Nothing contained herein shall be construed as limiting the right of any secretary with a grievance to discuss the matter informally with any appropriate member of the administration, as described in Section 5 of the Article.

- B. If a twelve (12) month employee has seventy-five (75) hours or more of unused vacation time accumulated by June 30, 2006, s/he may use half of those days as vacation days in the 2006-07 school year and the remaining half in the 2007-08 school year, or use all their accumulated vacation time.

ARTICLE X

Vacancies, Transfers, Reduction in Staff, and Promotions

Section 1 – SENIORITY AND PROBATIONARY STATUS

A. Seniority shall be defined as the total time a secretary has been a member of the bargaining unit (subject to Section 1 above) and excluding time while on unpaid leave of absence. Commencing July 1, 1985, and from that point forward, seniority shall not be accrued during the time in which a secretary is an exempt secretary as defined in Article 1, Section 1.

B. New secretaries shall be considered probationary employees until they have completed ninety (90) calendar days of employment. There shall be no seniority among probationary secretaries. Seniority shall accumulate from the date of employment once a secretary has successfully completed the probationary period.

C. Secretaries who satisfactorily complete the probationary period will be evaluated once per year, every three (3) years as outlined in article XV, Section 3.

D. A probationary secretary whose performance evaluation is unsatisfactory may be terminated prior to or at the conclusion of the ninety (90) day probationary period

Section 2 - TRANSFER

A transfer is a lateral change within the same salary classification and job description. Transfers may be requested by a secretary at any time and such transfer requests shall remain valid for a period of six (6) months.

In the event of a school or office closing, secretaries affected shall be notified of such closing, as specified in Article X, Section 7, A, and shall have the first opportunity to request a transfer to an open position

Section 3 - PROMOTION

A. A promotion is a movement to a higher classification than one in which the secretary is currently employed.

B. A promotion to a higher classification will be to the same experience step that the employee is on prior to the promotion upon the satisfactory demonstration of skills required for job performance.

Section 4 The authority for effecting all reductions in staff, promotions and category reclassifications shall rest with the Superintendent or his/her representative. Category reclassifications will be made only after negotiation with the Association, who will be notified before the fact, in writing, of transfers, reductions in staff or promotions.

Section 5 - VACANCIES

A. In the event a new permanent position is established, not presently covered in the classification schedule, the Association and the Board's designee will meet to

clarify responsibilities and negotiate compensation for the new position based on the job description of the new position, before the position is filled through the posting procedure on a permanent basis.

B. Within five (5) days of the administration's knowledge that a vacancy will exist, a posting will be issued for at least five (5) working days and provided to each secretary by e-mail. During the summer months, the postings will be issued for ten (10) working days and sent to each secretary by mail or personal e-mail, if provided to Human Resources.

In the event the District needs to reduce staff for the next school year, any vacant position that becomes available March 1 or later shall not be posted and will be available for the displacement process outlined in Section 7, C of this Article.

C. Secretaries desiring to be considered for the announced vacancy must make written application to the designated administrative office prior to the posted application deadline.

D. The most senior applicant meeting the posted qualifications shall be awarded the position. An applicant shall not be required to re-qualify and/or retest if the position is equivalent to a lateral move.

However, if requested, an employee who transfers to a new position shall be provided with a reasonable amount of training time (i.e., 2 days) in which to fulfill the responsibilities of the new assignment.

If the employee, or the immediate supervisor believes additional training is required, a request can be made to the director of human resources. Such request shall be in writing and would identify the areas of responsibility for which additional training is requested. Approval of such requests shall be at the discretion of the director of human resources and not subject to the grievance process.

E. External candidates shall only be considered when there are no internal candidates qualified for the posted position. The Association will be notified of the name of the successful candidate.

Section 6 – CLASSIFICATION CHANGE

A. In the event the level of responsibilities or duties change in an existing position as identified by either or both parties, the Association and the Board's designee will convene to negotiate levels of responsibilities, change of duties, and compensation for the changes.

B. The secretary in said position shall remain in the position without posting assuming he/she meets the minimum qualifications of the redefined position.

C. In the event the secretary does not meet the minimum qualifications, the administration shall develop an Enrichment Plan designed to provide the secretary with the necessary support to upgrade his/her skills and therefore meet the qualification requirements. This support shall be provided at Board expense as mutually arranged and may include in-service and instructional assistance (course work).

