1.2. Exclusive Negotiation

The Board agrees not to negotiate on matters covered by the law with any administrative organization other than the Association for the duration of this Agreement. However, nothing contained herein shall be construed to prevent any individual administrator from presenting an individual grievance and having that grievance adjusted without intervention of the Association, provided that the Association has been given an opportunity to be present at such adjustment and provided that the adjustment is not inconsistent with the terms of this Agreement.

1.3. Definition

In the application and interpretation of the provisions of this Agreement, the following definitions will apply:

The Board, prior to changing or adopting any major job classification duties or work rules having direct and significant application to the employment conditions of employees covered by this Agreement, will notify the Association, in writing, one week in advance of the scheduled Board action to allow the Association to make a recommendation to the Board and have it considered. The Board will elicit the opinion and recommendations of the Association.

- A. This provision shall not be operative and shall not be applied on policies or rules relative to Board decisions on collective bargaining, the grievance procedure, or any other situation or

matter wherein similar Association action is otherwise provided for in this Agreement.

B. Also, this provision shall not be applicable when prevailing circumstances cause the Board to make such an adoption due to urgency or emergencies.

2.2. The Association shall have the right to use school buildings and facilities in conformity with the Board's governing policies and regulations.

2.3. The Board agrees to furnish to the officers of the Association in response to their reasonable written requests copies of the Board's public records normally made available and which have passed the discussion stage and which cover the financial resources of the District, budgetary allocations and expenditures, hours, wages, and conditions of employment of those employees covered hereunder that shall be required by the Association in fulfilling the obligations and responsibilities imposed on it by the terms of this Agreement. It is agreed that normally such complaints will be promptly referred to any employee affected, except in those instances where the nature and/or circumstances of the complaint indicate other handling procedures are in order. It is agreed that if the complaint is not referred back to the affected employee, he/she, in those instances of school related complaints where it is determined such necessary action can be delayed, shall be given an opportunity to provide the necessary background information, either in person and/or by confidential memoranda, before any action is taken on the matter.

2.5. Any administrator shall have the right to inspect his/her Central Office personnel file. The administrator must have an appointment with the Superintendent or the Director of Personnel in order that one or the other will be available when the administrator inspects the file. 4.1. The salary and work year for the term of this "Agreement" shall be as set forth in Schedule A, which is attached hereto and made a part hereof.

ARTICLE 5—GRIEVANCE PROCEDURE

5.1. Definition

- A. A "grievance" is a dispute or claim involving only the application or interpretation of this Agreement.
- B. The term "administrator" may include a group of administrators who are similarly affected by a grievance.
- C. The term "days" when used in this section, except as otherwise indicated, means Monday through Friday inclusive. However, except for the summer recess, legal holidays and all other recesses shall not be counted as days under this section.

5.2. Purpose

The primary purpose of the procedure set forth in this section is to secure, at the lowest level possible, prompt and equitable solutions to the grievances raised. Both parties agree that these proceedings shall be kept confidential as may be appropriate at any level of such procedure.

5.3. Procedure

Level One: The administrator with a grievance shall first discuss the matter with his/her supervisor alone or with his/her representative present, with the objective of resolving the matter informally. The supervisor shall make his her decision known within three (3) days following said conference.

Any grievance not filed within five days following its occurrence or within five days of the date grievant becomes aware or should have been aware of the administrative action, shall be considered automatically closed.

Level Two: In the event the grievance is not satisfactorily resolved at Level One within three (3) days, the grievance shall be reduced to writing, signed by the aggrieved and filed with the Director of Personnel, who shall give a written disposition within five (5) days of receipt of the grievance.

