**COLLECTIVE BARGAINING AGREEMENT
BETWEEN
OAK PARK BOARD OF EDUCATION
AND
OAK PARK EDUCATION ASSOCIATION MEA/NEA
2007-2010**

This Agreement entered by and between the Board of Education of the Oak Park School District, Oak Park, Michigan, hereinafter called the Board, and the Oak Park Education Association, a local affiliate of the Michigan Education Association/National Education Association, hereinafter called the OPEA or Association.

WITNESSETH

Whereas the Board and OPEA, following extended and deliberate negotiations, have reached certain understandings with respect to hours, wages, terms and conditions of employment, it is hereby agreed as follows:

ARTICLE 1. RECOGNITION

1.1 The Board hereby recognizes the Oak Park Education Association, MEA/NEA as the exclusive bargaining representative as defined in Section 11 of Act 379, Public Acts of 1965, as amended, for purposes of collective bargaining in respect to rates of pay, wages, hours, and other conditions of employment, for all full and regular part-time certificated personnel and state licensed physical therapists and occupational therapists holding valid contracts with the Board of Education of Oak Park Schools, including:

All teachers in grades K through 12, guidance counselors, consultants, school psychologists, speech and hearing therapists, social workers, librarians, pre-school teachers, special education teachers, Headstart teachers, Title I teachers, STAR and Even Start teachers, and School/Community Agent, all who are regularly employed by the Oak Park Board of Education as regular teachers during the normal school year.

but excluding:

Supervisory and Administrative Personnel from Superintendent through Assistant Superintendents; Director of Services; Principals; Assistant Principals; Directors of Special Education, Vocational Education, Media Services, Athletics, Multi-Lingual and Multi-Cultural Education; Middle School Coordinators; District-Wide Coordinators and Supervisors; Department Chairpersons; and all Non-Instructional Personnel.

Whenever the singular is used, it is to include the plural.

1.2 Non-Tenured/Non-Probationary Status.

Each employee in a position not covered by the Teacher Tenure Act shall, for the purpose of this Agreement, serve a four year probationary period of continuous service, commencing with the first day of service in the position, pursuant to the following procedure.

- (a) Before the completion of the fourth year of continuous service in a position not covered by the Teacher Tenure Act, the employee will be given written notification by the District as to whether or not his or her service has been satisfactory.
- (b) If the District determines that a probationary employee's service is unsatisfactory, the District shall terminate the employee's service.
- (c) Notices required by this section must be sent:
 - 1. For employees commencing services during July, August, or September, on or before May 1 of the appropriate school year; or
 - 2. For employees commencing services during any other month, sixty (60) days prior to the appropriate anniversary date--based on the first day of service in the position.
- (e) Probationary years for employees commencing services during July, August, or September shall coincide with the school years worked.
- (f) It is agreed that, to the extent these employees may be entitled to tenure under the Michigan Tenure Act, they shall not be deemed to have tenure in any position other than as a classroom teacher.
- (g) Upon satisfactory completion of a probationary period, an employee in a position not covered by the Teacher Tenure Act will, for the purpose of this Agreement, be a non-probationary professional employee and may then only be terminated or disciplined for just cause, except as provided in Article 14 (Reduction in Personnel), provided that all licenses and required certifications are maintained by the employee.
- (h) The provisions of this Article in no way affect the relationship these employees or other employees may have with the District under the Michigan Teacher Tenure Act.

1.3 The Board agrees not to negotiate with any teacher organization other than the OPEA for the duration of this Agreement, or any teacher on any item covered by this Agreement.

ARTICLE 2. ASSOCIATION RIGHTS

2.1 **Membership.** The OPEA agrees to admit to full participating membership all teachers as defined above who wish to become members of the Association.

2.2 **Agency Shop**

- (a) The parties agree that every member of the bargaining unit will be required to sign an individual contract of employment and that every such contract shall contain the following:

"This contract is subject to a collective bargaining agreement heretofore or hereafter negotiated by the Board and the exclusive bargaining representative of teachers employed by the Board. The terms of such collective bargaining agreement are incorporated herein and by accepting this contract you agree to be bound by all of such terms, including wage deduction provisions thereof."

- (b) On or before the first day of the school year, the OPEA shall give written notification to the Board of the amount of the annual dues payable by members of the Association and which teachers have authorized the Board to have the regular Association dues deducted from their paychecks for that school year. The Board shall thereupon deduct the dues from the teachers' paychecks as designated on the certification and authorization forms in twenty (20) equal installments, as nearly as may be. A copy of each teacher's authorization will be provided to the Board.

- (c) No later than March 1 of each year, the OPEA shall give written notification to the Board of the amount of the service fee payable by non-members of the Association, and will certify which non-members of the Association have authorized the Board to have the service fee deducted from their paychecks for that school year. The "service fee" shall represent the fair share portion of the Association's regular dues attributable to the cost of the negotiation and administration of this and subsequent agreements and other Association activities and services that are legally chargeable to non-members as an agency fee. A copy of each non-member's authorization will be provided to the Board. The Board shall thereupon, as soon as administratively feasible, deduct the service fee from the paychecks of non-members as designated on the certification and authorization forms in equal installments based on the number of regular dues withholding pay dates remaining in the school year.

- (d) Once during each school year the Association may identify those teachers who authorized the Board not to have fees or dues deducted from their paychecks and who have not been otherwise paying their dues or fees. Deductions from the paychecks of the amounts due from these teachers will begin as soon as practicable, but only after the Superintendent, or designee, has determined that the dues and fees are not being paid and that the Association has substantially conformed to its procedures. The total amounts to be deducted from each of these teachers' paychecks will be specified and certified by the Association, but these amounts cannot be greater than the Association's regular dues (for Association members), or the service fee (for non-members), whichever is applicable. Deductions will be made as allowed by law, in equal installments (as nearly as may be) over the remaining pays of the school year in which dues are deducted.
- (e) Money deducted pursuant to the above paragraphs will be transmitted to the OPEA, or its designee, no later than twenty (20) days following each deduction. Upon remitting such amounts, the Board shall have no further liability or the responsibility with respect thereto. A teacher may, in lieu of payroll deduction, pay dues or the service fee by direct pay in accordance with OPEA procedure.
- (f) The payment of the dues or service fee to the Association is a condition of employment and failure to pay same is recognized as just and reasonable cause for termination of employment by the Board. In the event the procedure for automatic payroll deduction of dues or fees becomes disallowed by a court, statute, attorney general opinion or administrative agency, then any teacher who does not pay dues or fees through annually authorized payroll deduction or direct pay will be subject to termination, as follows. Upon receiving a written and signed complaint from the Association that a teacher has failed to comply with this condition of employment, the Superintendent, or designee, shall review the charge and offer the teacher the opportunity to respond thereto. Should it be determined by the District that the charge is with apparent merit and that the procedures referred to herein have been substantially followed, that the Board will notify said teacher that his or her services shall be discontinued at the end of the current school year. Prior to providing the Board with the signed complaint, the Association shall send written notification to the teacher which shall include: a statement of the amount to be paid, a due date for payment which shall be at least 15 days from the mailing of the notification, and a statement that failure to remit the amount owing by the deadline will result in his/her termination of employment. Notwithstanding the above, if the teacher to be terminated is a tenured teacher with the District, then that teacher's termination, and the Association's complaint regarding that teacher, shall be processed in accordance with the Teacher Tenure Act.
- (g) As a condition of the effectiveness of this Article, the Association agrees to indemnify and save the Board harmless against any and all claims, demands, costs, fees, suits, back pay or other forms of liability and expenses and all court.

or administrative agency costs that may arise out of, or by reason of, action taken by the Board for the purpose of complying with this Article.

(h) In the event of any action against the Board brought in a court or administrative agency because of its compliance with Section 2.2 (agency shop provision) of this Agreement:

1. The Board will give timely notice of such action to the OPEA, and
2. The Board will give full and complete cooperation to the OPEA and its counsel in securing and giving evidence, obtaining witnesses, and making relevant information available at both trial and appellate levels.
3. The OPEA agrees to provide and pay the full cost of OPEA selected legal counsel, as well as any legal fees incurred by the Board with regard to the Board's administration of this Section. The OPEA retains the right to settle any action at any time provided there is neither any cost to the Board, nor any admission of liability or wrongdoing on the part of the Board or its agents.

2.3 The Board will monthly furnish the OPEA, at its principal office, the name and building assignment of each teacher hired, terminated, or otherwise removed from the payroll.

- 2.4
- (a) Bulletin boards in the school offices and teachers' lounges shall be made available to the Association and its members, provided that all materials posted relate to the official business of the Association. Any questionable or improper use of bulletin boards shall become the concern of the principal and the OPEA representative of that building.
 - (b) The Association shall have the right to schedule association meetings in a building during lunchtime, where feasible, and before or after the school day of the teachers involved. The building principal shall be given advance notice of one day for such meeting, and s/he shall designate the area of the building to be used.
 - (c) School equipment may be made available to the OPEA and its members under such conditions as may be prescribed by the building administrator. Any supplies required in the use of such equipment in this manner must be replenished by or paid for by the OPEA at cost price.
 - (d) If a meeting is to be scheduled by the OPEA which requires special custodial services and/or specific facilities within a school building, the OPEA shall have the privilege of using the school building on the same basis as civic or political organizations, as established in Board policy.

- 2.5 (a) The intra-district mailing system shall be made available to the OPEA and its members. The Board shall provide the OPEA with a mail pick-up location at Central Office.
- (b) The District's e-mail system shall be made available to the OPEA for the expressed purpose of communicating with its members. It is understood by both parties that if members reply to an OPEA e-mail that they will respond to the sender only and not a "reply to all". In that case, replies to the member shall also be to the member only.

