The Union shall represent probationary employees for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment and other conditions of employment as set forth in this Agreement, except that the Employer will have the right to discipline, other than for Union activities, a probationary employee without a grievance filed or processed. The term "employee" when used hereinafter in the Agreement, shall refer to all employees represented by the Union in the bargaining or negotiating unit as above defined.

- B. A temporary employee is defined as:

ARTICLE II - EMPLOYEE RIGHTS AND PROTECTION

- A. No ParaEducator will be discriminated against by the Board because he/she engages in collective bargaining with the Board, institutes a grievance or complaint under this Agreement, or exercises his/her personal rights as a citizen. Further, the Board and the Association agree that no ParaEducator shall be discriminated against with regard to his/her race, color, national origin, age, sex, marital status, or handicap.
- B. The Union and its members shall have the privilege of using school building facilities for meetings outside of school hours on the same basis as any other employee groups in the District, as established by Board Policy.
- C. Upon thirty (30) days written notice the Board agrees to make available to the Union in response to reasonable requests, from time to time, information concerning the financial resources of the school, tentative budgetary requirements and allocations.

All Paraeducators assigned to Special Education are considered to be working in one (1) building for the purposes of this article.
 - 2. If the employee wishes to remain at his/her current building, the employee shall first bump into a vacancy in that building with at least the same number of work hours. If such a vacancy does not exist, the employee shall then bump the least senior person (provided the employee has sufficient seniority) in that building with at least the same number of hours. If a laid off employee declines recall to a position that is more than eighty percent (80%) of his/her prior hours of assignment and has the same benefit status he/she shall lose their seniority place on the recall list and be considered a voluntary quit
- M. Employees recalled shall be reinstated with their accumulated sick bank entitlement, if applicable, and the experience level credit in effect for the employee at the time of layoff.
- N. All seniority is lost upon voluntary resignation, retirement, or termination for just cause.

The employee shall also be credited with sick leave and vacation benefits retroactive to the first day worked as a probationary employee.

- B. ParaEducator employees shall receive a copy of the evaluation.
- C. A ParaEducator's signature on the yearly evaluation report does not constitute agreement but is an indication that the ParaEducator has received the evaluation report. If a ParaEducator does not agree with the administrator's evaluation, the ParaEducator may, within fifteen (15) days after receipt of said evaluation, sign it, and submit his/her own evaluation to be placed in the personnel file.
- D. Evaluation of ParaEducators by administrators should be made carefully and with due deliberation. However, it is expressly understood that such evaluations of ParaEducators by administrators may become part of the rationale for disciplinary measures, including dismissal. Any unsatisfactory items on an evaluation which could lead to dismissal must be accompanied by suggested steps in writing to correct the situation and consequences if the situation is not corrected, including a timeline for correcting the deficiencies.
- E. An employee who has received an unsatisfactory evaluation or disciplinary letter may, following two (2) years of satisfactory service, request that such adverse document be removed from the personnel file.

This subsidy shall be increased each year by the same percentage as the increase in health insurance premiums realized by the district through the end of the 2007-08 school year. The health insurance premium increase for the 2006-2007 school year of 12% shall result in an \$18 adjustment for a total of \$168 monthly premium subsidy, the balance of the premium costs will be handled through payroll deduction and/or direct reimbursement to the District.)
- The Board shall provide group term life insurance of \$7,500 and \$7,500 AD&D with an option for the employee to purchase up to \$7,500 additional life insurance included.

2. ParaEducators who are regularly scheduled to work less than twenty (20) hours per week will be provided group term life insurance in the amount of \$7,500 and \$7,500 AD&D with the option for the employee to purchase up to \$7,500 additional life insurance included.
- C. Forms covering the above insurance benefits shall be explained to each new employee and returned to the Business Office within twenty-five (25) days of hire.
- D. It is the responsibility of the employee to enroll for all applicable insurance coverages and to provide the required information including dependents and designated beneficiaries on the proper forms as established by the carrier.
- E. The school district shall maintain a comprehensive personal injury and property damage liability insurance plan covering ParaEducators while they are performing duties as a ParaEducator. In addition, the Board shall maintain an indemnity policy, which is designed to fill a coverage gap in the insurance programs of school districts. This covers exposures, subject to its terms and conditions, for deliberate actions taken as a result of errors or mistakes of law or fact, or actions based on interpretation of school policy, all of which might lead to subsequent litigation against board members or school staffs personally.
- F. Insurance coverage, as specified in this Article, shall be maintained and provide on a twelve (12) month per year basis (September – September).
- G. Section A and Section B above will become effective upon ratification of this Agreement.

