

PREAMBLE

This Agreement is entered into by and between the Board of Education of the School District of the City of Garden City, Michigan, hereinafter called the “Board” and the Garden City Educational Secretaries’ Association, hereinafter called the “Association”.

WITNESSETH

WHEREAS, the Board has a statutory obligation, pursuant to Act 379 of the Michigan Public Acts of 1965, to bargain with the Association as the representative of its secretarial personnel with respect to hours, wages, and terms and conditions of employment.

In consideration of the following mutual covenants, it is hereby agreed as follows:

ARTICLE 1 – Recognition

- A. The Board hereby recognizes the Association as the exclusive bargaining representative, as defined in Section 11 of Act 379, Public Acts of 1965, for all educational secretaries and all personnel working in a regular capacity and engaged in secretarial and clerical work (including Bookkeepers, Aides to Special Programs, Teaching Assistants, Instructional Materials Center Paraprofessionals, Head Start Home Visitors, Special Education Job Coach and related service functions) but excluding the following Executive Personnel: Secretary to Superintendent of Schools; two (2) Secretaries to Associate Superintendent of Schools, and one (1) Secretary to the Office of Personnel and Labor Relations coming within the bargaining unit as established by recognition of the Association letter at the March 22, 1966 Board Meeting, thereby accepting the Garden City Educational Secretaries' Association as the sole bargaining agent for secretarial negotiations. All employees represented by the Association in the above defined bargaining unit shall, unless otherwise indicated, hereinafter be referred to as "employees", and reference to female personnel shall include male personnel so employed.

- B. The Board agrees not to negotiate with any educational secretaries' organization other than the Association for the duration of this Agreement.

- C. Within forty (40) scheduled workdays of the beginning of their employment hereunder, employees may voluntarily sign and deliver to the Board an assignment authorizing deduction of membership dues or assessments of the Association upon such conditions as the Association shall establish. Such sum or sums shall be deducted from the regular salaries of member employees and shall be remitted immediately to the Association. Such dues may be prorated over two (2) consecutive pay periods at the request of the individual member.

The annual dues of active members shall be deducted in two equal payments, i.e., one-half the last pay period of September and the remaining half the first pay period of October, or the first two applicable pay periods of the program for which they are hired. The employee may withdraw her authorization of payroll deduction of dues by submitting a two (2) week advance written notification to the Payroll Department. The Association will indemnify and save harmless the Board of Education for all sums improperly checked off and remitted to the secretaries' organization, plus any costs including attorney's fees, incurred by the Board in connection therewith.

- D. In the event that any employee does not become a member of the Association, such employee shall, as a condition of continuation of employment by the Board,

cause to be paid to the Association a representation fee equal to the dues and assessments of the Association (to the extent permitted by the Public Employees' Relations Act). In the event that any employee has failed to cause such representation fee to be paid by October 1 of each year (or thirty days from the Program starting date for part-time Adult Education School Aides or on the completion of the probationary period if a new employee), the Association shall so notify the Board in writing and the Board shall terminate her employment within thirty (30) days from the date such written notice is received. The failure of an employee to become a member of the Association or cause the required representation fee to be paid to the Association within the specified time limits is hereby deemed to be just cause for termination of employment by the Board.

In any case where an employee contests termination of employment under this section, the Association shall indemnify and save harmless the Board from any and all costs (including, but not limited to, attorney fees, judgments and back wages) related to such termination.

ARTICLE II – Board of Education Rights

The Board, on its own behalf and on behalf of the electors of the District, hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan and of the United States.

The exercise of these powers, rights, authority, duties and responsibilities by the Board and the adoption of such rules, regulations, policies and practices as it may deem necessary shall be limited only by the terms of this Agreement.

ARTICLE III – Employees’ Rights

- A. The Association and its members shall have the right to use schools building facilities at all reasonable hours for Association meetings, if not inconsistent with school days or prior scheduled activities, provided there is no cost to the Board. No employee shall be prevented from wearing insignia, pins, or other identification of membership in the Association, either on or off school premises.
- B. The Board agrees to furnish the Association, in response to request, all reasonably available information concerning the financial resources of the District, tentative budgetary requirements, allocations, and such other information as may assist the Association in developing intelligent, accurate, informed and constructive programs on behalf of the Association, provided such information has been approved for release by the Superintendent. The Association recognizes that in many instances the District is dependent on outside sources for information. In such instances, requested information will be provided to the Association as soon as it is available to the District. Upon request, the Board shall inform the Association of any new or modified fiscal, budgetary or tax programs; construction programs, or major revisions of educational policy which are proposed or under consideration so as to give the Association an opportunity to make recommendations concerning such.
- C. Employees shall be entitled to full rights of citizenship; no religious or political activities of any employee, consistent with common American practice or the lack thereof, shall be grounds for any discipline or discrimination with respect to the employment of such employee.
- D. The provisions of this Agreement and the wages, hours, terms and conditions of employment shall be applied without regard to race, creed, religion, color, national origin, age, sex, handicap, marital status or membership in or association with the activities of the Association.
- E. Employees may review contents of their personnel file upon request. An employee may have placed in her personnel file a rebuttal of her explanation of a document in her personnel file, which she regards as detrimental.
- F. Except as provided below, employees will not be required to administer medication of any kind to students. These employees shall, however, upon request of their immediate administrator, serve as witness to the administration of medication when properly authorized and administered by a teacher or administrator.