2.6 It is understood that the bargaining unit members set forth in Article 1, Section 1.1, have responsibility for performing duties normally associated with those positions. These duties shall not be assigned to anyone who is not a member of the bargaining unit except as allowed by this Agreement and as follows:

- (a) in an emergency;
- (b) to cover for an absent teacher; and
- (c) Department Chairpersons and part-time administrators may teach classes as part of their regular assignments.

- 2.7 (a) **OPEA Officials.** The OPEA officials may leave the building on their lunch period to conduct Association business and/or implement this Agreement. OPEA officials may leave the building at other times when not scheduled to be with students to implement this Agreement or to conduct Association business with the approval of the building supervisor. The OPEA shall provide the Superintendent with the list of its officials annually, and changes as necessary.
- (b) To create more opportunity to conduct union business OPEA Executive Officers shall have a planning period that either immediately precedes or follows their lunch period. This provision does not constitute an additional planning period.

2.8 The Board shall provide up to a total of thirty (30) days per year for the collective use of the Association members for Association business. The Association may bank unused Association days from year to year to a maximum of fifty (50) days. Application for use of these days shall be processed through regular conference attendance channels and shall be signed by the Association president signifying his or her approval. No deduction from the individual's leave day accumulation shall be made for days so granted. It is understood that the only expense to the Board is the regular compensation of the teacher and the cost of employing a substitute.

2.9 When prepared, the OPEA will be provided with notification of and agendas for all Board of Education meetings, copies of the minutes or summary of previous meetings and all personnel actions pertinent to OPEA. These copies will be sent via intra-district mail to the Executive Director and ten (10) to the corresponding secretary. The list of persons to receive these materials shall be furnished to Central Office and kept current by the OPEA.

2.10 The Board shall discuss with the Association, upon written request, its viewpoint on any new or modified fiscal, budgetary, or tax program, construction program, or revisions of

educational policy prior to their adoption. The OPEA shall be duly advised by the Board of fiscal, tax, and major budgetary programs affecting the, OPEA, and the OPEA shall have the opportunity to consult with the Board with respect thereto.

2.11 The Administration shall furnish, upon request from the OPEA, all available information and documents necessary for negotiations and/or the maintenance of this Agreement and to otherwise represent a teacher.

2.12 The Board shall not provide aid or assistance (e.g., dues deduction, use of facilities) to any rival teacher organization for the duration of this Agreement.

2.13 The OPEA Executive Director or designee shall be permitted to transact official Association business on school property at all reasonable times, provided that this shall not interfere with or interrupt normal school operations. The initial contact in any school building shall be with the school office (principal, assistant principal, administrator, or secretary).

ARTICLE 3. TEACHER RIGHTS

3.1 The Board and OPEA agree that it will not directly or indirectly discourage or deprive or coerce any teacher in the enjoyment of any rights conferred by Act 379 or other laws of Michigan and/or the United States or the Constitution of Michigan and/or the United States; that it will not discriminate against any teacher with respect to hours, wages, or any terms or conditions of employment by reason of membership or non-membership in the Association, participation or lack thereof in any activities of the Association or collective professional negotiations with the Board, or institution of any grievance, complaint or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment.

3.2 Teachers shall be permitted to wear official insignia, pins, or other identification of membership in the Association either on or off school premises.

3.3 Deductions for any District approved financial institution, tax deferred annuities, United Foundation, and other current deductions will continue as authorized by individual teachers. Other deductions may be arranged by mutual agreement between the Board and the OPEA.

3.4 The Board reserves all its rights under the statutes of the State of Michigan, including the Michigan Tenure Act, to discipline, demote, reprimand in writing, and discharge employees for just cause. Any such action by the Board against a tenure teacher shall be subject to the grievance procedure as set forth in Article 6, except as provided therein.

3.5 Equal Treatment

- (a) The provisions of this Agreement and the wages, hours, terms, and conditions of employment shall be applied without regard to race, creed, religion, color, national origin, age, sex, or marital status or membership in or association with the activities of any employee organization.

- (b) Notwithstanding their employment, teachers shall be entitled to full rights of citizenship.

3.6 **Right-to-Representation**

- (a) A teacher shall at all times upon his/her request be entitled to the presence of a representative of the Association when s/he is being reprimanded, investigated, or disciplined for any delinquency in professional performance. When a request for the presence of an Association representative is made by the teacher or administrator, no action shall be taken with respect to the teacher until such representative of the Association is present. Such representation must be provided within two (2) school days.
- (b) In the absence of a request for representation by a teacher, an administrator may request the attendance of an Association representative.
- (c) Nothing contained in the above paragraphs shall prevent an administrator from exercising his/her normal administrative and supervisory duties. An administrator shall at all times be free to discuss and talk to teachers regarding their professional performance.

- 3.7 (a) Record books, plan books, calendar, anecdotal records, attendance books, and similar type documents are maintained by a teacher for the purposes normally associated with them. The parties recognize that the Administration has a right to review such records, subject to giving the teacher notice of same and allowing the teacher to be present if he or she desires. The parties recognize that this provision does not apply to the intended use of these records; e.g., record books, plan books, and attendance books for use by a substitute teacher.
- (b) Review by external agents of the state is permitted without the teacher being present. The teacher shall be advised of such review.

3.8 The Board recognizes the teachers' rights regarding the integrity of student grades and agrees to respect those rights in the handling of any disputes regarding grades.

ARTICLE 4. CIVIL RIGHTS

4.1 In accordance with the laws of the State of Michigan and previous practices of the District, the Board and the OPEA shall continue to promote integration of faculty and student population. The Board shall continue its efforts to provide a testing program that recognizes multi-ethnic backgrounds and that is non-sexist in nature.

4.2 A Civil Rights Committee consisting of representatives selected by the Board and representatives selected by the OPEA shall be established to safeguard the civil rights of all members of the bargaining unit, to implement the provisions of this article, and to assist in the development of new programs.

4.3 In the event of a court or administrative agency order or a voluntary plan to provide for movement of students and teachers to provide change in racial make-up of the school population, this committee shall be involved in preliminary planning.

4.4 The parties to this Agreement are mutually committed to increasing the number of racial minority teachers recruited by and hired into teaching positions within the Oak Park Schools. The parties reaffirm their commitment to affirmative action goals and human relations.

ARTICLE 5. BOARD'S RIGHTS AND RESPONSIBILITIES

5.1 In order to carry out its responsibility for the development and operation of programs providing the best educational opportunity for the Oak Park School District consistent with community resources, the Board retains and reserves unto itself all powers, rights, authority, duties and responsibilities conferred upon and vested in the Board by law, or previously exercised by the Board including by way of illustration, and not by way of limitation, the following:

- (a) The supervision, direction, and control of the management and administration of the school system, its properties, and facilities.
- (b) The right to hire all employees and subject to the provisions of the law, to determine their qualifications, to discharge, demote or otherwise discipline employees for reasonable and just cause and to promote and transfer employees.
- (c) The right to establish grades and courses of instruction, including special programs, and to provide for athletic, recreational, and social events for students as deemed necessary or advisable by the Board.
- (d) The selection of textbooks and teaching materials and various teaching aids.
- (e) The right to determine class schedules, class size, the hours of instruction and assignment of teachers with respect thereto.

5.2 The exercise of the foregoing powers, rights, duties and responsibilities by the Board and the adoption of policies, rules, regulations, and practices in furtherance thereof, shall be the exclusive prerogative of the Board except as otherwise limited by express provisions of this Agreement.

ARTICLE 6. GRIEVANCE PROCEDURE

6.1 **Purpose.** The purpose of the grievance procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems which may, from time to time, arise affecting the welfare or working conditions of teachers. Both parties agree that these proceedings shall be informal.

6.2 **Definitions.**

- (a) A grievance may be filed and presented by a teacher or by the Association acting through its representatives. Any individual teacher may present his/her grievance and have the grievance adjusted without intervention of the Association if the adjustment of the grievance is not inconsistent with the terms of this Agreement, and the Association has been given an opportunity to have an Association representative present at such adjustment, provided,

however, that the adjustment of a grievance between the Board or its representative, and an individual teacher shall not preclude the Association from filing its own grievance with respect to the same subject.

- (b) A grievance is a complaint by a teacher or the OPEA involving the application or interpretation of this Agreement or a claim that some action taken by the Board, Administration, or other supervisory personnel concerning teachers' wages or hours and other terms and conditions of employment is unreasonable.
- (c) It is understood that two or more teachers may file a common grievance in a given building provided that the grievance commences with Step One of the grievance procedure.
- (d) The term "days," when used in this article, shall, except as otherwise indicated, mean Monday through Friday, inclusive. Legal holidays, all school recesses, except the summer recess, shall not be considered as days in this article.
- (e)
 - 1. The grievance procedure provided in this Agreement shall be the sole and exclusive means of presenting and resolving complaints or disputes regarding the application or interpretation of this Agreement.
 - 2. If at any time during the processing of a grievance, up to the issuance of an award by an arbitrator, it is determined that a teacher has filed charges or instituted proceedings in any other forum, including the Teachers' Tenure Commission, seeking a relief or remedy sought in a grievance, all further proceedings under this article shall be terminated with prejudice. If the charges or proceedings are initiated following an arbitration hearing, but prior to the issuance of an award, the Board will communicate with the arbitrator through the American Arbitration Association and instruct the arbitrator to terminate consideration of the matter, specifically citing this provision.
- (f) All grievances will be submitted in writing for all steps of the grievance procedure, and all responses shall be in writing and shall include a statement of explanation of the decision.

6.3 Procedure.

- (a) The number of days indicated at each step should be considered as maximum, and every effort will be made to expedite the process. The time limits specified may, however, be extended by mutual agreement between the OPEA and appropriate administrator.
- (b) Grievances which affect teachers in more than one building and involve more than one supervisor may be filed at the Central Office level, Step 2.
- (c) The filing of a grievance at the wrong step shall not cause the grievance to be denied. The administrator will move the grievance to the appropriate step and notify the teacher and OPEA.

