This AGREEMENT is entered into by and between the BOARD OF EDUCATION of the SCHOOL DISTRICT OF SPRING LAKE, hereinafter called the "Board," and SPRING LAKE EDUCATION ASSOCIATION, MEA-NEA, hereinafter called the "Association."

ARTICLE I

RECOGNITION

The Board agrees to recognize the Association as the exclusive bargaining representative, through its duly accredited officers and representatives, for purposes of collective bargaining in respect to wages, hours, or other conditions of employment, as defined in Sect. 11, Act 379, Public Acts of 1965, for all certified personnel whether under individual contract, on leave according to the terms of this Agreement, or on a part-time basis, employed or to be hereafter employed by the Board, excluding the superintendent, assistant to superintendent, principals, athletic director, and any other supervisors within the meaning of the Public Employment Relations Act. The term "teacher," when used hereinafter in this Agreement, shall refer to all employees represented by the Association in the bargaining or negotiating unit as above defined.

ARTICLE II

BOARD RIGHTS

- A. The Board, on its own behalf, and on behalf of the electors of the district, hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan, and of the United States, including but without limiting the generality of the foregoing, the right:
1. To the executive management and administrative control of the school system and its properties and facilities and staff.
 2. To hire all teachers and, subject to the provisions of law, to determine their qualifications and the conditions for their continued employment, and to promote, discipline, and transfer all such employees.
 3. To establish grades and courses of instruction, including special programs and to provide for athletic, recreational, and social events for students, all as deemed necessary or advisable by the Board.
 4. To decide upon the means and methods of instruction, the selection of textbooks and other teaching materials, and the use of teaching aids of every kind and nature.
 5. To determine class schedules and the hours of instruction, the duties, responsibilities, and assignments of teachers with respect thereto, and with respect to administrative and non-teaching activities, the terms and conditions of employment.

- B. The exercise of the foregoing powers, rights, authority, duties, and responsibilities by the Board, the adoption of policies, rules and regulations, and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms hereof are in conformance with the Constitution and laws of the State of Michigan and the Constitution and laws of the United States.

ARTICLE III

TEACHER RIGHTS

- A. Nothing contained herein shall be construed to deny or restrict to any teacher rights he/she may have according to the Michigan General School laws and Michigan Teacher Tenure Acts.
- B. Teachers shall be entitled to full rights of citizenship, and no religious or political activities of any teacher or the lack thereof shall be grounds for any discipline or discrimination with respect to the professional employment of such teachers, provided that none of the above are abused in the classroom.
- C. The provisions of this agreement and the wages, hours, terms, and conditions of employment shall be applied without regard to race, creed, religion, color, national origin, age, sex, or marital status; or membership in or association with the activities of any employee organization. The Board and the Association pledge themselves to seek to extend the advantages of public education to every student and shall not on the grounds of race, color, creed, sex, or national origin exclude any student from participation in or deny him/her benefits of any program nor grant any discriminatory consideration or advantage.
- D. The parties recognize that there are a number of different teaching models and strategies that are effective (for example, the "Madeline Hunter" model). Teachers shall be free to use teaching strategies and materials of their choice provided, of course, that their selection is not ineffective or unreasonable. The adopted Spring Lake curriculum shall be followed.

ARTICLE IV

ASSOCIATION RIGHTS

- A. The Board agrees that it shall be a condition of employment that all teachers employed shall adopt one of the provisions as provided for in Section B of this article.
- B. The following provisions are applicable:
 - 1. Such teachers may elect to join the Association and pay the periodic (S.L.E.A., M.E.A., N.E.A.) dues by authorizing the deduction of such amounts from his/her salary, or

2. Such teachers may elect not to join the Association but to pay it a representation fee in an amount established in accordance with Union procedures.
- C. All bargaining unit members who are currently members of the Association or are currently paying a service fee, and all new bargaining unit members, shall (1) on or before thirty (30) days from the date of commencement of duties or the effective date of this Agreement, whichever is later, join the Association, or (2) pay a Service Fee to the Association, pursuant to the Association's "Policy Regarding Objections to Political-Ideological Expenditures" and the Administrative Procedures adopted pursuant to that policy. The Service Fee shall not exceed the amount of Association dues collected from Association members. The bargaining unit member may authorize payroll deduction for such fee. In the event that the bargaining unit member shall not pay such Service Fee directly to the Association, or authorized payment through payroll deduction, the Employer shall, pursuant to MCLA 408.477; MSA 17.277 (7) and at the written request of the Association, deduct the Service Fee from the bargaining unit member's wages and remit same to the Association.
- D. Pursuant to *Chicago Teachers Union v. Hudson*, 106 S Ct 1066 (1986), the Union has established a "Policy Regarding Objections to Political-Ideological Expenditures." That Policy and the administrative procedures (including the timetable for payment) pursuant thereto, apply only to nonunion bargaining unit members. The remedies set forth in that Policy shall be exclusive, and unless and until such procedures, including any administrative or judicial review there, shall have been availed of and exhausted, no dispute, claim or complaint by an objecting bargaining unit member concerning the application and interpretation of this Article shall be subject to the grievance procedure set forth in this Agreement, or any other administrative or judicial procedure. The Association shall provide to all non-members copies of the Association's Policy and Procedures.
- E. The Association agrees to indemnify and save the Board, including each individual school board member, harmless against any and all claims, demands, costs, suits, or other forms of liability, including back pay and all court or administrative agency costs that may arise out of or by reasons of action taken or not taken by the Employer, or in reliance upon signed authorization cards or lists furnished to the employer by the Association for the purpose of payroll deduction of dues, or for the purpose of complying with this article, subject, however to the following:
1. The damages have not resulted from negligence of the Board or its agents.
 2. The Association, after consultation with the Board, has the right to decide whether or not to appeal the decision of any court or other tribunal regarding the validity of the section or the damages which may be assessed against the Board by any court or tribunal.
 3. The Association has the right to choose the legal counsel to defend any said suit or action.
 4. The Association shall have the right to compromise or settle any claim made by the Board under this section.