Level Three: In the event the grievance is not satisfactorily settled in Level Two, it may be presented to the Superintendent of Schools within five (5) days of receipt of the answer in Level Two. The Superintendent may designate three (3) persons, who may include himself/herself, to represent the Central Administration. The Chairman of the Association Grievance Committee shall designate three (3) persons, who may include himself/herself, to represent the Association. Within five (5) days after receipt of the written grievance by the Superintendent, these two representative groups shall meet outside of school hours to consider the problem and to arrive at a solution of the grievance. Outside counsel or representatives may be invited to be present by either party with no less than two days prior notice to be given. In the event that, in the judgment of the Grievance Committee, a grievance affects a group or class of administrators, the grievance may be submitted in writing to the Superintendent, bypassing levels one and two.

Level Four: If the grievance is not satisfactorily resolved by the Superintendent, the Association may, within ten (10) days, refer the grievance to the Board. The Board shall schedule a meeting on the grievance. A meeting shall be held within thirty (30) calendar days, and the decision shall be reached within ten (10) days after the meeting.

Level Five: If the grievance is not satisfactorily resolved by the Board, the Association may, within (10) days, appeal the decision to impartial arbitration by sending a request to the American Arbitration Association requesting their services. The selection of an arbitrator and conducting of the hearings will be in accordance with their procedures. The decision of the impartial arbitrator shall be final and binding on all parties. The expenses and fee, if any, of the impartial arbitrator shall be shared equally by both parties.

It shall be the function of the arbitrator, and he/she shall be empowered, except as his/her powers are limited below, after due investigation, to make a decision in cases of alleged violation of the specific articles and sections of this Agreement.

THE ARBITRATOR

- A. Shall have no power to add to, subtract from, disregard, alter or modify any of the terms of this Agreement.
- B. Shall have no power to establish salary schedules or fringe benefits or change any salary schedules or fringe benefits.
- C. Shall have no power to rule on any of the following:
 - 1) Any claim or complaint subject to the procedures specified in the Teachers' Tenure Act (Act IV, Public Acts, Extra Session of 1937 of Michigan, as amended);
 - 2) Any question which under this Agreement is within the authority of the Board to decide. Specifically excluded from arbitration are unadjusted grievances which question the exercise of rights set forth in Article III of this Agreement entitled Board Rights and Security, or which question the use or application of any right over which the Board is given unilateral discretion in this Agreement;
 - 3) Any provisions of any constitutional, statutory, or common law in the resolution of any grievance;
 - 4) Disputes and unresolved grievances concerning the disciplining or discharge of employees who violate Article 10, Section 7 of this Agreement.
- D. Shall have no power to change any practice, policy, or rule of the Board nor to substitute judgment for that of the Board as to the reasonableness of any such practice, policy, rule, or any action taken by the Board. His/her powers shall be limited to deciding whether the Board or Association or employee has violated the express written articles or sections of this Agreement, and shall not imply obligations and conditions binding upon the Board or the Association from this Agreement, it being understood that any matter not specifically set forth herein remains within the reserved rights of the Board as provided in Article III.

- E. In the event that a case is appealed to an arbitrator on which he/she has no power to rule, it shall be referred back to the parties without decision or recommendation on its merits.
- F. There shall be no appeal from an arbitrator's decision, if within the scope of his/her authority, as set forth above. It shall be binding on the Association, its members, the employee or employees involved, and the Board. The Association shall discourage any attempt of its members, and shall not encourage or cooperate with any of its members, in any appeal to any court or labor board from a decision of an arbitrator nor shall the Association or its members by any other means attempt to bring about the settlement of any grievance.
- G. The fees and expenses of the arbitrator shall be shared equally by the Board and the Association. All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expense of witnesses called by the other.
- H. All grievances must be filed in writing within five (5) days from the time the alleged violation was to have occurred. The Board shall not be required to pay back wages more than five (5) days prior to the date a grievance is filed.
 - 1) All claims for back compensation shall be limited to the amount of wages that the employee would otherwise have earned, less any compensation that he may have received from any source during the period of the back pay claim.
 - 2) No decision in any one case shall require a retroactive wage adjustment in any other case.
- I. Any grievance occurring during the period between the termination date of this Agreement and the effective date of a new Agreement shall not be processed.
- J. The arbitrator's decision shall only apply to the specific grievance on which he/she has rendered an opinion.