6.4 Steps.

- (a) Step-One. The grievance shall be presented to the building principal or appropriate supervisor within fifteen (15) days of the event upon which the grievance is based. The "Statement of Grievance" shall name the teacher involved, shall state the facts giving rise to the grievance, shall identify all of the provisions of this Agreement alleged to be violated by appropriate reference, shall state the contention of the teacher or the Association with respect to these provisions, and shall indicate the relief requested. The teacher may choose to have an Association representative present in discussing the grievance with the principal or appropriate administrator. A response to the grievance shall be given to the teacher and the Association within five (5) days after presentation of the grievance.
- (b) Step-Two. If the grievance was not resolved at Step One, the teacher or the Association may appeal the decision within ten (10) days after receipt of the response. Appeal will be according to the following conditions:
1. If Step One involved an administrator other than Central Office, Step Two will be the appropriate Assistant Superintendent.
 2. If the grievance was initiated at Central Office level, Step Two will be the Office of the Superintendent.

The appropriate Central Office administrator shall meet with the aggrieved teacher and/or the Association within ten (10) school days after presentation of the grievance. A response to the grievance shall be given to the teacher and the Association within five (5) days after the date the meeting was held with the aggrieved teacher, and or the Association.

- (c) Step-Three. If the grievance is not satisfactorily resolved at step two, the OPEA, within fifteen (15) days of receipt of the Step Two decision or exhaustion of time limits, may submit the grievance to impartial arbitration. If the grievance is to be submitted to impartial arbitration, a demand signed by the OPEA shall be sent to the American Arbitration Association requesting their services, with a copy sent to the Superintendent. The selection of an arbitrator and the conducting of the hearing will be in accordance with their procedures and rules. Upon mutual agreement, the arbitration procedure, on individual case basis, shall be expedited. The decision of the impartial arbitrator shall be final and binding on all parties. The expenses and fee, if any, of the impartial arbitrator shall be shared equally by both parties. In lieu of the ad-hoc arbitrator selection process, the Board and the OPEA may elect to establish a permanent arbitrator process, and said arbitrator shall serve at the will of both parties.

6.5 Powers-of-the-Arbitrator. It shall be the function of the arbitrator, and s/he shall be empowered, except as his/her powers are limited below, after due investigation, to make a decision in cases of alleged violation of the specific articles and sections of this Agreement.

- (a) S/he shall have no power to add to, subtract from, disregard, alter, or modify any of the terms of this Agreement.

- (b) S/he shall have no power to establish wage scales or change any wage but may place a teacher on the correct step/track or correct the calculation of the salary.
- (c) S/he shall have no power to change any practice, policy, or rule of the Board.
- (d) Neither party shall be permitted to assert in such arbitration proceeding any new issues not previously raised or disclosed during the previous grievance steps.

There shall be no appeal from an arbitrator's decision. It shall be final and binding on the Association, its members, the teacher or teachers involved, and the Board, except where permitted by law.

The fees and expenses of the arbitrator shall be shared equally by the Board and the OPEA. All other expenses shall be borne by the parties incurring them, and neither party shall be responsible for the expenses of witnesses called by the other.

- 6.6
- (a) Any grievance occurring during the period between the termination date of this Agreement and the effective date of a new Agreement shall not be processed. Grievances which have not been resolved prior to the expiration of this Agreement shall continue to be processed according to the terms of this Agreement until resolved.
 - (b) All responses to a grievance by the Superintendent or designee shall be communicated in writing and either delivered to the teacher, as well as the Association's Equity Chairperson, in person, through intra-district mail, or by U.S. Postal Service to his/her home address, and the Association's Executive Director shall be sent a copy of those responses to 30701 Barrington Avenue, Suite 125, Madison Heights, MI 48071.
 - (c) All appeals of a grievance to the Superintendent or designee shall be communicated by U.S. Postal Service at the official address of the Board, 13900 Granzon, Oak Park, Michigan 48237.
 - (d) During any conference between a teacher and principal and/or administrator pertaining to a grievance, the teacher may request that the conference be terminated and be reconvened with an Association official in attendance.
 - (e) Any conference which is held under the grievance procedure shall be conducted at any mutually agreed-to time, which includes the teacher's lunch period or other times when not scheduled to be with students. In the event that a conference or hearing under the grievance procedure is held during school hours, each teacher who is a party or witness shall be excused from his/her regular duties with pay to attend such a conference or hearing. The conference or hearings at Steps One and Two shall be held at any building operated by the Board or at any site of mutual agreement.
 - (f) Each conference conducted under the grievance procedure shall be conducted as a private conference and attendance at such a conference shall be restricted to those persons requested by either party to participate in the attempted resolution of the grievance.

- (g) Failure to file the grievance in writing as specified in Steps One and Two or to forward as specified in Steps One and Two and Three shall mean the grievance is waived.
- (h) Failure to communicate a response on a grievance within the specified time limits shall entitle the aggrieved party to proceed to the next step.
- (i) If the employee elects to be represented, s/he may be present at any level of the grievance procedure where the grievance is to be discussed except that s/he need not be present where it is mutually agreed that no facts are in dispute; and that the sole question is the interpretation of this Agreement.
- (j) The filing of a grievance shall in no way interfere with the rights of the Board to proceed in carrying out its management responsibilities, subject to the final decision on the grievance.
- (k) During the pendency of any proceedings and until a final determination has been reached, all proceedings shall be private; and any preliminary disposition will not be made public without the agreement of all parties.
- (l) There shall be no reprisals of any kind by any administrative personnel or Board taken against any party in interest or his/her Association Representative, or any other participant in the procedure set forth therein by reason of such participation.
- (m) All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.
- (n) Forms for filing grievances, serving notices, making appeals, making reports and recommendations, and other necessary documents shall be given appropriate distribution by the Superintendent so as to facilitate operation of procedures set forth herein.
- (o) Only the OPEA shall submit a grievance to arbitration.

ARTICLE 7. SENIORITY

7.1 The Board shall provide the OPEA with an up-to-date seniority list by October 15 and April 1 of each year. The list shall include names of all members of the Bargaining Unit, whether on leave, layoff, or active employment, in the rank order based on seniority as defined in this Agreement, degree status, certification/endorsement, and current assignment.

7.2 The Board shall provide the OPEA with a list of non-bargaining unit professional personnel who have previous service in this bargaining unit. The list shall include the names of all such persons, the previous seniority, degree status, and certification/endorsement.

- 7.3 (a) Seniority shall date from the teacher's most recent date of hire as a member of the bargaining unit. When a teacher resigns, all seniority is lost.
- (b) To receive seniority credit for a month, a teacher must work until on or after the fifteenth (15th) of the month or return to work on or before the fifteenth (15th) of the month. Should the fifteenth (15th) of a month be a non-scheduled work day, the teacher must work the last scheduled work day prior to the fifteenth (15th) of the month or return the first scheduled work day after the fifteenth (15th) of the month. Seniority credit shall not be added or deducted for July and August.
- (c) For a teacher hired before June 15, 1998, date of hire shall be as per a seniority list to be established thirty (30) days following the implementation of the master agreement. The OPEA and administration shall establish said seniority list. The parties shall use the most current seniority list and establish tie-breakers where more than one person has the same date of hire. Teachers shall have the opportunity to provide proof of alleged errors in the list prior to the thirty (30) days expiring. Corrections to the seniority list shall be made if errors are proven to exist.

Once the thirty (30) day time limit has passed, both parties shall sign an agreement that recognizes the seniority list as accurate and official. Both parties shall receive three (3) copies of the list with the signed agreement attached. Once signed, the list shall not be amended, nor can grievances be filed to amend it.

A teacher hired after June 15, 1998, shall have their date of hire be their first day worked as a contract teacher.

- (d) Time spent on layoff or unpaid leaves of absence shall be blanked out for purposes of counting seniority credit except as provided in Articles 16 and 17 of this agreement. Seniority, as defined in Article 7, and seniority lists, may be amended due to leaves of absence which last more than a year. Corrections on the seniority list due to layoff or leave shall be provided to the association.

7.4 Any teacher who is appointed to an administrative or department chairperson position after September 15, 1980, will retain previously accumulated seniority but shall not accrue seniority while in that position. Those persons in such positions prior to the above date shall continue to accumulate seniority in the unit.

7.5 In the case of equal seniority, teachers will be ranked based in order of the following:

- (a) Prior contract teaching in Oak Park.
- (b) Substitute teaching, in Oak Park, where those having substituted the most days would have the greater seniority.
- (c) The last four (4) digits of their social security number. In the event that more than one teacher has the same four (4) digits, the next digit to the left would be used until the tie was broken. The higher the number the greater the seniority.

- (d) In both (a) and (b) above, credit for prior teaching or substituting shall be given by the district on a form signed by the member and by administration at the time the member=s individual contract is signed. Once signed, this form, or the information contained therein, shall be deemed to be accurate and cannot be amended. It shall not be grievable. The administration shall require all new hires to sign the form and it shall be kept as part of the teacher=s personnel file.

7.6 The OPEA president shall have greater seniority than other members as defined and found in Articles 13.1(b), 13.2 and 13.5. Said super-seniority applies to these articles only and shall remain in effect during the time the individual holds office as OPEA president. After leaving office, s/he shall have the seniority defined as related to any position s/he holds in the district.

