pro-rated as 3 1/2 divided by 8 equals the pro-ration percentage (44%), to be applied against the years of part-time service.

- 11.2. The Board shall keep the seniority lists up to date at all times and shall provide the employees with up-to-date copies annually in October of each year by posting such information in all schools or places of employment in such a manner that all employees may see their seniority standings.

- 11.3. An employee shall lose seniority for the following reasons:
- A. Quits or retires
 - B. Is discharged for just cause
 - C. Is absent for three (3) consecutive work days without notifying the Board, unless as a result of physical impossibility
 - D. Is absent for three (3) consecutive work days without justifiable reason acceptable to the Board
 - E. Gives a false reason to obtain a leave, or fails to return to work upon termination of any leave of absence without an excuse acceptable to the Board.
 - F. If laid off for a period equal to his/her seniority at the time of layoff or three (3) years, whichever is the lesser
 - G. Separation upon settlement covering total disability
- 11.4. The president, vice-president, financial secretary, recording secretary and chief steward and committeemen of the local Union shall have preferred seniority and head the district-wide seniority list regardless of their position on the master seniority list. They shall be continued at work as long as there is work available in the district and they can satisfactorily perform the work of the job.

ARTICLE 12

DISCIPLINE AND DISCHARGE

- A. Oral reprimand
 - B. Written reprimand
 - C. Suspension (notice to be given in writing).

- If it becomes necessary to reprimand an employee, it shall be done in a manner that will not embarrass the employee before other employees or the public and will not violate the human dignity policy.
- 12.2. The Board shall not discharge any employee without just cause. If, in any case, the Board feels there is just cause for discharge, the employee involved may be suspended for five (5) days. The employee and the Union will be notified in writing that the employee has been suspended and is subject to discharge.
- Any employee found to be suspended or discharged without just cause shall be reinstated with back wages and with full restoration of all other rights and conditions of employment. Back wages shall be subject to Article 7, Section 8, G (1).
- 12.3. The discharge or disciplined employee will be allowed to discuss his/her discharge or discipline with the steward of the Unit and the Board will make an area where he/she may do so before he/she is required to leave the property of the Board.
- 12.4. If the employer believes that a written reprimand is required, or a suspension is required, or a discharge is required, then a written copy of the employer's action will be provided to the employee and the President and Chief Steward of the Union.

ARTICLE 13

LEAVES OF ABSENCE

13.1. Workmen's Compensation.

Any employee who is injured while performing regularly assigned work and is disabled to the extent that a doctor's statement indicates he/she is not able to work and must be absent from work will have no deduction made from his/her pay, current allowance or sick bank for a period not to exceed seven (7) days from the date of such injury. In the event disability extends beyond the seven- (7) day period, the employee may elect to have the difference between his/her regular salary and the amount received from Workmen's Compensation paid from his/her current allowance. Before a disabled employee may return to regular work, he/she must obtain a doctor's statement for the Board to the effect that he/she has been examined by a doctor and the doctor has determined that the employee is able to return to work.

13.2. All second shift employees shall report to the head custodian by 11:00 a.m. on the day of absence. Failure to so notify shall result in the loss of pay for the day, except in the case of extenuating circumstances, subject to approval by the Board of Education or its designee.

Head custodians shall notify the assistant head, who shall notify the maintenance office of the head's absence. The assistant head will work in place of the head custodian on the head custodian's regular shift. The regular custodian will then fill in for the assistant head on the appropriate shift.

13.3. July 1st of each year every twelve month employee who has completed one (1) year of service in the district shall be credited, in advance, with fifteen (15) sickness days for that year, such days to be known as the current allowance. Unused current allowance shall be accumulated in a sick bank up to a maximum of one hundred (100) days. An employee shall be allowed to use current allowance before having to use sick days from his/her accumulated sick bank. Days from the current allowance or the accumulated bank may be used for personal sickness and for sickness or death in the immediate family. If an employee has been paid sick leave from the current allowance for a number of days in excess of the number of months worked during the period from July 1st and leaves active employment in the district the overpayment will be deducted from the employee's final check or other monies owed him/her by the Board.