ARTICLE 6—STAFFING

The Board and the Association agree that all position openings shall be staffed with the most competent and qualified persons that can be procured. The Association also agrees the Board shall have the right to make the final decision on the staffing of all positions covered by this Agreement.

6.1. Vacancies

Whenever an administrative vacancy in the District shall occur during the school year, which position shall be considered a promotion as defined in Section 3 below, the Board shall publicize the same by giving written notice to all administrators and providing for appropriate posting in every school building.

The bulletin shall be entitled ANNOUNCEMENT OF VACANCY and shall contain the following information:

- A. Title of the position which is open.
- B. Formal requirements of the position and notice that other qualifications are also considered in

- the final selection of someone to fill the position.
- C. Notice that the search for a highly qualified person to fill the position is not restricted to this district.
- D. Final date for filing an application for the position.

No such vacancy shall be filled except on a temporary basis, until such vacancy shall have been posted for at least ten (10) calendar days.

6.2. Probationary Period & Employment Contracts

A person assigned or newly hired into an administrative position, as listed in Article III of this Agreement, may remain in probationary status for a period of two (2) school years. The administrator is subject to removal from the administrative position for any reason deemed proper by the Board of Education, the Superintendent, or designated alternate, provided such removal is not arbitrary or capricious. In any such matter proceeding to arbitration, the arbitrator shall be limited to the issue of whether the action by the Board was arbitrary or capricious, and shall base his or her award upon such determination.

Upon successful completion of the probationary period, the administrator will be granted a two-year non-tenure employment contract in his or her classification. The employment contract will be binding on all parties except where economic conditions, reductions of student numbers, or closing of buildings bring about a need for fewer administrators.

6.3. Promotion

A "promotion" is a change in position, which is in a higher compensation level because of duties and responsibilities of a more substantial nature and degree. Promotions are not meant to include the taking on of additional duties in connection with extracurricular and extra-contractual activities.

- 6.4. Any administrator may apply for a vacancy in a position considered to be a promotion as defined in Section 3 above, and if available, shall be interviewed and given consideration and notified of disposition before an applicant from outside the Unit is placed.
- 6.5. If any vacancy in any bargaining unit position shall occur during the summer recess period, the Board shall notify all administrators via a job posting mailed to the administrator's address of record. No such vacancy shall be permanently filled until ten (10) days after mailed notice has been sent to all administrators, provided however, that failure to notify any one or number of persons through error shall in no way affect the Board's decision.

6.6. Transfers

- A. Requests for transfers and/or reassignments must be in writing, giving the reason for the requested transfer and/or reassignment, the position requested and the administrator's qualifications. Such requests are to be submitted to the Personnel Office and renewed annually if they are to remain active.
- B. Those persons from within the Unit, interested in the vacancy, who are available, shall be interviewed and given consideration before an applicant from outside the school system is placed.
- C. In the selection process for filling a vacancy, potential qualifications, competency, experience, and length of service in the district will be considered and judged in weighing the needs of the individual, the school district, and the students.

D. In the event that no A.F.S.A. member applies for a vacant bargaining unit position, the Board shall meet and confer with A.F.S.A. representatives and elicit their input as to the qualifications and attributes deemed desirable for the Board to seek in candidates for the position.

6.7. At least 90 calendar days before the expiration of the "individual contract", the administrator shall be provided a written statement as to whether or not his/her work has been satisfactory. This statement, if non-renewal is contemplated, shall indicate the Board is considering such non-renewal and shall contain a written statement of the reasons the Board is considering the non-renewal. Notification of non-renewal of contract shall be given in writing at least sixty (60) days before the contract termination date. Failure to provide such written statement shall be conclusive evidence that the administrator's performance is satisfactory and that the administrator shall continue in the position for the ensuing year.