1. Bargaining unit members working as Job Coaches in the Autistic Program may be required by the District to store student medication while transporting students. However, said members will not be required to administer medications, or in any way assist in administering medications, or to prepare or replace medications; nor will said members have any responsibility as to whether, how or when students take their medications.

The School District shall post and provide a copy to each Job Coach a current list of the medications which are to be stored for each student.

2. Job Coaches storing medications for students while being transported to and from job sites as well as at the job site shall be considered to be performing this task as a requirement of their job. This requirement is to ensure that individuals who perform the role of Job Coach are, therefore, protected by the District's liability policy to the coverage limit of five million dollars (\$5,000,000).

G. Employees shall not be required to transport students in their private cars.

The normal work day for full-time Teaching Assistants to the Autistic Program shall be seven (7) hours per day. The normal work week for Teaching Assistants to the Autistic Program shall be thirty-five (35) hours per week, Monday through Friday, and shall begin on Monday. The part-time Adult Education School Aides' hours will vary according to their assigned programs.

- B. The Board recognizes the principle of standard forty- (40) hour work week and will attempt to set work schedules accordingly. The Administration will not regularly require employees to work in excess of such standard work week. It shall be noted that on many occasions there will be a need for a part-time, four (4) hours per day employee to work additional hours to partially cover for an absent full-time employee or for additional work load. Although such an overtime assignment is not mandatory, persons in or seeking part-time employment assignments must realize that their availability to accept such overtime assignments stabilizes the work process. Likewise, it is noted that on occasion there will be a need for full-time employees to work additional hours to expedite an additional work load. Although such an overtime assignment is not mandatory, such overtime assignments stabilize the work process. Any employee who performs such overtime in addition to their normal work day shall be compensated with overtime pay at time and one-half per hour. A member may accumulate compensatory time with permission of the member's supervisor at the rate of one hour for every hour of overtime if the member works less than 40 hours for that week. If a member works over 40 hours, compensatory time will be given at the rate of one and one half hours for every hour worked in excess of 40 hours.

- C. All employees shall be entitled to a duty-free lunch period of not less than one-half (1/2) hour or more than one (1) hour. This lunch period is to be recognized as their own free time. Specific lunch time is to be approved by the immediate administrator.

- D. In the event the Board should decide to close the schools on a day negotiated as a work day, because of weather or public health conditions, it shall be considered a regularly scheduled work day or portion thereof and paid as such. Employees on approved vacation shall be excluded from this section.

- E. Fifteen (15) minutes of work break time for personal needs, relaxation and refreshment shall be provided for each employee during the morning and during the afternoon tour of duty; fifteen (15) minutes during the day's tour of duty for a

part-time (four-hour) employee. The break time shall be approved by the employee's immediate administrator.

- F. The President of the Garden City Educational Secretaries' Association shall be released from work duties for a maximum of seven (7) days per year for Association business. This time is to be used for Association business NOT to include meeting with administration and grievance meetings. A substitute, qualified to continue to perform the work duties of the President, shall be provided during such released time. Documentation of days and hours used for Association business by the President and availability to the Superintendent shall be provided to the Superintendent on a quarterly basis.
- G. The Personnel Office will not provide a substitute for employee absences for the following positions: Purchasing Clerk, Accounting Clerks, Payroll/Insurance Clerks, Business Office Secretary and Data Processing Coordinator/Student Services unless required to do so by the appropriate administrator.

All Level I – V members who are unable to report for work due to illness of personal business shall contact the District absence line and inform the sub caller of their absence. The District absence secretary shall then notify the appropriate building/department administrators. In the event of an absence of a GCESA member (Level I – IV) it shall be up to the immediate supervisor to determine whether or not a substitute is required at that particular time. It is understood that, if that amount of substitute time is not utilized on the day of absence, at the discretion of the administrator that amount of substitute time may be utilized as additional time later in the school year.

In those instances where it has been determined to provide a substitute and in those cases when the Personnel Office is not able to secure a sufficient number of substitutes to cover relevant absent positions, then, GCESA members who are regularly scheduled in less than full time positions shall be offered the opportunity to work as a substitute and to continue to receive their regular hourly rate. Having taken these steps, if there are still absences which cannot be covered, the following priority for substitute placement shall be followed: Personnel Secretary, Teacher Aides, Transportation Secretary, Central Office Switchboard Operator, Elementary School Secretaries (including Burger and Paraprofessionals), Middle School Secretaries, High School Secretaries, Adult Education Secretaries, Central Office Secretaries.