D. The secretary shall be required to fully participate in all aspects of the enrichment plan and be able to demonstrate that the qualifications of the position are met within six (6) months of the plan development. Failure on the part of the secretary to meet the qualifications within the six (6) months shall require the displacement of that employee in accordance with the provisions defined in Section 7 below. The secretary shall be placed at the new classification rate during the entire enrichment period.

Section 7 – REDUCTION OF STAFF

A. In the event a secretarial position is increased, reduced or eliminated, i.e. by total number of hours, the Administration will notify the Association and the individual(s) involved, in writing, at least thirty (30) days in advance of the scheduled change. No position shall be eliminated unless a majority of the work performed in that position is also eliminated.

B. If the change is an increase or reduction in the number of hours, the secretary in the position may either accept the change or follow the procedures in Item C below, of a secretary whose position is eliminated and therefore who is displaced.

C. DISPLACEMENT

1. When a position or positions are eliminated, the most senior secretary can either choose an existing vacant position or displace the least senior secretary within their classification and work year, providing they meet the qualifications of that position.

For displaced purposes only:

All 52 week, 37.5-40 hour positions shall be considered the same work year.

All 41-44 week, 32.5-37.5 hour positions shall be considered the same work year.

All 42 week, 20 hour positions shall be considered the same work year.

2. If the displaced secretary happens to be the least senior secretary or does not meet the qualifications of a position held by a less senior secretary in their classification and work year, they may displace the least senior secretary in the next lower classification and work year providing they meet the qualifications of that position.
3. If a secretary does not have seniority to displace a secretary in his/her classification or lower, but has more seniority than a secretary in a higher classification, he/she may displace the least senior secretary in their same work year, provided he/she meets the qualifications of that position.
4. If the Board chooses to place a secretary in a lower classification without following the above procedure, they may do so, as long as he/she receives the same pay rate and benefits that he/she would have received in his/her previous position. (Classifications shall be defined as I, II, III.)
5. A displaced secretary has the option to go through the displacement process or choose a voluntary layoff.

Section 8 - LAYOFF

Secretaries whose employment is terminated as the result of reduction in staff will be placed on the seniority recall list, in seniority sequence. When such secretary is rehired, within a period of five (5) years, he/she will return to work on the same step of the salary schedule unless he/she has completed the year, in which instance, he/she would be automatically eligible for the next increment. All sick and accumulated benefits would be restored to said employee upon his/her return.

Section 9 – TEMPORARY WORK SITUATION

- A. In the event it becomes necessary for a secretary (secretaries) to temporarily handle the responsibilities of an absent secretary, the secretary(ies) and his/her immediate supervisor shall meet to determine how it will be accomplished.
- B. Should a secretary in a lower rated classification temporarily replace a secretary in a higher rated classification for more than two (2) days, said secretary shall have his/her salary adjusted for all time spent in the higher classification. Such adjustment shall be accomplished by temporarily placing the secretary at his/her experience step in the higher rated classification. Upon returning to his/her previous duties, the secretary will again be compensated at

his/her previous rate. A secretary's rate shall not be lowered if temporarily replacing a secretary in a lower rated classification.

ARTICLE XI

An employee shall receive credit at the end of the school year for the unused portion of the leave allowance. The accumulated maximum total days, herein referred to as the personal/sick leave bank, shall not exceed two hundred five (205) days in any school year. Secretaries who have accumulated two hundred five (205) days prior to the beginning of the school year shall not have days deducted from this accumulation until they have used their annual allowance for that year.

Section 4. Any secretary who has exhausted his/her accumulated sick leave by virtue of an extended illness, qualifies for participation in the common sick bank and shall, upon application, be permitted to withdraw from the common bank.

Withdrawal of days from the common sick bank shall be subject to the following provisions:

- A. The maximum number of days which may be withdrawn shall not exceed the number of days credited and accrued to the individual's sick bank on the first day of the current fiscal year or at such time as the individual joined the staff during the current school year.
- B. Extended illness shall be the basis for withdrawal and may be defined as hospitalization or prolonged care supervised by a physician.
- C. Application must be made, in writing, to the building administrator, stating dates (where possible) and such other data as may be pertinent and supportive.
- D. Applicant may be asked to provide medical support for request.
- E. Fraudulent use of common sick bank may result in loss of wages for days so used and in loss of remaining common sick bank days.
- F. The common sick bank shall consist of 300 days renewable to that amount on July 1 of each year.

