- A. Layoff means a reduction in the working force due to a decrease of work or limitation or reduction in operating funds or any other condition beyond the control of the Board.
- B. If it becomes necessary for a layoff, all probationary employees within the affected classifications will be laid off first. Seniority employees laid off from their positions will have bumping rights within their classification on the basis of their department seniority and will be entitled to bump the employee with the least department seniority currently in that classification. Lateral bumping must be requested, in writing, within ten (10) calendar days from the notice of layoff.
- C. Any employee not possessing the necessary department seniority or desiring to bump laterally as outlined in (B.) above may opt to exercise their seniority by bumping the employee with the least department seniority, providing the position is equal in pay or in a lower classification than the employee currently holds and the employee meets the qualifications for the position. Classification ranking will be determined on the basis of wage rates on the Salary Schedule.
- D. An employee not possessing the necessary seniority to bump within a department can exercise seniority gained in a former department and bump the employee with the least seniority in a previously held or lower classification.
- E. Any employee who assumes a new job assignment due to the layoff procedure will also assume the salary rate for that position.
- F. Employees to be laid off will have at least fourteen (14) calendar days notice of their intended layoff. The Chairperson and Chief Steward shall receive a list of employees being laid off.
- G. Employees laid off through the procedure as stated in this Article shall be maintained on a recall list for a period of two (2) years or length of seniority in the District, whichever is shorter and shall be recalled in reverse order of their layoff.

**ARTICLE 9
LAYOFF AND RECALL (cont.)**

- I. Notice of recall shall be sent to the employee at his/her last known address by registered or certified mail. If an employee fails to report for work within fourteen (14) calendar days from date of mailing of recall notice, he/she shall be considered as having quit.
- J. Each employee is responsible for keeping the Employer advised, in writing, of any change of address and will not be excused for failure to report for work on recall if he/she fails to receive recall notice because of his/her own failure to advise the Employer, in writing, of his/her change of address.
- K. The Employer shall have no obligation to recall probationary employees who may be laid off.
- L. It is clearly understood that any individual laid off shall automatically terminate and suspend the Employer's obligation to salary or fringe benefits under this collective bargaining agreement or any other agreement.

In order for a Head Custodian, or Assistant Head Custodian to transfer to a different building, they will have completed the appropriate training program. Current Head and Assistant Head Custodians who have not completed the appropriate training will have until the expiration of this agreement to complete the training. Until that time, they are grandfathered.

- B. Transfer of seniority employees is to be minimized whenever possible. Transfers shall be based upon seniority. Employees placed in a new position by virtue of a transfer may be required to complete a trial period of thirty (30) workdays subject to the provisions under Section L. The trial period shall be automatically extended for any absences during that period by the amount of said absence(s).
- C. Employees desiring a transfer must file their request, in writing, within the posted period. The request shall set forth the reason for transfer and the applicant's qualifications, work experience, as well as any other relevant information. Only one (1) transfer in a nine (9) month period shall be permitted. The Employer may permit exceptions to this rule.
- D. Employees transferred under the above circumstances shall retain all rights accrued for the purpose of any benefits provided for in this Agreement.
- E. 1. If an employee takes a permanent or temporary position outside of the bargaining unit in Rochester Schools for more than ninety (90) calendar days, he/she will have the right to return to his/her former position during the ninety (90) days. The Employer will post the employee's position for temporary promotion.
- After ninety (90) calendar days, the employee's position shall be posted and filled in accordance with this Article. The ninety (90) calendar-day period for temporary positions may be extended by agreement of the Union and the Employer.
2. An employee who takes a position outside of the bargaining unit shall retain seniority accumulated while working in the bargaining unit.

ARTICLE 10

Postings will list the reason for filling the vacancy. Whenever possible, the Employer will fill the vacancy within five (5) calendar days of the posting deadline.

If the vacancy is not filled by ten (10) work days, the successful candidate will be compensated at the vacancy rate starting the eleventh (11th) work day provided the employee is ready and present to work.

