## **AGREEMENT**

This AGREEMENT, entered into this 1<sup>st</sup> day of September 2012 by and between the BOARD OF EDUCATION OF THE GAYLORD COMMUNITY SCHOOLS, of Gaylord, Michigan, hereinafter referred to as BOARD, and the GAYLORD EDUCATION ASSOCIATION/MICHIGAN EDUCATION ASSOCIATION, hereinafter referred to as ASSOCIATION.

WITNESSETH;

WHEREAS, the Board and the Association recognize and declare that providing a quality education for the children of the Gaylord Community School System is their mutual aim and that the character of such education depends predominately upon the quality and morale of the teaching service; and,

WHEREAS, the members of the teaching profession should be qualified to assist in formulating policies and programs designed to improve educational standards; and,

WHEREAS, the Board has a statutory obligation, pursuant to Michigan's Public Employment Relations Act to bargain with the Association as the representatives of its teaching personnel with respect to hours, wages, terms and conditions of employment; and,

WHEREAS, the parties, following extended and deliberate professional negotiations, have reached certain understandings which they desire to memorialize;

IN CONSIDERATION of the following mutual covenants,

IT IS HEREBY AGREED AS FOLLOWS:

## **ARTICLE 1 – RECOGNITION**

- A. The Board hereby recognizes the GEA/MEA as the sole and exclusive bargaining representative, as defined in Section II of the Public Employment Relations Act for the contracted, certified personnel; teachers; counselors; and, social workers, including employees in those classifications on tenure, probation, and leave; but excluding administrators, supervisors, substitutes and all other employees. Hereinafter, the term “ancillary staff” shall refer to bargaining unit members whose employment is not subject to the Michigan Teachers’ Tenure Act, such as social workers and noncertificated counselors.
- B. The Board agrees not to negotiate with or recognize any teacher's organization other than the GEA/MEA for the duration of this Agreement.
- C. This Agreement shall be binding upon both parties and shall supersede any rules or regulations or practices that are contrary to the specific terms of this Agreement. Any other actions or practices initiated by, imposed or entered into between individuals or parties not specifically negotiated and written into this Agreement will be in violation and subject to grievance. Both parties may, however, mutually agree to meet and renegotiate changes or additions to this Agreement at any time in its duration.
- D. Teachers or other personnel who are not members of the Association shall not be discriminated against by the Association or any of its members.
- E. Teachers may sign and deliver to the Board an assignment authorizing deduction of membership dues and assessments of the Association (including the national and Michigan Education Associations) and such authorizations shall continue in effect from year to year unless revoked in writing between August 1 and August 31 of a given year.
- F. The Board shall also make payroll deductions, upon written authorization from teachers, for annuities, credit unions, savings bonds, charitable donations, life insurance options, or any other plans or programs drawn up, if approved by the Board.
- G. Each bargaining unit member shall, as a condition of employment, (1) on or before thirty (30) days from the date of commencement of duties or the effective date of this agreement, whichever is later, join the association/union, or (2) pay a legally permissible service fee to the Association, pursuant to the Association’s “Policy Regarding Objectives to Political-Ideological Expenditures” and the administrative procedures adopted pursuant to that policy. The bargaining unit member may authorize payroll deduction for such fee. In the event that the bargaining unit member shall not pay such service fee directly to the Association, or authorize payment through payroll deduction, the Employer shall, pursuant to MCLA 408.477; MSA 17.277(7) and at the request of the Association, deduct the service fee from the bargaining unit member’s wages and remit same to the Association. Payroll deductions made pursuant to this provision shall be made in equal amounts, as nearly as may be, from the paychecks of each bargaining unit member. Monies so deducted shall be remitted to the Association, or its designee, no later than twenty (20) days following deduction.

## ARTICLE 1 - Continued

Due to certain requirements established in recent court decisions, the parties acknowledge that the amount of the fee charged to non-union members along with other required information may not be available and transmitted to non-members until mid school year (December, January, or February). Consequently, the parties agree that the procedures in this Article relating to payment or non-payment of the representation fee by non-members shall be activated thirty (30) days following the Association's notification to non-members of the fee for that given school year.

- H. In the event of any legal action against the Gaylord Community Schools, its Board of Education, individual members of the Board of Education and/or its administrative employees and agents brought in a court or administrative agency because of its compliance with this Article, the Association agrees to defend such action, at its own expense and through its own counsel, provided:
- a. The employer gives full and complete cooperation to the Association and permits the Association intervention as a party if it so desires, and
  - b. The employer gives full and complete cooperation to the Association and its counsel in securing and giving evidence obtaining witnesses, and making relevant information available at both trial and appellate levels.

The Association agrees that in any action so defended, it will indemnify and hold harmless the Gaylord Community Schools, its Board of Education, individual members of the Board of Education and/or its administrative employees and agents from any liability for damages and costs imposed by a final judgment of a court or administrative agency as a direct consequence of the employer's compliance with this Article, but this does not include any liability for compensation paid under the Michigan Employment Security Act.

## **ARTICLE 2 – BOARD RIGHTS**

- A. The Board, on its own behalf and on behalf of the Electors of the District, anything herein to the contrary notwithstanding, retains and reserves unto itself all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan and the United States and the laws and regulations of local governmental units, including the right to the executive management and administrative control of the school system, its property, facilities, and employees, including the right to:

  10. The executive management and administrative control of the school system.
- B. The exercise of its rights, powers, duties, authority, and responsibilities by the Board, the adoption of policies, rules, regulations, and practices in the furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the explicit and express terms of this Agreement and then only to the extent that such are so specifically and expressly abridged, modified or limited.
- C. Nothing in this Agreement shall be construed to limit in any way the board's right to operate the school system efficiently and economically and the Board retains all of the rights, functions, and authority which it had prior to the existence of an Agreement with the Association.