- F. The Board agrees to furnish to the Association in response to written requests all public information.
- G. The Association and its members shall have reasonable access to school building facilities for scheduled meetings of the Association. Some school equipment, including bulletin boards and mailboxes, shall be made available to the Association. For use of these facilities when they are not otherwise in use, the Association will pay according to the Board policy; postings or mailings must be signed. School equipment as used above does not include paper, ink, etc., but rather only use of capital items.

ARTICLE V

VACANCIES AND TRANSFERS

A. VACANCIES

1. DEFINITIONS

- a. "Temporary vacancy" shall mean a bargaining unit position held by a bargaining unit member on a leave of absence.
- b. "Permanent vacancy" shall mean a bargaining unit position newly created (including added sections) or vacant because of the resignation, retirement, transfer, dismissal for cause, or death of the person assigned to said bargaining unit position.

2. POSTING

- a. Vacancies in the bargaining unit or newly created position in the bargaining unit which the Board wishes to fill will be advertised on one bulletin board in each building and in such areas as the Board deems appropriate for a period of not less than five (5) school days. During the summer when school is not in session, teachers desiring to be informed regarding vacancies should leave self-addressed envelopes with the superintendent. The Association President shall receive a copy of each posting during the school year and during the summer.
- b. The posting shall identify the grade level(s) and subject(s) to be taught and the building(s) in which the position exists. Special education classroom vacancies shall identify the handicaps served (e.g. learning disability, emotionally impaired, etc.). For non-classroom vacancies, the job title shall be listed (e.g. librarian, guidance counselor, speech therapist, etc.) along with the building(s) in which the position exists.
- c. Each posting shall state the qualifications for the position.

3. FILLING VACANCIES

- a. Vacancies will not be filled less than seven (7) days from date of mailing. In filling vacancies, the Board agrees to give due consideration to the academic preparation (including majors and minors), professional experience, qualifications (as identified on the posting), performance evaluations and attainments of all applicants, length of service, and other relevant factors. While first consideration will be given to present teachers in the district, the Board reserves the right to hire from other areas as it deems reasonable and necessary. When the filling of a vacancy does not involve one or more outside applicants and the Board deems that the above-mentioned criteria involving internal applicants is equal, the district shall grant the vacancy to the most senior teacher.
- b. Any time that the district fills a vacancy with a less senior internal applicant or outside applicant, the district will explain its rationale to the Association upon request.
- c. The Association recognizes that when vacancies occur during the school year, it may be difficult to fill them from within the district without disruption to the existing instructional program. If the superintendent in his reasonable judgment so determines, such a vacancy may be filled on a temporary or tentative basis until the end of the normal school year at which time the position will be considered vacant.

B. TRANSFERS

Involuntary and consecutive transfers between buildings shall be minimized or avoided. The reason for any non-requested transfer shall be explained to the teacher involved and, upon request, to Association representatives.

C. SECONDARY ASSIGNMENT AND SCHEDULES

Secondary schedules shall be completed and all teachers shall be given written notice of their assignments and schedules for the forthcoming year no later than the preceding first day of June. In the event that changes in such items are proposed, all teachers affected shall be notified promptly and consulted. In no event will changes in teachers' assignments and schedules be made later than the 1st day of July preceding the commencement of the school year unless an emergency situation requires same.

"Assignment" shall mean the name and number of sections of each class to be taught and any assigned duty. "Schedule" shall mean any assignment with the addition of the period of the school day for each assigned class or assigned duty.

ARTICLE VI

PAID LEAVE

A. Every teacher shall be granted fifteen (15) days paid leave annually. Teachers hired on or after October 1st shall have paid leave pro-rated. The unexpended balance each year shall be cumulative up to, and including, one hundred ninety (190) days. Paid leave for all causes in any one year shall not exceed the unexpended balance to the credit of the teacher. For purposes of these paid leave provisions, a "day" shall, with respect to part-time teachers, be equal to the part-time teacher's fractional contracted status in relation to full-time status (i.e., a 3/5ths pay). In the event a part-time teacher assumes full-time status, his/her accumulated paid leave days shall be adjusted (i.e., reduced) to reflect their full-time equivalent.

B. Paid leave will be granted for the following reasons and subject to the additional conditions attached:

1. Personal Illness of the Teacher. In the event that a teacher may not be able to perform his/her work on account of personal illness, physical disability, or personal injury not covered by Worker's Compensation, he/she shall be granted any part of his/her accumulated leave time. It is understood that a teacher on leave for illness, personal injury, or physical disability shall adopt appropriate remedial measures. Doctors' certificates may be required to substantiate claim of personal illness, injury, or physical disability. The Board may require a statement by qualified medical personnel selected by the teacher indicating a teacher returning from leave is in mental and physical condition to carry out his/her professional services.

