2.0110 The terms "teacher," "employee," or "member" when used hereinafter in this Agreement, shall refer to all employees recognized in paragraph 2.0100 and such reference shall mean both male and female.

2.0115 The term "ancillary employee" shall mean an employee represented by the Association in paragraph 2.0100 who is not required to hold a teaching certificate/permit to be employed. Presently (February 2014), these positions include counselor, school social worker, speech therapists, and school psychologists. If the employee is covered by the Teacher Tenure Act, the employee is not an ancillary employee.

2.0120 The parties agree that there are substantial and unique differences in the working conditions of the teachers at the Mackinaw High School and teachers in the K-12 program. Accordingly, the provisions of this agreement shall apply to the Mackinaw High School teachers unless otherwise specifically agreed by the parties.

3.0000 ASSOCIATION

- 3.0100** Nothing contained herein shall be construed to prevent any individual teacher from presenting a grievance and having the grievance adjusted without intervention of the Association, if the adjustment is not inconsistent with the terms of this Agreement, provided that the Association has been given opportunity to be present at such adjustment.
- 3.0200** The Association shall have the right to post notices of its activities and matters of Association concern on Association bulletin boards, one of which shall be provided at each school building.
- 3.0250** The STEA Representative Council Delegate for the Mackinaw High School shall have his/her regular schedule adjusted so that he/she may attend the regular monthly meeting of the STEA Representative Council without loss of hours or pay.
- 3.0300** The Association may use the District's inter-school mail service and teacher mailboxes for communications to its members, provided distribution of Association mail does not require the Board of Education to expend additional money or allocate additional personnel time to perform such service.
- 3.0350** The Association may use the District facilities free of charge to hold Association meetings provided the use does not require the Board of Education to expend additional money or allocate additional personnel time. General membership activities will require a building use form submitted to the building principal requesting approval prior to holding the meeting.
- 3.0355** Employees may have access to the Internet and e-mail for their personal use free of charge so long as such use is not during scheduled working hours and such use does not create any additional expense for the District. The expectations are that the employees would use them in a professional manner that would comport with the expectations of the public for use of public property. There is no expectation of privacy when the employee uses the internet and e-mail. All use may be monitored at any time. All use is subject to disclosure under the Freedom of Information Act (FOIA).

- 3.0500** The Association will be included on the mailing list for Board minutes and agendas.
- 3.0600** There will be equitable distribution, to all teachers, of passes for all school events for which admission is charged in accordance with Board of Education policies.

3.0700 The provisions of the Agreement and the wages, hours, terms and conditions of employment shall be applied in a manner which is not arbitrary, capricious or discriminatory.

3.0800 Association Days

The Board of Education shall permit person or persons designated by the Association a maximum of twenty-five (25) days total absence, without loss of pay, to attend Association conferences and/or union sponsored events. The maximum amount of Association Days to be used by any one bargaining unit member shall be ten (10) in any given year. This maximum can be increased by a mutual agreement between the parties. Association Days must be used in no less than ½-day increments. The Association shall reimburse the Board of Education for wages paid substitute teachers employed to replace the Association member in his/her respective class.

Any Association Days not used in a previous contract year will be added to the next contract year's total.

3.0850 Each member can donate up to one unused personal day per year to the STEA President to use as supplemental Association Days. The STEA President may have a maximum of five (5) supplemental days per year. These days shall be used to conduct association business that cannot be conducted outside of the school day. If unused, these days cannot be added to the next contract year's total. Whenever possible, prior notification of the use of a day will be given. If more than five (5) days are donated by the membership, a lottery will determine which member's days are being used. The opportunity to donate a day will be provided on the form for Disposition of Unused Personal Days.

3.0860 Effective August 1, 2009, upon notification from the Association that it will reimburse the district all costs, the Association President will be provided a release hour for a sixth hour of teaching daily. Effective with the 2012-2013 school year it will be a seventh hour at Heritage High School.

4.0000 BOARD RIGHTS

- 4.0100** Subject to the provisions of this Agreement, the Board, on its own behalf and on the behalf of the electors of the district, reserves unto itself full rights, authority and discretion in the discharge of their duties and responsibilities to control, supervise and manage the Saginaw Township Community School system and its professional staff under the law and the Constitution of the State of Michigan and the United States.
- 4.0200** The exercise of the foregoing rights, authority and discretion shall be limited only by the terms of this Agreement and then only to the extent such terms hereof are in conformance with the Constitution and laws of the United States.
- 4.0300** The parties agree that this contract incorporates their full and complete understanding and that any prior oral agreements or practices are superseded by the terms of this Agreement. The parties further agree that no such oral understandings or practices will be recognized in the future unless committed to writing and signed by the parties as supplement to this Agreement.

5.0000 NO STRIKE

- 5.0100** The Association and the Board subscribe to the principle that differences shall be resolved by peaceful and appropriate means without interruption of the school program. The Association therefore agrees that its officers, representatives and members shall not authorize, instigate, cause, aid, encourage, ratify or condone, nor shall any teacher take part in any strike, slowdown or stoppage of work, boycott, picketing or other interruption of activities in the school system. Failure or refusal on the part of any teacher to comply with any provision of this Article shall be cause for whatever disciplinary action is deemed necessary by the Board.