ARTICLE 8. WORKING CONDITIONS AND INDIVIDUAL SECURITY

8.1 Physical Facilities.

- (a) The physical facilities of the classroom and of the school should be conducive to the health, safety, and welfare of the students and teachers. Heating and ventilation systems will be maintained in good working order. Every attempt shall be made to clean, on a daily basis, those rooms which are in daily use.
- (b) The Board shall provide working conditions and facilities in each school building which are in accordance with health standards as developed by the U.S. Department of Labor, the Michigan Public Health Department, and the State Administrative Code (Sanitation Standards in Schools).
- (c) Every attempt shall be made to clean sidewalks and parking lots of ice and snow.
- (d) Clean and functioning lavatory facilities shall be available for all teachers that are separate from student lavatories.
- (e) Staff lounges and lunchrooms are for the use of school personnel during normal school hours. Non-school adult personnel may occasionally use the Staff lunchroom during lunch hours when there are valid reasons.
- (f) The Board shall make telephones available that provide privacy for teachers' professional calls. The OPEA will have a representative on the Telecommunications Committee.

8.2 Clerical and Non Teaching Duties.

- (a) All efforts shall be exerted to relieve teachers of clerical and non-teaching duties not directly related to their teaching assignments.
- (b) Non-teaching duties and emergency assignments within a school are to be shared among all staff members on an equitable basis.

8.3 Paraprofessionals-and-Aides. Responsibility for day-to-day instructional activities shall rest with certificated teachers.

- (a) Teacher aides may be assigned to assist in instructional related activities. Such activities, under direction of the teacher, are:
 - 1. Complementing instruction (i.e., assisting the teacher during the lesson by helping pupils who may be having difficulty in understanding or in keeping up with the class).
 - 2. Supplementing instruction (i.e., assisting the teacher by working with individuals or small groups of pupils on follow-up activities specified by the teacher).
 - 3. Reinforcing instruction (i.e., assisting the teacher by administering under supervision and direction, remedial or drill activities for individuals or small groups).
- (b) All paraprofessionals and aides engaged in complementing, supplementing, or reinforcing instruction shall be under the meaningful direction and supervision of a certified classroom teacher.
- (c) Teacher aides shall not be given full responsibility for instruction. A certificated teacher must assign and must supervise activities performed by teacher aides, and must provide meaningful direction. For example:
 - 1. A certificated teacher must be present during instructional activities each and every school day.
 - 2. A certificated teacher must always be responsible for the assigned instruction of a classroom.
 - 3. A certificated teacher may sometimes be temporarily absent during the school day.
- (d) If possible, a teacher who has had an aide, or had one at the end of the prior school year, will be given two (2) weeks notice if an aide is removed. A teacher will be given two (2) weeks notice if a different aide is assigned to the teacher.

8.4 Teacher-Community-Administrator-Relationships.

- (a) In cases of a complaint of a parent concerning a teacher, the principal shall, after hearing the parent's complaint, reserve comment and judgment until s/he has had an opportunity to consult with the teacher about the alleged problem.
- (b) Parental complaints received by Central Administration shall be referred to the building principal who shall advise the parent that the teacher is available for consultation. On failure to resolve the complaint by such direct approach, the Principal shall attempt to resolve the matter. When a principal or Central Administrator has resolved a parental complaint without teacher participation,

the teacher shall be informed of the disposition of the complaint.

- (c) Anonymous materials shall not become part of a teacher's personnel file.

8.5 Assault Upon a Teacher. Any assault upon a teacher shall be reported by the principal to proper school and civil authorities. In the event a teacher requires legal counsel with respect to his/her rights and responsibilities incidental to an assault, said counsel shall be provided in cases of civil liability by the Board or its insurance carrier.

Each classroom building will have a written procedure setting forth how teachers may obtain emergency assistance or report the presence of unauthorized individuals in the building. These procedures will be annually reviewed with the staff and they will be included in the Teachers' Manual issued in each building.

8.6 Travel Time Between Buildings. Teachers who are required to teach in more than one building shall have sufficient time and not be less than fifteen (15) minutes between class assignments for travel. It is understood that such travel time shall not impinge upon the teacher's assigned planning time or lunch period. A teacher shall not be assigned to more than three (3) buildings in any one day except in such cases where scheduling problems will not permit otherwise.

Exceptions to the above provision will be:

- (a) Key and Roosevelt will be considered one building.
- (b) Elementary classroom teachers who teach in different elementary buildings when their lunch hour separates their teaching assignments between buildings. In this case, the classroom teacher shall be provided seventy-five (75) minutes additional planning time per week during the student day or compensation at the hourly rate in Section 25.3.

The Board agrees to discourage unnecessary interruptions of classes, and school intra-communication systems shall be used only for the transmission of emergency school messages. All other necessary messages shall be communicated during the first five (5) minutes of each half day and during the last fifteen (15) minutes of each half day. Except in urgent situations, the P.A. shall not be used to give non-school related matters without prior notice to the building staff.

Each building will have a procedure providing that, in the event an emergency and critical message is left for a teacher, office staff should attempt to contact the teacher by delivery or P.A., or if that is not possible or successful, to alert the building administrator.

8.10 Parent Request for Conference. Teachers may confer with parents during the regular school day upon reasonable notice. Parent conferences during a teacher's regularly scheduled lunch period will only be so arranged with the teacher's concurrence. Parent meetings should not be arranged with the teacher by use of the P.A. Should an administrator determine that a teacher should be contacted during student-contact time for purposes of arranging a parent conference, then that contact should be made by the administrator out of the parent's presence.

8.11 Emergency Building Evacuation. In the event of the need to evacuate any building for fire drill, bomb threats, tornado warnings, and similar emergency situations, teachers shall not be required to remain in the building after the students have been evacuated. However, teachers may volunteer their services if needed. If the students are dismissed, the teachers shall also be dismissed for the remainder of the day provided that the teacher has followed the procedure outlined in his/her Building Manual.

When school is scheduled, should a teacher not be able to report for work due to inclement weather, s/he shall forfeit one (1) accumulated leave day.

8.12 Student Discipline Policies and Procedures.

- (a) The Board and the OPEA recognize the need for a uniform pupil disciplinary policy in the Oak Park School District. A teacher who sends a child to the office of the principal for disciplinary reasons shall confer with the principal concerning the problem and shall provide notice as soon as possible after the

incident occurs and provide a written statement of the incident by the end of the next work day following conference with the principal.

- (c) A student who has been sent to the appropriate office for disciplinary purposes should not return to class until the end of the class period or until a reasonable time has elapsed. The teacher should be notified in writing as to the disposition of the case before or at the time of the student's return to the class.
- (d)
 - 1. Instances of gross misbehavior or any verbal attack upon a teacher shall result in suspension from class or classes.
 - 2. It is understood that when the student is reinstated from suspension, the teacher shall be consulted as to the advisability of having the student placed back in the teacher's class.
- (e) If a teacher has referred a child in conformance with procedures defined in the Mandatory Special Education Act (P.A. 198, 1971, as amended) and the procedures defined in the Oak Park Special Education Handbook (most recent edition) and the child continues to be disruptive in the classroom, the teacher may request of the principal that the required I.E.P.C. procedures be expedited. It is understood that administrative support for requests of this nature shall be given.
- (f) The Board and Administration will give support and assistance to teachers with respect to maintenance of control and discipline in the school. When it has been determined that a particular pupil requires the attention of special counselors, social workers, or other support personnel, or law enforcement personnel, the Administration shall provide for such attention.

- (a) General Staff Meetings. Teachers shall make the time available for meetings on Monday, no more than three (3) Mondays per month. Notice of such meetings shall be posted or announced by noon of the previous Friday. All meetings shall have an agenda and the agenda will be placed in the teachers' mailboxes no later than one-half day preceding the time of the meeting. In the event the meeting is canceled, notice of said cancellation shall be given teachers at least one-half day preceding the time of the meeting.  - (d) The Administration shall not schedule meetings on records days with the exception of in-service scheduled into the calendar (Schedule C).

It is understood that probationary teachers may have to attend two (2) extended Monday Professional Development a month, to meet the higher number of professional development hours required, and that high school probationary teachers may need to be included.

It is also understood that teachers may be offered additional Monday in-services where attendance would be voluntary. There shall be no discrimination against a teacher=s choosing to attend (or not to attend) these voluntary meetings.

For any extended professional development, the following shall apply:

Said professional development shall begin five minutes after the teacher dismissal time. The first hour of said meeting time shall replace the contractual general staff meeting and shall not be compensated; the second hour, if any portion is used, shall be compensated at the following rate:

9.1 Teachers shall be evaluated in accordance with the Michigan Teacher Tenure Act as amended through the regular session of 1993 and the adopted procedures and criteria of the School District (AP 41171 and Form).

9.2 All evaluations or observations of the work performance of a teacher shall be conducted openly and with the full knowledge of the teacher.

9.3 Material which is used in an evaluative manner must be observed and compiled by an administrator. 9.4 Evaluations shall be conducted by the teacher's immediate supervisor and/or building principal or other building administrator.

9.5 After the teacher has been evaluated, a written report shall be completed in triplicate and signed by the evaluator and the teacher. One copy is to be sent to the Superintendent, one copy retained by the building principal(s), and one copy given to the teacher. A teacher may submit his/her own statement if s/he does not agree with the evaluation. This statement, signed by the administrator and the teacher, is to be attached to the evaluation and placed in the teacher's personnel file.

The class size in Kindergarten through fifth grade shall not exceed thirty (30) except as provided for below:

Whenever any class assignment in any classroom (not exempted from the limitations set forth elsewhere in this Article) exceeds thirty (30) pupils, the teacher shall be paid at the end of each semester one of the following amounts:

If the class is split by the Monday following fourth Friday the aforementioned relief shall be lieu of the oversize class stipend. If the class is not split by the Monday following fourth Friday, Article 11.1(a) and 11.1 (b) shall apply.

(1) Secondary class issues shall first be referred to the administration of the building. If the issue is not resolved within 10 school days, the issue will be referred to the Class Size Committee which consists of the Executive Director of Human Resources, the Executive Director of Business and Finance, and the OPEA Class Size Representative. If the committee cannot reduce a class of 35, then the teacher shall be paid \$120 per semester for each class of 35.