In case of an injury caused by his/her employment, a teacher shall be paid under terms of the Michigan Worker's Compensation Act and shall receive from the Board the difference between the allowance under the Worker's Compensation Law and his/her regular teaching salary with a pro-rata deduction from paid leave days (for example, if Worker's Comp. pays 2/3rds of the teacher's salary per day, then 1/3rd of a paid leave day will be deducted for each day of disability under this paragraph).

2. Death or Critical Illness in the Family. Leave for death or critical illness in any one (1) year with pay shall not exceed ten (10) days per year per individual member of the immediate family. Immediate family is defined as parent, brother, sister, husband, wife, son, daughter, or person with whom one has had association similar to family ties.

Critical illness is defined as surgical operation, child birth with complications, a life threatening illness or injury, or contagious disease. The Board may require a doctor's statement attesting to the critical illness in the immediate family of an employee who is absent for such reason.

3. Personal Leave. Teachers will be allowed two (2) days leave each year for personal reasons. These days shall be non-cumulative from year to year and will

be deducted from the paid leave days. Except in cases of emergency, requests shall be made at least five (5) regularly scheduled working days in advance. Personal leave time shall not be used for recreational purposes or shopping. The employee may be asked to explain the reasons for any personal leave requested for a school day immediately before or after a holiday or vacation period and restrictions may be imposed on such days. In such cases, the decision of the superintendent of schools will be final.

4. Jury Duty. Any teacher called for jury duty during school hours or who is subpoenaed to testify during school hours in any judicial or administrative matter, or who shall be asked to testify in any arbitration or fact-finding shall be paid his/her full salary for such time spent on jury duty or giving testimony less any money received from such services not including travel allowances or reimbursement of expenses. The days spent on jury duty or those spent under subpoena for any judicial or administrative duty shall not be deducted from annual leave days.
5. Association Leave. At the beginning of each school year, the Association shall be provided with a total of fifteen (15) days to be used by Association officers or designated agents of the Association, such use to be at the discretion of the Association. Up to ten (10) additional days shall be available each school year for teachers that are MEA Board of Directors members. The Association shall reimburse the Board for all days used at the then current daily substitute teacher rate. The Association shall notify the superintendent two (2) days in advance. These days shall be non-cumulative.

ARTICLE VII

UNPAID LEAVE

A. Unpaid leave is for the following reasons and subject to the additional conditions attached:

1. Preparation for Child or Child Care Leave. Except for periods of physical disability as specified in Article VI, Section B-1, any requests by teachers for leave before or after birth of a child or adoption of a child or foster care shall be handled under this section of the contract.

Upon receipt of a written request to the Board normally submitted at least one (1) month prior to the time the leave is to begin, the Board will grant leave without pay and without payment of accumulated leave days for a period up to twelve (12) weeks. Leaves under this section may be granted for a period of up to one (1) calendar year and may be extended at the discretion of the Board, at the request of the teacher. Paid health insurance, identical to that received by the teacher prior to the leave, shall continue for up to said twelve (12) weeks.

2. Serious Family Health Conditions. Upon written request, unpaid leaves of absence shall be granted for a period of up to twelve (12) weeks for the serious health condition of the teacher's spouse, child, or parent. Paid health insurance,

identical to that received by the teacher prior to the leave, shall continue for up to said twelve (12) week period. Whenever practicable, the teacher will provide the Board at least thirty (30) calendar days written notice of the request for the leave. It will include the reason for the request, the expected beginning date, and the expected ending date.

3. Sick Leave. A teacher who has exhausted his/her paid sick leave shall be placed on an unpaid sick leave for the duration of the disability up to five (5) years. The Board may require a statement by qualified medical personnel selected by the teacher to substantiate the claim of disability. At the request of the superintendent, a teacher on an unpaid leave of absence shall confirm that he/she wants to continue on his/her unpaid leave of absence due to his/her disability as well as the estimated date of return to work. In the event that the teacher is unable to communicate the above information, it is expected that the teacher's family will communicate with the school district. The Association will assist the superintendent in these situations upon the request of the superintendent. In any case involving a claimed work-related disability, the Board maintains its statutorily granted rights to medical certification of the claimed disability by qualified medical personnel selected by the District.

4. Family Medical Leave Act. In all respects, FMLA leaves of absence under A1 and A2 of this article shall be administered and provided for in a manner consistent with the Family Medical Leave Act of 1993 and its published regulations.

When medically necessary, leave to care for a family member or for the teacher's own serious health condition may be taken on an intermittent or reduced work schedule.

The district may require a medical certification to support a leave for family medical reasons which must include a statement indicating that the teacher's presence is necessary or would be beneficial for the care of the family member.

Such leaves will be unpaid, except as covered by any paid benefit. At the district's or the teacher's option, accrued but unused paid leave days may be substituted for unpaid leave as authorized in Article VI. Up to fifteen (15) accrued sick leave days may be used for FMLA upon adoption of a child. The sick bank may not be used for this purpose.

For purposes of determining eligibility for a leave subject to the Family Medical Leave Act, the district will utilize a rolling twelve (12) month period whereby each time a teacher takes family and medical leave, the remaining leave entitlement will be any balance of the twelve (12) weeks which has not been used during the immediately preceding twelve (12) months.