6.0000 TEACHING CONDITIONS

6.0100 Teaching Hours

- 6.0110** This section, 6.0110, does not apply to the Mackinaw High School teachers. The teachers' normal hours in all grades shall be eight (8) hours per day during the school year.
- 6.0120** All teachers shall have at least a 40-minute duty free, uninterrupted lunch period. All teachers must be available in their teaching stations, to the students, 15 minutes before the first class convenes and 15 minutes after the last class is dismissed. Beginning with the 2000-2001 school year, the middle school faculty shall not be required to be at their teaching stations for the 15 minutes subsequent to the dismissal of the last class.
All Mackinaw High School teachers shall have at least a thirty (30) minute unpaid, duty free, uninterrupted lunch period. Mackinaw High School teachers shall be required to be in the lab when the lab is open.
- 6.0130** Exceptions to these regulations shall be only with permission of the building administrator. Meetings called by the principal or administrator before or after school shall also excuse a teacher from the 15-minute rule. In the Mackinaw High School exceptions to being in the lab while it is open shall be only with the permission of the administrator.
- 6.0140** The Board recognizes teaching as a professional calling and shall not impose unreasonable demands upon a teacher's time and shall agree that the work week for the teaching staff shall be maintained at a professional level and shall be distributed equitably and consistent with the work schedule of a professional.
- 6.0141** The parties agree that split shifts are normally undesirable and will be avoided unless no reasonable alternative is available. The parties agree that assignments that teachers split between buildings are undesirable and will not be used as a subterfuge to violate this Agreement. The teacher's duty day shall not exceed seven (7) continuous hours on days when

travel time infringes upon the teacher's lunch or preparation hour. Travel time is not considered preparation time.

6.0150 Assigned Time

6.0151 This section, 6.0151, does not apply to the Mackinaw High School teachers. The time a teacher is assigned with students at Heritage High School is six (6) fifty-two (52) minute periods (beginning in the 2012-2013 school year). The time a teacher is assigned with students in the middle school is five (5) sixty (60) minute periods organized into blocks of instructional time. The middle school learning community will consist of two (2) core instruction blocks and one (1) enrichment period. A block consists of two (2) sixty (60) minute periods. The learning community may be flexible with their core instruction block of time.

Pilot or exploratory programs may be an exception to the above.

6.0152 This section, 6.0152, does not apply to the Mackinaw High School teachers. The time assigned with students will not exceed 330 minutes per day except when necessary to the efficient and proper functioning of a teaching team. In that event, the time a teacher is assigned with students is at no time to exceed 1,650 minutes in any one-week.

6.0153 This section, 6.0153, does not apply to the Mackinaw High School teachers. In the event of an emergency, it becomes necessary to assign a teacher to students for a longer period of time than specified above, the teacher shall be compensated at an hourly rate to be determined by dividing the contractual salary by the number of teacher work days, the quotient of this division further divided by five (5) for middle school teachers and by six (6) for teachers at high school.

If the overload continues for more than one semester, the teacher shall be compensated at the hourly rate, as determined above, plus an additional six (\$6.00) dollars per hour of overload. If the teacher chooses to teach an overload, the teacher shall remain at the school for an additional class period as a preparation period.

When it is necessary for a teacher in an instructional area to teach in the absence of a requested substitute, the teacher will be compensated at a rate equal to one sixth (1/6) of the established rate at the middle school or at an elementary school and one-seventh (1/7) of the established rate at high school. For purposes of this paragraph only, the established rate for the 2020-2021 School Year is \$150.00; and the established rate for the 2021-2022 School Year is \$165.00.

6.0154 This section, 6.0154, does not apply to the Mackinaw High School teachers. Secondary teachers (9-12) shall not be required to have more than four (4) preparations within six (6) teaching assignments per day. A classroom preparation shall be defined as the planning and work of a teacher prior to the teaching of one or more sections of classroom assignment.

6.0155 This section, 6.0155, does not apply to the Mackinaw High School teachers. Middle school teachers (6-8) shall not be required to have more than four (4) teaching preparations within five (5) teaching assignments per day. A classroom preparation shall be defined as the planning and work of a teacher prior to the teaching of one or more sections of classroom assignment.

6.0156 This section, 6.0156, does not apply to Mackinaw High School teachers. Any middle or secondary teacher assigned an additional preparation shall be compensated according to the following formula:

- a. Middle School Teachers Fifth Hour Preparation-the salary divided by the number of teacher days divided by 5 x .25 = rate x number of student days in the school year. The number of teacher days will be based on the number of days in the school calendar (Article 18.0000) for that teacher (new teacher or otherwise).

- b. High School Teachers Fifth and Sixth Hour Preparation-the salary divided by the number of teacher days divided by $6 \times .25 = \text{rate} \times \text{number of student days in the school year}$. The number of teacher days will be based on the number of days in the school calendar (Article 18.0000) for that teacher (new teacher or otherwise).

One-half ($\frac{1}{2}$) of compensation will be paid at the end of the first semester and one-half ($\frac{1}{2}$) at the end of the second semester.

6.0157 The Board shall provide Mackinaw High School teachers with prep time/meetings to be determined by the administration based upon the needs of the program, but in no case less than five (5.0) hours per week for a faculty member who is regularly scheduled to work at least 37.5 hours per week.

6.0160 In the K-5 schools, the teacher's planning period shall be from 7:30 – 7:45 a.m. and from 2:35 - 3:30 p.m. Adjustments to this schedule may be made to compensate for varying starting times of individual schools. Individual exceptions to this section shall be made between the Association President, or if not available, the building representative and the Administration.

6.0163 Elementary Report Cards

Elementary teachers will have at least three (3) school business days, including teacher workdays, between the end of the marking period and when report cards are to be completed.

6.0165 High School Counselors, Co-op Coordinators, and Media Specialists may be scheduled to work August through June for no more total days than their regularly scheduled number of teacher workdays. These days shall be mutually agreed to on a calendar schedule between the counselors and the building principal on an annual basis.

