ARTICLE 1

AGREEMENT

This agreement is entered into effective June 9, 2004 by and between the Ann Arbor Board of Education, hereinafter called the "Employer" and the Ann Arbor Education Association of Paraprofessionals, hereinafter called AAEP/P or the "Association".

ARTICLE 2

RECOGNITION

- A. The Employer hereby recognizes the Association as the exclusive bargaining representative as defined in the Public Employment Relations Act of the Public Act of 1947, as amended, for all regularly scheduled full-time and regularly scheduled part-time employees who work a minimum of (2) hours per day and six (6) hours per week in the positions as listed in Appendix C, excluding substitutes and all other employees.
- B. Unless otherwise indicated, the term "employee" when used hereinafter in this Agreement shall refer to all members of the above-defined bargaining unit.

ARTICLE 3

MANAGEMENT RIGHTS

- A. Except as specifically limited in this Agreement, the Employer retains the sole right to manage its business, including the rights:
 - 1. To decide the number and location of its schools and other buildings and program areas (establishments) and to open new ones and close or discontinue existing ones;
 - 2. To determine, from time to time, the educational, recreational, childcare, and other programs, and the equipment and supplies for each establishment;
 - 3. To set, from time to time, the opening and closing days and hours of each establishment and, correspondingly, the beginning and end of the regular shift of employees working at such establishment;
 - 4. To maintain order and efficiency in each establishment and schedule work at each establishment for employees not regularly assigned thereto;
 - 5. To determine the number and classifications of its employees and to hire, lay off, assign, transfer, promote and discharge or otherwise discipline employees;

6. To establish and enforce work standards which shall be set on the basis of normal working conditions, the quality of workmanship to be accomplished and the normal working capacities of normal experienced employees;
7. To assign employees temporarily to work outside of their normal job classifications and to employ part-time workers. Before said assignment is made however, the Employer shall first meet with the Association to discuss the matter.

NOTE: The right to contract work out includes the right to use volunteers.

8. To make reasonable rules and regulations from time to time for the purpose of maintaining order, safety, and efficiency and, after notice to the Association and the employees, to require compliance therewith;
 9. To assign overtime and, in emergencies, to call employees to work prior to their regularly scheduled starting time or to require work during normally scheduled rest or lunch periods. Emergency shall be defined as an unanticipated situation.
- B. Terms and conditions of employment and other rules and regulations concerning employee conduct not provided for in this Agreement will be governed by the applicable rules and regulations of the Board. Any revisions to the present disciplinary rules and regulations shall not be inconsistent with the provisions of this Agreement and shall be implemented only after due notice to the Association.
- C. The Board and administrative staff shall be free to exercise all of its managerial rights and authority to the extent permitted by law, provided, however, that no actions shall violate any of the express terms of this Agreement and no rules and regulations shall be adopted or revised which shall violate any of the express terms of this Agreement.

ARTICLE 4

GRIEVANCE PROCEDURE

- A. A grievance shall be defined as an alleged violation, misinterpretation, or misapplication of the express terms of this Agreement. A grievance may be filed by a directly affected employee, or a group of employees, or on behalf of the Association
- B. All grievances must contain the following items:
1. The provision allegedly violated;
 2. The date of the alleged violation;
 3. A description of the incident or occurrence giving rise to the grievance;
 4. A statement of how the employee' contractual rights were allegedly violated by the Employer's action and the relief sought;
 5. A list of those witnesses having personal first hand knowledge of the incident or occurrence giving rise to the grievance;

6. The signature of the grievant(s) or a representative of the Association.

C. Procedure

Employees are encouraged to discuss concerns informally with their immediate supervisor. If this does not result in a prompt resolution and the employee (hereinafter also called the grievant) desires to invoke the grievance procedure, he/she shall proceed as described in the following paragraphs.

1. Level 1

Written notice of the grievance shall be delivered to the appropriate administrator, the representative for Administrative Services, and the Association within fourteen (14) calendar days after the date on which the alleged grievance occurred, or on which the grievant first learned or should have learned of its occurrence. Within fourteen (14) calendar days of receipt of such notice, the appropriate administrator shall meet with the grievant and representatives of the Association in an effort to settle the grievance. The administrator shall deliver a decision in writing to the Association's representative and the grievant within fourteen (14) calendar days after such meeting.

2. Level 2

If the Association is not satisfied with the decision of the appropriate administrator, or if no decision has been delivered in the time allowed in Section 1, written notice of appeal signed by a representative of the Association shall be delivered to the Superintendent or his/her designee within ten (10) calendar days thereafter. Within fourteen (14) calendar days of receipt of such notice, the Superintendent or his/her designee shall meet with the grievant and a representative of the Association in an effort to settle the grievance. The Superintendent or his/her designee shall deliver his/her decision in writing to the grievant and the Association's representative within fourteen (14) calendar days after such meeting.

3. Timelines

When the representatives of the Employer and the Association agree that a delay in the resolution to a grievance would create a harmful situation or make the problem more difficult, they may waive the above timelines and immediately meet to seek a prompt resolution.

4. Arbitration

If the Association is not satisfied with the decision of the appropriate administrator, or if no decision is delivered in the time allowed in Section 2, written notice of a Demand for Arbitration shall be delivered to the Board's Deputy Superintendent for Administrative Services within thirty (30) calendar days thereafter. Within ten (10) calendar days of receipt of such Demand, the Deputy Superintendent for Administrative Services shall communicate with the Association's designated representative in an effort to mutually select an arbitrator to hear the matter. If the parties cannot agree within such ten day period, the Association shall have ten (10) calendar days to file its Demand for Arbitration with the American Arbitration Association ("AAA") with a copy to the Board's Deputy Superintendent for Administrative Services. Thereafter, the appointment

of the arbitrator and the arbitration proceeding shall be conducted in accordance with the procedures of AAA.