5. Military Leave. Military leave of absence shall be granted to any teacher who shall be inducted or shall enlist for military duty to any branch of the armed forces of the United States. Teachers on military leave shall be given the benefit of any unscheduled pay increases and sick leave allowances up to a two (2) year

maximum which would have been credited to them had they remained in active service with the school system.

6. Political Leave. The Board shall grant a leave of absence without pay to any tenured teacher to campaign for, or serve in, a public office provided such leave shall not exceed two (2) years in length and provided further that, if the leave is for part of a school year, a suitable replacement is available.
 7. Sabbatical Leave. The Board acknowledges that tenured teachers may apply for sabbatical leave according to the school code.
 8. Emergency Leave. The Board may grant upon request leave of absence without pay for situations not specifically covered by contract.
- B. Upon return from a leave that is less than one (1) consecutive year in duration, a teacher shall be returned to the position he/she held immediately prior to the leave. Upon return from a leave that is one (1) consecutive year in duration or more, a teacher will be placed in his/her former position, if available, or in a position for which he/she is certified and qualified.

ARTICLE VIII

PROTECTION OF TEACHERS

- A. The Board will give strong administrative support and physical and legal protection for each teacher during his/her hours of employment, as it relates to learning and discipline both in the classroom and the performance of other duties, provided the behavior of the teacher is in accord with the school code and Board policies.
- B. The parties hereby emphasize the importance of discipline, and the administration and Board of Education shall support reasonable measures to enforce the same. When a teacher refers a student to the office and/or administration for disciplinary reasons, the teacher shall verbally and/or in writing inform the school office or administration of the appropriate information and any suggestions. Teachers shall not routinely be required to fill out any written disciplinary referral forms; however, teachers will provide additional written information upon request.
- C. The building administrator shall diligently pursue all legal means available for obtaining school records, a prompt evaluation, diagnosis and/or IEP for any child in need.
- D. In case of assault on a teacher, the Board will provide legal counsel, upon request, to advise the teacher of his/her rights and to handle the matter in court, if necessary.
- E. The Board will provide legal counsel to defend a teacher against complaints which might arise against properly conducted disciplinary action by the teacher to a student.
- F. Any formal complaint directed to the administration by a parent shall be promptly made known to the teacher. A formal complaint would be in the form of a letter, a telephone call, an appearance at a Board meeting, or a personal appearance at school. If a parent

requests that the information not be divulged to the teacher, the request will be honored, but any information obtained in this manner will not be placed in the permanent record file.

- G. Teachers are expected to exercise reasonable care with respect to the safety of students and property but shall not be individually liable, except in case of gross negligence or neglect of duty, for any damage or loss to person or property.
- H. No teacher shall be suspended, discharged, or otherwise disciplined without reasonable and just cause. The Board agrees to follow a policy of progressive discipline which minimally includes verbal warning, written warning, written reprimand, suspension with pay, suspension without pay, with discharge being used only as a final and last resort. This process may be accelerated if a particular situation merits such action.
- I. In case of assault on a teacher during the course of assigned duties resulting in disabling injury, the teacher shall be paid by the Board an amount in addition to Worker's Compensation such that the total will equal the teacher's normal earnings until the end of the disability or a one-year period, whichever is sooner. Likewise, the Board shall assume such reasonable hospital and medical expenses as are incurred by the teacher, and are not paid by insurance or under terms of law. In cases of assault, and in accordance with Worker's Compensation Laws, sick leave days will not be deducted from a teacher's accumulated sick leave days after the eighth day.
- J. Providing File Information to Third Parties

In the event that the District receives a Freedom of Information Act (FOIA) request for records or personnel file(s) of any teacher(s), the administration shall notify the Association. Upon request and insofar as time reasonably permits, the Board's designated FOIA officer shall meet with the affected teacher and/or the teacher's representatives to review the Board's proposed response to the request. In order to allow the teacher and Association to seek legal relief, the Board may delay granting the request to the extent permitted by law. Consideration shall be given to the teacher's privacy interests and all available Freedom of Information Act exemptions to compelled disclosure and viewing of information.

Personnel files shall only be subject to disclosure pursuant to FOIA or as required by law. The teacher, upon written request, shall be provided a copy of the information forwarded in response to the request for disclosure.

This provision shall not prevent the Association from having access to any employment records related to its duties as the exclusive bargaining representative.

ARTICLE IX

NEGOTIATION PROCEDURE

- A. It is contemplated that negotiable matters not specifically covered by this Agreement shall be subject to professional negotiations between the Board and Association from

time to time during the period of this Agreement upon request and thirty (30) days' notice of either party to the other. If agreement is reached on such a matter, the date it will become effective shall be established at the same time.

- B. At least one hundred twenty (120) days prior to the expiration of this Agreement, the parties may likewise begin negotiations for a new Agreement.
- C. During the course of negotiations, should an impasse be reached, the parties may agree on a mediator or mediation panel to help reconcile differences. The mediation panel would consist of one Board representative, one Association representative, and a third party chairperson selected by the parties. Determinations by mediators will be purely advisory.
- D. Tentative proposals may be submitted in writing to either the Board or the Association by the other party. Approval would make such proposals part of the tentative Agreement. When a tentative Agreement is reached on a position of the contract, a draft thereof should be initialed by both parties. It is understood that no permanent agreement exists between the parties until the entire Agreement has been consummated.
- E. It is expected that meetings will normally be scheduled for the least interference in school schedule. When exceptional circumstances warrant, Association representatives may be released to attend special meetings of the parties.