6.0166 Effective July 1, 2018, Secondary Counselors may be required to work up to five (5) additional days before the start of the teachers' calendar. When needed, other days may be mutually agreed upon by the counselor and the administrator. Counselors will be notified by May 1 of the preceding school year, which of the five days have inflexible dates (e.g., WEB training at the Middle School, orientation). Counselors will be advised of flexible dates available to work well in advance. From these dates, the remaining days will be mutually agreed upon between the administrator and the Counselor. This will be done by the last student day of the preceding school year. The first two days will be treated as comp days during the students' school year. The first such day will be on the January teacher work day. The second day will be on a date mutually agreed upon between the counselor and the administrator. The counselor may request to change when the January comp day will be taken. Such change is subject to mutual agreement between the counselor and the administrator. In lieu of allowing comp days, the administrator can choose to pay the counselor his/her daily rate. Additional days worked beyond the first two days will be compensated at \$150.00/day.

When an administrator requires a counselor to work an after school activity, the counselor will be paid a stipend of \$50.00. This does not apply to activities that most teachers attend as a matter of course (e.g., parent/teacher conferences, "curriculum nights").

6.0170 Attendance at School Functions

Teachers may be required to remain after school without additional compensation for up to one hour after the 15 minutes teachers are available parents and students at their teaching stations, on each of two days each month to attend meetings called by the principal or administrator. Teachers shall be notified three (3) working days before building meetings except in an emergency.

6.0175 Recognizing the importance to school/teacher/parent relationships of Open House (sometimes called Curriculum Night) programs, a teacher who is unable to attend this function will, except in the case of emergency, give the building principal at least three days written notice prior to the function.

6.0180 This section, 6.0180, does not apply to Mackinaw High School teachers. Parent/Teacher Conferences will be held in the fall and again in the spring. Teachers unable to attend the conferences because of illness will be required to use a sick day or a personal day (where appropriate) with the only exception being a teacher who has a commitment for another school-sponsored event.

If the district reschedules a cancelled conference day and a teacher cannot make the rescheduled date, the teacher will make up the conference time within two weeks of the new date. When possible, the teacher will notify the principal at least 48 hours in advance of the rescheduled date that (s)he is not available.

The first set of parent/teacher conferences will be held in the fall.

The schedule for day 1 is:

6.0200 Student/Teacher Ratios

Class Sizes. The administration recognizes the difficulties imposed at the beginning of the year on teachers and will make every effort to adjust class sizes, as far as practical, prior to the commencement of school. Further, efforts will be intensified to balance class assignments, as far as practical, in the planning stage so that overloads can be avoided. The administration will further take into consideration the problems resulting from mainstreaming and will give consideration to any unusual demands required of the teaching staff in these situations.

6.0201 This section, 6.0201, does not apply to Mackinaw High School teachers. Special Education students, when mainstreamed, shall be counted the same as all other students for computation in student-teacher ratios.

6.0210 This section, 6.0210, does not apply to Mackinaw High School teachers. The Board of Education agrees that the ratio of students to teachers at each school unit as listed below shall not be exceeded except for an emergency.

6.0212 This section, 6.0212, does not apply to Mackinaw High School teachers. Overloads may occur on a daily basis in grades K-5. Overloads may occur under two separate circumstances at the Middle School (6-8) and the High School, on an hourly basis and on a daily basis. Each instance must be treated individually at each level.

It is recognized that different degrees of flexibility in scheduling are required at each level. Accordingly, beginning on the sixteenth (16th) student attendance day and continuing throughout the remainder of the school calendar year, overload compensation shall be the greater dollar amount of either hourly or daily.

6.0213 Hourly Compensation

This section, 6.0213, does not apply to Mackinaw High School teachers.

4th -5th grade compensation to be \$8.00 per day per student exceeding a daily ratio of 30:1.

A student who spends a partial day in the classroom will be counted only for the time that student is in the classroom in determining the ratio. (E.g., if the ratio is 30:1, a classroom of 29 students with an additional student who attends from 8:00 AM to 10:00 AM and another student who attends from 9:00 AM to 11:00 AM, the 30:1 ratio will be exceeded by one student for one hour.)

If the ratio is exceeded by less than an hour daily, the time will be accumulated weekly and paid at the prorated rate of \$1.50 per hour per week.

If the ratio is exceeded by at least one hour daily, the teacher will be paid:

- 60-90 minutes overload paid \$1.50/day
- 91-150 minutes overload paid \$3.00/day
- 151-210 minutes overload paid \$4.50/day

*Swimming classes shall conform to the regulations as outlined by the State and the Red Cross.

6.0218 This section, 6.0218, does not apply to Mackinaw High School teachers. It is agreed that a split classroom is an undesirable situation. Teachers volunteering for a split classroom will be considered. In an effort to provide a favorable teaching/learning situation, the class size will be less than the average size of classrooms of grades being combined in that building.

6.0220 Half-day Kindergarten Classes

This section, 6.0220, does not apply to Mackinaw High School teachers. For the purpose of computing a kindergarten ratio per building, a full-time kindergarten teacher shall count as one (1) classroom teacher unit after dividing total kindergarten students by two.

These teachers shall be assigned to the individual buildings as equitably as their efficient use will permit.

Adjustments in the above personnel will be made upward and downward in accordance with available funds. Every attempt will be made to maintain the balanced program agreed to herein.

6.0300 Student-Teacher Assignments

6.0310 No student teacher shall be assigned to a teacher without the supervising teacher's consent.

6.0315 Compensation for the supervising teacher will be determined by dividing the total amount of monies paid by the universities involved by the number of student teachers in Saginaw Township. Each supervising teacher will receive the quotient of the above multiplied by the number of student teachers supervised.

6.0330 Student teachers may only be assigned to tenured teachers or to non-tenured teachers where that teacher has taught four (4) or more years in another district and has taught at least two (2) years in the Saginaw Township Community Schools.