### **ARTICLE 3 – TEACHERS’ RIGHTS**

- A. Pursuant to the Public Employment Relations Act, the Board hereby agrees that every teacher as defined in Article I, Section A of this Agreement, shall have the right freely to organize, join and support the Association for the purpose of engaging in collective bargaining or negotiation and other concerted activities for mutual aid and protection. As a duly elected body exercising governmental power under color of law of the State of Michigan, the Board undertakes and agrees that it will not directly or indirectly discourage any teacher in the employment of any rights conferred by the Public Employment Relations Act or other laws of Michigan and the United States; that it will not discriminate against any teacher with respect to hours, wages, or any terms or conditions of employment by reason of membership in the Association or collective professional negotiations with the Board or institution of any grievance, complaint or proceeding under this Agreement, or otherwise with respect to any terms or conditions of employment.
- B. The Association and its members shall have the right in accordance with Board policy for rental and use of the Gaylord Community Schools’ buildings and facilities, to use school building facilities at all reasonable hours for meetings, except when school is in session. No one shall be prevented from wearing insignias, common pins, or other identification of membership in the Association, either on or off the school premises. A bulletin board shall be made available to the Association in each building. Communication by the Association to the Association members on association matters may be distributed by use of the teacher mailbox and email, per acceptable use policy. Other communications shall also be clearly identified.
- C. The Board of Education agrees to furnish the Association, in response to written reasonable requests, the available information concerning the financial resources of the District, and such other information as requested in writing which will assist the Association in developing an intelligent, accurate, informative, and constructive program on behalf of the teachers together with other information, in the form in which it is available, which may be necessary for the Association to process any grievance or complaint. Additional copies will be provided at a reasonable charge.
- D. Nothing contained herein shall be construed to deny or restrict to any teacher rights under the Michigan General School Laws or other laws or regulations applicable. The rights granted to teachers hereunder shall be deemed to be in addition to those provided by law or contract.
- E. The Association recognizes that it shall not have the right to partake in any election campaigns involving the Association during regular school hours.
- F. The Association may counsel with the Board on any new or modified fiscal, budgetary or tax programs, instruction programs, or major revisions of educational policy, which are proposed and the Association may avail itself of the opportunity to advise the Board with respect to such matters.
- G. The Board may place on the agenda of each regular meeting for consideration under “New Business” any matters brought to its attention by the Association so long as those matters are made known at least four (4) days prior to said regular meeting.

### **ARTICLE 3 – Continued**

H. The provisions of this Agreement shall apply without regard to race, creed or religion, color, political affiliations, national origin, age, sex, or marital status except as otherwise prescribed in this Agreement.

I. Schools potentially identifiable as failing to make adequate yearly progress:

Before a final determination is made by the State identifying an elementary or secondary school for school improvement under 20 USC 6316(b) paragraphs (1) or (5), or for corrective action under paragraph (7), or for restructuring under paragraph (8) of ESEA, the Employer shall cooperate with the Association by providing its representatives an opportunity to review the school-level data, including academic assessment data, on which the proposed identification is based. If the Association believes that the proposed identification is in error for statistical or other substantive reasons, it shall provide supportive evidence within the time allotted to the District, which shall consider that evidence before making a final determination. In addition, the parties will commence bargaining any changes in working conditions that may apply to a failing school.

### **ARTICLE 4 – PROFESSIONAL BEHAVIOR**

- A. Teachers shall comply with reasonable rules, regulations, policies and directions adopted by the Board or its representatives that are not inconsistent with the provisions of this Agreement.
- B. The Association recognizes that gross abuses of sick leave or other leave, chronic tardiness or absence, willful deficiencies in professional performance, or other violations of discipline by ancillary staff reflect adversely upon the profession and create undesirable conditions in the school building. The Association will use its best efforts to correct breaches of professional behavior by any ancillary staff.

## ARTICLE 5 – PROFESSIONAL COMPENSATION

- A. The salaries of teachers covered by this Agreement are set forth in Schedule A which is attached to and incorporated in the Agreement. The daily rate of pay is calculated by dividing the annual salary by the number of scheduled teacher work days in the school year.
- B. The salary schedule is based upon a normal weekly teaching load within the calendar year during normal teaching hours. Salary steps are based on years of teaching experience. Sixty (60) to one hundred nineteen (119) days of continuous employment shall earn a half year of credit toward the next pay step, one hundred twenty (120) to one hundred eighty (180) days of continuous employment shall earn one step on the pay scale for the succeeding school year. There shall be no additional compensation for extra-curricular activities except in accordance with this Agreement.

When teachers substitute in another teacher’s class, the teacher shall receive compensatory pay according to the Schedule B rate.

For all time spent after the established school day in required parent/teacher conferences, or teacher meetings called by the Administrator on Saturday or Sunday, or holidays, compensatory pay will be earned at the Schedule B rate. In addition, compensatory time may be earned for time spent in student-related activities.

Earned compensatory time must be recorded by the teacher on a form and turned in to administration. To use compensatory time, pre-approval must be obtained from the appropriate administrator. Use of accumulated compensatory time will be recorded by the administration on a form, a copy of which will be given to the teacher.

- C. Teachers to be employed in the system (newly hired) with previous teaching experience will be given one-half year credit for each year of previous teaching experience, provided the teacher was a licensed, certified teacher at the time they were teaching. At the Board’s discretion, additional years of credit for previous teaching experience may be granted, but in no event may placement on the salary schedule exceed step ten. Any employee starting the school year with one-half (1/2) year of teaching credit will advance to the next step at the start of the second (2<sup>nd</sup>) semester. (The combined salary for the two semesters may be spread equally over the entire school year at the Board’s discretion). Advancement on the education column will continue as per Appendix A.