ARTICLE X

GRIEVANCE PROCEDURES

A. Definitions

1. A grievance shall mean a complaint by a teacher, a group of teachers, or the Association, based on an event, a condition, or circumstance under which a teacher works, allegedly caused by a violation, misinterpretation, or inequitable application of established policy or any provisions of this Agreement.
2. The "grievant" is the person, persons, or the Association making the claim.
3. A "party of interest" is the person or persons who might be required to take action or against whom action might be taken in order to resolve the problem.
4. The term "days" as used herein shall mean days in which school is in session. During summer recess, "days" shall mean days when the Administrative Offices are open.

B. Purpose

The primary purpose of this procedure is to secure, at the lowest level possible, equitable solutions to the problems of the parties. Both parties agree that these proceedings shall be kept as confidential as may be appropriate at each level of the procedure. Nothing contained herein shall be construed as limiting the right of any teacher with a grievance

to discuss the matter informally with any appropriate member of the administration or proceeding independently as described in Section E of these procedures.

C. Structure

1. The Association shall select its representative for each school building. As soon as possible, the names of these building representatives are to be made known to the building principals.
2. The Association Professional Rights and Responsibilities Committee shall serve as the Association Grievance Committee.
3. The building principal shall be the administrative representative when the particular grievance arises in that building.
4. The Board hereby designates the superintendent, or a substitute designated by it, as its representative when the grievance arises in more than one building.

D. Procedure

Step One.

A grievance must be submitted to the principal within fifteen (15) regularly scheduled working days after the event occurred or within fifteen (15) regularly scheduled working days after the grievant obtains knowledge of the event upon which the grievance is based, whichever is later. At the grievant's request, arrangements will be made to have the proper Association representative present for such discussion. The grievant's principal shall investigate and report his/her disposition of the complaint within five (5) regularly scheduled working days after it has been made to him/her. In the event the complaint is not satisfactorily settled in this manner, the following procedure shall apply.

Step Two.

To be processed hereunder, a grievance must be reduced to writing, state the facts upon which it is based, when they occurred, specify the section of the contract which has allegedly been violated, must be signed and dated by the grievant and must be presented to the principal within five (5) regularly scheduled working days after the answer at Step One. The principal shall give a written answer to the aggrieved within five (5) regularly scheduled working days after the receipt of the written grievance. If the answer is satisfactory, the grievant shall so indicate it in writing within two (2) regularly scheduled working days, giving one (1) copy of the settled grievance to the principal.

Step Three.

If the grievance is not settled in Step Two and the grievant desires to appeal it to Step Three, the grievant must present the grievance to the superintendent of schools within five (5) regularly scheduled working days after the principal gave the grievant the written Step Two answer. The superintendent of schools shall give the grievant a written, dated, and signed Step Three answer within five (5) regularly scheduled working days after he/she receives the grievance at this step.

Step Four.

If the grievance is not settled in Step Three, the grievance may be appealed to the Board of Education within five (5) regularly scheduled working days after the receipt of the Superintendent's answer. The Board of Education Personnel Committee shall hold a hearing with the grievant and the Association to consider the grievance no later than its next committee meeting. Within five (5) working days after the hearing, the Committee shall render its opinion in writing, with a copy to the grievant and the Association.

Step Five

In the event the grievance is not resolved satisfactorily at Step Four, grievances involving any provisions of this Agreement will be submitted to arbitration through the following process:

- a. The Association may by written notice to the Superintendent submit the grievance to arbitration.
- b. Within ten (10) regularly scheduled working days after such written notice of submission to arbitration, the representatives of the Board and the Association shall attempt to agree upon a mutually acceptable arbitrator. The parties shall be bound by the rules and the procedures of the American Arbitration Association.
- c. Neither party shall be permitted to assert in such arbitration proceedings any ground or rely on any evidence previously in its possession but not disclosed to the other party. The arbitrator's decision shall be in writing and shall set forth his/her findings of fact, reasoning, and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law or which is violative of the terms of this Agreement.
- d. The arbitrator shall have no power to add to, subtract from, or alter or modify any of the terms of this Agreement, nor any policy or regulation of the Board which is not in conflict with the express terms of this Agreement. Both parties agree to be bound by the award of the arbitrator and agree that judgment thereon may be entered on any court of competent jurisdiction.

The arbitrator shall not hold power to rule on:

- 1) Any tenure issue,
- 2) The appointment or non-appointment of Appendix B positions,
- 3) The non-renewal of a probationary teacher within the first three (3) years of the probationary period.

The costs for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel and subsistence expenses, shall be borne equally by the Board and the Association.

E. Rights to Representation

Any party of interest may be represented at all meetings and hearings at any level of the grievance procedure by another person; provided, however, that any teacher may in no event be represented by an officer, agent, or other representative of any organization other than the Association; provided further, when a teacher is not represented by the Association, the Association shall have the right to be present and to state its views at all stages of the grievance procedure. Only the Association may proceed to arbitration.