5. The rules and regulations of the American Arbitration Association shall be followed by the parties and the arbitrators whenever applicable. Where there is no specific contract language, the arbitrator shall not substitute his/her judgment for that of the Board or its designee. The arbitrator shall have no authority to alter, add to, or subtract from the terms of this agreement. In addition, the arbitrator may not rule on cases involving interpretation of law, evaluation, or the termination of probationary employees. The award of the arbitrator binds both parties. The parties shall share the fee and expenses of the arbitrator equally.
- D. All days in this provision shall mean calendar days. Vacation periods during the school year or holidays during the summer shall not count as days for purposes of this article.
- E. If the Association fails to abide by the time lines set forth, the grievance shall be deemed settled with the last Employer position filed. If the Employer fails to abide by the time lines, the Association may appeal to the next step in the procedure.
- F. Time limits may be extended by mutual agreement.

ARTICLE 5

ASSOCIATION RIGHTS

A. Special Conferences

Special conferences will be arranged between representatives of the Employer and the Association, at mutually agreeable times, which will not interfere with the normal duties of the employees.

B. Bulletin Board and School Mail

The Association shall be permitted to use currently existing bulletin boards designed for such use. In addition, the Association may use school mail for routine correspondence provided such correspondence does not advocate interference with the performance or duties of any employee(s) in the District.

C. Use of Facilities

The local Association may use the Board of Education building facilities at reasonable times and hours for meetings when such buildings are available and operating staff are on duty. The request for building use must be made to the building administrator. The President of the Association may request use of Board of Education equipment, so long as such use does not interfere with the operation of the Board of Education and the Association reimburses the Board for the costs of materials and supplies used.

D. Association Representation

The Association shall notify the Employer of the names of officers and staff of the Association. Up to two (2) of these individuals shall be authorized to investigate and present grievances to the

Employer. If the Employer agrees to meet with the Association representatives during their normal workday, they shall be released from work without loss of pay or benefits after the exhaustion of Association leave time. The Association shall notify the Employer who is authorized to investigate and present grievances to the Employer.

E. Access to Information

The Employer agrees to furnish to the Association, in response to reasonable requests from time to time, all readily available public information concerning the financial resources of the District, a copy of the adopted budget and such other readily available public information as will assist the Association in developing contract proposals and in processing any grievance or complaint. The Association will provide the Employer with a copy of the Association constitution and bylaws and any changes thereto as they occur.

Copies of this agreement shall be printed at the expense of the Employer and provided to all bargaining unit members now employed or hereinafter employed. The Employer shall provide the Association with fifteen (15) additional copies of this agreement.

F. Association Leave

The parties agree that Association leadership is an integral part of resolving conflicts regarding employment issues, providing representation for members in various meetings with the administrators, and reaching agreement on local contracts. The Employer also recognizes that the leadership has responsibilities to the organization from time to time. To those ends, the Employer shall permit the Association President or his/her designee release time of eight (8) hours per month for handling these and other such tasks. However, the time cannot exceed eight (8) hours in any given month unless there is mutual agreement with the administrative supervisor that the absence will not interfere with the educational process. This time will be permitted after first obtaining permission from his/her administrative supervisor prior to leaving the work site on Association business and notifying the administrative supervisor at the destination. The Association representative will also contact the Office of the Deputy Superintendent for Administrative Services to log in the amount of time used on each occasion.

G. Association Security

1. Membership in the Association is not compulsory. Regular employees have the right to join, not join, maintain or drop their membership in the Association, as they see fit. Neither party shall exert any pressure on nor discriminate against any employee in such matters.
2. All employees in the bargaining unit recognized by this contract shall, pay the Association, the employee's exclusive collective bargaining representative, either dues or service fees, commencing 60 days following their last date of hire.
3. If any provisions of the article are invalid under Federal Law or Laws of the State of Michigan, such provisions shall be modified to comply with the requirements of Federal, State, and Local Law or shall be renegotiated for the purpose of adequate replacement.

4. Dues/Service Fee Deduction

- a. The Employer agrees to deduct from the pay of any employee dues or service fees, provided the Association presents an authorization to the Employer, signed by the employee, allowing such deductions and payments to the Association.
 - b. Payroll deductions shall be taken in twenty (20) equal deductions beginning with the second paycheck in September and continuing through the twentieth (20th) consecutive paycheck. Employees for whom deductions are commenced after the beginning of the school year will have their deductions prorated over the remaining paychecks in the dues deduction period for that year.
 - c. The amount of deductions for a year will be certified to the Employer by the Association by August 1 of that year. Deductions for a specific paycheck will only be made if the authorization of fee payer notification is received by the Employer at least ten (10) days prior to that pay date. It shall be the responsibility of the Association to collect dues from those individuals whose authorizations or fee payer notice are not received by the deadline.
 - d. The Employer agrees to remit to the Association all monies deducted accompanied by an alphabetized list of employees from whom deductions have been made.
 - e. It shall be the responsibility of the Association to return duplicate or overpayments to an employee. It shall be the responsibility of the Association to handle all complaints and demands for refund by an employee.
 - f. Any special assessments or penalties imposed by the Association upon its members shall be collected by the Association.
 - g. Service fees shall be determined by the Michigan Education Association in accordance with the law and Federal Court decisions, and shall be reported by the Association as provided in Section 4(c) above.
 - h. The Association shall indemnify and save the Board harmless against any and all claims, demands, suits or other forms of liability that shall arise out of or by reason of action taken or not taken for the purpose of compliance with the provisions of this article.
5. The Employer shall provide each employee immediately upon employment a copy of the Master Agreement and an information packet provided by the Association. The Employer shall provide the Association with the name and assignment of each new employee within ten (10) workdays of employment.