For purposes of this "Agreement" the "individual administrative contracts" shall expire on June 30 of each school year even though some administrators will work beyond June 30 in order to complete their "scheduled days to be worked" as provided in Schedule A, Article III of this "Agreement."

6.8. All provisions of this Agreement are to be in compliance with the MICHIGAN TEACHERS' TENURE ACT, so-called, Act Number 4 of the Public Acts of the Extra Session of 1937, as amended and Section 380.132 of Act 451 of 1976, as amended, dealing with administrator's contracts.

6.9. *Demotion and/or Dismissal of Non-Probationary Administrators*

A. Demotion and/or dismissal of a non-probationary administrator shall be considered for just cause only.

B. When demotion or dismissal is being considered under subsection A above, the following procedure shall be followed:

- 1) The Board shall review with each administrator the definition of his/her job duties.
- 2) A performance review shall be conducted by the immediate supervisor, by January 31st, noting the areas of poor performance, incorrect procedures, or improper attitudes.
- 3) The supervisor shall discuss the review with the affected administrator and indicate ways and/or methods for improving performance.
- 4) The period of time beginning with the review in #2 above and continuing up to the issuance of the written statement referred to in Section 8 above will be allowed the administrator to correct the performance deficiencies and demonstrate increased competency.
- 5) Conferences for more frequent evaluations shall be scheduled during this period to review the administrator's progress or lack of progress in improving his/her performance.
- 6) In the event adequate improvements in performance are not or cannot be made by the administrator; a notice of possible non-renewal of administrative contract shall be given to the administrator pursuant to Section 7 of this article (above).

C. The individual administrator will be provided with not less than thirty (30) calendar days'

advance notice that the Board is considering the non-renewal of administrative contract together with a written statement of the reasons the Board is considering the non-renewal. After issuance of the written statement but before the non-renewal statement is issued, the affected person shall be given the opportunity to meet with not less than a majority of the Board to discuss the reasons stated in the written statement. Said meeting, if requested, shall be conducted pursuant to provisions of Section 8 of Act 267 of the Public Acts of 1976 being Section 15.268 of the Michigan Compiled Laws.

- D. The decision of the Board of Education, regarding the demotion and/or dismissal of an administrator, will be provided the administrator at least sixty (60) days prior to the expiration of his/her contract.

6.10. *Reduction-in-Force and Recall*

When the Board determines that a reduction in the number of administrators covered by the Agreement must be made, it shall be made on the basis of the needs of the district and needs of the student. Potential, qualifications, competency, experience and length of service in the district will be considered in making this determination.

When positions become available, administrators affected by a reduction in force shall be given first consideration for the open position before other persons are considered to fill the position. When an administrator who was laid off in a reduction in force is returned to an administrative position within the bargaining unit, he or she will receive full credit for past administrative experience and be eligible for all benefits granted under the terms of this Agreement.

ARTICLE 7—TENURE

- 7.1. It is agreed by the parties that an employee assigned an administrative position falling within the jurisdiction of the Association shall not be deemed to be granted tenure in the administrative position.
- 7.2. Return to Classroom An administrator denied tenure in position by contract of employment shall be deemed to have been granted continuing tenure as a classroom teacher and when removed from an administrative position shall be assigned to a classroom (as a classroom teacher) with all tenure rights, seniority and benefits of a teacher as accrued from time of employment or re-employment.
- 7.3. Board Indemnification
The Association will indemnify and hold harmless the Board and/or its agents and assume and discharge the full and complete liability of the Board and/or its agents arising out of, or in connection with, the compliance of this Section as well as any and all claims for payment of compensation involving litigation and proceedings brought against the Board and/or its agents by any teacher or group of teachers deprived of employment through compliance with the provision of this Section.