F. Miscellaneous

1. A grievance may be withdrawn at any level without prejudice. However, if in the judgment of the Association representative of the P.R.& R. Committee, the grievance affects a group of teachers, the P.R.& R. Committee may process the grievance at the appropriate level.
2. The grievance discussed and the decision rendered at Step One shall be placed in writing upon request of either party. Decisions rendered at all other levels shall be in writing, and shall promptly be transmitted to all parties of interest.
3. No reprisals of any kind shall be taken by or against any party of interest or any participant in the grievance procedure by reason of such participation, and no such record shall be placed in his/her personnel file.
4. Forms for filing and processing grievances shall be designed by the superintendent and the P.R.& R. Committee, shall be prepared by the superintendent, and shall be given appropriate distribution so as to facilitate the operation of the grievance procedure.
5. Access shall be made to all parties, places, and records of public information necessary for the determination and processing of the grievance.
6. Grievances which are not appealed within the time limits specified in the grievance procedure shall be considered withdrawn by the Association or grievant and shall not be resubmitted. If the Board fails or neglects to answer a grievance within the time limits specified at the various steps of the grievance procedure, the grievance shall automatically be referred to the next higher step in the grievance procedure. It is understood and agreed that the time limits specified in this grievance procedure may be extended by mutual agreement in writing between the Association and the Board.
7. If the P.R.& R. Committee decides that no legitimate grievance exists, the teacher may continue to process his/her claim without Association support through Step Three of this Grievance Procedure.
8. All grievance meetings held under the provisions of this Article shall be held at such times as may be mutually agreed by the Association or grievant and the Board or its authorized representative.

- C. It is further agreed that the teachers in accordance with past practice will continue committees for the purpose of reviewing, revising, updating, and amending current curricula; and reviewing, selecting, and recommending textbooks and teaching equipment. The teachers may be consulted in regard to education specifications and needs in respect to modifying existing buildings or designing new structures.
- D. The foregoing committees or study groups shall serve as advisory, consultative, and fact-finding bodies only; and the failure of the Board to adopt any of the recommended subjects shall not constitute the basis of a grievance. The Board agrees, however, that the Association and teachers shall have the right to submit their recommendations on these subjects, and the Board agrees to review and study the same. These recommendations, after careful study, will be accepted or rejected. If the Board accepts the recommendations of a study group, they shall be initiated the following school year
- E. A Curriculum Advisory Council of ten (10) members shall be established, with five (5) members appointed by the president of the Association and four (4) members appointed by the Board, and the superintendent of schools or his/her designated representative, who shall act as chairperson. If a tenure teacher is not evaluated during a school year, his/her classroom performance shall be presumed to be satisfactory for that school year unless documentation relative to performance problems has been supplied to the teacher. All evaluations shall be based on the guidelines contained in the "Teacher Evaluation Form" found at the end of this article. All such evaluations shall be recorded on the teacher evaluation form. Not all items listed on the teacher evaluation form need to be treated for each evaluation; however, in the event a category has been rated unsatisfactory it may not be omitted on the following evaluation.

- E. Probationary teachers will be observed a minimum of three (3) times a year. Tenured teachers, subject to a formal evaluation, will be observed a minimum of once that year. A conference between the teacher and the evaluator shall be scheduled within three (3) working days and held within ten (10) working days following the observation. At the close of each conference, both the teacher and the evaluator shall sign a statement reflecting the information discussed. This statement will contain specific recommendations for the correction of any problem observed. The signature of the teacher shall not necessarily indicate agreement with this statement.

- F. In evaluations the evaluator will be physically present for an observation of forty (40) to forty-five (45) minutes. No observations shall be conducted during the last two (2) full weeks of student attendance. Each observation shall be followed by verbal and/or written feedback.
- G. At least sixty (60) calendar days before the end of the school fiscal year, the building principal shall meet with and provide each probationary teacher and each tenured teacher who is subject to an evaluation that year a final written evaluation which states whether his/her work has been satisfactory and the reasons for such recommendation. In this evaluation, the building principal shall put in writing his/her recommendation for continuation or non-renewal of the probationary teacher's contract. Probationary teachers who are not recommended for continued employment will be notified on or before April 15.
- H. If an evaluator believes a teacher is doing unsatisfactory work, the reasons shall be set forth in specific terms, and specific recommendations which the teacher can use to correct the problem will be given by the administration.

4. Salary adjustments for teachers who receive one-half (1/2) of a year's credit will be reflected by a blended salary every other year. (E.g. a teacher on step 5 who receives one-half (1/2) year's credit will be paid a salary at the start of the next year at the rate that is one-half (1/2) way between step 5 and step 6, and the following year will be paid one-half (1/2) step 6.)

 5. For the purposes of this section, days on a paid leave of absence shall count as days worked.
 6. Salary adjustments for teachers who receive one-half (1/2) of a year's credit will be reflected by a blended salary the following year. (e.g. a teacher on step 5 that receives one-half (1/2) year's credit will be paid a salary at the start of the following year at the rate that is one-half (1/2) way between step 5 and step 6).
- I. Advancement on the salary schedule will be made according to the following schedule when the respective degree or hours have been earned from an accredited institution.

2. Salary pro-rated on twenty-six (26) pays with the balance due on the twenty-first (21st) paycheck.
3. Salary pro-rated on twenty-one (21) pays.

Lump sum payments will be contingent on an orderly cash flow of state aid payments and the ability of the employer to extend payments in this fashion. Any employee desiring a method of payment other than number (1.) must notify the business office at the time of signing individual contracts. In emergency situations, teachers shall be given the opportunity to receive the balance of their pay at the last pay period in June.

L. Compensatory time will be provided for those teachers voluntarily involved in the summer kindergarten screening process.