The following examples will further explain the intent of this passage:

Previous Experience	Granted Experience	Salary Schedule Step	
		Minimum	Maximum
6 years	3 years	4	7
10 years	5 years	6	11
15 years	7.5 years	8.5	16
22 years	11 years	12	23
27 years	13.5 years	14.5	28

The formula to apply in determining the actual Salary Schedule Step is:  
 (Granted years of experience + 1) = Salary Step

## ARTICLE 5 – Continued

- D. Fully qualified vocational teachers will be allowed one (1) step on the salary schedule for each full year of substantiated work experience (not to exceed 2 years) in the area of which they are teaching and required for permanent or provisional vocational education certification. This shall be prorated by vocational class taught and shall be withdrawn when the teacher is assigned to a class(es) not requiring vocational certification. (Any affected teacher shall remain at their present salary step until actual classroom experience replaces any vocational experience granted.)
- E. Teachers earning approved credits prior to any semester shall be compensated and/or placed in the appropriate category to be effective the next succeeding semester. Notification of additional hours must be made prior to the succeeding semester of that school year. Proof of credits earned must be furnished by transcript sixty (60) days after the beginning of the semester.
- F. Teachers enrolling in college credit courses shall have such classes approved in writing by the Superintendent prior to enrollment. Courses must be graduate level courses from an accredited college or university or a college or university authorized as a professional educator preparation institution by a state governmental agency authorized to make such decisions. The course(s) must be either relevant to the teacher's current assignment, or be an approved graduate course which is part of a planned program leading to an advanced degree in an educational field, or be approved by the superintendent.
- G. When teachers are authorized to travel in their private vehicles for the school, they shall be compensated at the IRS rate.

Teachers transporting students with Board approval will be covered by school liability policy. Teachers required to travel between buildings during the day will be reimbursed for travel between buildings, but not to their first assignment of the day or from their last assignment.

Travel time will be defined as the time needed to travel by automobile from one building to another. Teachers traveling between all assigned in-town school buildings as listed in this agreement will be provided 15 minutes of travel time. Additional travel time may be allotted during inclement weather.

- H. Inservice Trainers: Subject to the Superintendent's prior approval, when members of the teaching staff serve as trainers for in-service programs within the district Compensation shall be two and one-half (2.5) times the teacher's daily rate (2 hours presentation: 5 hours pay). Pay to be based on teacher's daily rate. This figure to be divided by eight (8) hours per day. Minimum presentation time for compensation purposes will be one (1) hour.
- I. Teachers shall be reimbursed for the full cost of certificate renewal provided that their certificate is on file with the Michigan Department of Education by June 1 of the year of expiration.

## **ARTICLE 6 – TEACHING HOURS AND CONDITIONS**

- A. The regular school day for teachers will be 7 hours, 45 minutes including lunch. On Fridays, and on days before holidays and vacations, teachers may leave 15 minutes after the end of the student day. There will be a common starting and ending time for all teachers in all buildings (7:30 a.m. – 3:15 p.m.).
- B. The normal weekly teaching load will not exceed 28.5 pupil contact hours per week.
- C. All teachers shall have a duty-free lunch of at least 35 minutes plus 5 minutes passing time (passing time does include the supervision of students). It is understood that teachers may be assigned to assist the Administration during lunchtime as part of their normal teaching assignment.
- D. All teachers shall have at least one preparation period per day or receive compensation for the same. During the preparation period the teacher will be engaged directly in work-related activities. The preparation period will be at least 45 minutes. Elementary teachers will have a minimum of 200 minutes of planning time each week during the student day.

In the event that it is necessary for teacher(s) to teach an extra class assignment during their preparation period, volunteers shall be sought from the tenured teaching staff who are certified, qualified and available for the particular class to be taught. In the event that two or more volunteers are equally certified and qualified (as determined by the building administrator), assignments will be made in order of seniority. Such assignments shall be non-continuing.—If the need for the teacher(s) to teach during their preparation period continues into another semester or school year, volunteers will again be sought and must reapply for the assignment.

Non-tenured teachers shall only be considered for extra class assignment in the event that there are no certified, qualified, tenured teachers who volunteer for the assignment. Placement of a non-tenured teacher to an extra class assignment shall be made only after consultation with the GEA president.

- E. The parties recognize that adequate school facilities are desirable to enhance the high quality of education that is the goal of both the Board and the Association.
  - 1. Because the pupil/teacher ratio is an important aspect of an effectual educational program, the Board will maintain a pupil/teacher ratio of less than 24 to 1.
  - 2. The Board shall make available in each school housing 150 or more students lounge and lavatory facilities exclusively for teacher use and at least one (1) room, appropriately furnished, which shall be reserved for use as a faculty lounge in which eating shall be permitted. Such facilities will be included in any new building plans.

## ARTICLE 6 – Continued

- F. Parent/Teacher Conferences for the middle school and the high school may be scheduled each semester for a period not to exceed 2 ½ hours on each of two times at no additional compensation. Conferences for the elementary buildings may be scheduled according to the same plan as the high school except those teachers who elect to schedule their own conferences as they feel the need will not have to report on the times the conferences are scheduled.
- G. Recognizing the professional interest of the Gaylord Education Association in the student day schedule, and the benefits to the Board and Association in working cooperatively, it is the intent of the Board and Association to work together in creating a student day schedule. It is agreed that if the schedule needs substantial change that both the Board and Association will meet in good faith to create a schedule that is in the best interests of the District, teachers and students. It is recognized that the Board and its agents have the right to determine the final schedule, if the Board and Association cannot reach agreement.
- H. Individual school improvement teams shall have the flexibility to revise schedules as long as they do not substantially alter the terms of agreement in the contract.
- I. Teachers who have accepted coaching positions outside the School District shall be granted the opportunity to leave their building at the end of the student day. Teachers who accept coaching assignments outside the District, shall make up the time missed at the beginning of the teacher workday and shall notify their principal of this schedule.
- J. Up to 60 minutes a week, in segments of the employee's choosing may be used for physical fitness activities as long as it does not interfere with a scheduled meeting.