ARTICLE 8—LEAVE POLICIES

8.1. *Job-Related Injury*

No deduction shall be made from the pay of an employee, for absence resulting from injury received when on duty incidental to such employment, for a period not to exceed seven (7) calendar days from the date of such injury; however, if the injury continues beyond fourteen (14) calendar days and workmen's compensation award is paid for the first week of absence, the employee shall endorse said check and turn it over to the district or reimburse the district by other means of legal tender; providing that a report be made to the Central Office by the immediate supervisor within twenty-four (24) hours, stating the date, time, and conditions of injury and that a doctor's certificate be presented to the Board of Education with the recommendation that such employee should be absent; and upon returning to

the job, a physician's certificate be issued, after an additional examination, to establish evidence of continued fitness to work.

- 8.2. During each year, the administrator will earn sick leave at the rate of one day per each full month worked. Upon starting work at the beginning of every school year, each administrator shall be credited, in advance, the number of days of sick leave for that year, plus any accumulation of unused sick days from prior years in any certificated employment capacity within the district, such days to be known as the current allowance. In addition, each administrator will be credited with three (3) personal business days, which shall be added to the current allowance. Paid absence will be allowed, up to and including the number of earned days in an employee's current allowance, for personal sickness. Administrators employed during summer months will be allowed to use accumulated sick leave. If unearned sick days have been paid to the employee and the employee is leaving active employment within the district, the overpayment will be deducted from the employee's final check. Where appropriate, administrators may roll over a maximum of five (5) unused vacation days into sick days, at the end of any given contract year (June 30).
- 8.3. A returning administrator, absent from school at the beginning of the school year because of sickness or physical disability, may draw upon his accumulated allowance.

A new administrator hired from outside the district, absent from school at the beginning of the school year because of sickness or physical disability may draw upon his accumulation upon assuming his professional responsibility.

- 8.4. When an employee is absent the day before and/or the day after an institute or holiday, without proper authorization, the employee shall not receive salary for the day absent or the holiday, unless absence is due to personal sickness or death in the family. In case of personal sickness the administrator shall receive pay for these days providing satisfactory proof of illness is provided, for example, a statement by the physician, and provided further that he/she is eligible for any compensation during the pay period in which such institute or holiday occurs.

8.5. *Personal Leave*

Personal leave days to a maximum of three (3) days per school year will be granted to administrators for emergency or exceptional reasons and to attend to urgent and essential personal affairs that cannot be performed outside of the regular school day. All personal leave days in excess of three (3) per year will be deducted from the "Current Allowance" of the administrator. Except for emergency cases, written application for leave must be made in advance. Abuses of the intent of the above personal leave policy will result in the loss of pay for those days and a reprimand placed in the personnel file of the employee. The maximum of three (3) personal leave days will be added to each administrator's current allowance (see Section two [2] above) beginning in the 1983-84 school year and each year thereafter until changed or altered.

- 8.6. An administrator required to serve as a juror in any proper court of jurisdiction will continue to be paid his regular salary during such term of jury service. To qualify for salary payment, the employee must endorse and deliver all checks of payment for jury duty over to the school district.

8.7. *Leaves of Absence.*

At the discretion of the Board of Education, leaves of absence for the following reasons may be granted: health, maternity, adoptive, sabbatical, study or travel, and military service, all except the last being subject to the provisions as delineated. Leaves for other extenuating circumstances may be granted at the discretion of the Superintendent:

- A. By the approval and adoption of this leave policy, the Board of Education hereby rescinds all

other leave policy and policies relative to leaves of absence previously adopted.