ARTICLE 6

EVALUATION

- A. Evaluation of employees may be conducted as determined by the Employer.
- B. If an evaluation is to be conducted, the employee will be given a copy of the Employer established criteria prior to the commencement of the evaluation period.
- C. The criteria and format will be determined by the Employer. (Appendix D represents the criteria and format in use as of the date of this Agreement.)
- D. All employees shall receive a copy of their evaluation(s) and be given an opportunity to sign the evaluation.
- E. Evaluations, where applicable, will include input from District employees who provide direction to bargaining unit employees and shall be signed by the supervising administrator.
- F. Employees shall be given an opportunity to attach a written statement to the evaluation, but evaluations shall not be grievable.
- G. A satisfactory evaluation is one, which has no ranking below a 3 on a 4-point scale. If a different scale is used, these rankings will be interpolated to maintain this concept.
- H. Supervisors in the bargaining unit shall not be required to evaluate other bargaining unit members.

ARTICLE 7

SENIORITY

- A. Seniority shall be defined as the length of continuous service in the bargaining unit.
- B. Probationary employees shall have no seniority until satisfactory completion of the probationary period at which time seniority shall revert to their last date of hire. Employees commencing work on the same day shall be ranked for purposes of seniority based upon the last four (4) digits of their social security number, the employee having the higher number being accorded the greater seniority.
- C. Leaves of absence and periods of layoff for the period of recall shall not be considered breaks in service but shall not add to seniority.
- D. Once each year the Employer shall prepare and send to the Association a seniority list of all bargaining unit members, which shows date of hire into a bargaining unit position. The Employer shall notify the Association of each new hire for bargaining unit positions.

- E. An employee will lose his/her seniority and his or her employment for reasons including:
1. The employee quits or retires,
 2. The employee is discharged and discharge is not reversed,
 3. The employee fails to return to work upon expiration of a leave of absence or when recalled from layoff as set forth in the recall procedure, and
 4. Any other discharge or termination.

ARTICLE 8

VACANCIES, TRANSFERS, AND PROMOTIONS

A. Postings

Except for child care positions, whenever a vacancy in any position covered by this agreement shall occur during the school year, it shall be posted in each building for five (5) days. During the summer, position(s) shall be posted in the Administration Building. A copy of the posting(s) will be sent to the Association and interested employees may apply for posted vacancies by the deadline.

B. Child Care Workers - Spring Application

Each Spring, the Board shall invite all childcare workers to submit application for positions with different hours at a different location, or for childcare assistant or supervisor positions, which might become vacant during the summer for the next school year. At any time during the school year, an application may be submitted for any position, which may become vacant during the school year. The Board shall first consider all such applications when filling vacancies, for which the childcare workers have applied. Applications must be renewed each spring.

C. Application

Any employee may apply for such a vacancy. In filling a vacancy, decisions will be based upon the needs of the position, qualifications, seniority, personal interview, experience, letters of recommendation, and most recent evaluation if the employee has been evaluated within the last 3 years.

Upon successful completion of the trial period, an employee may apply for any subsequent vacancy for which he/she is qualified in accordance with the provisions of this Agreement.

D. Transfer to a New Classification

A one (1) year trial period shall apply to all transfers to a new classification.

During the trial period, an employee may return or be returned to a vacant position in his/her former classification, at the Employer's discretion. Reversion shall not occur after 90 workdays unless the employee has been evaluated within 30 workdays of the reversion.

Upon successful completion of the trial period, an employee may apply for any subsequent vacancy for which he/she is qualified in accordance with the provisions of this Agreement.

E. Lateral Transfer

In cases of transfer within the same classification, within 10 workdays after assuming the position, the employee or the Employer may request to return the employee to his/her former position. If the former position does not exist, the employee may be placed in the next available vacancy in the same classification, at the Employer's discretion. Requests made after 10 workdays, up to 60 calendar days, will be determined on a case-by-case basis by the Deputy Superintendent of Administrative Services.

An employee who receives a lateral transfer may not apply for any subsequent vacancies for a period of 60 calendar days.

F. Involuntary Transfers

The parties agree that involuntary transfers of employees should be minimized, but the parties recognize the right of the Employer to make involuntary transfers as needed. Individuals who are transferred to a lower paying classification will not, as a result of this involuntary transfer, suffer a loss of pay for a period of 90 calendar days. For employees involuntarily transferred after September 30, this save pay period shall be until the end of the work year, or ninety (90) calendar days, whichever is greater. At the end of save pay period, the employee shall be paid at the rate and hours of the position then held. Childcare workers who are involuntarily transferred to positions with fewer hours per week will not have their hours reduced for a period of 90 calendar days. For childcare workers involuntarily transferred after September 30, this save pay period shall be until the end of the work year, or ninety (90) calendar days, whichever is greater. At the end of 90 calendar days, the childcare worker shall be paid for the number of hours he/she is working.

G. Protection for Special Education Paraprofessionals

Special education paraprofessionals may be protected from transfer by more senior staff by the building administrator and one other administrator who is in the Instructional Division, chosen by the Association, based upon the need for maintaining the relationship between one or more specific students and a special education paraprofessional and adherence to a written list of duties provided at the time of assignment to the student. Such protection must be with certification by the administrators that a change in paraprofessionals for the following year would be detrimental to any student's education. During such deliberations, Association members will have the right to submit written information and argumentation about the matter.