## **ARTICLE 7 – PROTECTION OF TEACHERS**

- A. It shall be the responsibility of the Board of Education to provide liability insurance protection up to \$1,000,000 for all teachers, for incidents which happen while the teacher is acting in the line of duty.
- B. Any case of physical assault on a teacher by a student, parent, or employee, or upon a student by a teacher shall be reported promptly to the Administration.
- C. Any complaints by a parent of a student directed toward ancillary staff shall be promptly called to their attention when such action is deemed necessary by the Administration.
- D. Teachers shall exercise reasonable care with respect to the safety of pupils and property, but shall not be individually liable, except in the case of negligence or neglect of duty, for any damage or loss to person or property.

E. Freedom of Information Act (FOIA) Request:

If a Freedom of Information Request (FOIA) is received for a teacher's personal file or personnel file information, the teacher and/or the Association will be notified of the request when it is received by an administrator. If the teacher indicates that he/she will challenge whether the information is disclosable under FOIA, the Board will take the maximum time permitted by FOIA before it responds to the request. The Board will cooperate to the fullest extent of the law wherever possible, including expunging or withholding material that is legally not disclosable.

## **ARTICLE 8 – ASSIGNMENTS, VACANCIES, QUALIFICATIONS & TRANSFERS**

### **A. ASSIGNMENTS:**

Proposed teaching assignments for the forthcoming year shall be posted and made available to the teachers no later than the preceding first day of June. All known vacancies in extra duty positions will be posted or made available to the teachers by the preceding first day of June. Adult Education and Driver Education positions will be posted as vacancies occur.

### **B. VACANCIES:**

Vacancies shall be defined as any bargaining unit position(s) open due to resignation, termination or retirement, or any newly created position. The Board may terminate or hold vacant any position.

The parties agree to a practice of filling ancillary staff vacancies with bargaining unit members who are qualified.

The administration shall promptly notify the Association President of vacancies. Vacancies shall be posted in all faculty lounges. Between June 1 and September 1, all vacancies will be posted in the Board of Education office and in each school building office, on the job hotline, and on the district's web page. Consideration shall be given by the Board first to those qualified applicants currently within the school system.

When the District intends to fill a teaching vacancy, an interview committee will make a written recommendation to the Principal and Superintendent. The interview committee will consist of the building administrator, at least two teachers (one selected by GEA), and may include the superintendent (or designee). The Superintendent will make the final recommendations to the Board of Education.

All known vacancies will be posted for 10 days unless mutually agreed upon by the Superintendent and GEA, except during August 16 through September 1 at which time they will be posted for 5 days.

### **C. TRANSFERS:**

The Board recognizes that it is desirable in making assignments to consider the interests and aspirations of its teachers. Requests by a teacher for transfer to a different class, building, or position shall be made in writing by May 1<sup>st</sup>, one (1) copy of which shall be filed with the Superintendent. The application shall set forth the school, grade, or position sought, and the applicant's academic qualifications. Such requests may be renewed annually to assure active consideration by the Board. Any teacher interested in a transfer who notifies the Board, in writing, by May 1<sup>st</sup> of the current school year, will be notified by the Board as soon as positions become available. The Board or its designee will notify the member by phone and/or letter. The notification period will be 10 workdays, except in the month of August, in which it will be reduced to 5 workdays. Workdays are defined to mean days in which the School District's central offices are open for business.

## **ARTICLE 8 – Continued**

Since transfers of ancillary staff are sometimes disruptive of the educational process and might interfere with the optimum performance, the parties agree that unrequested transfers of ancillary staff are to be minimized and avoided whenever possible. No transfer or change in assignments shall be made without prior discussion with the ancillary staff.

The Superintendent shall notify the ancillary staff and the Association President of the reason(s) for the transfer.

### **D. Qualifications for Teaching:**

If the teacher is asked to sign material placed in his/her file, such signature shall be understood to indicate his/her awareness of the material but in no instance, shall said signature be interpreted to mean agreement with the content of the material. Teachers' comments, relative to evaluations or other written material, will be included in their personnel file at their request. All recommendations, written or oral, shall be based solely on the contents of the teacher's personnel file.

**ARTICLE 10 – REDUCTIONS IN ANCILLARY STAFF PERSONNEL AND ANNEXATION,  
CONSOLIDATION, OR OTHER REORGANIZATION OF THE DISTRICT**

It is within the sole discretion of the Board of Education to reduce the educational program, the curriculum offerings and/or ancillary staff. If it becomes necessary to reduce ancillary staff, the Association will be consulted and will be provided with all necessary data necessary to monitor the procedure used.

A. In the event of a general cutback or reduction of ancillary staff through layoff from employment, the following procedure, based upon program needs, will be utilized:

1. Ancillary staff that are less than fully qualified and less than fully certified in a specific position that is being reduced or eliminated will be laid off first, provided there are fully qualified, fully certified ancillary staff to replace and perform all of the duties of the laid off ancillary staff.
2. If reduction is still necessary, then probationary ancillary staff in the specific positions being reduced or eliminated will be laid off, provided there are fully qualified, fully certified ancillary staff to replace and perform all of the duties of the laid off ancillary staff.
3. If reduction is still necessary, then ancillary staff in the specific position being reduced or eliminated will receive layoff notices. They then have the right to assume a position for which they are certified and qualified if it is held by a less senior ancillary staff.
4. Definitions:

Qualifications: Defined in Article 8, paragraph D

Seniority: Seniority shall be defined as total years of continuous service since the last date of hire (including approved leaves of absence) to the school district in a bargaining unit position.