6.0340 Teachers will be assigned a student teacher according to each university's/college's program design and duration.

6.0400 Classroom Temperature

The Board agrees to make every effort to maintain a minimum classroom temperature of 55 degrees. In situations in which classroom temperature is below 55 degrees due to mechanical malfunction or other causes and no relief is probable within a two-hour period, the matter will be presented to the Superintendent or designee, for a decision relative to closing schools.

6.0401 Maintenance of Buildings

It is desirable that buildings be maintained to the best of the District's ability. Every reasonable attempt shall be made to maintain the physical plant and its equipment to the level of maximum efficiency. Such attempt shall be promulgated upon the reporting of any problem areas and the availability of parts or replacement equipment in correcting the reported deficiencies.

6.0500 Building keys shall be allocated to teachers upon request at the discretion of the building principal.

6.0800 Camp Program

Elementary teachers who are required to attend camp will be paid \$50.00 each time they are present for the entire day period and remain overnight. If the teacher is entitled under this paragraph to \$100.00, the teacher may elect to be credited with one (1) personal day in lieu of the \$100.00. If school is canceled for the district pursuant to 18.0200 and teachers continue to work at camp as originally planned (unaffected by the cancellation), the teacher will be credited with an additional personal day, for each such day. Half (½) day cancellations will be treated on a similar basis with the crediting of a half (½) day of personal time.

6.0940 Section not applicable

6.0950 The Master Agreement may not be modified in whole, or in part, except by mutual written agreement by the Association and the Board.

7.0000 ASSIGNMENT AND TRANSFER

7.0100 The Superintendent of Schools shall be responsible for the assignment and transfer of all faculty personnel. Teaching assignments may be changed at the discretion of the Superintendent. The provisions of this Article only limit the Superintendent's discretion in the assignment of ancillary employees. Assignment and transfer of non-ancillary teachers and its effects, if any, on ancillary employees is at the sole discretion of the Superintendent of Schools. Non-ancillary staff is affected by Board Policy 5170, Recruitment and Selection of Personnel.

7.0200 A transfer and change of assignment of an ancillary employee will be on a voluntary basis whenever possible. In the case of involuntary assignment and transfer of an ancillary employee, the consideration and wishes of the employee will be honored to the extent that this consideration does not conflict with the instructional requirements of the school. For non-ancillary employees, the district may consider volunteers for transfer. Whenever an involuntary assignment cannot be avoided, a personal interview prior to June 1 or written notification with the affected party will be held to clarify the reasons for making said assignment. An employee, who has an unrequested move to a new classroom, will be given one (1) personal day in the school year that the employee begins in the new classroom. During that school year, the employee can have the maximum number of personal days as outlined in 12.0310 plus the one additional day for unrequested move (e.g., in the past, 4 days were annually allotted with 1 carryover for a maximum of 5; with an additional day due to an unrequested move to a new classroom, for that year 6 would be the maximum).

7.0210 The requirements of this section only apply to a position held or that could be filled with an ancillary employee. If a position becomes vacant or is created and such position properly falls within the scope of the bargaining unit, as defined in the Article of Recognition of this Master Contract, such vacancy shall be posted for ten (10) days on the district's web site. If the vacancy is filled from within the membership of the bargaining unit, the vacancy created by the successful candidate will be posted for five (5) days. If the second vacancy is filled by a member of the bargaining unit, the vacancy created by this transfer need not be posted. A copy of each posting will be sent to the Association President and Grievance Chairperson, at the time of the posting.

Members with the requisite ancillary certification and qualifications expressing interest in the position or positions will be given first consideration via an interview. Any member who has applied for but not been awarded a posted vacancy may request and is entitled to a meeting with the interview team. This meeting shall be held in a timely fashion.

7.0215 A vacancy exists when there is an ancillary position for which no teacher in the bargaining unit is assigned.

When such a vacancy occurs, the ancillary position will be posted as outlined in Section 7.0210 above.

7.0220 In an involuntary transfer situation involving multiple ancillary employees, the primary consideration for filling positions by another ancillary employee will be district seniority, experience at that level and appropriate accreditation standards for that level. Reassignment of ancillary employees due to layoff will be considered an involuntary transfer. The involuntary transfer of a non-ancillary teacher that affects an ancillary teacher is at the sole discretion of the Superintendent of Schools.

7.0230 Tentative assignments for the ensuing year shall be made prior to June 15th of each year. Changes in assignment which become necessary after this date shall be made only after the faculty person involved has been notified in writing. This notification will be made as soon as practical but no later than five (5) working days after the decision.

7.0300 Whenever vacancies in ancillary positions occur during the normal summer months when regular school is not in session the procedure heretofore outlined shall be followed.

7.0400 Section not applicable

8.0000 REDUCTION IN STAFF

8.0100 It is hereby recognized that it is within the sole discretion of the Board of Education to determine all aspects of layoff, reduction and recall of non-ancillary staff even if affects ancillary staff. Non-ancillary staff is affected by Board Policy 5170, Recruitment and Selection of Personnel.

For ancillary staff, it is hereby recognized that it is within the discretion of the Board of Education to reduce the educational program and curriculum and staff when economic necessity dictates.