ARTICLE VI – Work Loads and Assignments

- A. The Administration shall take measures to make uniform and stabilize work assignments and work loads and to clarify the relationships between employees and those from whom she receives work assignments by maintaining an updated general job description for each bargaining unit position. It is recognized that general job descriptions are intended to provide an indication of the type of tasks people perform and not a complete itemization of the job. General job descriptions shall be attached to all job postings. The Administration shall notify the Association at least ten (10) days in advance of any contemplated major and permanent changes in job descriptions so as to give the Association an opportunity to make recommendations to the Administration concerning such changes before such changes are implemented.

- B. All full-time employees shall be given notice of tentative assignment for the following year no later than May 21. However, it is understood that such assignments are subject to change as the personnel needs of the District change.

- C. Members may bid for vacant positions utilizing the established bid procedures between May 21 and the date upon which only Level V positions remain unfilled. Upon arriving at the point where only Level V positions remain, the District shall provide written notice to the Union and each member yet to be assigned. Such notice shall identify positions remaining to be filled and the date (within five business days of the date of the notice), time and location of a bid meeting scheduled for the purpose of completing all open assignments. On the identified date and at the specified time, unassigned Members shall report to the specified meeting location and shall select, based upon their relative seniority and appropriately documented skills, from the then remaining vacant positions. Unassigned Members who do not attend this placement meeting shall have their position selected for them by their Union representative. The failure on the part of the Union to make such selection in a timely manner shall result in the District making a unilateral assignment for the Member. The goal of the utilization of this process shall be that no Members remain unassigned at the end of that day.

It is understood that positions that may become vacant (after the official notice referenced above has been provided) shall continue to be bid according to the normal bid process which provides that Members may bid at any time to a promotional position that becomes posted. Members assigned as Title I Aides, 1:1 Aides, Overload Aides and/or Job Coaches may also bid at any time to secure a position that offers greater job security. Except as provided above, Members

shall be limited to one (1) successful bid opportunity per year for the purpose of making a lateral move or a move to a position at a lower level.

Members bidding positions within the Autistic Program shall bid either the Children's Unit or the Adult Unit. In preparation for the start of each school year, Administrators in the Autistic Program shall make a specific class assignments within the Children and Adult Units.

During the summer period, notices will be posted at the Central Office with a copy to the President of the Association. During the summer, any employee may receive notices of vacancies by providing stamped, self-addressed envelopes. No vacancy shall be filled, except in case of emergency on a temporary basis, until such vacancy shall have been posted for at least seven (7) school days during the school year and twelve (12) business days during the summer period. An employee who has applied for a vacancy and is not awarded the position will be notified in writing within two (2) scheduled work days after the position is filled that she has not been awarded said position. The Board declares its support of a policy of promotions from within its own staff. In filling any vacancy, due weight will be given to background, attainment, skills and other relevant factors. An applicant with less service in the system or any outside applicant shall not be awarded a position unless her qualifications are superior. An employee who is not awarded a requested transfer may request a conference with the Director of Personnel and Labor Relations at which representatives of the Association may be present. At such conference, the reasons as to why the requested transfer was not awarded will be given. The Board retains the right to employ outside applicants to fill vacancies.
- C. As used in this Contract, a new position shall mean the establishment of a totally new position of employment.
- D. An employee filling a temporary vacancy and assuming a higher classification responsibility shall receive the rate of pay commensurate with the higher classification starting with the fifth (5th) consecutive working day in that position and retroactive to the first day.
- E. All vacancies will be subject to the bid process, and all employees are encouraged to train and prepare for promotional opportunities. The parties agree and understand that it is the sole responsibility of the employee to secure and maintain

necessary skills to qualify for any position which may become vacant. However, any additional skill training required by the employer once an employee has secured a particular position shall be provided at Board expense.

All full-time ten (10) month employees of the Garden City Educational Secretaries' Association shall be considered before any outside applicants for summer school job openings; each classification (Secretary, IMC Paraprofessional, Aide to Special Programs and Teaching Assistants) shall have first chance at a position in their unit. Then the position shall be opened up to the other classifications of employees within the unit who qualify.

Summer School positions shall be bid with the option of twinning subject to administrative review. Members working a summer program shall be paid at the current rate of the position which they have been awarded, not at the rate of their full-time position, except where it conflicts with language in Article XIX.

Calculation of this provision for ten (10) month employees during the months of June and August will be determined on a prorata basis. (Part-time Adult Education School Aides must be in pay status 75% of a prorated month depending on the schedule of the program.
 - e. A full-time employee who works the Summer School Program shall receive one (1) sick day per month to be entered into their bank of sick days as the number of hours they work for one (1) day during the summer [i.e., if an employee works six (6) hours on a normal work day,

she shall earn six (6) hours of sick time per month for the Summer School Program].