If an individual is not ready and present to work because of vacation, sick day, personal day, etc., the days in the preceding paragraph will be extended by a like amount of days.

- I. A promotion is an upward change in an open job classification within the bargaining unit which results in additional compensation during the regular workday. Promotions are not meant to include the taking on of additional duties within the same job classification or work involving overtime, shift differential, or premium pay. Employee(s) interested in a promotional position shall apply within the above stated posting period to be considered for the promotion.

**ARTICLE 10
TRANSFER AND PROMOTION (cont.)**

1. Promotions to entry-level positions shall be made on the basis of established qualifications, seniority, and prior work record. It is understood that employees bidding between departments are only eligible to apply for entry-level positions in the other department, unless they have accrued seniority in a higher than entry level classification. Qualifications will be detailed on each job description and listed on each posting.
2. All promotions to bargaining unit positions shall be made first from within the department on the basis of meeting established qualifications, seniority, and prior work record.

Prior work record criteria will include a review of previous disciplinary actions and evaluation documents that are dated within the last two years. If these criteria are relatively equal, then the most senior employee will be placed in the position.

The individual granted the promotion will be granted up to a ninety (90) calendar day trial period to determine:

- a) his/her desire to remain on the job
- b) his/her ability to perform the job

Any absence during the trial period shall automatically extend the trial period for a like number of days.

3. Employees not granted a promotion may have their application reviewed. If the employee is not satisfied with the results of that review, the matter may then become proper subject for the grievance procedure beginning at Step 2.

**ARTICLE 10

3. Training programs will be conducted during regularly scheduled work hours whenever possible.

- K.** The decision of the Employer regarding promotional positions shall be written and be available for posting within five (5) working days after the decision. In the event the employee with the most seniority is not granted the promotion, the reasons for denial shall be given, in writing, to the employee and Chief Steward, if requested in writing by the employee.

- L.** During the ninety (90) calendar day trial period, the employee shall have the opportunity to revert back to his/her former position and a letter of explanation shall be submitted to the Employer. If at any time during the trial period, the Employer believes the employee is not able to satisfactorily perform the job, such employee shall be returned to his/her former position and notice of such action shall be submitted to the Chief Steward, in writing, with a copy to the employee. The employee returned to his/her former position shall retain salary and seniority status as previously enjoyed before the promotion.

The first shift will usually start at 7:00 a.m. and end at 4:00 p.m. with one hour or one-half hour for lunch without pay. Employees working the second shift, which usually starts at 4:00 p.m. and ends at 12:00 midnight, or the third shift, which usually starts at 11:00 p.m. and ends at 7:00 a.m., shall receive eight (8) hours compensation for seven and one-half ($7\frac{1}{2}$) hours work and one-half ($1/2$) hour paid lunch period. The rest period is intended to be a recess; thus, it shall not be used to cover an employee's late arrival to work or early departure, nor shall it be regarded as accumulative if not taken. Failure to take a relief period shall not result in a lengthening of the lunch period or a shortening of the working day, unless specifically arranged with the immediate supervisor to cover unusual occasions. During overtime, an employee shall be given a relief period of fifteen minutes for every two (2) hours worked.
4. **CALL-IN-PAY**
An employee reporting for emergency call-in duty shall be guaranteed two (2) hours pay at the rate of time and one-half.

ARTICLE 13
HOURS OF WORK (cont.)

3. When overtime is required within a classification, the person with the least number of overtime hours in that classification within their building or work area (grounds/utility, maintenance, mechanics, garage attendants and computer technician) will be called first and so on down the list within each building in an attempt to equalize the overtime hours. If there is no acceptance or no one in the classification within the building, seniority employees in other classifications shall be called. These employees may sign up for the overtime in the Maintenance Office by signing the outside overtime list. Employees on the outside overtime sign-up sheet will be called on the basis of least number of overtime hours charged to them provided they are capable of doing the work. The Employer will keep an up-to-date outside overtime list. This paragraph includes custodial, maintenance, grounds/utility, mechanics, garage attendants and computer technicians.