Upon review of the request, the building administrator shall forward the request to the Director of Human Resources for action and written response.

Section 5. Applications for business leave shall be filed with the administrator as far in advance as practicable. Improper use of leave will result in the loss of salary for the day or days in question. Examples of unacceptable uses of business leave days include:

- 1. Recreational pursuits
- 2. Other employment except with administrative approval
- 3. Social functions
- 4. Travel
- 5. Child care (except in emergency situations)
- 6. Economic gains
- 7. Extension of holidays, vacations or other school recesses

Section 6. A leave of absence may be granted a secretary called for jury service. The Board will pay an amount equal to the difference between the secretary's daily salary and the daily jury duty fee paid by the Court (not including travel allowances or reimbursement of expenses) for each day on which the secretary reports for or performs jury duty and on which he/she otherwise would have been scheduled to

work.

Section 7. Leaves of absence with pay not chargeable against the secretary's allowance shall be granted as follows:

A maximum of five (5) days per occurrence for a death in the immediate family including father, mother, spouse, sister, brother, children, mother-in-law and father-in-law, grandmother, grandfather, grandchildren, brother-in-law, sister-in-law, and any person living and making his/her home as a member of the secretary's household.

ARTICLE XII

Leave of Absence Without Pay

Section 1. The Board or its designee may grant secretaries who have met certain criteria and procedures, as outlined in this Article, a leave of absence without pay up to a maximum of one (1) year. An extension of a leave of absence may be granted upon the recommendation of the Superintendent. Examples of such leaves are health, maternity, child care, study, research, professional association assignment and approved travel. Each request for an unpaid leave of absence will be considered on its individual merits. The applications shall be submitted in accordance with the provisions of the Article. The particular circumstances surrounding each leave will be reviewed by the Board with the understanding that its decision will in no way establish a precedent.

Section 2. To be eligible for a leave of absence, except military leave, as provided by law, the secretary must have completed the probationary period.

Section 3. For one year, reinstatement shall be granted to any available

position which is substantially equivalent to the position held before the leave commenced or to any available position of a lower classification for which the secretary is qualified and interested. If no position is available at the time the leave terminates, the secretary may request an extension of the leave of absence or be placed on layoff status with all rights pursuant to the provisions outlined in Article X.

Section 4. If a secretary on leave accepts employment elsewhere or enters into a contract for another position without prior approval from the Director of Human Resources, the leave will be automatically terminated and his/her employment will terminate.

Section 5.

- B. A secretary on unpaid leave shall be allowed to purchase health insurance through the Human Resource Office at the group rate at the secretary's own expense when such practice is permissible under the rules and regulations of the insurance carrier(s).

Section 6. While a secretary is on leave, there shall be no advancement on the salary schedule in terms of experiences nor in accrual of seniority, except as provided for elsewhere in this Article.

Section 7. An eligible secretary desiring a leave of absence shall submit such request to the Board of Education through the Human Resources' Office. Such request shall be submitted by the Superintendent to the Board with his/her recommendation for action.

Section 8. For all secretaries whose leave shall terminate at the end of a school year, a letter of availability must reach the Superintendent no later than the preceding March 1st. For all secretaries whose leave shall terminate at times other than the end of a school year, such letter of availability must reach the Superintendent no later than sixty (60) days preceding the termination date of the leave. Failure to comply with this provision shall be interpreted as a resignation of employment.

Section 9. Accrued seniority shall be maintained during periods of unpaid leave of absence.

Section 10. Childbearing and/or Childrearing Leave:

The Board shall grant a leave of absence for maternity, adoption, or child care reasons. Whenever possible, a request in writing at least thirty (30) days prior to the expected birth, adoption of the child, or the commencement of the child care leave should be provided. In the event of miscarriage or death of the infant, the leave of absence may be terminated after sixty (60) days upon written request of the secretary. In the event of a miscarriage or abortion, the School District's sick leave policy shall apply. A secretary adopting a child shall be entitled, upon request, to a leave to commence at any time during the first year after receiving custody of the child, or prior to receiving such custody, if necessary, in order to fulfill the requirements for adoption.

Section 11. An employee returning from an unpaid health leave must submit a written statement from his/her physician certifying the employee's ability to return to his/her duties. The Board reserves the right to require the secretary to be examined by a Board designated physician at Board expense.