A. On July 1 of each year all current allowance sick days, which are not used to fill the individual, accumulated sick bank and/or current allowance sick bank shall be placed into an extended personal accumulation sick bank. The extended accumulation sick bank can be used only when the accumulated bank and current allowance are exhausted. The extended accumulation sick bank cannot be used 1) to extend the initial start day for Long Term Disability or 2) for any other purpose in this contract. There shall be no limit on the number of sick days that are allowed to accumulate in the extended accumulation sick bank.

13.4. The Board may, in appropriate cases, require a doctor's certificate in corroboration of the claimed illness in order to qualify for sick day pay.

13.5. An employee may use three (3) days of their current allowance each year for personal business. Personal business leave must be applied for in writing, with specific reason, a week in advance, whenever possible, for the Business Manager's approval or that of the designated representative.

A personal business leave day shall not be granted for the day preceding and the day following holidays or vacations; the first and last day of the work year, except for matters of an emergency nature allowable at the discretion of the Business Manager.

- 13.6. A leave of absence will be granted an employee called for jury service. The Board shall pay an amount equal to the difference between the employee's daily salary and the daily jury duty fee paid by the Court (not including travel allowances or reimbursement of expenses for each day on which the employee reports for or performs jury duty and on which he/she otherwise would have been scheduled to work).
- 13.7. Upon the recommendation of a physician, health leave shall be granted for a period up to one (1) year. An extension may be granted only upon the recommendation of the Superintendent. When the employee's health permits his/her return, he/she shall so request the Superintendent, in writing, and submit a statement from a physician certifying fitness to return. The employee shall return to the same or equal position with accumulated seniority.
- 13.8 An employee, after two years of continuous service with the district, will be eligible for an unpaid leave of absence for a period of up to one (1) year without loss of seniority, for the following purposes:
 - 1) Elected or appointed to a union position outside the district.
 - 2) Elected or appointed to public office.
 - 3) Serious illness in the employee's immediate family requiring constant care by the employee, substantiated by a statement from the attending physician.
 - 4) To take educational courses.
 - 5) Child Care

Such leave may be renewable for an additional period of up to one (1) year at the discretion of the Superintendent or the designated representative.

All requests for leaves of absence must be submitted in written form.

If requested in writing by the employee at least thirty days prior to the expiration of any leave of 90 days or less, he/she will be reinstated in his/her original or equal position. For leaves of over 90 days, he/she will be reinstated in the first available opening for which qualified.

- 13.9. Employees who enter the Armed Service of the United States while employed by the Board shall be given all of the benefits accorded them by the Universal Military Training and Service Act, as amended.
- 13.10. The Employer will comply with all relevant and applicable provisions of the Family and Medical Leave Act of 1993.

 - E. The Board has the right to provide notice to employees for the need for their services on the Friday prior to Labor Day provided that notice is given within one week of this Friday. Such services shall be performed at regular pay. Those employees who are called into work on this day shall be provided an opportunity to make up the holiday related day at a date to be agreed upon by the employee, supervisor and the Board. - 14.5. Vacations for custodial and maintenance employees shall be computed from July 1 through June 30. The vacation allowance to which an employee is entitled shall be determined by the number of years of service he has completed by June 30 of a given year and will be posted and scheduled. Vacation allowance shall be prorated during the first year of employment to the nearest half day (based on 5/6 of a day per month of service to June 30).
- 14.6. Vacation allowance may not be accumulated from one year to the next except on the basis of written request, which must have the approval of the Superintendent or the Board's representative.