H. For purposes of Insurance Premium costs, paid by the ParaEducator through payroll deduction, as provided for in Section A. Option 1. and Section B.1. above, the District shall investigate setting up an IRS Section 125 program to allow such premium costs to be paid with before tax dollars.

ARTICLE XXII - WORKERS COMPENSATION

- A. Each employee shall be covered by the applicable Workers Compensation laws. In the event an employee is entitled to benefits under the Workers Compensation Act, the balance of the individual's weekly earnings not covered by Workers Compensation shall be covered through deduction of accumulated sick leave pay allowance in proper proportion. At the employee's option, he/she may elect not to use sick leave.
- B. Employees covered by this Article shall continue to maintain their full seniority rights.
- C. When an employee is released to return to work after having been absent on a Workers Compensation disability, the employee will be reinstated to the classification and location held prior to his or her injury provided:

- D. The parties mutually agree to encourage employees who are receiving Workers Compensation due to work-related injuries to return to work as soon as possible; and further, in cases where employees are not released to their regular positions without restrictions, and where significant work could be assigned within an individual's restrictions, the parties will encourage such employees to return to work as soon as possible within those restrictions.
- E. Then, upon the release of the employee's physician to return to work as noted above, he/she shall be placed in the first open position for which he/she is qualified and which is commensurate with that which would be held had the leave not intervened. In case an employee who suffered an on-the-job injury is released to return to work but is not able to assume his/her former position, the Employer shall endeavor to place the employee in an assignment in the Bargaining Unit for which he/she is qualified contingent upon the employee's limitation.

ARTICLE XXIII - GRIEVANCE PROCEDURE

- A. The primary purpose of the grievance procedure is to provide an amicable means of resolving conflicts, which may arise during the term of this Agreement without interruption of the school program. Further, it is the purpose of this procedure to secure at the lowest level possible equitable solutions to the problems of the parties and to assure that a complaint is processed and considered fairly, with all due speed, and without prejudice or reprisal.
- B. The Board and the Association agree that grievance proceedings shall be kept as confidential as may be appropriate at each level of the procedure. Further, it is agreed that the use of the grievance procedure shall not be cited as a factor in the evaluation of an individual's character or performance.
- C. A "Grievance" is a claim based upon a ParaEducator's, group of ParaEducators, or the Huron Valley ParaEducator Association's belief that there has been a violation, misinterpretation or misapplication of a provision of this Agreement or any existing rule, order or regulation of the Board specifically establishing a procedure for redress relating to wages, hours, terms, or conditions of employment. The terms of a claim may be applied to Steps 1 through 3 of the grievance procedure. Step 4 may be applied only for a violation, misinterpretation or misapplication of any provision of this Agreement.

The grievance procedure shall not apply to any matter, which is prescribed by law, or state regulations over which the Board is without power to act. In addition, the Board shall not be liable when a problem arises from specific provisions of any insurance carrier's policies; however, the Board will exert every effort to assist in resolving such problems. An "aggrieved person" is the person or persons making the claim. A grievance may be filed by an aggrieved ParaEducator. A grievance may also be filed by the Association whenever the grievance applies to more than one building or when a group of ParaEducators with a common complaint have requested such action.

- D. During each step where a grievance is reduced to writing, the written statement shall clearly specify:
1. The specific section of the Master Agreement or the specific Board rule or regulation allegedly violated.
 2. When this alleged violation occurred.
 3. In what way there has been a violation, misinterpretation, or misapplication of this Agreement or rule or regulation of the Board.
 4. The results of the previous step in the grievance procedure and why such results were unsatisfactory.
 5. The name or names of the aggrieved person or persons, the manner in which they have been injured, and the proposed remedy or remedies for resolution of the grievance.
- E. An aggrieved person or the Association believing that they have a grievance as defined in Section D. may file the grievance as follows:

Step 1. The aggrieved person shall first discuss the matter with their immediate supervisor with the objective of resolving the matter informally. A representative of the Association may be present. The aggrieved ParaEducator shall clearly state that he/she is instituting Step 1 of the grievance procedure under the Master Agreement.