In order to promote an orderly reduction in personnel when the educational program and curriculum and staff are curtailed, the following procedure will be used:

8.0105 If the District determines that layoffs are necessary, the District will identify the areas/certifications where the reductions are needed and may ask for volunteers. If an Employee is offered and accepts a voluntary layoff, the Employee will be entitled to:

1. Unemployment Compensation,
2. Recall to any ancillary vacancy for which the ancillary employee is certified and qualified based on seniority unless otherwise filled by a non-ancillary teacher.
3. Request that the employer allow the employee to decline a recall without loss of future recall if there is another employee on the recall list with who is certified and qualified to accept the vacancy
4. Probationary employees will have recall rights four (4) years

- 8.0110** Probationary ancillary employees will be laid off first where any ancillary employee who has successfully completed probation and whose position has been curtailed is certified and qualified to perform the services of the probationary employee.
- 8.0120** In the event teacher(s) must be laid off, notice will be given to the teacher by April 30th of the year. Should the District determine after April 30th of any year that a teacher must be laid off, the District shall notify that teacher as soon as the teacher to be laid off has been determined. Layoff among ancillary employees shall be based on seniority and certification.
- 8.0125** A layoff at Mackinaw High School is defined as the separation from employment with the District because of a reason other than voluntary resignation, physical disability or dismissal for cause. Ancillary employees who have been laid off from Mackinaw High School and who have worked an average of 32 hours over the previous 20 work weeks shall have the opportunity to fill the next available ancillary opening, based on seniority, for which that employee is qualified and certified unless otherwise filled by a non-ancillary teacher.
- 8.0130** The Association shall have the right to review the layoff list prior to notification of the individual teachers to be laid off. In the event of a dispute concerning the layoff list, the Association shall have the right to meet with representatives of the Board concerning the layoff list.

- Ancillary Teachers shall be recalled in inverse order of layoff for new ancillary positions opened for which they are certified and qualified, unless otherwise filled by non-ancillary teachers.
- Probationary teachers shall retain right of recall equal to their seniority or for at least two (2) years from the date of layoff.
- 8.0210** The seniority list for layoff and recall shall be established and attached as Appendix A. (NOTE: The Association has been given the right to develop the seniority list, which will include STEA-originated tiebreakers. This will then become Appendix A).
- 8.0211** Seniority is defined as active time spent as a "teacher" in the school district. Effective as of August 1, 1993, should a member of the bargaining unit voluntarily leave the bargaining unit and then return to the unit, only the years accrued as an active bargaining unit member will be used in determining replacement of position on the seniority list. The new position on the seniority list will be the least senior position at that particular year.
- Seniority standing of the 1992-93 year will not be affected.
- 8.0212** In computing services to determine the faculty's position on the seniority list, time spent on an unpaid leave shall not be counted as active service in the school district, except regular faculty who is called into active duty by the defense forces of the United States for service or training shall, upon return from such active duty, be reinstated with full credit on the seniority list.
- 8.0213** Seniority shall not be accrued by a substitute teacher unless he/she is under contract with Saginaw Township Community Schools Board of Education as a permanent substitute teacher.
- 8.0220** It is expressly understood and agreed that the provisions of this Article are not subject to the grievance procedure unless the Board's action is arbitrary and capricious.
- 9.0000 TEACHER RIGHTS**
- 9.0100** Nothing contained herein shall be construed to deny or restrict to any teacher rights they may have under the Michigan General School laws or applicable civil service laws and regulations.

The rights granted to teachers hereunder shall be deemed to be in addition to those provided elsewhere.

- 9.0200** The teachers shall be entitled to full rights of citizenship and no religious or political activities of any teacher or the lack thereof shall be grounds for any discipline or discrimination with respect to the professional employment of such teacher. The private and personal life of any teacher is not within appropriate concern or attention of the Board, unless such activities adversely affect the teacher's classroom efficiency or performance.
- 9.0300** All written reprimands or docking of pay of an ancillary teacher shall be for just cause. All written reprimands or docking of pay of a non-ancillary teacher will only be for a reason that is not arbitrary or capricious. Any teacher protesting the reprimand or such docking of pay may file a grievance and process it to and including binding arbitration.
- 9.0310** Any disciplinary or corrective actions taken against a teacher shall be conducted in private except in situations involving protection of students or property.
- 9.0320** Any complaints made against a teacher or person for whom the teacher is administratively responsible by any parent, student, or other person will be promptly called to the attention of the teacher if such complaint is to be used as a basis for any disciplinary action against the teacher.
- 9.0400 Personnel Records**
- 9.0410** No material regarding a teacher's conduct, service, character or personality shall be placed in the file unless the teacher has had an opportunity to read the material.

- 9.0500 Evaluation of Faculty Personnel**
- 9.0505** Each faculty member is expected to meet the Standards for Effective Teaching detailed in the Evaluation and Professional Growth Plan. Evaluation of non-ancillary teachers is subject to change as decided by the district. Non-ancillary teachers are affected by Board Policy 5520, Evaluation.
- 9.0510** The Administration shall evaluate the performance of ancillary employees in accordance with the timelines established in the Evaluation and Professional Growth Plan. Such timelines shall apply for non-ancillary teachers unless the district changes the plan and/or the timelines.
- 9.0520** The results of such evaluation shall be communicated in writing to the employee.
- 9.0530** The ultimate decision of retaining a Probationary employee rests solely with the Administration and is not subject to any other provision under this Agreement. Ancillary employees will serve a probationary period that is the same number of years as that of a new probationary teacher in effect when the ancillary employee was hired (e.g., if hired in September 2011, 5 years).
- 9.0540** Each newly hired employee will be provided a copy of the evaluation instrument at the teacher workday held at the beginning of the school year.

Any changes in the evaluation form for ancillary employees will be made through a joint committee of Saginaw Township Education Association, Saginaw Township Administrators Association, and the Board of Education. These changes shall be made prior to October 15th and the faculty will be informed, in writing, of any changes.