- 14.7. A. Vacations shall be scheduled at a time when this will not unduly interfere with or hamper normal operations of the school system. Insofar as it is possible within this limitation vacations shall be scheduled at a time satisfactory to the employee. For the vacation periods at Christmas and Easter, one (1) employee from each elementary and middle high school and one third (1/3) of the employees on a shift from the senior high school may be allowed to take vacation time. - 16.5. Employees covered by this Agreement who are assigned to the second shift shall be paid a differential rate above their regular rate of twenty cents (\$.20) per hour. This differential rate adjustment will commence for employees who start work at 12:01 p.m. or later. Shift premium will not be paid to an employee working time and a half or double time.
- 16.6. The compensation for all employees shall be paid bi-weekly while they remain in the employ of the district.
- 16.7.
 - A. When an employee is assigned to a higher position to replace an employee on an extended leave he/she shall, beginning on the sixth (6th) working day, receive a pay rate one (1) step higher than his/her regular rate. After having served a total of thirty (30) working days he/she shall receive the pay rate for the position he/she is filling that would have been received if promoted to that position. An employee at the maximum of his/her pay scale shall, on the sixth (6th) working day, receive the pay rate for the higher classification as would have been received if promoted.
 - B. Relief drivers assigned to work as bus drivers during extended leaves of absence of regular bus drivers shall receive one step on their pay scale after performing in this capacity for two full calendar weeks. This substitution must be for continuous work as a replacement for one regular bus driver.

The standard requiring this higher rate of pay cannot be met by substituting for more than one driver for a two week period of time (i.e. relief driver substitutes for driver A for 5 days, then driver B for 5 days).

Longevity

- 16.8 Beginning July 1, 1987, longevity earnings will be paid to eligible twelve-month employees consistent with the amounts listed below. The appropriate longevity payment shall be made on the earliest possible payday in the month of July. The payment made in July is for that fiscal year and is, therefore, made in advance. The first day of the fiscal year, July 1, shall be used to determine years of service for longevity purposes.

Longevity payments shall be given annually upon completion of the 10th, 15th and 20th full years of continuous service, except as otherwise provided herein for pro-rated payment. The payment for the above three- (3) steps shall be:

First five payments	\$ 336.00
Second five payments	\$ 840.00
All other payments	\$1512.00

The payments set forth above shall not be cumulative and years of service must be continuous.

Effective July 1, 1987, employees, newly eligible for the first longevity payment who have completed at least 9 years and 6 months of service, but less than 10 full years, shall receive a pro-rated 1st payment of the \$336.00 amount. That pro-ration, based on complete months, shall be at 6/12, 7/12, 8/12, 9/12, 10/12, or 11/12. An employee thus pro-rated for their first payment at the \$336.00 amount shall be similarly pro-rated as they begin the first year at the \$840.00 amount or the \$1512.00 amount.

Since longevity is paid in advance, an employee retiring after July 1 shall only be entitled to a pro-rated part of the July payment, and must return the non-entitled portion to the school district. Amounts will be pro-rated at a 75% pay out for eligible employees who work less than a full calendar year.

- 16.9. The Board will provide up to 3,000 dollars (\$3,000) per year to fund voluntary in-service training

each year for all custodial and maintenance employees. Credit for employees attending the Michigan School Bus Drivers Safety Education classes will be given. The union will have the authority to propose training programs and the corresponding allocation of training funds. Final approval of the programs and the disbursement of funds will rest with the management. A salary advancement for employees participating in these programs shall be granted as follows:

- A. After completion of at least one hundred (100) hours of training, an increase of ten and no/00 dollars (\$10.00) per month.
- B. After completion of at least two hundred (200) hours of training, an increase to fifteen and no/00 dollars (\$15.00).
- C. After completion of at least three hundred (300) hours of training, an additional five and no/00 dollars (\$5.00) per month increase (total - \$20.00).
- D. After completion of at least four hundred (400) or more hours of training, an additional five and no/00 dollars (\$5.00) per month (total - \$25.00).
- E. The year for in-service training credits shall be from July 1 to June 30. In-service training credits payment shall be based on the number of credit hours earned as of June 30th, and paid the earliest possible pay period in the following December of each year.

- 16.10. Adult Education custodians will continue to be in a unique job classification. This classification may have separate and distinct work hours, schedules and job duties/responsibilities based on the need of the Adult Education program. The union will be advised on a regular basis of the work schedule.