Step 2. In the event the matter is not resolved informally, the grievance must be reduced to writing and presented to the immediate supervisor within five (5) working days (calendar days shall be substituted for working days during the summer vacation period), after such meeting, or within five (5) working days after such meeting if the grievance is first presented to the Association grievance committee for review. Within five (5) working days after receipt of the written grievance the immediate supervisor or other designated representative of the Board shall render a written decision detailing the disposition of the grievance. A representative of the Association may be present at any meetings held at Step 2.

Step 3. If the grievance is still unresolved, it can be appealed to the Superintendent or the Superintendent's designee within ten (10) working days. The Superintendent or the Superintendent's shall with ten (10) working days after receipt of the written grievance meet with the aggrieved person in an attempt to resolve the matter. A representative of the Association may be present at this meeting. Within ten (10) working days following the meeting between the aggrieved and the Superintendent or the Superintendent's designee, the Superintendent or the Superintendent's designee shall answer the grievance in writing and shall forward said answer to the grievant.

Step 4. Only grievances dealing with violation, misinterpretation or misapplication of a provision of the Master Agreement are acceptable as subject matter for consideration at Step 4. If the Association is not satisfied with the disposition of the grievance by the Superintendent or the Superintendent's designee, or if no written answer has been made within ten (10) working days from the meeting with the Superintendent or the Superintendent's designee, the grievance may be submitted to arbitration before an impartial arbitrator.

Within ten (10) school days after the date of a written request for submission of the grievance to arbitration, representatives of the Board and the Association shall make every reasonable effort to agree upon a mutually acceptable arbitrator. If the parties are unable to mutually agree upon the selection of an arbitrator during the above stated time period, then the Association shall file a request with the American Arbitration Association for a list of qualified arbitrators. The arbitrator shall be selected in accordance with the rules and regulations of the American Arbitration Association. The Board and the Association shall be permitted to present only issues, concerns and evidence previously disclosed to the other party as admissible evidence at a hearing before an arbitrator. It shall be the function of the arbitrator, and he/she shall be empowered except as his/her powers are limited below after due investigation, to make a decision in cases of alleged violation, misinterpretation or misapplication of the Master Agreement between the Board and the Association.

1. The arbitrator shall not have the right or power to add to, subtract from or otherwise alter the terms of this contracted Master Agreement.
2. No Board of Education rules, policies or regulations can be the subject matter of binding arbitration hearings or subject to an arbitrator's decision.
3. All claims for back wages shall be limited to the amount of wages that the employee would otherwise have earned less any compensation that he/she may have received from any sources during the period of back pay.
4. Any grievance occurring during this agreement period shall be processed according to this Master Agreement.

5. Additionally, both the Board and the Association agree to:
 - a. Be bound by the award of the Arbitrator and agree that judgment thereon can be entered into any court of competent jurisdiction.
 - b. Share the fees and expenses of the Arbitrator equally. ParaEducators called by the Association as witnesses will be granted leave with pay for the time required. The Association will be billed for the cost of a substitute ParaEducator, if such substitute is necessary. All other expenses shall be borne by the party incurring them and neither party shall be responsible for the expenses of a witness called by the other.
- F. It is understood that the steps set forth in Section D. relating to the specific procedure for processing grievances and the time limits set forth in Section E., Steps 1 through 4, shall be strictly adhered to. Failure to comply with the aforementioned provisions of this grievance procedure at any step shall be considered substantive and shall mean default by the party failing to conform unless by previous mutual consent of the parties.
- G. Any grievance initially presented at the wrong step of the grievance procedure will be referred back to the appropriate step without faulting the grievance.
- H. For administrative convenience, the Board may cause complaints which may be subject of grievance in Step 1 of Section E. first to be presented to an assistant principal or central office administrator, for informal grievances handled under the grievance procedure herein established.
- I. No grievance shall be processed unless it is presented within twenty (20) working days of its occurrence.
- J. A ParaEducator engaged during the school day on behalf of the Association for any emergency situation in any of the grievance procedures detailed in this Article shall be released from regular duties without loss of salary and without charge against any leave allowance.
- K. If the Board and/or its representatives believe there has been a violation, misinterpretation, or misapplication of any provisions of this Agreement, they may file a grievance with the Association. Such grievance shall be in writing and shall set forth the issue involved. Any item introduced into the grievance procedure shall be resolved within the confines of this Article. Representatives of the parties shall meet within fifteen (15) working days after receipt of such grievance and work toward the resolution of the issue.
- L. The records of grievances must be kept separate from the personnel file.
- M. The time limits set forth above may be extended by mutual consent.
- N. A grievance may be withdrawn at any time without prejudice.