4. A part-time employee who works fifteen (15) days of the scheduled work days in a month as an eight (8) hour employee shall receive one-half (1/2) sick leave day above her normal accumulation for that month.
5. Sick leave is limited to:
 - a. Personal illness
 - b. Emergency in the immediate family (to include only illness, accident or death). In this case, the leave shall be limited to twenty (20) working days per incident, which can be extended under unusual circumstances.
 - c. The family shall be defined as spouse, children, foster children, stepchildren, parents, grandparents, brothers, sisters, in-laws (sons, daughters, mother, father, grandparents, brothers and sisters), and dependents living within the household.
6. A full-time employee who takes an extended sick leave for more than eight (8) consecutive working days [or a part-time Adult Education School Aide for more than six (6) consecutive working days] shall provide a certificate from her physician substantiating the medical disability and authorizing her return to work before returning to work. The Board may require earlier certification of medical disability at the Board's expense.
7. Employees returning to work from a leave of absence or child care leave within the authorized period of leave shall retain previously accumulated sick leave.
8. Any employee who is absent because of a line-of-duty injury or disease compensable under Michigan Workers' Compensation Law, shall receive from the Board the difference between the allowance under the Workers' Compensation Law and her regular salary for a maximum period of forty (40) weeks (which would normally be worked by the employee) per incident, with no subtraction of sick leave after the employee becomes eligible for Workers' Compensation loss of time benefits. Beginning with week forty-one (41) the employee will receive only the Worker's Compensation check.
9. An employee must complete her probationary period in order to be eligible for sick leave benefits. However, should an employee terminate or be discharged

before the completion of the probationary period, used sick leave paid shall be deducted from the last pay and/or shall be repaid the District.

B. Personal Business Leave

1. Twelve (12) month employees are allowed three (3) days per full working year with full pay as personal business leave. Ten (10) month employees are allowed two (2) days per full working year with full pay as personal business leave. (Part-time Adult Education School Aides are allowed one (1) day per full working year with full pay as personal business leave.)
 2. An employee must complete her probationary period in order to be eligible for personal business leave benefits. However, should an employee terminate or be discharged before the completion of the probationary period, used personal business leave paid shall be deducted from the last pay and/or shall be repaid the District.
 3. Unused personal business days shall be cumulative as sick days the following year. (Shall not be retroactive as personal business days.)
 4. Personal business days shall be granted to the employee when the request has been made to the Personnel Office, in writing, through the building principal or immediate administrator at least twenty-four (24) hours in advance. The granting of such requests will be in the order of approval, but shall not exceed twenty (20) days per calendar month unless approved by the Superintendent or his designee.
 5. Emergency personal business leave [without twenty-four (24) hour notice] may be granted at the discretion of the Personnel Office.
 6. The day before or after a holiday or vacation period when school is in session may be granted for good cause only at the discretion of the Superintendent or his designee upon presentation of request in advance.
- C. The Board shall grant, upon the request of the President of the Association, leave without loss of pay or leave days for employees to attend local, state or national Association activities. These days shall not exceed a number equal to six (6) percent of the membership bargaining unit.
- D. It is recognized that emergency circumstances may arise that necessitate a paydock situation when all other leave days have been exhausted. However, it is to be understood that paydock generally is not an acceptable alternative to being at work.

Members who find themselves in a paydock situation and who fail to provide the District with written documentation of the emergency nature of the absence that resulted in paydock subject themselves to discipline. The first occasion of discipline shall result in a verbal reprimand. On the second occasion of discipline a written reprimand will be issued. The third occasion of discipline will result in a one- (1) day suspension without pay. The fourth occasion of discipline shall result in termination.

ARTICLE XII – Leave of Absence

- A. Any employee whose medical disability extends beyond one (1) calendar year may request a leave of absence without pay or fringe benefits, which shall be granted for the period of continued medical disability. The employee shall provide medical evidence of continuing disability to the Personnel Office at least semiannually. After a medical disability period of one (1) year, the position previously occupied by the employee shall be posted for bid according to the procedures specified in Article VII of this Agreement. An employee may return to work at the earliest possible date and as soon as a position for which the employee is qualified becomes available and after presenting to the Personnel Office medical evidence that she can fully perform her duties. Under no circumstance shall another employee be laid off to accommodate the return from leave of another employee.

Upon receiving notice of an employee's ability to return to work without restrictions, the District shall immediately offer the employee the opportunity to work as a permanent Teaching Assistant substitute in the Autistic Program. Members may choose to refuse the substitute position in the Autistic Program and remain on unpaid leave status until a vacancy occurs that they may bid for. Members who have not previously qualified for employment in the Autistic Program shall complete the Teaching Assistant Orientation Program without compensation and shall fulfill the required five (5) days in a regular substitute assignment at sub wages. Once a Member is qualified for and begins such assignment in the Autistic Program, said Member shall be compensated at the Level V bargaining unit rate for all hours worked, shall receive fringe benefits as provided for in this agreement, and shall be eligible for step increase on the same basis as other bargaining unit members. Members in this situation shall bid each and every job posting that is issued until they successfully bid to a regular bargaining unit position. Failure to bid and/or accept a position offered to the Member shall relieve the District's obligation to use the Member as a substitute.