4. All overtime hours, with the exception of an "Act of God" day, and building checks and security problems, will be charged to building overtime lists.

7. If overtime is required after assignments have been made for a weekend, the additional overtime will be scheduled without adjusting the previously assigned overtime.
8. If there are multiple overtime assignments available at a building on a given day, the assignments will be made on the basis of the respective activity starting time.
9. Some overtime assignments may require an employee with specialized skills or building knowledge. This would include such things as power failures, mechanical equipment problems, etc. The assigned employee will have all overtime hours worked charged to the building overtime charts.
10. Unscheduled overtime will be assigned on the basis of regular overtime distribution with no consideration given to the shift worked by the building custodial personnel. As part of this provision, it will be acceptable for afternoon shift employees to report for work early if overtime work is scheduled, and it will also be acceptable for day shift employees to report early for work the following day to complete the overtime assignment if that is preferable.
11. If long-term project work can be anticipated, every effort will be made to share the overtime work between all work shifts.
12. Scheduled overtime work assignments will be split between employees if it is determined that the health or safety of the employees is a concern.

Under normal conditions any overtime assignment expected to be longer than ten (10) hours will be split equally by the building Head Custodian, Assistant Head Custodian, or Head Groundsperson, or in the absence of these employees, the Supervisor, if requested by the employee eligible for the assignment.

17. Overtime hours will be computed and maintained from July 1 through June 30 of each fiscal year. On or about July 1 of each fiscal year, a new updated overtime list will be posted. This new list will reflect the excess overtime hours worked by employees in each classification over the lowest number of hours worked within that classification. The above shall also apply to the outside overtime list. When a building/department starts or alters the overtime list system, the system will stay in effect until the end of the fiscal year (June 30). Changes to the overtime list or system will only be allowed to take effect on July 1.
18. Employees that change classification will be charged with the highest number of overtime hours that exists in their classification on the day he/she is placed in said classification.
19. Newly hired, rehired, or transferred employees who successfully complete their probationary period will be charged with overtime as indicated in Section 18.

**ARTICLE 13
HOURS OF WORK (cont.)**

20. The Employer will endeavor to continue to provide the opportunity for employees in the grounds/utility and maintenance classifications to share in the overtime assignments. However, due to the complexity of job assignments, skills needed, equipment available, etc., the overtime hours in these classifications will not always be equalized; but the Employer will endeavor to equalize whenever possible.
21. It is understood that overtime hour assignments for employees may be unequal from time to time.

Subject to the terms of the contract with the respective benefit carriers, it is the intent of the parties that benefits provided for in this Article shall commence on the first compensable working day of the seniority employee and that coverage shall remain in effect continuously for the duration of this Agreement as long as the employee is actively employed by the Employer or otherwise eligible as indicated by this Master Agreement.

The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, neither the Board nor the Union, unless mutually agreed, shall be obligated to bargain collectively with respect to any subject or matter referred to or covered by this Agreement and with respect to any subject or matter not referred to or covered in this Agreement.

**ARTICLE 20
ENTIRE AGREEMENT CLAUSE**

This Agreement supersedes and cancels all previous Agreements or past practices between the Board and the Union and constitutes the entire Agreement between the parties. Any amendment or Agreement supplemental hereto shall not be binding upon either party unless executed, in writing, by the parties hereto.

ARTICLE 21 GRIEVANCE PROCEDURE

- A. A grievance is defined as an alleged dispute or violation of a specific Article or Section of this Agreement. There shall be an earnest effort on the part of the grievant, the Union, and the Board/Employer to settle the grievance through the following steps. Any employee(s) who believe he/she has been unjustly dealt with may grieve up to and including Step 4 of the grievance procedure.
- B. The time limits specified herein for movement of grievances through the process shall be strictly adhered to and may be relaxed or extended only by mutual consent of the parties in writing. In the event that the seniority employee or the Union, in behalf of the seniority employee, fails to appeal a grievance or grievance answer within the stated time limits, the involved grievance shall be deemed abandoned and settled on the basis of the Board/Employer's last answer.