It is agreed that when employee hire dates are the same their seniority will be based on the last four numbers of the person's social security number. The lowest number is placed higher on the Seniority List.

NOTE: Clarification on seniority specifically indicates that all staff hired prior to 1990 would receive seniority in the district (but not necessary salary step) for teaching as a continuous yearlong substitute, or as was previously designated under specific circumstances.

The qualifications of ancillary staff to be laid off shall be based upon the information on file with the District at the time written notice of lay off is issued.

**Article 10** – continued

- B. After a reduction of ancillary staff as outlined above, if there are positions that become vacant, laid off staff who are qualified will be given the first opportunity to fill such positions. In the event two or more staff are qualified for a vacancy, the recall to employment offer shall be made to the ancillary staff who is the most qualified and most senior.
- C. Before official action on a reduction of ancillary staff is taken by the Board of Education, it will give notice to the Association President of the contemplated reduction and afford the Association representatives the opportunity to discuss it with the employer. As soon as the names of the ancillary staff to be laid off are known, a list of such names shall be given to the Association President. Ancillary staff shall be given sixty (60) days notice before he/she is laid off, unless there is a financial emergency.
- D. In the event of layoff, the Board will institute a recall procedure which, when implemented, will ensure ancillary staff that they will be recalled in the reverse order of layoff, subject to the qualification requirements outlined in this contract. The recall limit shall be determined by seniority to the district but no more than eight years of seniority, as determined by the seniority list.
- E. A seniority list shall be published in cooperation with the Superintendent and Association President and posted in all buildings of the district by November 1 of each school year and emailed to each employee.

Sixty (60) to one hundred nineteen (119) days of continuous employment shall constitute a half-year of seniority. One Hundred twenty (120) days or more of continuous employment shall constitute a full year of seniority. Teachers who work less than a full day shall receive full seniority.

The seniority list will be finalized each year by November 1, and once approved no changes will be considered prior to the previous November 1. If no objections are brought to the District's attention within 15 days of its publication, no changes will be considered for the current school year.

All seniority is lost when employment is severed by resignation, retirement or discharge for cause. In cases of layoff, bargaining unit members so affected shall retain all seniority accumulated as of the effective date of layoff. Seniority shall continue to accumulate when bargaining unit members are on sabbatical or involuntary military leave.

- F. Recall notification will be by certified mail to the ancillary staff's last known address. The employee has thirty (30) days in which to notify the Board of Education office of his/her intent to accept the position. Notification of acceptance by the ancillary staff will be in writing and delivered in person or by certified mail to the Board of Education Office. Once a laid-off employee refuses recall to an equivalent position, all rights to recall are terminated. It is the responsibility of the employee on layoff to inform the Board of any changes in address, or other qualifications.

- C. Communicable diseases shall be as defined by the Michigan Department of Public Health (1979 Admin. Code 325.9001). It is recognized that students with acute infectious communicable diseases will be excluded from school pursuant to rules promulgated by the Department of Public Health. It is further recognized that students with chronic or ongoing communicable diseases whose transmittal can be avoided by reasonable hygienic procedures and environmental management may, given individual circumstances of the case, not be excludable from school. In the event that Board of Education authorizes the development or subsequent revision of Board policies dealing with communicable diseases, employer will provide the Association, prior to adoption or implementation, notice and opportunity to bargain on said policies as they impact on the working conditions and health and safety of bargaining unit members.
- D. In the event that a child with an ongoing chronic communicable disease is allowed, by policy or by law, to attend school, all bargaining unit members potentially having contact with the student, to the extent allowed by law, shall be notified in advance of the child's placement and/or return to school. The Board shall provide in-service instruction in hygienic practices and management to members coming into contact with students having such communicable diseases. The Board and GEA will write a policy concerning the handling of students with lice.
- E. The Board of Education will distribute to each teacher copies of the Board policy and administrative rules pertaining to communicable disease.

## **ARTICLE 13 - LEAVES**

A. Leaves of Absence: A leave of absence without pay may be granted to any teacher for one of the following reasons upon application by the teacher, setting forth the reasons for the requested leave of absence. Each case shall be decided on its own merit and if leave under section A of this Article is granted, upon return from such leave, the teacher will be placed at the same position on the salary schedule as the teacher would have been had the teacher taught in the system during such period.

1. A leave of absence up to two (2) years may be granted for the purpose of participating in exchange teaching programs; the Peace Corps, Teacher Corps, or Job Corps as a full-time participant in such programs; or a cultural travel or work program related to professional responsibilities, provided said teacher states intention to return to the school system. 3. A sabbatical leave may be granted for a period not to exceed one (1) year subject to applicable Michigan statutory provisions and provided said teacher agrees to remain in the employ of the district for a period of not less than two (2) years following return from sabbatical leave. The Board may impose such conditions or requirements relative to the teacher's sabbatical leave as it may deem appropriate and will compensate said teacher at fifty percent (50%) of regular annual salary. During a teacher's leave for any of the above reasons, the "sick leave" and insurance policy benefits shall not apply; however, unused sick days held at the beginning of the leave will be reinstated. Employees returning from sabbatical leave having complied with all of the terms and conditions thereof shall be entitled to re-employment at the beginning of the next school semester. Subject to the provisions of the Michigan Revised School Code, re-employment of teachers, except as hereinabove indicated, during the school year shall be at the discretion of the Board.

In the event that a teacher granted a sabbatical leave fails to return to the employ of the District for a period of two (2) school years, the individual must reimburse all salary paid during the period of sabbatical leave. Thus, an individual granted such a leave must sign a Promissory Note agreeing to such reimbursement as a condition of taking such a leave.