- B. Leaves of absence with pay and/or fringe benefits not chargeable against the employee's allowance shall be granted for the follow reasons:
1. Absence when an employee is called for jury service:
 - a. Employees called for jury duty shall receive the difference between the jury pay and their regular wages during the time they are serving on a jury.
 - b. Effort will be made to provide a substitute for the duration of an employee's absence.

2. Appearance in any judicial or administrative proceedings connected with the employee's employment.
3. An employee shall be granted up to two (2) non-cumulative leave days during a school year to make officially required appearances before governmental agencies (for an incident in which the employee is not personally involved), provided that the Board may intervene to attempt to schedule such appearances so as not to interfere or disrupt the employee's schedule and provided that the Board may grant additional such leave days under extenuating circumstances.

C. Child Care Leave

Maternity leaves and Child Care leaves are subject to the provisions of Section D of the ARTICLE.

- D. An employee on an official leave of any type other than that described in "B" above, shall not accrue any benefits during the period of leave. Upon request, an employee shall be paid for earned accumulated vacation leave at the time she begins a leave under this ARTICLE. The Board may grant leaves without pay or benefits for good reasons other than those described in the Agreement. Return from such leaves shall not take priority over return from leaves granted under this Agreement; however, all benefits previously accumulated would be retained and continue in effect. Upon request, an employee shall be paid for earned accumulated vacation leave at the time she begins a leave under this section.
- E. The Board may grant a voluntary leave of absence, upon request, to an employee without pay or fringe benefit, for the purpose(s) not enumerated in this Agreement. Employees may take a voluntary leave of absence of up to one (1) year duration under this provision providing a qualified replacement can be obtained. However, a voluntary leave of absence may not be for a period of less than eight (8) weeks. Furthermore, an employee who is off on a voluntary leave of absence may, prior to its termination, request an extension of the leave of absence, so long as the total leave period does not exceed one (1) year.

The employee may request multiple leaves in a given school year to the extent they do not exceed one (1) year in total.

The employee who has placed her seniority in escrow may continue all fringe benefits by reimbursing the District at the group rate. An employee returning from a leave of absence upon termination of the leave period has the right to bid

on any position in accordance with her seniority, for which the posted bid deadline is within (10) work days prior to the termination date of the leave of absence or thereafter. An employee wishing to return early from a leave of absence may do so only if there is an open position for which no other bargaining unit members (including laid off and unassigned members) have bid. An employee returning from a leave of absence has a right to a salary within two (2) levels of the position she has vacated when the leave was granted for the two (2) year period.

- F. In extenuating personal circumstances and with prior approval of the Executive Director of Classified Personnel or, in her absence, the Superintendent or her designee, an employee may borrow leave and/or vacation days to be earned.

ARTICLE XIII – Evaluations

- A. So that an employee may function at the highest level of performance possible, job responsibilities shall be communicated to the employee on an ongoing basis, and shall be the criteria for annual evaluations. No evaluation prepared by persons other than the employee's evaluator shall become part of the Member's personnel file.
- B. The annual evaluation process should provide constructive comments to inform employees of strengths/weaknesses in review of job performance. Identified weaknesses must be in writing with reasonable remedies and timelines for their achievement.
- C. Members shall be permitted to have Association representation in any evaluation interview upon her request.
- D. The Association Member may prepare a response to her evaluation, which shall be incorporated therein and become a part of the evaluation.

The employer may insist upon the first offense and where reasonable that the employee agree to participate and complete a treatment program if recommended by medical or other qualified personnel. Once the employee is enrolled, she may return to work. Following a second offense, the employee must complete a treatment program before she will be allowed to return to work.

An employee participating in a treatment program will continue to receive all fringe benefits while enrolled in the program, as with all other paid leaves.

A third offense will result in discharge.

An employee may voluntarily enroll in a treatment program without jeopardy so long as the enrollment occurs prior to the identification of a work-related problem by the Board.

ARTICLE XVI – Vacations

All full-time employees shall be eligible for paid vacations, to be determined on the following basis.

- A. All twelve (12) month employees shall receive thirteen (13) vacation days with pay, up to a total of twenty-three (23) paid vacation days. After the fourth year, one (1) day shall be granted upon completion of each additional year, through fourteen (14) years. For example, upon completion of the fifth (5th) year, a twelve (12) month employee would be entitled to fourteen (14) paid vacation days; upon completion of the sixth (6th) year, a twelve (12) month employee would be entitled to fifteen paid vacation days, etc., up to a total of twenty-three (23) paid vacation days.

NOTE: In calculating earned vacation days beyond the initial thirteen (13) days of vacation, the anniversary date of employment and total years of continuous regular employment shall determine each additional earned day and said additional day shall be added to the next regularly scheduled vacation period.

B. Ten Month Employees

1. All full-time 41, 42, 44 and 45-week employees, after completion of one (1) full school year of service, shall be entitled to eleven (11) paid vacation days to be taken the subsequent school year.
2. A 41, 42, 44 or 45-week employee who has at least one (1) year of service with Garden City Schools, shall take all days (prorated if part-time) not scheduled as school attendance days or holidays, within the Christmas and Easter recesses as vacation days in lieu of the other vacation provisions for such employees in this ARTICLE, provided she would have earned the maximum number of vacation days possible under the other provisions of this ARTICLE.