In the event the Board of Education representative does not reply within the time limit specified, the grievance may proceed to the next step unless the grievant or the Union, on behalf of the seniority employee, indicates otherwise.

- C. Each grievance must be initiated within seven (7) working days of the occurrence of the grievance or, if the seniority employee did not have knowledge of the grievance at the time of its happening, then within seven (7) working days after the aggrieved becomes aware of the cause of the grievance.
- D. Any written agreement reached between the Employer and the Union is binding on all employees affected and cannot be changed by any individual.
- E. Where more than one (1) written grievance involving the same issue has been filed and processed through the grievance procedure to STEP THREE, the parties may, by mutual written agreement at STEP THREE, select one of the grievances as representative of the group. The remaining grievance shall then be held in abeyance at STEP THREE while the selected representative grievance is processed further in the grievance procedure. The ultimate disposition of the selected grievance shall then be applicable to the remaining grievances held at STEP THREE.

ARTICLE 21
GRIEVANCE PROCEDURE (cont.)

- F. In the event it becomes necessary for the Steward to be involved in handling a grievance, the appropriate Union Steward will be allowed reasonable time during working hours, without loss of pay, for the proper handling of grievances. The appropriate supervisor or principal may grant permission to the appropriate Steward, with the exception of drivers during their regular scheduled driving times, to leave their work for a reasonable period of time and no Steward shall leave his/her work without first obtaining permission.

Stewards shall perform their regularly assigned work at all times and must not leave their building unattended, except when granted permission to leave their work as provided herein, and the privilege granted to Stewards to leave their work is subject to the understanding that they will expeditiously devote such time to the proper handling of grievances and must report back promptly when their part in the grievance adjustment has been completed, and they will not abuse such privilege.

- G. If the Steward is required to go into another building other than his/her own in the handling of a grievance, the principal at both buildings (or all buildings involved) must be notified; permission will be granted provided that it does not unduly interfere with or interrupt or affect work or school operations or assigned duties. It is the responsibility of the above mentioned Steward to report to the building principal before their conference with any employee. If, in the opinion of the principal or the immediate supervisor of the Union member, such Union activity is interfering with classroom activity or assigned duties, such Union activities will be postponed.
- H. Except as set forth above, no Steward or any other employee shall be granted time off for the purpose of handling Union matters, affairs, or grievances unless the supervisor or principal has granted specific permission.

I. CLAIMS FOR BACK PAY

All grievances must be filed, in writing, within seven (7) days from the time the alleged violation was to have occurred or knowledge of occurrence. The Board shall not be required to pay back wages for more than fourteen (14) days prior to the date a written grievance is filed unless it involves a payroll error.

ARTICLE 21

GRIEVANCE PROCEDURE (cont.)

1. All claims for back wages shall be limited to the amount of wages that the employee would otherwise have earned.
2. No decision in any one case shall require a retroactive wage adjustment in any other case unless other cases were filed and pending on the representation case.

STEP ONE

Within seven (7) working days of the time an alleged grievance occurs or as stated in Section C above, the grievant and/or Steward will present the grievance, in writing, to his/her immediate supervisor during non-working hours, whenever possible. The aggrieved employee shall have the right to request representation by a Steward.

The Steward and the aggrieved shall be allowed to confer regarding the grievance and if they so desire, a meeting on the alleged grievance shall take place between the parties with the objective of resolving the matter informally. The grievance form shall be signed by the parties involved in the grievance at STEP ONE with a copy given to the grievant. Within five (5) working days after discussion of the alleged grievance, the immediate supervisor shall give his/her written answer to the grievant and the Union.

STEP TWO

- a) In the event that the grievant is dissatisfied with the result of the meeting in STEP ONE, then a signed, written "Statement of Grievance" shall be submitted to the appropriate supervisor within seven (7) working days after the STEP ONE answer by the grievant or the Union, on behalf of the grievant.