H. Reduction of Hours

If a position experiences a reduction in hours per day which results in a reduction of F.T.E., the employee in that position will have the right to transfer to the next available vacancy, which represents an increase in F.T.E., within that job classification for which he/she is qualified. If an employee wishes to move to a different job classification, he/she may apply and be given preference over outside applicants provided he/she is qualified for the position and has a satisfactory evaluation.

If the administrator supervising the new position has objections to the possible placement, she/he may present those objections in writing to the Office of Human Resource Services and to the employee. If the employee wishes to challenge the written objections, he/she may submit a written statement to the Office of Human Resource Services and the supervisor, and may also request a meeting to discuss the objections. A representative of the Office of Human Resource Services will review the objections and any response, and will decide on convening any requested meeting. If the representative of the Office of Human Resource Services determines that the objections are valid, the employee will not receive the placement, but will be eligible, using the same process, for subsequent placement. This right shall continue for the remainder of the school year.

I. Temporary Employees

The Board may employ individuals not presently a member of the bargaining unit to fill temporary and/or newly created positions, which may last up to ninety (90) workdays. Individuals employed in a temporary or newly created position will not be entitled to placement into a bargaining unit position upon expiration of the temporary or newly created position.

ARTICLE 9

EMPLOYMENT STATUS

- A. Probationary - An employee who has not completed one (1) year of continuous service in her/his latest assignment. If at any time during the probationary period a newly hired employee's work performance is unsatisfactory, he/she may be dismissed without right of appeal by the employee or the Association.
- B. Federal and/or State Funded Employees - Federal and/or State funded employees in bargaining unit positions will be covered by the terms and conditions of this agreement but shall serve the same probationary period under the conditions and exclusions specified above. However, where terms of this provision are in conflict with the Law and/or administrative rules of the funding agency, the parties shall meet in an attempt to resolve the conflict. Until a resolution is agreed to, the Law and/or administrative rules shall supersede this agreement.
- C. The Employer shall notify the Association of any action taken in compliance with No Child Left Behind Act of 2001, as amended, 20 USC 6301 Et seq., which has an adverse impact on any employee.
- D. Job Category and/or job classification as used in this agreement shall refer to employee categories as identified in Appendix C of this Master Agreement.
- E. A temporary position is of limited duration, not to exceed one (1) semester

ARTICLE 10

REDUCTION IN PERSONNEL

- A. In the event the Employer decides to reduce the number of employees or eliminate positions, the following procedure shall apply:
1. Layoff shall be by classification except as described below.
 2. If a position is eliminated within a classification the employee in that position may be reassigned to a vacancy of the same F.T.E., and the same or lower pay rate in a different classification provided she/he is qualified and has a satisfactory evaluation. If such a vacancy is not available, the least senior employee in the classification losing a position will be displaced from his/her position and reassigned to a bargaining unit vacancy of the same F.T.E. and the same or lower pay grade in a different classification for which she/he is qualified, or laid off, provided that the more senior employee has a satisfactory evaluation. If more than one employee has been displaced, the more senior of that group will receive any reassignments to positions of the same F.T.E. and the same or lower pay grade for which he/she is qualified and the least senior will be laid off, if any employee is laid off.
 3. If the position elimination is in the summer or for the beginning of the school year the following process shall occur. After the displacement within the classification has been completed, those who are about to be laid off will be reassigned in other classifications of the same F.T.E. and the same or lower pay grade, provided they are qualified for the other classifications, have satisfactory evaluations, and provided that the employee being reassigned has more seniority than the employee in the other classification.
 4. The Employer shall notify, in writing, each employee whose position is being eliminated. Employees being laid off shall receive at least two (2) weeks notice of layoff, or pay in lieu of notice.
 5. Employees paid with State, Federal, or with District special funds which restrict the selection of candidates for any reason and/or elementary classroom assistants, will not be eligible to follow the bumping process. Rather, these employees shall be placed directly on the preferred eligibility list. Preferred eligibility list shall refer to the placement of an employee into a pool which permits preference over outside applicants for placement within any job category after all current obligations within that job category are fulfilled. To be given preference, the employee must meet the qualifications of the position and have a rating on his/her last evaluation of 3.4 or better. If the placement on the preferred eligibility list is due to a reduction in personnel, a satisfactory evaluation is required for preference.
 6. Child Care Workers who are laid off prior to the beginning of delivery of services to students for a school year shall have all rights described above. Child Care Supervisors who are laid off at this time shall have the right to bump into the least senior Child Care Assistant's position if the assistant has less seniority than the Supervisor. If there is a layoff after the beginning of the Child Care Workers delivery of services to children, Section 7 shall apply.
 7. Child Care layoffs after the beginning of services to children shall first be by bumping the probationer with the least amount of service in that classification. If no probationers

are employed at the time of the layoff, layoffs shall occur on a site by site basis. Further, Supervisors whose jobs are eliminated may bump Assistants at that site, provided that the Assistant has less seniority. All other provisions of this article except Section A.2 shall apply in all cases.

8. Special education paraprofessionals may be protected from bumping by more senior staff by the building administrator and one other administrator who is in the Instructional Division, chosen by the Association, based upon the need for maintaining the relationship between one or more specific students and a special education paraprofessional and adherence to a written list of duties provided at the time of assignment to the student. one-on-one. During such deliberations, Association members will have the right to submit written information and argumentation about the matter.