Section 12. An eligible employee may at his/her option take a FMLA unpaid leave either (a) following the exhaustion of his/her personal leave day accumulation and the exhaustion of his/her access to the School District Sick Leave Bank or (b) prior to the exhaustion of these events, for reasons which would qualify under the FMLA. Said leave shall be for up to the maximum allowed under FMLA. During such leave, the Board shall continue to provide the benefits defined in Article XIII at no cost to the employee.

ARTICLE XIII

Section 1.

- A. The Board shall provide all insurance benefits listed in Section A for a full twelve-month period of each school year for all secretaries in the bargaining unit, except for those secretaries electing benefits under Section B below. Such benefits shall be provided, without cost to the secretaries, to each secretary and his/her dependents, as defined by MESSA.
 1. MESSA CHOICES Health Insurance: When appropriate, MESSA CHOICES with a \$10/\$20 prescription card or MESSA Limited Medicare Supplement and Medicare, Part B, premium shall be paid on behalf of the secretary, his/her spouse, and/or dependents eligible for Medicare.

2. MESSA/Delta Dental Plan, including the 004 orthodontic rider with coordination of benefits. Dental maximums of \$1,200 for Class I, II, and III; \$1,500 Class IV.

1. MESSA/Delta Dental Plan, including the 004 orthodontic rider with coordination of benefits. Dental maximums of \$1,200 for Class I, II, and III; \$1,500 Class IV.
 2. MESSA Term Life Insurance in the amount of fifty thousand dollars (\$50,000) for the secretary only. Such insurance protection shall be paid to the secretary's designated beneficiary. In the event of accidental death, the insurance will pay double the specified amount; in the event of accidental dismemberment, the insurance will pay according to the schedule.
 3. MESSA Plan VSP-2 Silver Vision Insurance including internal and external coordination of benefits.
 4. Each secretary shall receive a cash payment through the cafeteria plan of one hundred fifty dollars (\$150) per month. Secretaries may apply this amount to one of the Board approved annuity carriers.
- C. The Board shall provide, without cost to the secretaries, MESSA Plan II Long-Term Disability Insurance for each secretary. Benefits shall be paid at sixty-six and two-thirds percent (66 2/3%) of salary and shall begin after expiration of ninety (90) calendar days or at the exhaustion of his/her personal leave bank and common bank days, whichever is longer. The maximum monthly amount shall be up to \$3,000. Health benefits shall continue at no cost to the secretary for 24 months in the event of total disability.
- D. The above insurance coverages shall be provided by the Board to all secretaries that are normally scheduled to work 32.5 hours or more per week. The Board shall pay the pro-rata portion of the premiums for those that are scheduled to work less than 32.5 hours per week based upon the ratio of average number of hours regularly scheduled to 32.5.

- E. Each secretary, upon his/her date of employment and annually thereafter, is eligible to participate in the School District's Cafeteria Plan, Healthcare Reimbursement Plan and Dependent Care Reimbursement Plan.

Section 2. Any secretary carrying double coverage in the area of employer-paid health insurance shall be required to reimburse the Board of Education in the amount of the premium paid on behalf of that employee during the contract. Double coverage shall be defined as having any full family, fully paid by the employer, equal or better health coverage program available for the secretary from any other source.

Section 3. Any secretary who is absent because of an injury compensable under the Michigan Worker's Compensation Law shall receive from the Board the difference between the allowance under the Worker's Compensation Law and his/her regular salary for the duration of the absence due to injury up to a limit of three hundred sixty-five (365) calendar days. However, in no event shall a secretary receive an amount which exceeds his/her salary.

The difference between such regular salary payment and the daily amount received under the Worker's Compensation Law shall be divided by the secretary's regular daily salary for each day or days of absence and the quotient thereof shall be chargeable to, and deducted from, the secretary's common sick leave bank. If absence continues beyond three hundred sixty-five (365) days, further absences shall be charged, pro-rata, to the secretary's personal accumulative sick leave bank.

Secretaries absent due to such injury/illness shall continue to accrue seniority, salary credit and advancement, and all other rights and benefits as provided by this Agreement for the duration of the illness. Eligibility for insurance benefits will be maintained for a minimum of twelve (12) months and for as long as the secretary continues to receive paid leave under either the secretary's common sick leave bank or the secretary's personal accumulative sick leave bank.