M. A teacher agreeing to cover a class on his/her preparation period shall be paid as follows:

For each student request to test out, the teacher(s) involved shall each be paid an amount equal to one-fifth (1/5th) of the then current daily substitute teacher rate for each clock hour of the teacher's time involved in handling the testing out request. The Administration shall have the option of granting a teacher released time in lieu of additional pay.

ARTICLE XVII

REDUCTION OF CERTIFIED PERSONNEL

- A. The Board and the Association recognize the possibility that the financial condition and/or enrollment of the Spring Lake Schools at a given time could necessitate a reduction of certified personnel. The parties also recognize that such determinations are within the exclusive discretion of the Board. In the event of a general cutback or reduction of teachers through layoff from employment, the following procedure, based upon program needs, will be utilized by the Board or its designated representative:
1. The Board shall maintain one roster of employees in the bargaining unit. The roster shall reflect the following information: last date of hire; degrees held; certificates held; department, if any; transferred credit years allowed; tenure status; number of years at Spring Lake and the total years of seniority.
 2. Probationary teachers in the specific positions being reduced or eliminated will be laid off, provided there are fully qualified, fully certificated teachers to replace and perform all of the duties of the laid-off teachers where such positions remain after such reduction, it being understood that the Board shall have no obligation to fill any position that has been reduced or eliminated.
 3. If it becomes necessary to reduce positions occupied by tenure personnel, they will be laid off in order of the least years of seniority.
 4. If personnel holding the same seniority, certification, and qualifications must be reduced, the order of priority shall be to the teacher who is considered by the Board to be the most capable to fill such a position.
 5. Refusal or acceptance of a position that is not equivalent in time to the position previously held shall not affect a teacher's recall rights.
 6. Definitions:
 - a. Certification: Possessing a certificate appropriate to the teaching level.

- b. Qualifications: Possessing a major or a minor appropriate to the teaching assignment, as well as a sufficient number of credit hours or other requirements in that academic area to meet state and federal standards.
- c. Seniority: Seniority shall be defined as the total years of service to the Spring Lake School District as determined below. Such service shall not be interrupted except by an approved leave of absence.

The seniority date of each teacher shall be established as follows:

- (1) New hires in bargaining unit positions shall be placed on the seniority list as of their date of hire.
 - (2) All persons placed on the seniority list shall continue on the list until such time as they may resign. Persons who resign and are later reemployed shall be placed on the list from the last date of hire. Approved leaves of absence shall not constitute a resignation.
 - (3) Those part-time employees who work less than a half (1/2) day will receive one-half (1/2) year seniority. All other part-time teachers shall receive one (1) full year of seniority.
 - (4) The seniority list shall be posted by October 1st. Employees may file objections within thirty (30) calendar days, thereafter, the list shall be final and conclusive for the current school year.
- B. If, after a staff reduction, teaching positions become vacant, laid-off teachers who are certified and qualified will be given the first opportunity to fill such positions in the order of most seniority.
 - C. Before official action on a reduction of teachers is taken by the Board of Education, it will give notice to the Association of the contemplated reduction and afford the Association opportunity to discuss it with the Board's designee. As soon as the names of the teachers to be laid off are known, a list of such names shall be given to the Association.
 - D. The individual contract executed between each teacher and the Board is subject to the terms and conditions of this Article. It is intended that this Article takes precedence over and governs the individual contract, and the individual contract is expressly conditioned upon this Article.
 - E. Any teacher on layoff shall be notified by certified letter of the first recall from layoff occurring for which the teacher is certified and qualified. The Board may rely upon the last address shown on its personnel records. Recall shall be made in the order of most seniority first. If there is no acceptance of such offer of recall within ten (10) days from the time of receipt of the notice, the right to recall shall be forfeited.

- F. During the last thirty (30) days of twelve (12) consecutive months of being on layoff status, the Board shall send written notice to the teacher by certified mail to the teacher's address as shown on the school records. If the teacher responds in writing within fifteen (15) days of receipt of the mailing that he/she still wants to be considered for available positions for which the teacher is certified and qualified, then he/she shall remain on layoff status. There shall be no recall right if the teacher should fail to respond to the Board's written notice and all seniority rights will be terminated at that time.
- G. Reduction of a position by the Board from full to part-time shall be considered as under-employed. Remaining in the reduced position shall not affect the teacher's right of recall to a full-time position.

ARTICLE XVIII

MISCELLANEOUS

A. Credit Union, Banks, and Annuity

At the beginning of each school year, teachers may sign and deliver to the Board a statement authorizing financial institutions and annuity deductions from the teacher's salary. Such deductions shall be made from all pay periods each month with the amount deducted determined by the individual teacher. The school district shall make all payments of annuity funds directly to the respective annuity company who has the teacher's contract.

The District will not be responsible to make a payment to an annuity or annuity fund to which the district is not currently making payments on behalf of other employees unless a minimum of five (5) employees notify the district of their desire to utilize said new fund.

The current list of annuity companies referred to above is:

All American Life	Legend Employee	Putnam
American Express	Benefit Account	State Farm Insurance Co.
Capital Bank & Trust	Mass Mutual	Thrivent Financial for Lutherans
ING	MEA Financial Services	VALIC
	Northwestern Mutual Life	Waddel & Reed

B. Professional Development and Educational Improvement

In order to encourage additional training and professional growth of the members of the professional staff, the Board will pay up to \$1080 for each year for any one (1) teacher for any one (1) year for the actual cost of tuition, text, and course supplies. The Board will not reimburse the cost of transportation, room or board, nor will it reimburse the cost of that portion of course costs covered under the fellowship grants, scholarship grants, and other reimbursed programs.