Such teachers should be available to students after the pupil's school day and may have the flexibility to arrange their schedules to permit them to arrange conferences with parents outside the regular school day.

High school counselors should be available to students after the pupil's school day and may have the flexibility to arrange their schedules to permit them to arrange conferences with parents outside the regular school day. 12.6 Teachers in a regularly scheduled team-teaching situation shall have a common planning period when possible.

12.7 Special subject teachers in elementary school shall have a minimum of five (5) minutes between teaching assignments.

12.8 Master schedules for all teachers in a school building shall be made available, and the OPEA may post a copy of the master schedule on the designated bulletin board in each building.

12.9 Extra-duty assignments shall not conflict with nor take precedence over a teacher's regular school assignment and responsibilities without appropriate arrangements being made by the building administrator for a substitute teacher if required. All affected teachers shall be notified as soon as possible.

12.10 A teacher may not leave the building during the assigned school day, except during the teacher's lunch hour, without approval of a school administrator.

12.11 Teachers shall be notified in writing of any changes in their teaching programs and schedules for the ensuing year; including the school to which they will be assigned; the grades and/or subjects they will teach and any special or unusual class assignments that they will have, not later than the last student day of the school year. Should circumstances or conditions arise which result in a change in teaching assignment subsequent to the last student day of the school year, the teacher shall be notified in writing of the reason for the change as soon as the Administration determines the need for such change.

12.12 Any secondary teacher teaching a fifth hour will receive one-fifth (1/5) of his/her daily wage as defined in 25.4 as compensation for that extra time. If more than one teacher is certificated and requests teaching a fifth hour, the determination of who teaches the fifth hour will be made on the basis of seniority.

Any elementary teacher teaching an extra hour per week will receive one-twentieth (1/20) of his/her weekly rate as compensation for that extra time.

ARTICLE 13. TRANSFERS

13.1 Definition.

- (a) Transfer shall mean the movement of a teacher from one position to another except in the following situations:

1. A room to room change within a building;
 2. A grade level change within an elementary building;
 3. An assignment change within a department or departments in a secondary building;
 4. An assignment change in departments that are K-12 (special education, art, music, physical education, media, multi-lingual/English as a Second Language, speech therapist); or
 5. All pupil personnel staff: psychologists, social workers.
- (b) An assignment change in 4 above shall be made only if there is a reduction of personnel or program change, and then the change must be made on the basis of seniority.
- (c) A transfer is voluntary when it is requested by the teacher on his/her own or on request by the teacher at the suggestion of the Administration.
- (d) A transfer is involuntary when it is not requested by the teacher.
- (e) Qualification:

1. Must be properly certificated

For purposes of this Article, except 13.1 (g), elementary shall be defined as grades K-5 and secondary as 6-12.

- (f) The Administration and OPEA agree that it is preferable that teachers are assigned within their major and minor to the extent possible in grades 7 and 8.
- (g) Elementary shall be defined as Grades K-6 and secondary as 7-12 for purposes of this section. If a transferred teacher has not taught or completed any course work related to a new assignment within the last five years, the employee must complete six (6) credit quarter hours or four (4) semester hours to update his/her qualifications, as follows:
1. For voluntary transfers, the course work must be completed within one (1) calendar year of receiving notification of assignment.
 2. For involuntary transfers, course work must be completed according to the following schedule:
 - (a) Three (3) quarter hours or two (2) semester hours must be completed within the first calendar year of receiving notification of the assignment.

- (b) If the teacher is in the same position for a second year, an additional three (3) quarter hours or two (2) semester hours must be completed prior to the end of the second school year.

In lieu of semester hour credits, the Board will accept three (3) State Board-Continuing Education Units (SB-CEU) for each semester hour credit required for both voluntary and involuntary transfers.

- (h) Seniority is defined in Article 7.3 - 7.6.
- (i) Specifications shall be those additional requirements reasonably related to the duties of the position.

13.2 Except for counselor positions, whenever possible, vacancies for a position and new positions shall be filled voluntarily and shall be based on seniority when more than one candidate has certification and qualification and meets the specifications for the position. The District reserves the right to not approve any voluntary transfer request. Prior to the District's decision not to honor a transfer request, a meeting with the requesting member and an OPEA officer and a Human Resources employee shall occur. If the district receives a secondary request for, the following calendar year, for transfer to the same building (K-5) and subject area (6-12); and a vacancy exists, the transfer shall be granted.

13.3 Involuntary transfers may occur for the following reasons:

- (a) No applicant requesting a transfer for the position(s) in question is qualified.
- (b) To facilitate the recall of a laid-off teacher.
- (c) To facilitate the return of a teacher on leave.
- (d) To avoid the layoff of a teacher.
- (e) Change in student enrollment patterns.
- (f) Reduction in program.
- (g) Change in program.

A teacher who is involuntarily transferred to facilitate the recall of a laid-off teacher may choose to take a voluntary lay-off. Such a voluntary lay off will not result in any negative adjustment to the volunteer's seniority date.

It is agreed between the parties that Article 13.3 (b) and (d) do not apply in instances where the involuntary transfer would mean changing from the regular school year calendar to the SMI/SXI program calendar except that certified and qualified teachers may volunteer to transfer from one program to another.

13.4 The opening or closing of a building or program, which results in members being placed in another building, shall not count as an involuntary transfer that results in priority rights..

13.5 Involuntary transfers will be given to the teacher with the least seniority who has certification, qualification, and meets the specifications.

13.6 A teacher may submit a request in writing to the Human Resources Department requesting a transfer to another work location or position. Such request may be submitted even though an opening does not exist at that time.

13.7 The Office of Human Resources will provide the current transfer requests to the union upon request.

13.8 A file of all transfer requests shall be maintained in the Human Resources Office for one calendar year.

13.9 (a) A vacancy shall be defined as a position that the Board wishes to fill, within the bargaining unit, presently unfilled, including newly created positions as well as such positions currently filled but anticipated to be open in the future for one (1) semester or more. If an employee is on paid leave, the Board may fill the position on a temporary basis until the employee returns or indicated that s/he will not be returning. Open positions created by a lay-off notice shall not be considered a vacancy until the last student day of the school year.

(b) For vacancies that occur during the school year or for the next school year, the Superintendent shall post in all buildings such vacancies with certification, qualifications and position specifications for at least ten (10) working days before the vacancy is filled. The posting of all bargaining unit vacancies that occur during the summer shall be sent to all teachers who have requested same in writing to the Human Resources Department and to the OPEA Office. No summer posted vacancy occurring prior to August 1 shall be filled until the position is posted for at least fourteen (14) calendar days.

(c) Vacant positions cannot be filled for more than sixty (60) calendar days with a substitute.

(d) When the student contact time of a classroom teacher has been reduced by fifty percent or more, this will constitute a newly created position (see 13.9 (a)) and therefore be considered a vacancy and treated as such. The Superintendent or his/her designee shall interview all applicants and make the final selection based upon certification and/or qualifications.

These positions must be projected to last beyond a school year. If a position were not projected to last beyond a school year, but did so, the position would be posted at the start of the new school year. It is understood that members currently holding such positions (prior to 6-15-98) shall be allowed to remain in their current positions.

13.10 (a) Teachers shall be afforded an opportunity to transfer to other classroom positions before the employment of new teachers, provided that they have requested the transfer by the last student day of the prior school year and that the vacancy is posted before the fourth Friday of the school year. A form

will be distributed each June for teachers to use to request transfers and/or summer postings for the coming school year.

- (b) Teachers shall be afforded an opportunity to transfer to other non-counselor work locations or non-counselor positions as listed in Article 20, Section 20.1c before the employment of new personnel, provided that they have conformed with the deadline established in Article 13.10(a), above.
- (c) Teachers who have requested positions posted after the fourth Friday of the school year shall be afforded the opportunity to transfer to said position at the beginning of the next school year.
- (d) Teachers shall have priority rights to counselor positions over outside applicants for said positions only when the bargaining unit member has experience as a school counselor and the outside applicants have no such experience. However, in no event shall seniority between bargaining unit members be used as a criteria in filling a counselor position.

13.11 All teachers who have applied for a transfer to an open position shall be notified when that position has been filled.

13.12 Before an involuntary transfer is effected, there shall be a meeting of the teacher, his/her representative, and the Superintendent, at which time the teacher shall be advised of the reason for the proposed transfer.

13.13 Personal relationships or personality conflicts between the principal and a teacher shall not be deemed sufficient cause for involuntary transfer of a teacher.

13.14 All reasonable efforts shall be made for the voluntary transfer of teachers in a building, department, or grade level in which a reduction of personnel is necessary.

13.15 (a) Except as in 13.15 (B) herein a teacher who has been involuntarily transferred shall be given priority on any opening that may occur in the building, department, or grade level from which s/he was transferred and for which s/he is certified/qualified and meets the specifications provided that s/he has submitted a written request.

(b) A counselor who has been involuntarily transferred shall be given priority on any counselor opening from which s/he was transferred provided that s/he has submitted a written request.

(c) The priority rights referenced in 13.15(a), shall only apply if a member has spent more than the majority of the school year in the position they were involuntarily transferred to. The priority rights shall only exist for a two (2) year period. After that period has elapsed, seniority will be the prevailing factor when determining if the member receives the transfer. If more than one member has priority rights to the same building, department or grade level, then seniority will be the prevailing factor when determining who receives the transfer.

13.16 It is understood that a teacher who accepts a voluntary transfer when it appears that an involuntary transfer may have to be affected shall have the same rights as a teacher involuntarily transferred under this provision.

13.17 **Inter-District Transfer.** In the event of court-ordered or legislated inter-district transfer of teacher, any teachers so transferred from the Oak Park School District in compliance with such an order shall be entitled to all of the rights and privileges hereunto ascribed in this Agreement, unless expressly forbidden by law.