9.0600 Assistance in Assault Cases

9.0610 Any case of assault upon a teacher in pursuit of the teacher's duties shall be promptly reported to the Board of Education or its designated representative. The Board will provide legal counsel to answer questions, and after counsel, to advise the teacher of his/her rights and obligations with respect to any unprovoked assault and shall render all reasonable assistance to the teacher in connection with handling of the incident by law enforcement and judicial authorities.

9.0620 If any teacher is complained against or sued by reason of disciplinary action taken by the teacher against a student, the Board will provide legal counsel and render all necessary assistance to the teacher's defense, provided the teacher was performing his/her duties in accordance with Board and School policies.

9.0700 Damage or Destruction to Property

Teachers shall not be held responsible for loss within the school of school property or children's property when such loss is not the fault of the teacher. The Board recognizes vandalism as a problem area where parking is shared by staff and students. A designated staff parking area will be identified at schools where vandalism has occurred. Such areas will be supervised.

9.0720 The Board will reimburse a teacher, in an amount not to exceed a total of \$100.00 in any school year, for loss or damage or destruction while on duty in the school of personal property of a kind normally worn or brought into school, when the teacher has not been negligent, to the extent that such loss is not covered by insurance.

9.0730 The term "personal property" shall not include cash. The term "loss," "damage," and "destruction" shall not cover the effects of normal wear and tear and use.

9.0740 Teachers who bring personal property into the school for classroom use will be reimbursed for damages or loss only if permission is received in writing from the principal to bring such property into the school. Forms will be provided for permission to bring property into the classroom. The amount of liability accepted by the school will be indicated in writing.

10.0120 Written application for such leave shall be made by the employee, addressed to the Superintendent of Schools, who shall upon receipt of same, make such investigation as may be necessary to determine to the best of his/her ability if the granting of such leave would serve not only the interests of the faculty person but also of the school district.

10.0130 Such leave of absence shall be without compensation from this school district, except as may be determined otherwise by the Board of Education.

10.0170 In computing service to determine the faculty person's position on the salary schedule at the expiration of the leave, time spent on leave shall not be counted as active service in the school district, except that the Superintendent of Schools may at his/her discretion allow part or all of such time for the following leaves:

- Professional study
- Temporary teaching assignment outside the district
- Travel

10.0200 Types of Leaves of Absence

The Sick Bank Committee is responsible for the process of soliciting the membership for donated days. The Sick Bank Committee will hold a lottery drawing if more days are donated than approved for use by the Sick Bank Committee.

The Sick Bank Committee shall notify the applicant of its decision in writing. Any days granted would be by a majority decision of the Sick Bank Committee.

11.0600 Personal Illness

- 11.0610** For absence resulting from personal illness or injury and not exceeding two (2) consecutive days, approval of the principal will suffice.
- 11.0611** After consultation with the STEA President or designee, the District may ask for a satisfactory medical affidavit for a one or two day absence.
- 11.0612** Satisfactory medical affidavit to the effect that the absence was caused by illness may be required for illness of more than two (2) days.
- 11.0613** Employees who have been absent because of personal illness for more than two weeks, before returning to duty, may be required to submit satisfactory medical evidence of ability to perform their duties. This evidence may be either a signed statement from their personal physician or a signed statement by a physician designated by the Superintendent.

11.0620 Quarantine

- 11.0621** In case of quarantine because of exposure to contagious disease, which could be communicated to other personnel or pupils, the approval of a physician must be presented for the entire period of absence.

11.0630 Illness in the Immediate Family

If the teacher chooses the latter, the days of sick leave drawn will be chargeable to the teacher's sick leave accumulation.

11.0800 Reporting Absences

- 11.0810** The teacher shall be informed of a telephone number to call prior to 7:00 a.m. to report unavailability for work. Whenever possible teachers should give the maximum amount of notice when they become aware that they will not be available for duty.
- 11.0820** If an outside substitute is required and the district is required to pay the substitute .5 day pay, then the employee will be charged .5 day against the appropriate time off. If the district is required to pay the substitute a full day, then the employee will be charged a full day against the appropriate time off.

If the teacher does not cancel a substitute and the district is required to pay the substitute because the teacher failed to cancel the assignment and the teacher chooses to work rather than being charged a portion of a personal day, the STEA will reimburse the district. Such reimbursement will not exceed the total cost of seven substitute days each school year.

- 12.0122 Upon request to Human Resources, teachers will be solicited for their willingness to donate personal days so all time off pursuant to 12.0121 will be with pay. Employees will be advised when their personal day donation is accepted. An accepted day is treated as a day used by the donating employee.

12.0200 Death of Faculty Personnel

- 12.0210 At the discretion of the Superintendent, the school shall be closed in the case of the death of faculty personnel.

Application for personal days shall be made on a form provided by the District and submitted to the principal or immediate supervisor at least 48 hours in advance of the requested absence date. Other extenuating circumstances will be considered by the Administration. The Administration has the right to approve or deny the use of all personal days. 12.0320 Disposition of Unused Days

A teacher has several options for the disposition of unused personal days. Those options include carrying one day forward to the next school year, receiving a cash payment for days, converting the days to sick days, and contributing a day to the STEA President's release time. Teachers may choose a combination of these options on the form provided by the District.

To be paid for unused personal days, a written request for payment must be made to the Human Resources department within five (5) days of the end of the semester for which the teacher is requesting payment

A teacher who has any personal days remaining at the end of the second semester may surrender up to five (5) days for cash value based on one of the following:

13.0000 CONFERENCES

Employees, with the approval of the Superintendent, may be allowed, without loss of pay and reimbursed reasonable expenses, to attend special educational and professional conferences. Application to attend such a conference should be made to the Principal at least ten (10) days in advance. It is the Board's position that such permission will be granted in accordance with past practice provided it is within the budgetary limitations of the district. Conference funding will be distributed through the year and between academic areas as equitably as possible.