Both parties agree that these proceedings shall be kept as confidential as may be appropriate and is permissible under State statute at each level of the proceedings. Nothing herein contained shall be construed as limiting the right of any teacher with a grievance to discuss the matter informally with an appropriate member of the Administration or proceeding independently as described in Section G of this Article.
- C. In the event any Association representative is a party in interest to any grievance, the teacher may elect to be disqualified and a substitute can be named by the Association. The Building Principal shall be the Administrative representative when the particular grievance arises in a building. The Board hereby designates the Superintendent as its representative when the grievance arises in more than one (1) school building.
- D. In the event that a teacher believes there is a basis for a grievance, the teacher shall first discuss the alleged grievance with the building principal either personally or accompanied by the Association representative. The grievance must be filed in writing within twenty (20) calendar days of the grievant's knowledge thereof. The grievance must be filed on the grievance form (Appendix G) and must include the specific article and section allegedly violated. It must state when the alleged violation occurred, by whom, the alleged resulting damage, and the relief sought.

An arbitrator shall be selected by the American Arbitration Association in accordance with its rules that shall likewise cover the arbitration proceedings. The Board and the Association shall not be permitted to assert in any such arbitration proceeding any ground, or to rely on any evidence not previously disclosed to the other party, provided however, newly discovered evidence may be presented if it can be shown to the satisfaction of the arbitrator that such evidence was not discovered previously due to the neglect or failure of the offering party to exercise due diligence. Both parties agree to be bound by the award of the arbitrator and agree that judgment thereon may be entered in any Court of competent jurisdiction.

The fees and expenses of the arbitrator shall be shared equally by the parties.

If the demand for arbitration is not delivered to the American Arbitration Association within fifteen (15) days after the decision of the Board, or if the Board did not render a decision on the date the Board's decision was due, it will be deemed to have been abandoned.

F. Time limits in this Article shall be strictly observed, but may be extended by written agreement of the parties. In the event a grievance is filed after May 15<sup>th</sup> of any year and strict adherence to the time limits may result in hardship to any party, the Board shall use its best efforts to process such grievance prior to the end of the school term or as soon thereafter as possible.

For purposes of this Article, the term "days" shall mean days when the District's Central Office is open for business.

G. If an individual teacher has a personal complaint which the teacher desires to discuss with a supervisor, the teacher is free to do so without recourse to the grievance procedure. - B. If either party should fail to submit a proposed change or addition as above set forth, the Article or the subject of that Article shall not be a subject of negotiation. However, during negotiations, the parties can mutually agree to negotiate, modify, change, add, or delete any material in the contract, anything herein to contrary notwithstanding.
- C. It is recognized that no final agreement between the parties may be executed without ratification by the Board of Education and by the members of the GEA, but the parties mutually pledge that representatives selected by each shall be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations or bargaining, subject only to such ultimate ratification.
- D. Upon reaching a tentative final agreement, it is agreed that the GEA will meet for purposes of ratification of such agreement at the next scheduled meeting or within thirty (30) days. It is agreed that the Board will meet in official session to consider ratification within ten (10) days of receipt of notification that the GEA membership has ratified the agreement.

## **ARTICLE 18 – STRIKE PROHIBITION**

The Association recognizes that strikes (as defined by Section 1 of Act 336, PA 1947, as amended, of the State of Michigan) by teachers are contrary to law and public policy. The Board and Association subscribe to the principle that differences shall be resolved by appropriate and peaceful means in keeping with the high standards of the profession, without interruption of the school program. Accordingly, the Association agrees that during the term of this Agreement, it shall not direct, instigate, participate in, encourage, or support any strike against the Board by any teacher or group of teachers.

## **ARTICLE 19 – MISCELLANEOUS PROVISIONS**

- A. This Agreement shall constitute the full and complete commitments and understanding between the parties hereto and may be altered, changed, added to, deleted from, or modified only in accordance with the provisions of Article 17 herein.
- B. Any individual contract between the Board and an individual teacher, heretofore executed, shall be subject to and consistent with the terms and conditions of the Agreement. If an individual contract contains any language inconsistent with this Agreement, the language in this Agreement shall be controlling, except as prohibited by 2011 PA 102-103.
- C. This Agreement shall supersede any rules, regulations, or practices of the Board and the Association which shall be contrary to or inconsistent with its terms, except as prohibited by 2011 PA 102-103.
- D. If any provision of this Agreement or any application of the Agreement to any employee or group of employees shall be contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.
- E. Copies of this Agreement titled “AGREEMENT BETWEEN THE GAYLORD BOARD OF EDUCATION – THE GAYLORD EDUCATION ASSOCIATION” shall be printed at the expense of the Board within thirty (30) days after the Agreement is signed and a sufficient number of copies shall be presented to the Association for distribution to all teachers now employed. The Board will provide a copy to all teachers hereafter employed.
- F. The school year shall be completed between the week prior to Labor Day and the second Friday in June (calendar adjustments may be necessary if the district is required by law to make up days/hours).

Additional in-service/professional development days in addition to those scheduled outside the school calendar may be scheduled outside the school year or during the school year at the discretion of the Board. The days may be targeted towards a specific group or the entire staff and may be scheduled on Saturdays, vacations, etc. In any case, the involvement of teachers in in-service/professional development days shall be voluntary. Compensation will be at the Schedule B rate.

No more than 184 days will be scheduled for teachers, no more than 183 for students. Teachers will not be required to report when school is closed by storm or road conditions.

If required by law, the district may reschedule the minimum number of days/hours necessary to meet the demands of the law up to five (5) days without additional compensation to teachers. Compensation for the days beyond the five (5) will be negotiated.

**ARTICLE 19 – Continued**

G. Eighteen (18) professional days shall be credited each year to the Gaylord Education Association to be used at the President’s discretion. The GEA President will notify the appropriate building principal of which Association member(s) will be using this leave five (5) days in advance. The GEA will reimburse the Board of Education for the cost of substitutes by June 30 of each school year.