Section 4. Upon retirement (under provisions of the Michigan Retirement Act) with a minimum of ten continuous years in the school district, said employee shall receive a terminal leave payment equal to one percent (1%) of the minimum base salary of her classification times the number of years of service in the Berkley School District. Said payment will be provided to the employee in June via a 403b account.

ARTICLE XIV

Compensation

Section 1. The Board agrees to provide a 1.5% salary increase to BESA members for each year of this Agreement for the 2006-07, 2007-08 and 2008-09 school years. The classifications and compensation schedules are included in this Agreement as Appendices A and B respectively.

Section 2. For the purpose of salary schedule credit, one increment within each salary track shall be awarded for each year of district experiences and/or eighteen (18) semester credit hours earned through approved course work and/or the equivalent hours of inservice training experience jointly agreed upon by the Administration and the Association (one semester hour is equivalent to forty-five hours of inservice). Course hours and inservice training shall be paid on the basis of one-third of the appropriate increment effective upon the completion of each six (6) hour credit block or its equivalent. Programs designed to earn such credit must receive prior approval from the Director of Human Resources. The secretary's immediate supervisor must approve all participation in work inservices. All one-third increment placements previously earned shall continue to be honored. For those secretaries who are employees of the district at the time of ratification, the hours towards the one-third increment placements which were earned or are in the process of being completed at the time of ratification of this agreement and are recorded with the Director of Human Resources within sixty (60) days of ratification shall be honored and equated as defined in the 1996-99 Master Agreement. Extended annual CPR and/or first aid training shall be eligible for credit. A personalized plan may be jointly developed between the secretary and his/her immediate supervisor. Said plan must be approved by the Director of Human Resources. Essential training required by the Board and offered during the work day is exempt. Should a dispute arise pertaining to the above, the appeals process shall be the following order: immediate supervisor, Director of Human Resources, Deputy Superintendent. Secretaries who serve as inservice trainers and/or presenters shall earn three (3) hours of inservice credit for each hour of inservice.

Section 3. Longevity pay at the rate of 1% of the secretary's current annual salary shall be paid by June 30 to all eligible secretaries covered by this Agreement who have completed the equivalent of five (5) or more years of service as of the secretary's anniversary date.

Longevity pay, at the rate of 3% (an additional two percent (2%) over the amount paid in the first paragraph) of the secretary's current annual salary shall be paid by June 30 to all eligible 52-week secretaries covered by this Agreement who have completed the equivalent of ten (10) or more years of service as of the secretary's anniversary date.

Longevity pay, at the rate of 2% (an additional one percent (1%) over the amount paid in the first paragraph) of the secretary's current annual salary shall be paid by June 30 to all eligible less than 52-week secretaries covered by this agreement who have completed the equivalent of ten (10) or more years of service as of the secretary's anniversary date.

Section 4.

- A. Time and one-half (1-1/2) of a secretary's regular straight time hourly rate shall be paid for all hours worked in excess of seven and one-half (7-1/2) hours in one day excluding lunch hour or thirty-seven and one-half (37-1/2) hours in one week.
- B. A rate of double a secretary's regular straight time hourly rate shall be paid for all hours worked on Sunday.
- C. Overtime or premium pay under this Section shall not be pyramided, compounded or paid twice for the same hours worked.
- D. Compensatory time, when provided in lieu of overtime wages, shall be at the same rate that it would have been paid as overtime pay. Compensatory time may be taken by a secretary in lieu of monetary compensation at the discretion of the individual secretary. No secretary will be asked to take compensatory time in order to lengthen the work year for the individual secretary. Compensatory time shall be used at a time determined by the employee, unless such time shall unduly disrupt the operations of the workplace, and must be scheduled by the end of his/her normal work year. In the event a secretary is unable to schedule his/her earned compensatory time by the end of his/her normal work year (June 30th for twelve month employees) because of administrative denial, he/she shall receive a monetary payoff for the equivalent amount of time.

Section 5. Paydays are every two (2) weeks. When a payday falls on a holiday or vacation period, the paychecks will be distributed on the last day the business office is open.

Section 6. All secretaries hired prior to April 15 will receive credit for one year of inside-of-system experience on the following July 1 and each year thereafter for salary schedule purposes.