14.0000 GRIEVANCE PROCEDURE

Definition: A grievance shall mean a complaint by a teacher that there has been to him/her a violation, misinterpretation, misapplication or inequitable application of a specific provision(s) of this Agreement, except that the term "grievance" shall not apply to any matter as to which a method of review is prescribed by law. As used in this Article, the term "teacher" may mean a group of teachers having the same grievance.

All time limits and/or steps may be waived by mutual consent of both parties providing such consent is in writing.

- 14.0100** The teacher who feels that he/she has a grievance should first take the matter up verbally with the Principal of the school (within ten (10) working days following the act or condition which is the basis of the teacher's grievance), who will attempt to resolve it with the teacher.
- 14.0120** If this fails to resolve the grievance, the teacher shall submit the grievance in writing, within thirty (30) working days, specifying the section of the contract alleged to be violated, the events that caused the alleged violation, and the alleged violation, and the remedy sought.
- 14.0130** Within five (5) working days of receipt of the written grievance, the Principal shall attempt to arrange a conference with the view of satisfactorily resolving the grievance. At the time of conference, the teacher may appear personally or may be represented by the Association representative, or both. Such conference may be scheduled by the administration during regular working hours, without loss of pay to the grievant. Conferences shall not be scheduled at a time that would result in disruption of normal school routine and duties. The principal will answer the grievance in writing within five (5) working days of the conference.
- 14.0140** If the parties do not mutually agree to extend the five (5) day limit and the Principal does not answer within the five (5) days, then the grievance shall be automatically appealed to the next level.
- 14.0150** If the grievance is not appealed from the written answer within five (5) working days after receipt of such answer, the Principal's decision will be final.
- 14.0160** If the Association does not accept the Principal's written answer, the grievance may be appealed to the Superintendent of Schools by sending such notice in writing to the Superintendent within five (5) working days from the date of the Principal's written decision.
- 14.0170** Within ten (10) working days of receipt of the written appeal, the Superintendent, or a designated representative, will arrange for a conference to satisfactorily resolve the grievance. Such conference may be scheduled by the administration during regular working hours, without loss of pay to the grievant. Conferences shall not be scheduled at a time that would result in disruption of normal school routine and duties.
- 14.0180** Within ten (10) working days, or longer if mutually agreed to, the Superintendent, or a designated representative, shall answer such grievance in writing.
- 14.0190** Such answer shall be final and binding unless appealed to the next step within twenty-five (25) working days from the date of the Superintendent's written decision.
- 14.1000** If the grievance is not settled at the preceding step it may be submitted to binding arbitration at the election of either party, by providing written notice of the intent to arbitrate to the other party. Such notice must clearly indicate the grievance being submitted. During the ten (10) work days following receipt of such notice, the parties will try to mutually agree to an arbitrator. If they are unable to agree during that time, within twenty (20) work days thereafter, the party submitting the grievance, will submit a demand to the American Arbitration Association. The arbitrator shall be chosen in accordance with the rules of the American Arbitration Association.
- 14.1010** Within ten (10) days after submission to binding arbitration as specified in 14.1000 above, the party choosing to arbitrate must provide the other party with written notice setting forth the specific nature of the dispute to be arbitrated.
- 14.1020** The Agreement constitutes a contract between the parties which shall be interpreted and applied by the parties and by the Arbitrator in the same manner as other collective bargaining agreements. The function and purpose of the Arbitrator is to determine disputed interpretations of specific provisions in the Agreement, or to determine disputed facts upon which the

application of the Agreement depends. The Arbitrator shall, therefore, not have authority, nor shall it consider its function to include, the decision of any issue not submitted or to so interpret or apply the Agreement as to change what can fairly be said to have been the intent of the parties as determined by generally accepted rules of contract construction. The Arbitrator shall not give a decision, which in practical or actual effect modifies, revises, detracts from, or adds to, any of the terms or provisions of this Agreement. Past practice of the parties in interpreting or applying terms of the Agreement can be relevant evidence, but may not be used so as to justify, or result in, what is in effect a modification (whether by addition or detraction) of clear and unambiguous written terms of this Agreement.

- 14.1030** Unless expressly agreed to by the parties, in writing, the Arbitrators are limited to hearing one issue or grievance upon its merits at any one hearing. Separate Arbitrators shall be selected for each grievance appealed to binding arbitration.
- 14.1040** The fees and expenses of the third party impartial arbitrator shall be shared by the parties equally. All other expenses incurred shall be paid for by the party incurring them.
- 14.1100** The term "days" when used in this Article shall mean workdays, or during the summer months, days when the administration office of the Board is open for business.
- 14.1200** Any claim or grievance arising prior to the expiration of this Agreement may be processed through the grievance procedure until resolution even though the Agreement may have expired while the grievance is in progress.
- 14.1300** Grievances filed as Class grievances shall be initiated at the Superintendent level of the Grievance Procedure. The Superintendent shall retain the discretion to remand a Class grievance to prior steps of the Grievance Procedure, but shall not remand as a subterfuge to violate the time provisions provided within this Article.

Re: Sections 6.0154, 6.0155, and 6.0156

Pursuant to the grievance resolutions for grievances from various special education teachers, The Saginaw Township Community Schools (hereinafter "STCS") and the Saginaw Township Education Association (MEA/NEA) (hereinafter "STEA") agree that:

In recognition of the fact that there is a difference between "self-contained" special education classrooms and other classrooms, the provisions of Sections 6.0154, 6.0155 and 6.0156:

Do not apply to self-contained special education classrooms where the students are not taking course work leading to a high school diploma.