H. Staff meetings shall be scheduled as follows:

First Monday of each month	Building Administrator
Second Monday of each month	Administration
Third Monday of each month	GEA

Teachers will contribute up to 2 hours per month after the duty day for Building Administrator and Administration staff meetings as designated above. No meeting will last past 4:30 p.m. and any additional time beyond that will be voluntary and will be compensated at the Schedule B rate.

I. Wellness: In light of evidence that indicates that “Wellness” program in the work place improves health, reduces stress, reduces insurance costs and reduces staff absenteeism, the Gaylord Board of Education agrees to investigate the development of such a program with the Gaylord Education Association.

The Board proposes to work with the Association in developing an “Employee Assistance Program”.

Such a program might include stress management workshops, exercise activities, weight lifting, weight loss and control programs, stop smoking programs and medical supervision.

Both parties agree to work with other interested groups in the community.

J. Sixth Grade Camp: Each 6<sup>th</sup> grade teacher who completes a full week of supervision at 6<sup>th</sup> grade camp will be compensated at a rate of \$450, before taxes.

In addition, each teacher who completes a full week of supervision at 6<sup>th</sup> grade camp will receive additional compensation of personal days at the following schedule:

1-5 years of 6 <sup>th</sup> grade camp experience	= 1 additional personal day
6-10 years of 6 <sup>th</sup> grade camp experience	= 2 additional personal days
11 or more years of 6 <sup>th</sup> grade camp experience	= 3 additional personal days

These days are only earned for a full week of working at camp.

## **ARTICLE 20 – SCHOOL IMPROVEMENT OR REFORM PLANS**

- A. The parties of this agreement are aware that legislation and State Department rules exist that make it advisable to adopt a “school improvement plan or process”, and/or a “site-based decision making plan” or other such similar plans.
- B. The Board shall notify the Association if the Board is considering formulating or modifying such a plan or process.
- C. Upon notification by the Board to the Association that such a school improvement plan/process (SIP) is to be used or modified, the Board agrees to following provisions:
  - 1. The Association President shall name at least one Association member to each district level and building level SIP and professional development committee.
  - 2. The Association President shall receive copies of all minutes and approved actions of each SIP committee.
  - 3. Participation in any SIP is strictly voluntary.
  - 4. Non-participation in a SIP shall not be used in teacher evaluations.
  - 5. SIP committees shall not discuss:
    - a. wages
    - b. fringe benefits
    - c. individual employee performance/evaluation
    - d. individual employee discipline
- D. A plan which is in conflict with the Master Agreement, Board policy(ies) or past practice shall not be adopted until ratified by both parties.
- E. A district-wide professional development committee shall be established to help plan professional development activities in conformity with Board goals. This committee will help plan and evaluate related professional development activities at the District, building, grade and/or department levels. It will be a standing committee responsible to help establish on-going professional development activities prior to the start of each school year.
- F. The building-level school improvement committees shall serve as sub-committees of the District professional development committee to make recommendations, help implement professional development activities and recommend conference attendance.

## **ARTICLE 21 – SURVEILLANCE**

- A. In the event that the district installs cameras or other surveillance devices, the parties will bargain the implementation.
1. Before installation of surveillance equipment, the building administrator must present proposal to Superintendent. The building proposal must include prior discussion with staff and union representatives. The Superintendent must present proposal to the G.E.A. Contract Review Committee.
  2. It is specifically understood that surveillance equipment (i.e. cameras) cannot be used for purposes of teacher evaluation or monitoring.
  3. Surveillance equipment is to be used for building and student safety. Other electronic surveillance operations will be used to protect the building and student security.
- B. Use of the Phone System: Phone call logs will be used for the purpose of assessing charges for personal calls. It is understood that teachers may make use of the phone system for personal business if needed on an occasional basis. Personal calls should, except in emergencies, be made outside student contact time. The phone logs will not be used in evaluation.

## **ARTICLE 22 – LEAST RESTRICTIVE ENVIRONMENT**

- A. The parties acknowledge that the policy of least restrictive environment is legally mandated. It is also recognized that the extent to which any individual disabled student should participate in regular education programs and services involves considerations of that student's unique needs as determined by an individual educational planning team (IEPT). Although it is agreed that the disabled student's participation and right to participate in regular education programs and services cannot be affected by this Agreement, the District does agree to consider how the disabled student's placement will affect teachers when determining the disabled student's placement.
- B. The District shall determine the need for a teacher who will be providing instructional or other services to a disabled student to participate in the IEPT which may initially place (or continue the placement of) the student in a regular education classroom. The district shall provide release time in the event the district directs or authorizes a teacher to attend an IEPT that is scheduled during a time the teacher is assigned to teach a class.
- C. If any teacher has a reasonable basis to believe that a disabled student's current individual educational plan (IEP) is not meeting the student's unique needs as required by law, the teacher will advise his/her principal in writing.
- D. On a case-by-case basis, the District will determine what training and other support should be provided to a teacher who will be providing instructional or other services to a disabled student. Should the teacher(s) disagree, the decision can be appealed to an advisory committee consisting of the special education director, the building principal, the building social worker or counselor, and two (2) additional teachers to be named by the Superintendent with the approval of the Association.

## **ARTICLE 23 – MEDICALLY FRAGILE STUDENTS**

No bargaining unit member shall be required to provide health services such as tracheotomy, diapering, blood test, or similar procedures to medically fragile student, except in an emergency situation.