13.18 In the event the Board implements an elementary school reorganization plan, after involvement of the OPEA and staff in the development of same, every effort will be made to place teachers voluntarily according to individual preferences and under the provisions of this Article.

13.19 Specifications shall be those additional requirements reasonably related to the duties of the position. Specifications for an assignment will be determined by a joint study with the OPEA and the Administration. The committee will be made up of three (3) administrators and three (3) OPEA bargaining unit members. The committee will study all specifications presently adopted and to be adopted.

13.20 If a teacher's regular classroom is relocated during the school year for the balance of that year, then the teacher must submit a request to his/her building administrator for release time of up to one (1) day to handle the transition. If a teacher is involuntarily moved to another building during the school year, an additional one (1) day will be provided to set up the new room. The District is expected to assist in the moving by providing boxes for the move and help with the moving of District property.

ARTICLE 14. REDUCTIONS IN PERSONNEL

14.1 The term "layoffs" shall refer to the reduction in personnel due to insufficient revenues or substantial reductions in enrollment.

14.2 A distinction shall be made between those teachers who are "laid-off" and those who may be dismissed for reasons other than insufficient revenues or substantial reductions in enrollment.

14.3 The total number of letters of layoff issued to teachers shall not exceed twice the number of positions considered for reduction.

14.4 Before official action is taken on the reduction of staff, the Board will discuss the contemplated reduction with the Association at least five (5) school days before the issuance of written notice of layoff.

14.5 The Association shall be provided a list of teachers to be issued layoff notices. The list shall provide the following information about each teacher:

- | | |
|-------------------------------|----------------------|
| a. Name | d. Certification |
| b. Present school | e. Majors and minors |
| c. Present grade/subject area | f. Seniority date |

14.6 The Board shall give written notice of layoff for reasons of insufficient revenue or reductions in enrollment by May 10 and no later than June 10.

14.7 The sequence of teacher personnel layoff shall be:

1. Probationary teachers based on certification, license, and qualification in the inverse order of seniority;
2. Tenured and other non-probationary teachers based on certification, license, and qualification in the inverse order of seniority.

For purposes of this Article, "seniority" is as determined pursuant to Article 7.

14.8 If a reduction is necessary, a teacher whose position has been eliminated shall be transferred to another position for which he or she is certified and qualified provided that the conditions of Section 14.7 and Article 13 have been met.

- 14.9 (a) Teacher personnel shall be recalled from layoff in the inverse order in which they were laid off.
- (b) The Association shall be provided annually with current and complete information of all laid off teachers in order of their recall.

14.10 The Association shall be given a copy of the letter sent to each teacher who is recalled or whose notice of layoff has been rescinded.

14.11 The Board shall give written notice of the recall from layoff by sending a registered letter to said teacher at his or her last known address. It shall be the responsibility of the teacher to notify the Board of any change in address. The teacher's address as it appears on the Board's records shall be conclusive when used in connection with layoffs, recall, or other notice to the teacher.

Prior to August 1, teachers being recalled will have ten (10) days from the date of receipt of a registered letter of recall to indicate their acceptance or rejection of recall. Between August 1 and the beginning of the new school year, teachers being recalled will have five (5) days from the date of receipt of a registered letter of recall to indicate their acceptance or rejection of recall. If more than one position is open for recall, the teachers shall, based on seniority, be given a choice of position for which they are certified, providing exercising the choice does not force the recall of less senior teachers. Before school starts teachers who are not laid-off, including those who have been recalled, shall be given an opportunity to transfer to a vacant or new position before a recall is made, providing such transfer does not result in a less senior teacher being recalled; or the position in question was not filled by the teacher who is scheduled for recall. The Board may recall without stating an assignment. Failure to respond to a recall, or rejecting a recall to a position for which the teacher is certified and which is for the same schedule (i.e., full-time or part-time) as the teacher had at the time of layoff, shall result in termination of all recall rights.

14.12 The teacher shall maintain his eligibility for recall by notifying the Board in writing of his or her availability for the following school year by April 1 of a current school year.

14.13 Nothing herein stated shall be construed as a waiver of any right that an individual teacher may have under the Tenure Act.

14.14 Teachers recalled from layoff shall retain accumulated sick leave, seniority, and shall be returned to the step on the salary schedule held at the time of layoff.

14.15 The Board shall rescind the letter of layoff for any teacher as soon as sufficient information is available to warrant such action.

14.16 In the event the Board determines that it is necessary to reduce staff, the teachers may be solicited to request voluntary layoff. For any such requests that are approved, the teacher will be laid off and shall receive health insurance coverage for the balance of the year through August 31 at Board expense. Such teachers will receive seniority credit for the time spent on layoff and will be given credit on the salary schedule for completion of the school year in which the layoff occurred.

14.17 A teacher who is laid off under provisions other than 14.16 above and who is paid unemployment compensation benefits (associated with his or her regular teaching assignment) during the summer immediately following the layoff and who is subsequently recalled to the teaching position at the beginning of the next school year will be paid according to an annual salary rate, such that his/her unemployment compensation plus that annual salary rate will be equal to the rate of salary s/he would have earned for the school year had s/he not been laid off, subject to the following conditions:

- (a) The total of unemployment compensation plus salary earned by employment in the district shall not be below that which the employee would have received had he or she been employed the entire school year.
- (b) The salary earned through employment in the district shall not be less than his or her salary from same for a similar period during the preceding school year.
- (c) The Board will not attempt to recover the summer unemployment compensation as provided in this section until a court of final jurisdiction has ruled that this section is legal.

14.18 Employees recalled to work by October 1 following a summer layoff who have paid the cost of their group insurance benefit(s) available through the Board for the month of September shall have the cost of said coverage(s) reimbursed by the Board.

14.19 Notwithstanding the above provisions, the Board shall be empowered to layoff a teacher during the term of the school year to facilitate the return of a teacher on an approved leave of absence at the expiration of such leave. Where possible, the Board shall give at least thirty 30 calendar days' written notice to the affected teacher.

14.20 The teacher's individual contract is subject to the terms and conditions of this Agreement. It is specifically agreed that this Article takes precedence over and governs the individual contract and the individual contract is expressly conditioned upon this Article.

14.21 **Elimination of Tenure in Position.** The Oak Park Education Association and the Board, recognizing that Article III, Section 1, of the Michigan Teacher Tenure Act makes tenure in a position other than as a classroom teacher subject to contract, agree that no employee hired or transferred to a non-classroom position after September 1, 1983, shall

be deemed to have tenure in any position other than as a classroom teacher.

- 14.22 (a) As a condition of the effectiveness of Section 14.21 the Association agrees to indemnify and save the Board harmless against any and all claims, demands, costs, suits, or other forms of liability and all court or administrative agency costs that may arise out of, or by reason of, action taken by the Board for the purpose of complying with Section 14.21.
- (b) In the event of any action against the Board brought in a court or administrative agency because of its compliance with Section 14.21 of this Agreement:
1. The Board will give timely notice of such action to the OPEA.
 2. The Board will give full and complete cooperation to the OPEA and its counsel in securing and giving evidence, obtaining witnesses, and making relevant information available at both trial and appellate levels.
 3. The OPEA agrees to provide and pay the full cost of OPEA selected legal counsel. The OPEA retains the right to settle any action at any time.

14.23 **Critical Shortage.** Area of critical shortage will be communicated to the union prior to May 10.

ARTICLE 15. LEAVE DAYS

- 15.1 (a) Sick and personal business leave shall be granted with pay at the beginning of each school year on a full-year basis. Leave shall be prorated at 1.2 days per working month for probationary teachers who were hired on or after July 1, 1989. Leave shall be prorated at 1.4 days per working month for teachers who are no longer on probation.
- (b) In cases where the teacher leaves the school system before the completion of the school year, a deduction will be made from the final pay if necessary.
- (c) The leave shall be accumulated to a maximum of two hundred fourteen (214) days. Unused sick days above two hundred (200) days shall be assigned to the Central Sick Bank prior to the beginning of the next school year. It is understood that money for unused sick days paid at retirement (Article 10.1(b)) is capped at two hundred (200) days and this is not grievable.
- (d) 1. The accumulated bank of sick leave days may be used in the event of personal illness of the teacher. These days may also be used due to the illness of the following members of a teacher's immediate family -- child, spouse or parent/parent-in-law, sibling -- for whom the teacher must provide primary care and no other arrangement for said care is possible. Illness shall be defined as: personal illness due to an infectious disease, contagious disease, environmental disease, organism defect, mental disorders, physical disability caused as a result of an accident or injury, and quarantine. Sick leave days shall only be granted for the above reasons.

2. Any employee who, having exhausted his or her accumulated sick days, has a critical illness in the immediate family may be granted a leave of absence without pay for up to thirty (30) calendar days, notwithstanding the provisions of Article 17, Leaves of Absence.

- (e) Leave may be used as either personal business leave, to a maximum of three (3) days yearly by probationary teachers and six (6) days yearly by tenure teachers, or sick leave at the discretion of the employee. The Superintendent reserves the right to notify the employee that he or she will be expected to provide proof of illness for the next use of a sick leave day.

15.2 Three (3) of the six (6) personal business days must be applied for in writing, with specific reasons, a week in advance, for the Superintendent's approval or that of his/her delegated representative. Tenure teachers may request the remaining three (3) days a week in advance, whenever possible, for matters of an emergency nature. Personal business days shall cover the following areas:

- (h) Religious Observance - A teacher who for religious observance requires more than six (6) personal leave days may present to the Superintendent for consideration at the beginning of the school year a written request for the total days required.
- (i) Personal private days for which a specific reason need not be given. No more than one (1) such day may be utilized per year by probationary teachers. Two (2) such days may be utilized by tenure teachers.