The "Statement of Grievance" shall name the employee or employees involved, state the facts giving rise to the grievance, identify all the provisions of this Agreement alleged to be violated by appropriate reference, state the contention of the employee with respect to these provisions, indicate the relief requested, and shall be signed by the employee involved or appropriate Union Representative.

- b) A meeting on the alleged grievance shall take place between the grievant, Steward, and the appropriate supervisor(s) if requested by the grievant, and

- c) The written answer of the appropriate supervisor and/or administrator shall be given to the grievant with a copy to the Union within five (5) working days of the date of the meeting indicated in STEP TWO-b above.

STEP THREE

- a) If the grievance is not satisfactorily settled in STEP TWO, then the grievant and the Union shall have the right to appeal the decision of STEP TWO within seven (7) working days of receipt of said answer or time limits indicated in STEP TWO-c. Such appeal, "Statement of Grievance", shall be directed to the Superintendent of Schools/designee.
- b) A meeting on this grievance shall take place within ten (10) working days of the date of receipt of the grievance as prescribed in STEP THREE-a. The grievant, Chief Steward, and one (1) other Union representative to be named by the Union and the Superintendent and/or his/her designee(s) shall meet in an attempt to resolve the grievance.
- c) The Superintendent and/or designee(s) shall render a written decision within five (5) working days to the grievant and the Union after the date of the STEP THREE-b meeting.

STEP FOUR

If the grievance remains unresolved at the conclusion of STEP THREE, it may be submitted for binding arbitration at the request of the Union, provided written notice of the request for submission to arbitration is delivered to the Superintendent within ten (10) working days from the date of the Superintendent's written decision at STEP THREE. The parties shall have ten (10) working days to agree upon a mutually acceptable arbitrator from the date of the written notice to arbitrate. If the parties are unable to agree on an arbitrator within the time period set forth herein, the party seeking arbitration shall file a request with the American Arbitration Association to submit a list of qualified arbitrators. The arbitrator shall then be selected according to the rules of the American Arbitration Association. The case shall be heard and presented in accordance with the rules of the American Arbitration Association.

ARTICLE 21
GRIEVANCE PROCEDURE (cont.)

The arbitrator shall hear the grievance in dispute and shall render his/her decision, in writing, within thirty (30) days from the close of the hearing. The arbitrator's decision shall be submitted, in writing, and shall set forth his/her findings and conclusions with respect to the issues submitted to arbitration.

POWERS OF THE ARBITRATOR

It shall be the function of the arbitrator, and he/she shall be empowered, except as his/her powers are limited below, to make a decision in cases of alleged violation of the specific articles and sections of this Agreement.

1. He/she shall have no power to add to, subtract from, disregard, alter or modify any of the terms of this Agreement.
2. He/she shall have no power to establish salary scales or to change any salary.
3. If there is a question of the arbitrability of any grievance under the terms of this Agreement, the arbitrator shall have to decide if the grievance is arbitrable. In the event that a case is appealed to an arbitrator on whom he/she has no power to rule, it shall be referred back to the parties.
4. There shall be no appeal from an arbitrator's decision if within the scope of his/her authority as set forth above and below. It shall be binding on the Union, its members, the employee or employees involved, and the Board and its agents.
5. The fees and expenses of the arbitration shall be shared equally by the parties. All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expense of witnesses called by the other.

**ARTICLE 22

The Employer shall institute no lockout of employees during the term of this Agreement.
- B. In the event of any such violation of this Article, the Union shall endeavor to return the employees to work as expeditiously and quickly as possible by:

 2. taking such other action which it deems reasonable and appropriate to bring about compliance with the terms of this Agreement.
 3. The Union will take prompt, affirmative action to prevent strikes and picketing or any other action as described in this Article by notifying the employees and the public that the Union and its officers and membership disavows their actions.
- C. Should differences arise between the Employer and the Union and/or employees as to the interpretation or application of the provision(s) of this Agreement, or should any dispute of any kind arise, it is agreed that there shall be no work stoppages, walkouts, or slowdowns, picketing, etc., or any other type of concerted action until the entire Grievance Procedure has been exhausted and said situation resolved.