First-year, ten (10) month employees who do not have sufficient accrued time for the Christmas/Easter days not scheduled as school attendance days or holiday, shall supplement accrued time with personal business (as an exception) and/or paydock (as an exception) or work at a worksite designated by the School District.

3. All part-time Adult Education School Aides will be entitled to one (1) vacation day per school year.

In the event that in any one month an employee does not meet the minimum requirement of fifteen (15) working days in pay status, the contracted vacation allotment for that individual will be reduced by the one vacation day that would have been earned in pay status. (Calculation of this provision for ten-month employees during the months of June and August will be determined on a pro-rata basis.)
- D. An employee shall have the right to request the time of vacation with approval of her immediate administrator and the Superintendent's designee. Vacation time cannot be approved for more days than have been earned.

Upon resignation, termination of service or transfer to a position requiring fewer working hours or weeks of employment, employees shall be entitled to any unused vacation allowance at the rate of pay received by them at the time the allowance was earned. In the case of transfer to a position requiring fewer working hours or fewer weeks of employment, a cash payout for any difference in pay rate and/or useable vacation days will be made.
- I. If any employee is requested by her administrator to postpone her vacation time because of an emergency work load, it is understood that she will not be required to forfeit any part of her earned vacation time and shall be allowed to take her vacation time after the emergency has been resolved and within a time limit mutually agreeable to herself and her immediate administrator; or, in case of unusual circumstance, to accept her vacation pay in lieu of time off if approved by the Superintendent or his designee.
- J. Beginning June 30, 1988, a maximum limit of ten (10) unused, earned vacation days may be carried over from one fiscal year to another. For those employees having a current balance in excess of ten- (10) vacation days, such days shall not be forfeited, but the accrual shall not be increased.

ARTICLE XVII – Negotiation Procedures

- A. Upon ratification of the Master Contract, the Association shall not bring up matters for negotiation to the Board and the Board will not bring up matters to the Association except by written mutual consent and as provided in Sections B and C of this ARTICLE. This shall not be interpreted to deny the Association's rights under PERA to demand to bargain; this is not a waiver of bargaining rights.
- B. Within ninety (90) days, not less than sixty (60) days prior to the expiration of this Agreement, and upon written notice, the parties will begin negotiations for a new Agreement for the following year (or years) covering wages, hours and terms and conditions of employment of bargaining unit members.
- C. In the negotiations described in this ARTICLE, neither party shall have any control over the selection of the negotiating or bargaining representatives of the other party, and each party may select ten (10) representatives from within or outside the School District. It is recognized that no final agreement between the parties may be executed without ratification by a majority of the Board of Education and by a majority of the Members of the bargaining unit; but the parties mutually pledge that representatives selected by each shall be clothed with all necessary power and authority to make proposals, consider proposals and make concessions in the course of negotiations or bargaining, subject only to such ultimate ratification.
- D. If the parties fail to reach an agreement in any such negotiations, either party may invoke the mediation machinery of the Employment Relations Commission.

ARTICLE XVIII – Grievance Procedure

A. Definitions

- | | |
|------------------------------|---|
| 1. <u>Grievance</u> | Any alleged violation of the terms of this Agreement |
| 2. <u>Aggrieved Employee</u> | The person or persons making the claim |
| 3. <u>Employee</u> | Includes any individual or group who is a member of the bargaining unit covered by this Contract |
| 4. <u>Party of Interest</u> | An employee of the Board, or the Board, who might be required to take action, or against whom action might be taken in order to resolve the problem |
| 5. <u>Days</u> | Shall mean scheduled working days |

B. Purpose

The primary purpose of this procedure is to secure, at the lowest level possible, equitable solutions to the problems of the parties. Both parties agree that these proceedings shall be kept as confidential as may be appropriate at each level of the procedure. Nothing contained herein shall be construed to prevent any individual employee from presenting a grievance and have the grievance adjusted without intervention of the Association, if any necessary adjustment is not inconsistent with the terms of this Agreement.

C. Structure

1. The Association shall have an established Grievance Committee, whose membership shall be known to all “parties of interest”; and that upon ratification of this Agreement, the Association will furnish the Board the names of the persons of the Grievance Committee.
2. The Board hereby designates the Superintendent or his designee as its representative when the grievance arises in more than one school building. Said designee shall not be the administrator against whom the grievance is filed.

D. Procedure

The number of days indicated at each level shall be considered as maximum, and every effort shall be made to expedite the process. The time limits may be extended by mutual written consent. If the grievance is filed on or after June 1, the time limits may be reduced by mutual agreement in order to effect a solution prior to the end of the school year. The grievance shall be signed by the aggrieved and shall specify the facts giving rise to the grievance, the Article and Section of the Agreement allegedly violated, and the relief requested.