B. Recall shall be in reverse order of layoff, by classification, provided the recalled employee is qualified to perform the duties of the vacant position. The recall can be to a different classification provided that the employee is qualified in the different classification, and that more senior employees are not denied recall through this process. Recall shall first be attempted by telephone, and if actual conversation with the employee occurs, the employee shall have twenty-four hours to accept the recall. If no direct conversation takes place, then a mail recall notice shall be sent. Notices of recall shall be sent by certified mail to the last known address as shown in the Employer records. It shall be the employee's responsibility to keep the Employer apprised of his/her current address and telephone number where she/he can be contacted. If mail is used, the notice will be sent (return receipt requested). A recalled employee shall be given seven (7) calendar days, from the date of initial attempted delivery of the recall notice, to report to work or indicate acceptance of the position. The Employer may fill the position on a temporary basis until the recalled employee responds. Any employee who fails to respond to the recall notice within the time lines indicated above, or who declines to perform work for which she/he is qualified and where no other employee on layoff is qualified, shall forfeit his/her seniority rights, and the Employer shall have no further employment obligation to that employee. The laid off employee shall retain rights to recall for two (2) years, or length of service, whichever is shorter, after which the Employer shall have no further employment obligation to that employee.

ARTICLE 11

DISCIPLINE AND DISCHARGE

- A. No non-probationary employee shall be disciplined (written reprimand, suspension, or discharge) without just cause. For purposes of this Agreement, just cause shall include but not be limited to:
1. Refusal or failure to accept or perform work assigned during regularly scheduled hours, in accordance with the provisions of this Agreement;
 2. Refusal or failure to meet established work rules and standards;
 3. A pattern of tardiness or absenteeism, including absence beyond allowable sick leave or approved leave of absence;
 4. Interference with the performance of assigned work by another employee of the Employer;

5. Behaving in a threatening manner on the Employer's property;
6. Using or being under the influence of illegal drugs or alcohol on the job or on the Employer's property;
7. Insubordination;
8. Possessing a weapon on the Employer's property;
9. Theft of school or personal property from the Employer's property;
10. Time card fraud;
11. Absence from work for three (3) consecutive work days without notifying his or her supervisor, unless clear and convincing evidence is produced to the Employer at the first opportunity establishing that the lack of notification was due to circumstances beyond the employee's control.

This does not preclude the Employer from suspending an employee with or without pay during the investigation process when the Board deems such removal from the place of employment to be necessary.

- B. No non-probationary employee will be disciplined for any continued failure pursuant to item 1 or 2 or for conduct falling within items 3, 4, or 5 of Section A of Article 11, unless he/she has first been warned in writing that discipline may result from such cause. In imposing discipline (or discharge) the Employer may take into consideration all infractions which occur during a 48-month period.

This will not prevent the Board from taking immediate action in unusual or severe situations. Violations of items 6, 7, 8, 9, 10, or 11 may result in immediate dismissal.

Such a meeting may include a consideration of the employee's concerns regarding negative consequences related to the problem. Upon receipt of such a request, their supervisor shall attempt to resolve the issue. If no resolution is found, the supervisor shall arrange a meeting with other appropriate building staff and representative of the Union. A representative of the Human Resource Service Office may attend.
- D. The workday for employees will not normally exceed eight (8) hours per day unless additional time is required and approved by the immediate administrative supervisor. Employees who are required to be on duty during their lunch period will be paid for that time. The length of the lunch period for any individual will not change from that of 1990-91 without prior notice to the Union. A lunch period will not vary more than 1.5 hours before the employee's normal starting lunch time or 1.5 hours after the employee's normal ending lunch time in order to accommodate an IEPC, MET, or an emergency.

In the event one supervisor is selected, an administrator, upon request, shall provide a written statement, which explains why that decision was made. The remainder of available work will be assigned to other volunteers as provided in paragraph c. and following.
 - c. Volunteers who are most senior on the list for that site shall be selected first. They shall only be offered work once before all other members on the list are given the opportunity to work on such days.
 - d. Once each employee on that site's list has had an opportunity to work one day, the process shall start over again. Employees who have not volunteered or who subsequently decline the work shall not be eligible again until the process starts over.
 - e. If there is a change made for the remainder of the year in the sites to be used after the beginning of the year, the process described in a. Above shall be repeated and the new lists will then be used.
 - f. In the event an employee who is scheduled to work and who becomes unavailable for a full day assignment, the process above shall be repeated as long as the employee has given written notification of his/her unavailability to work at least six (6) working days prior to the scheduled day of work. In the event of last minute illness, the normal substitute process shall be used.
 - g. In the event that there are an insufficient number of applicants at the start of the year to cover the various projected days, the Board may suspend the selection process, provided that if additional applicants who were not employed at the beginning of the year express their interest at least two weeks prior to the actual day, and the total number of applicants then exceeds the number needed, the Board will reinstate the process.
- K. If the Board offers childcare services on days when school is in session for only a half-day. The following provisions shall apply:

1. Child care workers who wish to volunteer to work at their site on the half days will indicate their interest when solicited at the start of the school year. This list shall be separate from the fun day list: workers may only volunteer to work at one site, except as noted in #2 below.