- J. The Employer, by timely payment of the premium payments required to provide the coverage set forth herein, shall be relieved from all liability with respect to the benefits provided by the benefit coverage as described above. The failure of a benefit company to provide any of the benefits which it has contracted, for any reason shall not result in any liability to the Board/Employer or the Union, nor shall such failure be considered a breach by either of them of any obligation under this Article.
- K. Subject to the terms of the contract with the respective benefit carriers, it is the intent of the parties that benefits provided for in this Article shall commence on the first compensable working day of the seniority employee and that coverage shall remain in effect continuously for the duration of this Agreement as long as the employee is actively employed by the Employer or otherwise eligible as indicated by this Master Agreement.
- L. Notwithstanding the provisions of this paragraph, the terms of any contract or policy issued by a company hereunder shall be controlling in all matters concerning benefits, eligibility and termination of coverage, and other related matters as long as the Employer complies by paying the timely premium.
- M. Differences between employee(s) or beneficiaries of employee(s) and any benefit company shall not be subject to the Grievance Procedures.

Summary of Benefits for Chiropractic Services

The Care Choices Chiropractic Services Rider is designed to provide you with access to chiropractic services for injuries or illness. Services are available from participating chiropractors and can be obtained without a referral from your primary care physician.

■ Covered Benefits

Covered Chiropractic Services include Medically Necessary visits to a Participating Chiropractic Provider up to a maximum of 20 visits per year, with a \$10 copay per member per visit.

Covered Chiropractic Services are those services within the scope of chiropractic care which are determined to be Medically Necessary and generally furnished for the diagnosis and/or treatment of a Neuromusculoskeletal condition associated with an injury or illness, including:

1. Examinations
2. Manipulation
3. Conjunctive Physiotherapy
4. X-rays

■ Conditions under which Covered Services will be provided:

- A referral from the member's Primary Care Physician is not required to obtain covered chiropractic services
- For each illness or injury, the member must schedule an initial evaluation visit with a Participating Chiropractic Provider.
- Following the initial evaluation visit, the Participating Chiropractic Provider must receive pre-authorization from Landmark Healthcare (the Plan's Chiropractic Utilization Management vendor) in order to provide additional covered services.
- Except for Emergency Services, the member must receive all authorized services from the Participating Chiropractic Provider who has received the pre-authorization.

■ Emergency Services

Emergency services do not require prior authorization; however, they are subject to review by the Plan's Chiropractic Utilization Management Vendor for determination of an emergency condition and whether services provided were medically necessary.

■ The following are not Covered Services:

1. Any services provided by a non-participating Chiropractic Provider regardless of whether the services were obtained in the Plan's Service Area, except for Emergent/Urgent Chiropractic Services, or as pre-authorized by the Plan's Chiropractic Utilization Management Vendor.
2. Any services, including X-rays, determined not to be Medically Necessary by the Plan's Chiropractic Utilization Management Vendor.
3. Any services or procedures considered to be experimental or investigational, or any manipulative techniques or procedures which are not generally accepted in a majority of states' chiropractic licensing boards, or services not approved by the Plan's Chiropractic Utilization Management Vendor.
4. Services for treatment of non-Neuromusculoskeletal or related disorders.
5. Prescription drugs and vitamins, nutritional supplements or related products, even if they are prescribed or recommended by a Participating Chiropractic Provider.
6. Massage.
7. Physical therapy provided without manipulation.
8. Services related to diagnosis and treatment of jaw joint problems including, but not limited to, temporomandibular joint (TMJ) syndrome or craniomandibular disorders.
9. Vocational, stroke or long-term rehabilitation.
10. Chiropractic services provided for maintenance and/or preventive care.
11. Services provided outside a Participating Chiropractic Provider's office, such as home visits or Inpatient hospital services of any kind.
12. Treatment primarily for purposes of obesity or weight control.
13. Transportation costs, including ambulance charges.