## **ARTICLE 24 – MENTOR TEACHER**

- A. A Mentor Teacher shall be defined as a Master Teacher as identified in Section 1526 of the Revised School Code and shall perform the duties of a Master Teacher.
- B. Mentor Teachers shall be assigned in accordance with the following:
1. Mentor Teachers shall be members of the bargaining unit, a retired teacher, or designated by the superintendent as provided for in the school code, in that order.
  2. Every effort will be made to match Mentor Teachers and Mentees who have the same building level certifications.
  3. Mentors shall be assigned to only one (1) Mentee Teacher at a time.
  4. Mentor Teacher assignments shall be for one (1) year. The relationship shall be subject to review at anytime upon the request of either the Board or the Association. The appointment may be renewed in succeeding years.
  5. All Mentor Teacher assignments will be voluntary.
  6. Mentor teachers will participate in training sessions.
- C. The Board and the Association agree the relationship shall be confidential and shall not, in any fashion, be a matter included in the evaluation of the Mentor Teacher or Mentee.
- D. Upon request, the Administration shall make available reasonable release time so the Mentor Teacher may work with the Mentee in his/her assignment during the regular workday and school calendar year. Where possible the Mentor Teacher and Mentee shall be assigned common preparation time.
- Suggested standards for release time will be the configuration of up to four (4) hours per month for the first year, up to four (4) hours every other month in the second year, up to four (4) hours every three months in the third year. Requests for greater time spent with the Mentee will be addressed with the building principal. It is also understood that time between the Mentor Teacher and the Mentee will necessarily take place weekly beyond the normal working day to establish this collaborative relationship. Time commitments beyond this minimum may be subject to revision due to state mandates. This provision is a suggested standard and will not be a factor in the decision to retain or dismiss a Mentee.
- E. Mentor Teachers may assist in planning or recommending in-service for Mentees.
- F. Both parties recognize the importance of assisting new teachers through the mentoring process and are committed to developing an effective mentoring program.

## **APPENDIX A: SCHEDULE A - Continued**

For the purpose of clarification, it is understood that any "old" hours count toward earning this salary advancement. However, to qualify, any "new" hours must be obtained within a three-year period. For example, if a teacher had earned 26 hours prior to the implementation of the current contract, and then earned four additional hours, that teacher would advance to the BA+30 track. Ten additional hours, within a three year limit (beginning no earlier than 8/31/98), would place that teacher on the MA/BA+40 track.

For purposes of clarification, advancement beyond the MA/BA+40 track can occur only with an earned Master's degree.

Teachers on step six (6) and above on the BA track will not move vertically until they have moved horizontally. Years spent on step six (6) and above on the BA track will not count toward step increase. EXAMPLE: A teacher on step six (6) of the BA track for three (3) years would move vertically and horizontally to step seven (7) of the BA+20 track when enough credits have been earned.

Teachers who earn a teaching certificate after the completion of a Bachelor's or Master's degree, shall be allowed to apply the additional credits required for the teaching certificate toward advancement on the salary schedule provided that the additional credits meet the graduate level requirement (500 level or above) according to Article 5, paragraph F of the Master Agreement between the Gaylord Board of Education and the Gaylord Education Association.

The graduate credit requirement shall be waived if the teacher's classes are for becoming highly qualified under ESEA and the program of study is approved in advance by the superintendent. Upon satisfactory completion of said program and verification that additional endorsement has been awarded by MDE, all credits, regardless of level, shall count for advancement on the salary schedule.

**APPENDIX B - SCHEDULE B**  
**Athletics and Academics**

Compensation is based on the individual's years of experience in this activity in the Gaylord Community Schools. The following percentages will apply to the appropriate step of the BA track (The BA track is extended for this purpose, to 11 steps.) Years of experience will not be reduced for individuals hired prior to this Agreement. All current or retired school employees returning to a previously appointed coaching position will continue to be compensated at the percentage in effect during the 2007-2008 school year. All new coaching appointments will be compensated at the new rates.

## **APPENDIX B: SCHEDULE B – Continued**

Department Heads are the only Schedule B positions that will be posted every year. All other positions including computer coordinator will be continuing positions unless the individual filling the position resigns or is asked not to return.

Teachers who teach an additional class during their preparation period shall be compensated according to the following formula: MA Step 12 divided by the number of student days in the school year divided by the number of minutes in the teacher's workday multiplied by the number of minutes of extra class time multiplied by the number of days teaching the extra class.

(Example for 2011-2012: \$64,429 / 173.5 days / 465 minutes = \$.80 per minute x 55 minutes x 173.5 days = \$7,634)

Lead teachers shall be compensated in accordance with Schedule B. Specific duties of lead teachers shall be put into writing. In no instance will a lead teacher evaluate or discipline bargaining unit members.

## APPENDIX D: KINDERGARTEN PROGRAM

The following shall apply to the Kindergarten program:

1. Teachers may work flexible hours on the non-student day each week, but will be guaranteed 150 minutes of uninterrupted planning time on that day. If kindergarten runs a 5 day a week schedule, regular contract provisions apply.
2. Mileage for home visitations, etc., will be paid as per the Master Agreement.
3. All terms and conditions of the contract including class size shall apply the same as to teachers in traditional programs.
4. No employee shall be reduced in hours and/or compensation as a result of the implementation of the plan.
5. The kindergarten staff may use the first week of school for the purpose of home visits. No more than five days may be used for this purpose. It is also understood that this is a non-precedent setting situation. At the end of each year, for a two-year period, a parent evaluation including questions on the value of the home visits must be conducted. The results of the measurable evaluation will be presented to the GEA Contract Review Meeting in June for continuation. The Kindergarten teachers, Elementary Principals, and Curriculum Director will collaboratively develop the evaluation tool.
6. The schedule for the second week of school will be as follows:

### Tuesday, Wednesday and Thursday:

Students will be brought to school by a parent at approximately noon and will remain at school for the rest of the school day. The students will experience the school bus ride at the end of the day.

### Friday:

Students will attend a full day of school. They will ride the bus to school and will ride the bus back home at the end of the day. The following week begins a normal week for all kindergarteners.