 3. The same employees who work at that site shall be offered employment, with the most senior being offered work first, for the entire half-day. Each employee at that site shall be offered work for a second time.
 4. If an insufficient number of employees at a site accept the work offer for the entire half-day, the site supervisor may either decide to: a) work with the on-site employees, who normally work less than a half-day and who have not accepted the extended hours work, to secure appropriate supervision, or b) request that the remaining hours be filled by other employees from other sites who are not working that day and who have submitted their names to the child care specialist for temporary work on that day.
 5. In the event an employee who is scheduled to work and who becomes unavailable for a full day assignment, the process above shall be repeated as long as the employee has given written notification of his/her unavailability to work at least six (6) working days prior to the scheduled day of work. In the event of last minute illness, the normal substitute process shall be used.
- L.
1. Employees who are either required or encouraged by police authorities or court officers to attend court hearings about job related matters about students will be compensated for any time required after their normal work hours. The supervisor may seek to have the hearing moved to during work hours.
 2. If the supervisor does not support the employee, he/she may deny any compensation for hearings after school hours, but must submit her/his reasons in writing to the employee.
 3. When the supervisor supports the action, the employee shall consult with his/her administrative supervisor regarding the method of compensation. The methods available are either compensatory time for the exact amount of time spent beyond normal work hours, or pay at the employee's regular hourly rate consistent with Article 17 Section B. If the employee and supervisor cannot reach agreement on a method of compensation, representatives of the Human Resource Services Office and the Union shall meet with the employee and supervisor to seek resolution to the problem.
- M.

The Board, through the employee's immediate supervisor, shall notify each employee at the beginning of each year that Site-Based decision making activities after normal work hours shall either be paid or be strictly voluntary and there will be no negative consequences for employees who decline to participate.

1. The employee presents evidence that he/she has been denied scholarship assistance for the CDA program by Washtenaw Community College and by the Childcare Network.
2. The employee needs a CDA credential to meet FIA licensing requirements.

3. The employee makes a commitment to work in the AAPS Childcare program for a minimum of one year after the CDA is obtained, or the amount of scholarship assistance must be reimbursed to the district.

H. Professional Expectations

Both parties agree that it is the employee's professional responsibility to obtain the training and information necessary to do his/her job. Occasional attendance (up to 4 times a year) at staff meetings and necessary business meetings, without additional pay, is an expectation for all employees.

ARTICLE 24

PROTECTIONS BY THE BOARD

A. Worker's Compensation Absences

For the first five workdays of workers' compensation absences due to physical injury or disabling physical symptoms that are the result of student assaults on employees, or which are incurred while physically intervening in fights, the Employer shall supplement the benefit for which the employee is eligible under the Act, by the difference necessary to equal his/her regular salary. Such difference shall be not charged against the employee's accumulated sick leave days. The Board may employ the same medical examination procedures provided for Workers Compensation absences.

B. Personal Property Damage

The Board shall reimburse any employee for any loss, damage or destruction of personal property which arises out of such employee's reasonable performance of his/her employment, not including vehicles and not covered by other insurance or caused by the employee's negligence, provided that the personal property involved is reasonably needed by the employee personally or professionally and is not readily available in the building or through the Board. The Board shall be liable only for that portion of the loss in excess of ten (\$10.00) dollars and not exceeding a total loss of two-hundred (\$200.00) dollars. The Board shall be liable for the loss of money not to exceed one-hundred (\$100.00) dollars provided said money is deposited in the school safe during the school day. The Board shall not be liable for money left overnight, during weekends, or vacation periods. The Board shall make a decision on approval or denial of such claims within thirty (30) days of receipt of the claim or additionally requested information, whichever is later.

C. Religious or Political Activities

Employees shall be entitled to full rights of citizenship; and the religious or political activities, or lack thereof, of any employee shall not be grounds for any disciplinary action or discrimination with respect to the employment of such employee.

D. FOIA Requests

If the Board receives a Freedom of Information Act request for documents in an employee's central personnel file, the Employer shall make a good faith attempt to promptly orally notify the employee and the Association of the receipt of the request. Upon request and insofar as time reasonably permits, the Employer's designated FOIA Officer shall meet with the affected

employee and/or the employee's representatives to review the board's proposed response to the request.

The provision in this article shall not prevent the Association from having access to any employment records reasonably related to its duties as the exclusive bargain representative.

E. Student with Felony Conviction

When information is known, and it is permissible by law, the Employer shall make reasonable efforts to notify the affected employee(s) prior to the placement of any child who is a delinquency ward of the juvenile court based on an adjudicated felony or who has been convicted in adult court of a felony.

F. Controlling Student Behavior

The parties agree that physical contact for purposes of controlling a student's behavior must be a last resort, and must be avoided whenever possible.

G. Home Visits

Home visits by employees are an expectation in some programs and at times desirable in other programs. Employees who have reason for concern for their personal safety in visiting or supplying program support in a specific home may initiate the following procedure:

1. The employee should discuss the nature and basis of his/her concerns with the employee's building or program supervisor.

2. After the discussion with the supervisor, a safety plan will be developed by the supervisor with input from the employee. Such plan may include accompaniment by another staff member or other procedures deemed necessary and appropriate.

ARTICLE 25

NEGOTIATION PROCEDURES

- A. At least sixty (60) days prior to the expiration of this Agreement, the parties will begin negotiations for a new Agreement covering wages, hours, terms, and conditions of employment of employees covered by this Agreement.
- B. In any negotiations described in this article, neither party shall have control over the selection of the negotiating representatives of the other party and each party may select its representatives from within or outside the School District. It is recognized that no final agreement between the parties may be executed without ratification by the Employer and the Association. The parties mutually pledge that representatives selected by each shall be clothed with necessary power and authority to make proposals and concessions in the course of negotiations, subject only to such ultimate ratification
- C. If the parties fail to reach an Agreement in any such negotiations, either party may invoke the procedures established under Public Act 379 as amended.
- D. Members of the bargaining team, who are employees of the Board, shall be released from their normal duties without loss of salary and benefits when the two negotiating teams mutually agree to hold negotiations during their normal working hours.