Section 7. Whenever a secretarial employee is required to use his/her automobile in the course of his/her employment, reimbursement shall be paid at the Board adopted rate of no less than the current IRS rate for such purpose. Authorization for such use should be made in advance by the immediate supervisor.

Section 8. New employees with previous experience of a secretarial or clerical nature as determined by the Director of Human Resources will be credited on the following basis for each creditable work year within the ten-year period immediately preceding appointment to a secretarial-clerical position within the district:

- 0 - 2 years experience.....Step 0
- 3 - 4 years experience.....Step 1
- 5 - 6 years experience.....Step 2
- 7 - 10 years experience.....Step 3

Further, related and approved college experience shall determine the appropriate track placement and/or credit toward such placement.

Section 9. When a secretary seeks to upgrade his/her skills by taking courses or participating in inservice activities (including seminars and conferences) outside of his/her normal workday, he/she will be reimbursed by the Board of Education for the fees and materials required to a maximum of \$300 per course and/or inservice. To be eligible the secretary must receive prior approval from the Director of Human Resources and provide the District with proof of satisfactory completion. Three thousand dollars (\$3,000) shall be allocated during each year of this Agreement for this purpose and an amount up to one thousand dollars (\$1,000) of any unused funds shall be carried forward from one year to the next. A secretary is not eligible for a second reimbursement during the same contractual year until all first requests have been honored and then only to the extent that funds are available. The Association shall receive notification of all activities regarding this account. Reimbursement of expenses, including salary and mileage, associated with Board required participation in similar activities during the secretary's normal workday shall not be charged against this account.

ARTICLE XV

Personnel Files, Evaluation and Employee Testing

Section 1. A secretary shall have the right to review the contents of all records, excluding initial references of the Board pertaining to said individual, originating after the initial employment, and to have an Association representative present at such review.

Section 2. No material of an evaluative nature, originating after the initial employment, shall be placed in the secretary's personnel record unless he/she has had an opportunity to review said material. The secretary may submit a written notation regarding any material and the same shall be attached to the material in question. If the secretary believes the material placed, or to be placed, in his/her file is inappropriate or in error, he/she may receive adjustment, provided cause is shown, through the grievance procedure, whereupon the material shall be corrected or expunged from the file. If a secretary is requested to sign material to be placed in his/her file, such signature thereon shall be understood to indicate his/her awareness of the material but, in no instance, shall said signature be interpreted to mean agreement with the material's content.

Section 3. All secretaries will participate in a performance review at a minimum of every three (3) years beginning September 2008. The performance review must be forwarded to the Director of Human Resources by the 1st week in May of the evaluation year.

- A. Secretaries who demonstrate effective performance will receive from their administrator written documentation of this fact, to be placed in their personnel file, and further, may be permitted to develop a goal, or goals, that can be evaluated by observation and or other assessment strategies. Failure to provide written documentation shall be conclusive evidence of satisfactory performance.
- B. Secretaries who demonstrate satisfactory performance, but are in need of improvement in specific areas that can be identified as part of their normal duties by the administrator, will be given specific performance objectives and directions for successfully meeting the stated objectives.
- C. Secretaries whose performance is identified, through Board established documentation, as unsatisfactory by the administration will be placed on a plan of assistance. This plan will be designed, by the administrator, to provide the secretary an opportunity to raise his/her level of performance to a satisfactory level.

The district's failure to provide the required performance evaluation is conclusive evidence that the secretary's performance for the period was satisfactory.

Section 4. A secretary shall be notified, in advance, in writing, of the purpose of a meeting where an unsatisfactory rating and/or disciplinary action is contemplated and shall be entitled to have an Association representative present. When a request for representation is made, no further action shall be taken until such representative appears, which shall be within two (2) work days.

Section 5. No secretary shall be disciplined, reprimanded, demoted or discharged without just cause.

Section 6.

- A. The Board has the right to administer tests to applicants for a position to measure the skill level of secretaries when a secretary applies or "bumps" into a position in a higher classification or into a position of specialization where the secretary has not had an opportunity to demonstrate those skills on the job, or when the applicant is new to the district. In all such cases, the tests administered will be the same for all applicants.
- B. Any applicant will, upon request, be shown a representative sample of the tests to be administered prior to the testing session. In those instances where samples are not available, secretaries, upon request, will be informed regarding skills to be tested and method of evaluation.
- C. The Board will, upon request, supply the Association with evidence of compliance with this section of the Master Agreement.