15.3 A personal business leave day shall not be granted for the day preceding or the day following holidays or vacations and the first and last day of the school year unless approved specifically by the Superintendent. Once approval is granted, it will not be rescinded.

15.4 **Central Sick Bank**

- (a) Creation and Operation. Each teacher, upon the effective date of this Agreement or initial employment, shall deposit one day of sick leave from his/her sick leave bank into the Central Sick Bank.

- (b) Withdrawal may be made from the Central Sick Bank for personal illness as defined in 15.1 (d) (1) above, according to the conditions and procedures for Central Bank withdrawals, upon written application to the Central Bank Committee by a teacher who has exhausted his/her own sick leave days and has been out of work during the school year due to sickness or injury of the teacher for at least 30 consecutive school days.
- (c) The Central Bank Committee shall be composed of two (2) members of the administrative staff and three (3) members of the OPEA and shall meet as needed. The committee shall be empowered to approve or disapprove all such applications and determine the number of days allowable if approved. Decisions of the Central Bank Committee shall not be subject to the grievance procedure.

15.5 Conditions and Procedures.

- (a) A member of the Bargaining Unit must be out of work during the school year due to sickness or injury of the teacher for at least thirty (30) consecutive school days, and s/he must have exhausted his/her own bank of leave days before s/he is eligible to receive any days from the Central Bank. It is understood that the Central Bank Committee may waive part or all of the waiting period if in its judgment, circumstances warrant.
- (b) Written application (form available in each school office) shall be made to the chairperson of the Central Bank Committee when requesting days from the Central Bank. Such application shall include the following:
 - 1. Date of illness or disability.
 - 2. Date of expiration of the applicant's sick leave days.
 - 3. A statement from a doctor recognized as being appropriate to the treatment of the illness detailing the extent of the disability and indicating the approximate time the member of the Bargaining Unit must refrain from working.
- (c) A member of the bargaining unit may draw from the Central Bank up to thirty (30) school days at which time another statement from his/her doctor must be presented to the Central Bank Committee re-evaluating the member's health situation and restating an approximate date of return to work. An additional thirty (30) school days may be given upon further evaluation by the Central Bank Committee. This procedure may be repeated if necessary for a final thirty (30) school days.
- (d) It is understood that while a member is drawing from the Central Bank, s/he is entitled to all fringe benefits as described in the Master Contract. It is further understood that when such member returns to work s/he shall be entitled to the same position s/he occupied prior to the illness or disability, provided that s/he has furnished the Board and Central Bank Committee with medical evidence of his/her fitness to assume his/her former duties.

- (e) A member who has drawn from the Central Bank and has returned to work shall not be eligible for further benefits from the Central Bank until thirty (30) days have elapsed from the date of his/her return to work. Teachers shall apply for sick leave bank days within ten (10) days after return from sick leave. No consideration will be given any application beyond these ten (10) days. It is understood that the Central Bank Committee may waive part or all of the thirty (30) day period if, in their judgment, circumstances warrant.
- (f) Any teacher granted days from the Central Sick Bank shall repay those days to the bank at a rate of three (3) days per year beginning with the start of the school year after the loan was made until such time as the loan has been repaid or the teacher is no longer in the bargaining unit. The Committee shall notify the Business Office, in writing, of the required payments to be made each year by June 15th of the year before the payment is to be made.

ARTICLE 16. SABBATICAL LEAVE

16.1 Sabbatical leave shall be interpreted as leave from active duty granted to any teacher after seven (7) consecutive years of professional service in the Oak Park School District for professional improvement, as stated in School Code 1976 - MCLA Section 380.1235. Sabbatical leave shall be granted for one year or for such portion of the year as may be recommended by the Superintendent and approved by the Board.

16.2 An application for sabbatical leave shall be filed with the Human Resources Department provided the following conditions are fulfilled:

- (a) The applicant possesses a Michigan Life, Permanent, or Continuing Teaching Certificate.
- (b) The applicant has been a full-time teacher employed by the Board for a total of seven (7) years of actual service. - (d) The applicant sign an agreement to return to service with the Board immediately upon termination of sabbatical leave of absence and continues in such service for a period equivalent to the length of the sabbatical leave, or to refund within sixty (60) days of his failure to return to or continue in service, any compensation received from the Board while on leave, except as the Board shall, by special action, waive such obligation.

- (a) The extent of the applicant's professional study, growth, contributions, and successful service to the school district.
- (b) The extent to which plans submitted for use of time on leave are definite and educationally constructive.
- (c) Length of period of uninterrupted service in the Oak Park School District.

16.4 Not more than six (6) semester units of sabbatical leave shall be granted to eligible applicants in any one school year. This may consist of full-year leaves, semester leaves, or any combination thereof.

16.5 In considering applications for sabbatical leave, preference shall be given to those qualified applicants who have not previously been granted such leave. Whenever, in the opinion of the Superintendent, the qualifications of two or more applicants for sabbatical leave are relatively equal, length of uninterrupted service in the Oak Park School District shall be the deciding factor.

16.6 Leave granted for professional study, for research, for work on publication, for travel combined with study, or for any other reasons which, in the opinion of the Superintendent, will improve instruction in the Oak Park School District or will improve the effectiveness of an employee, shall be considered consistent with the purposes of sabbatical leave.

16.7 Leave may be granted for, but not limited to, the purposes established in Section 16.6 above, or for any other reasons which in the opinion of the Superintendent are consistent with the priority goals of the Oak Park Schools.

16.8 The teacher on leave shall receive as compensation during the period of absence from regular duties one-half (1/2) of his/her regularly scheduled salary that s/he would have received during the leave period.

16.9 The following conditions shall apply to all teachers on sabbatical leave:

- (a) The teacher on sabbatical leave shall be considered to be in the employ of the Board and shall have a contract. However, the Board shall not be held liable for death or injury sustained by any teacher while on sabbatical leave.

Upon return from sabbatical leave, a report must be submitted to the Superintendent containing transcripts of all college or university work completed while on leave and all other items of information pertinent to the evaluation of the program. This final report shall be due within thirty (30) days following the applicant's return to full service with the Board. The transcripts and other information shall be filed with the report if available or ten (10) days after receipt, whichever is later.

16.12 When a request for sabbatical leave is granted by the Board, the teacher requesting the sabbatical leave shall be advised in writing at least thirty (30) days prior to the date on which the leave will take effect.

Return from leave shall be to the same step on the salary schedule, seniority, and sick leave accumulation earned by the teacher prior to the leave of absence.
- (e) Early Return - Teachers do not have a right to return from a leave prior to its expiration date. However, they will be reinstated to a position if a vacancy exists for which they are certified and qualified, providing notice of desire to return early has been given to the office of the Superintendent at least fifteen (15) days prior to the date the position becomes vacant. There will be no loss of job security for refusing positions prior to the end of the leave.
- (f) Working While on Leave - Any employee who, while on a leave of absence from Oak Park Schools, engages in education work for remuneration that is not specifically approved by the Superintendent as a condition of leave shall forfeit his/her eligibility to return to Oak Park Schools.

The Board shall be under no obligation to continue supplementation of Worker's Compensation benefits upon exhaustion of the teacher's individual sick leave accumulation. (Deduction begins after seven (7) calendar days.)

If an employee has used all of his/her individual sick leave accumulation, s/he will be permitted to apply for days from the Central Sick Bank under the guidelines of Article 15.4 and 15.5. - (c) Frequent absence by an employee for reasons of sickness or physical disability may be considered good and sufficient cause to place the employee on leave of absence providing the employee has exhausted all accumulated sick days and all approved sick bank days. The placing of an employee on leave shall be consistent with the terms of the Teacher Tenure Act.
- (d) Recognizing that the purpose of a probationary period is to provide the Board an opportunity to observe the work performance of a teacher, it is understood that time off under these provisions and 17.2 (b) above shall not be counted toward completion of a non-tenured teacher's probationary period.
- (e) Employees on unpaid leave of absence under these provisions (17.3) will receive seniority credit for up to one (1) year.

In the event of termination of employment following the school year, the teacher shall be entitled to one (1) summer month of coverage, cash in lieu of insurance provided under Plan B, at Board expense for each semester or major portion thereof completed during the school year.

29.3 Worker's Compensation. The Board shall carry Worker's Compensation so that a teacher disabled from an injury or disease due to his/her employment may receive medical attention and weekly benefits during the period of disability. Such insurance shall cover all benefits required by the Michigan Workers Compensation Act.

29.4 Insurance benefits will apply for all teachers working .4 or more. Teachers will select either Plan A or Plan B. For those who select Plan A, the Board will pay the cost of Plan A in the same proportion as the salary. For those who select Plan B, the Board will pay all of the cost of Plan B, parts B through F, and will pay cash (\$400.00 per month) prorated in the same proportion as the salary (by way of example: .4 salary = cash in lieu of health insurance).

ARTICLE 30. SHARED TEACHING

30.1 Shared teaching shall include one of the following:

- (a) Teaching one semester.
- (b) Teaching each day but less than a full day (in elementary school, this would be teaching either a.m. or p.m.; in secondary school, this would be teaching less than five (5) assigned instructional hours per day).
- (c) Teaching less than five (5) days per week.

In all cases, final approval is the sole prerogative of the Superintendent and shall not be subject to the grievance procedure.

30.2 Shared time teachers shall be required to attend general staff and department meetings per Article 8, Section 8.14. Teachers teaching one semester shall only be required to attend meetings during that semester. Teachers on shared teaching for an entire year shall attend meetings throughout the year.

30.3 Each teacher participating in shared teaching shall be granted a full year's seniority.

30.4 Each teacher participating in shared teaching shall be granted a full year's increment for salary advancement and longevity credit.