ARTICLE XXIV - SPECIAL CONFERENCES

- A. Special conferences will be held at the request of either party. Such meetings may be between the Union Officers, non-employee representatives of the Union and representatives of the Board.
- B. Arrangements for special conferences shall be made in advance and an agenda of matters to be taken up at the meeting shall be presented in writing at the time the conference is requested. Special conferences shall be confined to those matters included in the agenda and shall be scheduled by the Board within ten (10) working days after the request is made. A written summary of the meeting will be prepared and approved by both parties.
- C. The Union representatives shall be allowed the proper time off their working hours without loss of pay for time spent in special conferences.
- D. The Union representatives may meet, upon written notification, at a place designated by the employer, on the employer's property for not more than one-half (1/2) hour preceding the special conference.

ARTICLE XXV - NEGOTIATION PROCEDURE

- A. At least sixty (60) days prior to the termination of this Agreement, the parties shall commence negotiations for a successor Agreement covering wages, hours, terms and conditions of employment for employees of the Board.
- B. In any negotiations described in this Article, neither party shall have any control over the selection of the negotiating or bargaining representatives of the other party from within or outside the school district. It is recognized that no final agreement between the parties may be executed without ratification by the Board and by the membership of the Union. However, the parties mutually pledge that representatives selected by each shall be clothed with all necessary power and authority to make proposals, consider proposals and to make concessions in the course of negotiations or bargaining, subject to such ultimate ratification.
- C. An employee engaged during the school day in negotiating on behalf of the Union with any representative of the Board or participating in any grievance negotiation, when such meetings have been arranged by mutual consent, shall be released from regular duties without loss of salary.

ARTICLE XXVI - CONCLUSION AND DURATION

- A. If any provision of this Agreement or any application of the Agreement to any employee or group of employees shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect. Any contractual provision found to be contrary to law will result in negotiations at the request of either party for the purpose of providing replacement language.
- B. The parties acknowledge that during the negotiations which resulted in this Agreement each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that all of the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Board and the Association for the life of this Agreement, each voluntarily and unqualifiedly waives the right and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered in this Agreement, even though such subjects or matter may not have been within the knowledge or contemplation of either of the parties at the time they negotiated or signed this Agreement.
- C. Signed copies of this Agreement shall be printed at the expense of the Board within thirty (30) days of its acceptance by the Board of Education. It will be the responsibility of the HVPEA to distribute copies to all ParaEducators.
- D. This Agreement shall be retroactive to July 1, 2003 and shall continue in full force and effect until the thirtieth (30th) day of June 2008.

Donation of Sick Days

THIS AGREEMENT is entered into by and between the Huron Valley Schools and the Huron Valley ParaEducators Association.

The parties agree to the mutual promises set forth below as part of the final settlement to the 2005-2008 negotiations.

Employees may receive donated sick days once during an employee's contract year for a serious illness or disability that prevents the employee from working for a period of not less than ten (10) consecutive work days. Prior to receiving donated sick days, the employee must have exhausted all of his/her sick days (employee may elect to exhaust all vacation days) as well as one (1) day without pay. Donated sick days may not exceed the number of days necessary for the employee to reach long-term disability insurance eligibility date. Such donations are voluntary and will be deducted from the donating employee's total accumulation of sick days. No employee may donate more than a total of three (3) days per contract year to one individual.

In order to receive donated sick days, an employee must notify the Association President (or designee) prior to exhausting his/her sick days. The Association will inform the membership that such a request has been made, as well as provide the members with the appropriate form to be completed and returned to the Association. The requesting employee must also complete and submit to the Human Resources Department a FMLA form.

This program will be operated as a pilot program for the duration of the 2005-08 contract, unless not used and then its operation may be extended. Any decisions made as a result of this program's implementation are exempt from the grievance procedure.

IN WITNESS WHEREOF, the parties have signed and entered into this Agreement.