ARTICLE 17

MISCELLANEOUS

- 17.1. Special conferences for important matters will be arranged between the local president and the Superintendent, or the designated representative upon the request of either party. Arrangements for such special conferences shall be made in advance and an agenda of the matters to be taken up at the meeting shall be presented at the time the conference is requested. Matters taken up in special conferences shall be confined to those included in the agenda. The members of the Union shall not lose time or pay for time spent in such special conferences. This meeting may be attended by a representative of the council or a representative of the International Union.
- 17.2. Except as otherwise provided, the Board will, by September 30 of each year, provide employees with three (3) perma-press uniforms of the Board's choosing from a Board selected vendor.

Custodial and Maintenance employees have the option every third (3rd) year of giving up one (1) uniform for one (1) heavy pile-lined winter jacket. Bus drivers will be supplied with one (1) heavy pile-lined and one (1) unlined jacket every three (3) years, plus three (3) pairs of slacks or three (3) skirts every year. Employees must wear the uniform while on the job. Failure to wear the uniform will subject the employee to disciplinary action.

- A. All newly hired custodial, maintenance, and cafeteria van driver employees have the option of selecting one (1) heavy pile-lined coat instead of one (1) uniform in their first year and then will revert to the normal three year cycle for coats per 17.2. above.
- B. During warm weather, when school is not in session, an appropriate tee shirt may be worn but, under no circumstances, will a cut-off or tank top be allowed. Custodial employees may alter the length of their uniform pants to the top of the knee and wear said uniform during warm weather. The duration of these privileges shall be determined by the administration in each building.

- 17.3. A. All ten (10) month employees who wish to be considered for summer work shall submit a request in writing to the Supervisor of Maintenance and Transportation at least two weeks prior to the end of school. These employees will be given preference for all such summer work.
- B. Any employee working outside their classification pursuant to 17.3.A. will be paid \$12/hour beginning January 10, 2001 and \$13/hour beginning January 10, 2002. (After this time, the employer agrees to negotiate the rate based on the formula of average rates.) Employees working within their classifications will be paid their normal rate of pay for hours worked within their classifications.
- C. The van drivers from the cafeteria may work all unpaid breaks provided they have submitted a letter to the maintenance director at least 2 weeks prior to break.
- 17.4. Employees working pursuant to Section 3 of this Article shall be paid for their normal hours of summer work for the July 4 holiday and holiday-related day provided they are eligible by having worked the last scheduled day prior to and their next scheduled day following the holiday or holiday-related day.
- 17.5. The parties to this "Agreement" agree that should the State of Michigan impose additional new costs on the Board of Education, directly related to this unit of employees, this contract may be reopened for the purpose of negotiating to resolve the district's additional new costs.
- 17.6. The union agrees to designate two representatives to work with management on a performance evaluation tool.

ARTICLE 18

For the life of this Agreement, the following will apply:

Terminal Leave Benefits

- 18.1. A. Any regular employee who retires shall be eligible for terminal pay of one day's pay for each full year of active service or major portion thereof in the School District of the City of Ferndale. Time spent on leave shall not be counted as active service.
- B. Effective July 1, 1987, an employee who retires under this section shall, in addition to A. above, be paid for all sick days in the current allowance and/or accumulated sick bank to a maximum of seventy five (75) paid days at the rate of \$55.00 for each of these days. These days must come from the employees' current sick bank and not the extended sick bank.

However, prior to the effective date of compliance to such decrees or judgments (as noted above) related to wages, hours and other conditions of employment, the Board shall give the Union reasonable notice in order to afford the Union the opportunity to consult with the Board as to the same before its effective date. The parties agree that emergency situations may arise where prior notification and consultation are not possible.

ARTICLE 21

ENTIRE AGREEMENT CLAUSE

In any event, this Agreement shall not be extended beyond June 30, 2005, except by written consent of the parties.

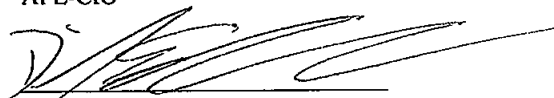

IN WITNESS WHEREOF, the parties hereto have set their hands and seals this 16th day of August, 2003.