E. Problem Solving Team:

1. The parties hereby agree that the respective bargaining teams for the Employer and the AAEEA/P shall meet no less than four times during the school year to attempt to resolve problems. The topics for the meetings shall be established by the group leaders at an agenda planning session for the first meeting, and at the regular meetings for the following meetings thereafter.
2. The agenda will be distributed at least one week before the meetings. Topics may be added to or deleted from the agenda with the consent of the participants.
3. Should any such meeting result in a mutually acceptable amendment to the agreement, the amendment shall be subject to ratification; provided that the negotiating teams shall be empowered to effect temporary accommodations to resolve special problems.
4. The spring meeting will be devoted to reclassification issues. Additional time will be allocated as needed. Objective criteria for reclassification of members will be mutually determined prior to the reclassification meeting. Reclassification of a position shall be subject to ratification.

An employee who wants his/her position to be reclassified shall provide the Association President with a written request for reclassification. The request will include rationale to support the reclassification.

5. An administrator who wants a position he/she supervises to be reclassified shall provide a written request for reclassification to the Deputy Superintendent for Administrative Services. The request will include a rationale to support the reclassification. The President of the Association and the Deputy Superintendent for Administrative Services will determine if the position is eligible for reclassification.
6. All requests for reclassification must be received by the end of the first semester. The determination to reclassify or not rests exclusively with the committee subject to ratification by the Employer and AAEEA/P.

ARTICLE 26

NO STRIKE CLAUSE

The Association agrees that its officers and representatives shall not authorize, instigate, cause, encourage, ratify or condone, nor shall any employee take part in any concerted failure to report for duty, any willful absence from one's position, any stoppage of work, or any abstinence in whole or in part from the full, faithful and proper performance of the duties of employment, for the purpose of inducing, influencing, or coercing a change in the conditions, or compensation, or the rights, privileges or obligations of employment for any employee or group of employees in the District. Violation of this provision will require the Association to reimburse the Employer for all costs and damages as a result of violating this provision.

ARTICLE 27

AFFIRMATIVE ACTION AND NO DISCRIMINATION

- A. The parties agree that the concept of affirmative action is their best interest. They agree that affirmative action is a legitimate criteria in job selection and transfer, provided that all other sections of the Master Agreement have been followed.
- B. The Employer shall not, directly or indirectly, discriminate against any employee with respect to hours, wages, terms of conditions of employment or application of the provisions of this agreement or Board policies, and the Association shall not, directly or indirectly, discriminate against any employee with respect to membership, representation, or participation in Association activities, by reason of race, creed, religion, color, national origin, age, sex, marital status, sexual orientation, handicap, or political beliefs.
- C. The Employer shall not, directly or indirectly, discriminate against any employee with respect to hours, wages, terms or conditions of employment or application of the provisions of this Agreement or Board policies by reason of membership in the Association, participation in any activities of the Association including collective negotiations pursuant to the Public Acts, or the institution of any grievance, complaint or proceeding under this Agreement or otherwise with respect to any term or condition of employment.

ARTICLE 28

OTHER CONDITIONS OF EMPLOYMENT

- A. Employees shall be provided with a secure place to store outdoor clothing, purses, and other supplies and equipment needed in the performance of their duties.
- B. Employees shall not be assigned as substitute teachers. In an emergency an employee may be temporarily assigned to supervise a group of students because of no substitute being present, but there shall be no expectation of instruction being provided. If an employee believes that this supervision time is excessive, he/she may request a conference with the building principal, the Deputy Superintendent for Administrative Services, and the Association to resolve the situation.

ARTICLE 29

SEVERABILITY CLAUSE

If any provision of this agreement or any application of this Agreement to any employee or group of employees shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect. However, if the law modifies a provision and thereby changes its intent and/or meaning the parties shall be bound by the new interpretation only until the expiration of this particular contract.

ARTICLE 30

EXTENT OF AGREEMENT

- A. This Agreement shall constitute the entire Agreement between both parties and may be altered, changed, added to, deleted from, or modified only through the voluntary, mutual consent of the parties in written and signed amendment to this Agreement.
- B. This Agreement shall supersede any rules and regulations of the Board, which are contrary to the expressed provisions of this Agreement.

ARTICLE 31

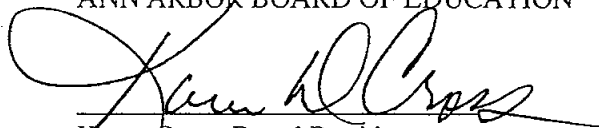

DURATION OF AGREEMENT

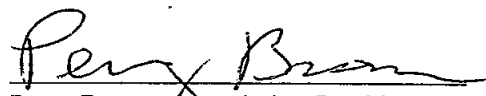

This agreement shall become effective June 9, 2004 (with salary retroactive to the beginning of the 2003/2004 school year) and shall continue in effect until the beginning of the 2005/2006 school year unless it is extended for a specific period or periods by mutual written agreement of the parties.