1. Level One

An employee with a concern which she identifies as a grievance shall discuss it with the administrator against whom she is aggrieved and at the lowest appropriate level of authority, individually or together with her Association representative(s), through the Association representative(s), or with representatives of either party of interest present, within ten (10) business days of the occurrence.

2. Level Two

a. In the event the aggrieved person is not satisfied with the disposition of her grievance at Level One, or if no decision has been rendered within five (5) days after presentation of the grievance, she may file the grievance in writing, within ten (10) days of the receipt of the Level One verbal answer, with the Association's Grievance Committee with a copy to the immediate administrator. The grievance shall specify the facts giving rise to the grievance, the Article and Section of the Agreement allegedly violated, and the relief requested. Within ten (10) days from receipt of the written grievance, the immediate administrator shall submit his written report as to the solution, with copies to all parties as noted above.

b. Within twenty (20) days of receipt of the administrator's written report, the Grievance Committee shall decide whether or not to pursue further the grievance. If the committee decides to pursue further the grievance, it shall, within the same twenty- (20) day period, process the written grievance to the Superintendent of Schools or his designee with copies to all parties of interest.

c. As soon as possible, but within ten (10) days from receipt of the written grievance, the Superintendent will hold a hearing where the parties of interest may present in person the facts pertaining to the grievance. Within fifteen (15) days after the hearing, the Superintendent shall render his decision in writing.

3. In the event the grievance is not resolved to the satisfaction of the Association Grievance Committee at Level Two c, the Association may, within twenty (20) days of the Level Two c, decision, submit a demand to arbitrate the grievance to the Board of the American Arbitration Association.

Only the Association Grievance Committee may approve of and process grievances to arbitration.

If the parties cannot agree as to the arbitrator, he shall be selected by the American Arbitration Association in accordance with its rules. Such rules shall also govern the arbitration proceedings.

The arbitrator shall have no power to alter or add to or subtract from terms of this agreement.

The parties agree to be bound by the award of the arbitrator and that judgment thereon may be entered in any court of competent jurisdiction. No decision in any one case shall require a retroactive wage or any other adjustments in any other case.

The fees and expenses of the arbitrator as well as any fees or expenses charged by the American Arbitration Association, shall be shared equally by the parties.

E. Rights to Representation

Any party of interest may be represented at all meetings and hearings at any level of the grievance procedure by another employee or legal counsel; providing, however, that any employee may in no event be represented by an officer, agent or outside representative of any organization other than the Association, or an attorney associated with its affiliate.

F. Miscellaneous

1. A grievance may be withdrawn at any level without prejudice.
2. No reprisals of any kind shall be taken by or against any party of interest or any participant in the grievance procedure by reason of such participation.
3. All documents, communications, and records dealing with a grievance shall be filed separately from the personnel files of the participants.

4. Forms as previously designed shall be given appropriate distribution so as to facilitate the operation of the grievance procedure.
5. Access shall be made available to all parties, places and records for all information necessary to the determination and processing of the grievance, within the limits specified in ARTICLE III, Section C.
6. The failure of an aggrieved person to proceed from one level of the grievance procedure to the next level with the time limits set forth, shall be deemed to be an acceptance of the decision previously rendered and shall constitute a waiver of any future appeal concerning the particular grievance.
7. The following matters shall not be considered to be the basis of any grievance under the procedures as outlined in this ARTICLE: The termination of service of, or failure to reemploy, any probationary employee by the Board.
8. When a grievance arises in more than one building and is directed to the Superintendent or his designee, the regular grievance procedure will be followed, with the Level One and Level Two-a procedures directed to the Superintendent's designee and Level Two-d procedure directed to the Superintendent.
9. The sole remedy available to any employee for an alleged breach of this Agreement or any alleged violation of her rights hereunder, will be pursuant to the grievance procedure; provided, however, that nothing contained herein will deprive any employee of any legal right which she presently has.
10. It shall be the general practice of all parties of interest to process grievance procedures during times which do not interfere with assigned duties; provided, however, in the event it is agreed by the Board to hold proceedings during regular working hours, an employee participating in any level of the grievance procedure, with any representative of the Board, shall be released from assigned duties without loss of salary.
11. Any employee, when attending any meeting at the request of the employer or for the purpose of presenting legitimate grievances, will not lose any salary compensation if the meeting is called and agreed to by the employer representative for a period during the employees' regular working hours.

ARTICLE XIX – Layoff

- A. When faced with a necessary reduction of staff, the Board shall handle such, to the degree possible, by not filling vacancies. An employee unassigned due to the elimination of a position may temporarily fill an open position. The unassigned employee shall retain her current wage or wage of the open position, whichever is higher, until the unassigned employee is permanently assigned.

- B. All part-time Adult Education School Aides shall be listed on a separate seniority list by date of hire. If a part-time Adult Education School Aide is hired into the other clerical seniority group, she may not use seniority from their list for the purpose of bidding or job preference but shall be considered if her qualifications meet the standards for the position.