In order to qualify the following conditions must be met:

1. The appropriate degree and certificate for the teaching assignment have already been earned.
2. An application for course approval and evidence of earned credit is filed in accordance with regulations established by the superintendent of schools.
3. The staff member is actually employed in the school system at the time the course or activity is completed.

Payment of the above amount for earned credits will be made as follows:

1. Credit earned during the first semester of the school year will be reimbursed in February of that school year.
2. Credit earned during the second semester will be reimbursed in June.
3. Credit earned during the summer will be reimbursed in September.

The Board, at its discretion, may allot all or part of the \$1,080 educational benefit to teachers holding a continuing certificate for non-academic, non-credit activities which it judges to be professionally or educationally enriching. A teacher seeking to gain approval for such an activity must submit to the superintendent in writing a detailed explanation of the activity and its anticipated value. Reimbursement for an approved activity will be subject to the conditions outlined above and proof that the activity has been satisfactorily completed. Any materials resulting from such an activity would become the property of the media center.

C. Student Teacher Program

Stipends granted to the Spring Lake School District by the colleges for the training of student teachers shall be contributed to the Scholarship Fund of the Association.

Student teachers shall not be used as substitute teachers unless it is an emergency situation and a substitute teacher cannot be obtained. Student teachers will only be used in accordance with the participating college's or university's guidelines. In this situation, a student teacher would be used under the supervision of a building administrator and only after the student teacher has been judged to be capable of handling the classroom.

D. Resignation of Teacher

If any employee fails to complete his/her contract with the Board, the following procedures will be followed:

1. The action will be entered on the record.
2. Any request for a recommendation will show that the employee did not fulfill the contractual obligation.

3. Tenure teachers will lose their tenure right under Article V, Section 4, of the Tenure Act.

The superintendent of schools may recommend to the Board that the resignation be accepted due to extenuating circumstances.

E. Retirement

As currently provided by law, there shall be no mandatory retirement age.

F. School Counselors

If the Board requires any teacher's length of employment to precede or extend beyond the regular teacher's contract year, the teacher will be compensated for each additional day at the rate of the fraction (1/number of teacher days) of his/her annual salary.

Counselors shall not be assigned more than one regular classroom teaching assignment unless they are employed as counselors on a part-time basis. Neither shall counselors be assigned attendance functions, discipline responsibilities, administrative and clerical duties (including the laying out of the master schedule) or study hall or lunch room supervisory responsibilities as part of their normal duties.

The Board further recognizes that counselors shall have the flexibility to arrange their schedules to permit their taking part in activities outside the school building which are in the interest of the student. These activities shall include, but not necessarily be limited to, liaison activities with community and social agencies as part of the referral process, vocational/educational guidance workshops, parental contact, and job and educational placement activities. This shall be done with approval of the principal.

G. Use of Substitutes

When a teacher is ill for a full day or attending a conference approved by the superintendent, the Board will hire a qualified substitute teacher or teacher aide to teach his/her classes, unless the number of classes is such that an administrator could cover them. Teachers would not be asked to substitute except in cases of emergency. When an aide has the sole responsibility for teaching a classroom, he/she must be qualified as required by current state law and will be paid the rate of a substitute teacher.

H. School Calendar/"Act of God" Days

1. See Appendix C (attached): provided, however, that if certain "Act of God" days (e.g., days canceled due to inclement weather, problems with the physical plant, etc.) cannot be counted as days of pupil instruction for state aid payment purposes, teachers shall neither be required to report to work nor suffer any loss of pay; provided, however, such days shall be rescheduled (by mutual agreement) without any additional salary being paid to the teachers. In the absence of such mutual agreement, the days will be added to the end of such school year. Further, in the event inclement weather or other conditions cause a later reporting time and/or earlier leaving time on a given school day, but without any resulting loss of state aid, such changes shall not result in loss of pay.

I. Sick Leave Bank

The Board shall establish a single/bargaining unit-wide paid sick leave bank, to be funded at the rate of not more than 180 days per school year. This sick leave bank will be administered by the SLEA and the Superintendent under the following guidelines:

1. A teacher may receive paid sick leave benefits from this bank only if:
 - a. He/she has exhausted his/her personal accumulated paid sick leave credits; and
 - b. Paid sick leave days remain available in the bank; and
 - c. He/she has already utilized thirty (30) paid and/or unpaid sick leave days in the respective school year.

First and second year teachers who do not qualify under these guidelines will be considered on an individual basis by the SLEA and Superintendent.

2. A doctor's disability order will be required when applying for sick leave bank days.
3. Sick leave bank days will be capped at ten (10) days per individual in a seven (7) year period.
4. Catastrophic/Serious Illness or Injury that requires more than ten (10) days will be considered by the SLEA and the Superintendent on an individual basis.
5. Use of such paid sick leave shall be in accordance with the paid sick leave provisions of Article VI, Paragraph B-1 of this Agreement; and such sick leave may not be used if the teacher has satisfied the waiting period of any LTD insurance provided under this Agreement.

The teacher shall have the option to delay payment of the amount due until the January 1 date immediately following his/her last work day.
