LETTER OF AGREEMENT

Between

Whitmore Lake Educational Support Personnel Association

And

Whitmore Lake Public Schools

The contract between Whitmore Lake Public Schools and the Whitmore Lake Educational Support Personnel Association that is effective July 1, 2006-June 30, 2008 indicates that "Student Services" workers are included in the WLESPA (see Article I: Recognition), whereas previously they were excluded as "at-risk" paraprofessionals. The parties did not discuss the issue of seniority for student services employees while at the bargaining table and it is the intent of this letter of agreement to address that issue.

Article 7, Section D states:

- D. Seniority shall be defined as the length of continuous uninterrupted service with the following categories:

<u>Category</u>	<u>Job Titles within Category</u>
K-12 Paraprofessionals	All Special Education; Title I Paraprofessionals
Child Care	All Childcare Paraprofessionals
Pre-School	Preschool Aides Paraprofessionals; Tuition Pre-School Paraprofessionals
Food Service	Assistant Cooks; Dishwashers; Cashiers, Servers

Seniority shall accrue during periods of layoff, unpaid leaves and paid leaves. No seniority shall accrue for periods of employment outside of the bargaining unit or periods of prior employment for those who sever employment and are later rehired.

The seniority of employees transferring between categories shall be frozen in their former category.

Any ties in seniority will be broken by using the last four digits of the employees' social security number.

The parties agree to establish a new category for Student Services workers (in addition to the K-12 paraprofessionals, child care, pre-school and food service categories). Only individuals in a student services job position will fall under this classification. Members who were employed in a student services position prior to accretion in the WLESPA will be granted seniority for the continuous years of service **in that student services position**. It is understood that this seniority applies only to the Student Services classification and that it applies to any longevity consideration that is included in the contract between the District and the WLESPA.