- C. In the event necessary reduction of staff requires the layoff of employees, the following procedures will be followed:
 - 1. Identify positions to be eliminated.
 - 2. Provide layoff notification to the least senior employees equal in FTE number to the FTE number of positions eliminated.
 - 3. For each position that has been eliminated, all positions of equal or lesser level occupied by employees less senior than the employee whose job has been eliminated will be identified and declared vacant. Such employees would be considered unassigned and their positions made available through an open posting and bidding process.
 - 4. Unassigned employees shall not forfeit benefits during periods of unassignment and shall have the right to bid positions subject to the seniority provisions of this agreement. Unassigned employees are employees who are not assigned to a position for reasons other than layoff.
 - 5. Employees occupying positions declared vacant shall continue to occupy those positions until the open posting and bid process is completed.
 - 6. In the event that a temporary (overload, 1:1) position is eliminated during the course of the school year, this language does not apply.

- D. Employees will be called back from layoff status in order of greatest years of service to the District provided that an employee may be passed over for call-back if she does not meet the qualifications of the vacant position for which the call-back is being made. When an employee on layoff is offered an open position

which carries the same classification or a higher classification as the position held when the employee was laid off and the employee refuses said position, it will be considered a voluntary resignation.

- E. Any demotion directly or indirectly resulting from implementation of the procedures of this ARTICLE shall provide that the employee remain at the hourly level of pay received for a period not to exceed two (2) years or until hourly rate of position assumed equals or exceeds previous level of hourly pay, whichever comes first.
- F. In applying the wage protection provision in this ARTICLE, the total wages paid in conjunction with the unemployment compensation benefits are not to exceed the total wage protection requirements. In the event that earnings exceed the maximum protection amount, the District is entitled to the recovery of the excess money from the appropriate individual employee.
- G. All fringe benefits accumulated by an employee prior to her layoff shall be held frozen pending her return. Earned vacation will be paid, upon request, to the employee at the time of layoff.
- H. An employee on layoff status may continue group insurance coverage (except for disability income) at her expense, except that the Board will continue to pay premiums for employees on layoff status resulting from strikes by other bargaining groups.
- I. Employees on layoff status shall be given preference for on-call employment in order of greatest seniority and shall be paid at their regular rate for one (1) year when performing on-call assignments.
- J. Employees on layoff status may bid on positions subject to the seniority provision of this Agreement.
- K. If application of the above layoff provisions results in assignment of an employee to a different position and such different position is one she does not wish to fill, such employee may, if the Board consents, elect to take a voluntary layoff. Any such voluntary layoff shall be governed by the following:
 - 1. The employee must request such voluntary layoff, in writing, within twenty-one (21) calendar days after being notified of the change (or prospective change) in her assignment. Such written request must acknowledge that the employee understands and agrees to all of the provisions in this Section I.

2. The voluntary layoff will continue until such time as the employee's original position (i.e., a position substantially the same as the position occupied at the time of election to take voluntary layoff) becomes again available on the basis of the employee's years of service and ability to meet qualifications. In such event, the employee will be given written notice of recall. If she does not report for duty within fifteen (15) calendar days after mailing of the recall notice to her address as shown on Board records, she will be conclusively presumed to have resigned and all of her seniority or other rights will terminate. (It shall be the employee's responsibility to keep the Board notified, in writing, of any change in her address.)
3. When an employee on voluntary layoff is offered an open position that carries a lower classification than the position she held when the voluntary layoff took effect, the employee may decline same.
4. When an employee on voluntary layoff is offered an open position that carries the same classification as the position held when she elected voluntary layoff or carries a higher classification and she refuses, it will be considered a voluntary resignation.
5. Voluntary layoffs become effective when there is job elimination.
6. Employees on leaves of absence are not eligible to request a voluntary layoff.

ARTICLE XX – Protection of Employees

- A. Any case of assault upon an employee during the course of her employment shall be promptly reported to the administration. The Board will provide legal counsel to advise the employee of her rights and legal processes with respect to such assault.
- B. If an employee is injured while in the line of duty, medical, surgical or hospital care will be furnished by the Board per its Workers' Compensation Policy.
- C. Any complaints or charges directed toward an employee shall be promptly called to the employee's attention. An employee shall be deemed innocent of any and all charges until proven otherwise.

Meetings for disciplinary or investigatory purposes shall be initiated as soon as possible, within five (5) working days of the administrator's knowledge of the incident. The Member shall be immediately advised of the possibility of disciplinary action and a union officer notified and provided the opportunity to be present at the meeting.

- D. The Board shall cover employees with employment liability insurance under the District's multi-peril policy.
- E. It shall be the policy of the Garden City School District to reimburse an employee for personal clothing and personal effects (watches, jewelry, glasses) worn on one's person (to a maximum of 1% of teacher B.A. base per item) if these items are damaged or broken because of a violent act by a member of the student body. The reimbursement request shall be presented to the Business Manager and must be accompanied with a recommendation by the building administrator or program administration with an invoice showing replacement or purchase of the item.