- B. Eligibility for any kind of leave of absence is dependent upon a satisfactory record of at least two years continuous employment by Ferndale Public Schools (sabbatical requires seven [7] years). Except for military leave, health leave, or maternity leave, no leave shall conflict with the administrator's contractual obligations with the school district unless approved by the Superintendent.
- C. A second leave, or an extension of any type of leave, may be granted only at the recommendation of the Superintendent.
- D. While on leave, an employee shall maintain all employment rights held before leave was taken and shall return to a salary that he/she would have received for that year had the leave not been taken, if he/she returns to the position formerly held or a position of the same level.
- E. Notice of intention to return or resign must be sent in writing to the Superintendent by March 1, of the leave year, and failure to provide such notice shall be the equivalent of resignation.
- F. When an administrator returns from a leave of absence and his/her former position is not vacant, he/she shall be placed in an available position for which he/she is certified and qualified and will be compensated at the level of a person in that position with his/her length of service.
- G. Where permitted by the carrier under its uniform rules, an administrator shall be granted the opportunity to continue for 12 months hospitalization/medical insurance and life insurance while on an authorized leave of absence, provided arrangements are made to pay the required premiums to the school district in advance. The school district's responsibility for providing such coverage ends at the fifteenth (15th) of the month following the last day worked by the administrator.
- H.

LEAVES OF ABSENCE--TYPES AND SPECIFIC CONDITIONS

8.8. *Health Leave*

Upon the recommendation of a physician, health leave shall be granted for a period of up to one (1) year. When the employee's health permits return, he/she shall so request the Superintendent in writing and submit a statement from a physician certifying fitness to return to his/her position. The Superintendent shall give an assignment at the beginning of the following year.

8.9. *Childbearing Leave*

Childbearing leave shall be granted for the balance of the school year or any lesser period as approved by the administrator's attending physician.

- A. A.3.3. Certification Pay

A.3.4. Longevity

For the 1989-92 school years and each subsequent year until termination or modification, the Board of Education agrees to pay the amounts listed below for continuous years of certificated, professional service in the district, as follows:

Sixteen (16) through twenty (20) years	\$1,519.00
Twenty-one (21) through twenty-five (25) years	2,888.00
Twenty-six (26) years or more	4,257.00

The amounts set forth above shall not be cumulative.

A.3.5. Administrative Service Incentive

An AFSA member, upon completion of eight (8) years of district service as an administrator in a bargaining unit recognized position, shall qualify for the Administrative Service Incentive. The Incentive shall be an additional \$5,257 in Compensation for up to three years for a maximum payment of \$15,771.

To receive this payment, in addition to meeting the eight (8) year requirement, the administrator must notify the Director of Human Resources in writing of his/her desire to begin receipt of the benefit. Such notification must occur by the last day of the first semester of the school year in which the payment is to be made. The Incentive payments need not be received in three (3) consecutive years, however, the member must be actively employed during the year payment is made.

The longevity benefits described in A.3.4 shall apply only to those AFSA members who receive longevity during the 1994-95 school year and those employees who, as of June 30, 1995, have completed eight (8) years of employment with the District and will therefore qualify for longevity benefits in the future.

In addition, those AFSA members with nine (9) to fifteen (15) years of service may, at their option, choose instead, the "Administrative Service Plan" as described in A.3.5. This choice must be made by January 19, 1996. Notification of such choice must be submitted to the Director of Human Resources in writing. Failure to provide notice of selection of the Administrative Service Plan by the required date, shall result in eligibility only for the plan described in A.3.4.

A.3.6 Reimbursement for the Professional Organizations

The Board shall reimburse administrators up to a maximum of \$450.00 toward the cost incurred by the administrator in joining state and/or professional organizations directly associated with the individual administrator's position or for subscriptions to periodicals associated with the administrator's position.

In addition, the Board will establish an account in the amount of \$2,000.00 to be administered by the Professional Development Committee, for payment of professional membership, which exceeds the \$450.00 allotment. The Committee shall receive and review requests by AFSA members for payment of costs when a member has exhausted the initial allotment or depleted the allotment to the point that sums did not remain sufficient to pay for additional professional membership.

The Professional Membership Committee, in reviewing and approving such requests, shall consider the need or benefit to the member and the need or benefit to the district, with a view toward avoiding unnecessary duplication of membership. The Committee, in its judgment, may provide sums for partial membership or subscription membership as an alternative to full membership.

Any monies in this account which remain unused as of January 1 of each school year shall be transferred to the Professional Development Account, as established in Article 10.15, and be used in accordance with the provisions contained therein.