Do apply in self-contained special education classrooms where the course leads to a high school diploma in that each listed course on the student's schedule will be counted as a preparation, subject to:

If the course is co-taught because the special education teacher is not certified or qualified, including under No Child Left Behind (N.C.L.B.), that course will be counted as half a preparation.

If the teacher has more than four preparations in a 5 hour schedule, the teacher will be compensated in accordance with the collective bargaining agreement the same as a general education teacher would, provided that a half preparation will be only paid as half of an additional prep.

These changes include:

- a. The forty (40) minute lunch provided in 6.0120 is only 35 minutes.
- b. The eight (8) hour day, inclusive of an unpaid lunch, provided in 6.0110 will be 7¾ hours, inclusive of an unpaid lunch.
- c. The fifty-two (52) minute period provided in 6.0151 has been altered to six periods that are fifty (50) minutes and one period that is fifty-five (55) minutes. The additional five minutes will be used for announcements.

Re: Prohibited and Illegal Subjects of Bargaining

The Saginaw Township Education Association and Saginaw Township Community Schools are parties to a collective bargaining agreement. They have recently negotiated an agreement through July 31, 2017.

During the course of negotiations, the parties reviewed recent legislative changes that have affected their bargaining relationship, e.g., Public Acts 100, 101, 102 and 103 of 2011. While some of the effects of such changes are self-evident others are not. The parties have arrived at this collective bargaining agreement using their best judgment concerning these changes, while realizing that they have may not have captured all of the nuances attributable to such changes. In recognition of this situation, the parties agree that should a grievance arise and there is a claim that the alleged contractual violation involves a prohibited or illegal subject of bargaining, that matter will be determined by the Michigan Employment Relations Commission (MERC) prior to being heard by an arbitrator.

While, probably already covered by the original Letter of Agreement, the parties specifically acknowledge that the review set forth in 17.0130 in no way limits the employers' ability to make changes as allowed or required by PA 152 of 2011 and/or the Public Employment Relations Act, PA 336 of 1947 as amended. This paragraph is added to this Letter of Agreement as part of the Economic Re-opener of 2014 ratified on or about May 11, 2015.

Re: Cyber Classroom

The SAGINAW TOWNSHIP COMMUNITY SCHOOLS (hereinafter referred to as the "Employer" or the "School District") and the SAGINAW TOWNSHIP EDUCATION ASSOCIATION (hereinafter referred to as the "Association") agreed to resolve the Cyber Classroom Grievance, Grievance No. 0910-003, filed on January 25, 2010, by setting forth their understandings on how the classroom will operate in the future. Those understandings continue and are:

1. The Cyber Classroom was established in the fall of 2009 as both a pilot project and as an innovative use of technology for the delivery of educational services. The classroom was structured as a six (6) hour a day classroom and designed to allow students to take approved courses online. The structure of the Cyber Classroom did not require the teacher to plan lessons, present educational content or determine grades. Rather, the staff member was required to work with individual students to facilitate their learning through the use of technology.
2. The School District has maintained a position that the teacher in the Cyber Classroom is not subject to the various provisions of the collective bargaining agreement governing such things as class size, teacher-pupil ratios, planning periods, the number of classes taught and similar issues. The Association has maintained that, notwithstanding the provisions of the Public Employment Relations Act, MCL 423.215, matters relating to the working conditions of the teacher in the classroom remain subject to collective bargaining.
3. The Association and the School District agree that the Cyber Classroom teacher (including the incumbent teacher and any other teacher assigned) may continue to be employed under the structure and conditions as originally developed and implemented in the fall of 2009. However, the Association's agreement to allow this to continue is considered without prejudice to the Association's position that the position is subject to collective bargaining. However, as long as the Cyber Classroom teacher continues to function under the current structure, and in the absence of any substantial change to the position related to lesson planning, content presentation and grading, the School District may continue to operate the position under its current structure and the provisions of the collective bargaining agreement related to planning periods, class size, pupil-teacher ratios, overload pay, number of classes taught and similar issues shall not be considered applicable to the teacher in the Cyber Classroom.
4. The School District agrees that, in consideration for the Association's agreement set forth in this resolution, the grievant was paid the amount of \$1000 representing a compromise of any compensation the teacher may otherwise have been entitled to under the collective bargaining agreement for overload pay, lack of planning or preparation and the number of class periods taught during the school day. That payment shall represent a one-time payment of compensation to the teacher and shall not be required in future years.
5. In the event a teacher who is assigned to the Cyber Classroom for a total of 7 hours per day has more than 290 students per day aggregate total for the entire semester, the teacher shall receive a stipend in the amount of \$500 per semester. In the event a teacher who is assigned to the Cyber Classroom for a total of 7 hours per day has more than 340

students per day aggregate total for the entire semester, the teacher shall receive a stipend in the amount of \$1000 per semester.

6. In the event the class size during any hour exceeds 45, the assigned teacher may request assistance. The School District will consider the request taking into account such factors as the total learning environment and any specific challenges related to student behavior that may impact the learning process for all students in the classroom. In the event the class size during any hour meets or exceeds 55 students, assistance will be provided. The School District reserves the right to determine the type of assistance to be provided and may select any reasonable method of assistance including the assignment of an instructional assistant, paraprofessional or substitute teacher.
7. The Association agreed to withdraw Grievance No. 0910-003 and to consider its resolution agreement as a full, final and complete agreement of any and all issues related to the School District's creation of the Cyber Classroom and staffing of the position.
8. This agreement shall expire on July 31, 2017 unless specifically renewed by mutual agreement.
9. This agreement shall not be considered to establish a precedent nor shall this agreement be construed in a manner suggesting that the School District has relinquished any of its rights set forth in the School Code or the Public Employment Relations Act (PERA) including the provisions of Section 15 of PERA.