ARTICLE XVI

Association/Employee Rights

Section 1. The Board agrees to furnish the Association, in response to reasonable requests, available public information concerning the District in order to assist the Association in developing intelligent, accurate, informed and instructive programs on behalf of the secretaries together with the information which may be necessary for the Association to process a grievance or complaint, and to negotiate future contracts.

Section 2. The Association shall have the right to access all means of communications for its materials, provided that such material is clearly identified and the Association accepts responsibility for such material.

Section 3. When facilities are desired for Association meetings, such requests will be submitted through normal channels.

Section 4. ESA shall be given, upon authorization of the BESA president, fifteen (15) days release time to be utilized for attendance at Association and professional activities, providing that no one BESA member utilizes more than 3 days release time. Any release time request beyond these limits shall be subject to the approval of the superintendent/designee and the costs for any necessary substitutes for the additional release time beyond fifteen (15) days will be assumed by the BESA.

Section 5. Employees shall not be prevented from wearing insignia pins or other identification of Association membership.

Section 6. The provisions of this agreement, including wages, hours of employment and conditions of employment shall be applied without regard to race, color, religion, national origin, sex, age, handicap and marital status.

Section 7. The Board shall provide employees with the appropriate equipment and physical environment conducive to adequately perform the duties and responsibilities of the position in an efficient manner. The Board will make every effort to create an environment and provide the necessary equipment to make all employees as comfortable as possible.

ARTICLE XVII

Miscellaneous

Section 1. Secretaries in the bargaining unit shall be eligible to attend such professional conferences as are approved by the Assistant Superintendent.

An application to attend a conference shall be processed by the Assistant Superintendent or his/her designee through the supervisor in a manner similar to that employed in processing conference applications for other personnel. Final approval of

such applications shall rest with the Assistant Superintendent.

Section 2. The District shall provide adequate retraining opportunities in order to qualify for mandatory reassignment. The Board shall reimburse the secretary for tuition, books, and other agreed upon costs associated with said training.

Section 3. If the Board authorizes a member or members of the bargaining unit to engage in negotiations or grievance procedures during the working day, no loss of pay shall ensue. All attempts, however, shall be made to conduct such activities outside the working day.

Section 4. Copies of the Agreement shall be reproduced at the expense of the Board and distributed to all secretaries in the bargaining unit.

Section 5. In any negotiations conducted between the parties to this Agreement, neither party shall have any control over the selection of the negotiating or bargaining representatives from within or outside the school District. It is recognized that no final agreement between the parties may be executed without ratification by a majority of the Board and by a majority of the membership of the Association, but the parties mutually pledge that representatives selected by each shall be clothed with all necessary power and authority to make proposals, consider proposals and make concessions in the course of negotiations or bargaining, subject only to ultimate ratification.

Section 6. If the parties fail to reach an agreement in any such negotiations, either party may invoke any lawful measures it may deem appropriate. The contract may be reopened for negotiation before the expiration date upon the mutual agreement of both parties to the contract.

Section 7. The Board will allow secretaries to have two (2) inservice experiences yearly that will deal with pertinent areas of interest to all secretaries.

Section 8. The Board shall adhere to the Department of Education procedures regarding "Medications in School". Secretaries will not be required to perform duties outside these parameters.

Section 9. Employees shall be required to attend, during scheduled work hours, a minimum of six (6) hours of Professional Development per year. The two inservice experiences in Section 7 can be used to satisfy this requirement. These hours of Professional Development shall not apply to salary schedule advancements.

Section 10. A five percent (5%) discount will be given to any BESA member using district pre-school and/or latchkey child care services.

ARTICLE XVIII

Conformity of Law

This Agreement is subject in all respects to the laws of the United States and the State of Michigan with respect to the powers, rights, duties and obligations of the Board, the Association and employees in the bargaining unit; and in the event that any provision of this Agreement shall at any time be held to be contrary to law by a Court of competent jurisdiction from whose final judgment or decree no appeal has been taken within the time provided for doing so, such provision shall be void and inoperative; however, all other provisions of the Agreement shall continue in effect and the parties shall meet upon the request of either party to renegotiate the provisions affected.

ARTICLE XIX

Duration of Agreement

This Agreement shall be effective July 1, 2006 and shall continue in effect until June 30, 2009.