APPENDIX D

EVALUATION AND PROFESSIONAL GROWTH POLICIES AND PROCEDURES

1. The purpose of evaluation.
 - A. The purpose for probationary employees is to assess their performance in judging whether the employee should be placed in a continuing employment status.
 - B. The purpose for continuing employees is to:
 - 2) Assess performance of those receiving promotions or new placements.
 - 1) Assist and encourage employees in improving their skills and performance.
 - 3) Assess performance where there is a concern about performance that may lead to a Personal Improvement Plan or a recommendation for termination for unsatisfactory performance.
 - C. Timelines defined for probationary and continuing employee evaluations may be flexed for up to five (5) working days due to scheduling problems.
2. Probationary/Trial period timelines and procedures.
 - A. Those employees who are newly hired will have a one (1) year probationary period of observation and evaluation. Those employees promoted to a new job category will have a one (1) year trial period of observation and evaluation.
 - B. The timeline for observation and evaluation shall be as follows:
 - 1) Notification
Within the first three weeks of the employee's assignment, the supervising administrator and/or the supervising (cooperating) teacher (if one exists for that position) will meet with the employee to review job expectations, the evaluation form, and to establish a tentative calendar of time periods when various parts of the observation/evaluation process will be completed. Should there be a change in supervising teachers or childcare supervisors, the parties will review job expectations to determine if changes are necessary.
 - 2) Exclusions
Observations shall not occur on the day before or after a holiday or vacation period.
 - 3) First Observation
During the first ninety (90) days of the new position, the supervising administrator will conduct a formal or series of informal observations of the employee.
 - 4) Second Observation

Between the ninetieth day and the end of the probationary/trial period, a second formal or series of informal observations by the supervising administrator will occur.

5) Child Care Workers

Probationary child care employee observations may occur in the context of the site visits by the supervising administrator, and be focused on a broader group than just the probationer. There will be at least four weeks between these observations to allow for the employee to plan for and implement any recommendations from the first observation.

6) Probationary New Hires

A probationary new hire may be terminated without evaluation at any time during the first ninety (90) days of employment.

If still employed after ninety (90) days, the employee's performance will be evaluated. The evaluation of the employee's performance during the probationary period, along with a recommendation for, or not for, continued employment, is expected to be made no later than one hundred and fifty (150) workdays after the beginning of the probationary period.

7) Trial Period for Promoted Employees

If the employee is in a trial period because of a promotion and the recommendation is to not continue the employee in the new assignment, Article 8, Section D, of the Master Agreement shall apply.

C. Observations and conferences will conform to the following:

- 1) Unscheduled observations may occur at any time and without prior arrangements.
- 2) Scheduled observations will be at least thirty (30) minutes in duration. When possible, the supervising administrator will notify the employee in advance so that the employee has an opportunity to request a pre-observation conference.
- 3) The employee may request a conference with the supervising administrator to discuss what will be happening at the time of the scheduled observation and to provide the supervising administrator with any information that would be helpful in understanding the situation.
- 4) Post-observation conferences will be mutually scheduled by the supervising administrator and employee within five workdays of the observation. An additional five workdays may occur by request of either party.
- 5) In the post-observation conference the supervising administrator will identify strengths and weaknesses according to the criteria specified in the evaluation document, and will make specific recommendations for improvements for each weakness identified.

3. Continuing employee timelines and procedures.

Supervising administrators will evaluate continuing employees every third year of their employment. Evaluations can occur in shorter duration as needed, in the judgment of the supervising administrator. During the interim years, the employee will participate in self-directed and self-reported professional growth activities. The professional growth procedures defined in Section 4 (Option II) may be used in place of the regular evaluation process when the following two conditions are met:

- a. The previous evaluation was satisfactory.
- b. The supervising administrator and the employee agree to use the alternative process.

During years in which evaluations occur:

A. The timelines for observation and evaluation shall be as follows:

- 1) Observations may occur at any time and without prior arrangements.
- 2) Observations must occur prior to May 1st of each year that a formal evaluation is to occur.
- 3) Evaluations shall be written and reviewed with the employee no later than May 15th of each year in which an evaluation occurs.

B. Observations and conferences will conform to the following:

- 1) Unscheduled observations may occur at any time and without prior arrangements.
- 2) Scheduled observations will be at least thirty (30) minutes in duration. When possible, the supervising administrator will notify the employee in advance so that the employee has an opportunity to request a pre-observation conference.
- 3) The employee may request a conference with the supervising administrator to discuss what will be happening at the time of the scheduled observation and to provide the supervising administrator with any information that would be helpful in understanding the situation.
- 4) Post-observation conferences will be mutually scheduled by the supervising administrator and employee within five workdays of the observation. An additional five workdays may occur by request of either party.
- 5) In the post-observation conference the supervising administrator will identify strengths and weaknesses according to the criteria specified in the evaluation document, and will make specific recommendations for improvements for each weakness identified.
- 6) If there any recommendations for improvement, there will be at least four weeks prior to subsequent observations to allow for the employee to plan for and implement any recommendations from the first observation.

- 7) Employees may request union assistance at any point in the evaluation cycle. That assistance may include union presence at meetings when there is agreement between all of the parties.

4. Option II:

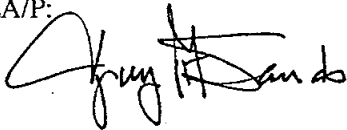

Supervising administrators and employees shall involve themselves in a self-directed plan for the employee in years when this option is selected in accordance with Section 3 above.

- A. Supervising administrators and employees shall meet during the first six weeks of the school year to discuss and reach agreement on work related goals for that employee for the year.
- B. The employee shall work on those goals during the year, and shall report to the supervising administrator at least once before the end of the first semester and once before May 1st of the year on progress towards those goals. Such reports may either be oral or in writing.
- C. During May, the supervising administrator and employee shall meet to review the progress towards meeting the year's goals and discuss possible goals for the following year.
- D. Any records of this activity will be submitted to the employee's personnel file as a record of their evaluation.
- E. Child care administrators may provide informal commentary to continuing staff members on the evaluations criteria at any time.