30.5 Salary

Salary of shared time teachers will be prorated, i.e.: three (3) days per week will mean 60 percent of full salary; a.m. or p.m. teaching (1/2 day) will mean 50 percent of full salary. Salary may be spread over the school year for those teachers teaching each day but less than full time, or less than five (5) days per week but the full year. Teachers teaching first semester only may have their salary paid the first semester of the school year. Salary would not begin for those teachers teaching the second semester until employment begins, then second semester teachers will have their pay spread for the balance of the second semester.

30.6 Leave Days

- (a) Teachers teaching full time for one semester shall receive seven and one-half (7 1/2) leave days. Up to a maximum of three (3) of these days may be used for personal business under the terms and conditions of Article 15.
- (b) Teachers teaching each day (but less than a full day) shall receive leave days in the same proportion as that used for salary determination.
- (c) Should a shared time teacher who is teaching less than a full day each day be absent more than the number of days granted under (b) above, the deduction from that teacher's sick leave bank which was accumulated through previous work shall be prorated based upon the same proportion as that used for salary determination.

30.7 Insurance Benefits

- (a) The cost of MESSA PAK 4 Package B will be provided by the Board for a teacher who elects Package B.

The cost of MESSA Choices II PAK; RX \$10/\$10 shall be provided by the Board in the same proportion as that used for salary determination.

- (b) A shared time teacher employed full time for one full semester shall receive the MESSA Choices II PAK; RX \$10/\$10 for six (6) months (first semester,

September through February; second semester, March through August) as provided for in Article 29. The teacher shall be permitted to retain the MESSA Choices II PAK; RX \$10/\$10 benefits on a cash-pay basis for the remaining six months.

30.8 **Severance Pay.** A shared time teacher shall be considered full time for the purpose of determining full years of accumulated service for determining severance pay (Article 25, Sections 25.6 and 25.7).

30.9 Teachers who participate in the shared time program shall retain all rights, benefits, and responsibilities of the Master Agreement except as modified by this article.

30.10 Shared time teachers shall, at their request, be returned to full-time status for the subsequent school year. Consistent with seniority right to full-time status, this may necessitate the implementation of layoff and recall as provided in Article 14.

30.11 Fringe benefits delineated in this article are subject to the terms and approval of the providers (carriers).

ARTICLE 31. EXTENDED SCHOOL YEAR

31.1 The calendar year for the Oak Park Specialized Student Services shall be based on the number of days and hours mandated by law.

31.2 At his/her option, a teacher may take a lengthened summer vacation (during the months of July and August), without loss of seniority, benefits, or position under the following conditions:

- (a) The request must be made in writing to the program administrator by April 1 of that calendar year.
- (b) If a timely request has been made as allowed above, the District will post an announcement seeking qualified regular school year teachers interested in working in the Specialized Student Services program during the period(s) of coverage sought during the summer months. This posting will be made as soon as possible.
- (c) The Superintendent will review the options for covering the leave with internal candidates. Preference will be given to those internal candidates interested in covering the entire leave. The leave may be covered by up to three (3) teachers, but no teacher shall work less than two (2) consecutive weeks. External candidates may be considered for this purpose to the extent there are insufficient internal candidates willing to cover the entire leave period. The Superintendent will notify the teacher requesting the leave of his/her decision on the request, in writing, by June 1.
- (d) The person(s) substituting for the 230 day teacher requesting the leave or adjusted contract must be appropriately certified, qualified and meet the job specifications except for that of having at least one (1) year's experience. Teachers covering a leave pursuant to this provision will be paid their regular per diem for each day so worked.

- (e) Placement in the program is at the sole discretion of the Superintendent and shall be in a position where adequate supervision will be provided to insure the well-being of the students.
- (f) The teacher replacing the regular staff member, if a regular bargaining unit member, will be paid at his/her daily rate of pay. By requesting summer work in the Specialized Student Services program pursuant to this provision, a teacher will not be deemed to have requested a voluntary transfer into the Specialized Student Services program.
- (g) Such assignments shall not be construed to create a vacancy at the Oak Park Specialized Student Services Center or in the regular position held by the substituting teacher.

31.3 Teachers participating in the Oak Park Specialized Student Services Center camping program shall receive two (2) days of compensatory time for each full day worked.

31.4 Teachers working on the extended school year program shall receive their salary adjustment, including increments, track movement, and schedule improvement on the first day of the extended school year. Annual salaries for teachers in the 230 day program will be based on the following formula:

Basic contract salary divided by number of contract days for the year in which the calculation occurs then multiplied by 230

31.5 Teachers in the Specialized Student Services program may opt not to work during the two (2) scheduled work days during the February break, provided they shall pay for the substitute teacher necessary to replace them for those two (2) days. The annual pay for Specialized Student Services teachers shall not be reduced by this provision. Instead the deduction shall be made for his/her paycheck after the salary has been calculated.

In order to qualify for this provision the teacher must request the two (2) days off at least two (2) weeks in advance of the February break.

ARTICLE 32. DRUG AND ALCOHOL ABUSE

32.1 The Board and the Association agree that the workplace should be free from drug and alcohol abuse. Employees of the District cannot work safely and productively if they report for work or work while they are under the influence of alcohol or drugs. Moreover, the presence of substance abuse, controlled substances and related activities within the District is inconsistent with the District's educational goals and responsibilities. For these reasons, and the requirements of the Federal Drug-Free Workplace Act and the Drug-Free Schools and Communities Act Amendments of 1989, the parties are committed to maintaining a work and educational environment free of controlled substances and alcohol. In order to achieve these objectives, the parties agree to the following terms.

32.2 The manufacture, use, possession, distribution, sale or offering for sale or distribution of a controlled substance by an employee while on District premises, while engaged in District business, or while participating in or attending a District activity is prohibited.

Reporting to work, working or otherwise being on District premises or at a District activity while under the influence of a controlled substance is also prohibited.

The use and possession of controlled substances as prohibited by this provision does not apply to use and possession pursuant to the direction of a licensed health care professional or as otherwise authorized by federal law.

Furthermore, any employee convicted of violating any criminal drug statute related to conduct occurring in the workplace must report that conviction to the Superintendent, or his designee, in writing within three (3) calendar days after the conviction.

Reporting to work, working or otherwise being on District premises or at a District activity while under the influence of alcohol is absolutely prohibited. The possession of alcohol, in sealed or unsealed containers (excluding sealed containers in personal vehicles) on District premises is also prohibited, as is the unauthorized consumption or distribution of alcohol be permitted while participating in or attending any District activity involving students.

32.3 Definitions.

- (a) District Premises. The term "District Premises" as used in this Article includes, but is not limited to: (1) all buildings and facilities of the District, and the property adjacent to them, including fields and parking lots; and (2) District owned, leased or rented vehicles or equipment.
- (b) District Activity. The term "District Activity" as used in this Article means any activity, program or event related to the District's program involving students of the District, whether directly sponsored by the District, a group affiliated with the District, or any other entity sponsoring the activity, program or event in which the District participates.
- (c) Controlled Substance. The term "controlled substance" as used in this Article means any substances listed in Schedules I through V of the Federal Controlled Substances Act (21 USC 812) and applicable regulations, as well as any other illegal drugs or anabolic steroids. 32.4 Policy Administration.

- (a) Employee Notification. All current and new employees will be notified of the terms of this Article by being given a copy of this Agreement. Compliance by employees with the policies in and requirements of this Article are mandatory conditions of employment.
- (b) Employee Initiated Rehabilitation. Employees with a problem related to drug or alcohol use are encouraged to volunteer for rehabilitation assistance before the problem leads to a situation which could jeopardize their employment.

Employees who desire assistance in dealing with a drug or alcohol problem

and wish for a referral to a rehabilitation program may confer with the Personnel Department or their union representative. Employees may also seek assistance through entities such as the County Health Department, Henry Ford Hospital (Maple Grove Center), William Beaumont Hospital, Providence Hospital, Eastwood Clinic (Royal Oak), Catherine McCauley Chemical Dependency Program (Ann Arbor) and Brighton Hospital.

(c) Discipline. Disciplinary action will be taken against employees who violate Sections 32.2 or 32.3 of this Agreement, as permitted by and in accordance with state and federal law and the procedures of the applicable collective bargaining agreement, as follows:

1. The manufacturing, possessing, using, distributing, selling, or the attempt to manufacture, distribute, possess, use or sell any controlled substance, while on District premises, while engaged in District business, or while participating in or attending a District activity, will result in immediate discharge;
2. All other violations of Sections 32.2 or 32.3 of this Agreement will result in discipline up to and including immediate discharge, in accordance with this Agreement. Rehabilitation may be made a part of the discipline and a condition for returning to work.

Employees believed to be subject to a discipline under Sections 32.4(c)(1) or 32.4(c)(2), above, will also be referred to law enforcement authorities.

(d) Confidentiality. The confidential nature of all actions taken pursuant to this Article is to be respected. Toward this end, efforts will be made to assure that only those individuals with a "need-to-know" are to be advised of actions taken pursuant to this Agreement. Those with a need-to-know normally include the employee's supervisor, District executive management, law enforcement personnel and Association officials.

ARTICLE 33. FINGERPRINTING

The District agrees to pay, as a one time event, the cost of the mandatory fingerprinting. It is understood that, in order for the District to pay for the fingerprinting, it is the responsibility of the employee to be fingerprinted on the day(s) assigned to them. Both parties agree that employees who already paid for fingerprinting are not covered by this agreement and this shall not be subject to the grievance procedure.

ARTICLE 34. DURATION OF AGREEMENT

33.1 This Agreement shall be in full force and effect as of August 28, 2007, and shall continue in effect until June 30, 2010. At that time there will be a sixty (60) day extension if there has been no Agreement ratified by the OPEA and the Oak Park School District.

33.2 IN WITNESS THEREOF, the parties have executed this Agreement by their duly authorized representatives, the day and year first written above. On or before May 1, 2010, both teams shall meet to discuss contract negotiations.
