1.2.3

The Board agrees that such mutually recognized practices shall not be changed without prior consultation with the Association. It is also agreed that changes in existing Board Policies that directly effect building principals and/or the position of the principals shall not be changed without prior consultation with the representatives of the Association. Section 6 Sick Leave Utilization

12.6.1

For purpose of determining approval of sick leave utilization, approval to return to work or the right to continue to work; the Board of Education authorizes the Superintendent or his designee with notice to the union, to make a written request requiring an employee to provide the results of physical/mental examination from his doctor.

If the Board is not satisfied with this report, the Board, upon notice to the Union, may require the employee to submit to an examination by a doctor of the Board's choice. The Board shall pay for this examination.

Either party may request a third examination performed by a physician of mutual consent. Should both parties fail to reach mutual consent, the American Medical Society of Wayne County will be requested to select a physician and said selection will be final. This examination shall be paid for by the Board. Both parties will be informed of the examination results.

Section 7 Catastrophes

12.7.1

No administrator shall suffer loss of pay or reduction of vacation days in the event a general catastrophe (such as severe weather conditions, utility failure, etc) closes down all or portions of the school district.

Administrators accepting positions outside of the school district will not be granted General Purpose Leaves.

Section 9 Involuntary Leave

12.9.1

An employee may be placed on an involuntary leave for just cause.

For purposes of determining an involuntary leave, the Board, upon notice to the Union, may make a written request requiring the employee to provide the results of a physical/mental examination from his/her doctor to determine the employee's ability to perform the essential functions of his/her job with or without accommodation.

If the Board is not satisfied with this report or should the employee not provide this report, the Board, upon notice to the Union, may require the employee to submit to an examination by a doctor of the Board's choice. The Board shall pay for this examination.

Either party may request a third examination performed by a physician of mutual consent. This examination shall be paid for by the Board. Both parties will be informed of the examination results.

Section 3

13.3.1

The Board agrees to provide those administrators not covered by any other employer paid group hospital/medical insurance program full family hospital-medical insurance program with 100% hospitalization/90% major medical coverage and \$5 prescription co-pay. Employees not signing up for health coverage benefits will receive \$60 per pay.

13.3.2

It is specifically understood that any W-WBAA member covered by any other employer paid group health-medical policy is not eligible for the above. The Board may require each employee to certify in writing that s/he is not covered by any other employer paid hospital-medical insurance.

Any W-WBAA member who has signed up for, and is covered by, hospitalization-medical coverage in violation of this Article will re-pay to the employer, all premium monies which the employer has paid for such benefits.

The parties agree to the following interpretation concerning dual insurance coverage:

- (1) The employee and his/her spouse may carry separate hospital-medical insurance policies, provided that no dual insurance coverage shall ensue from such insurance for the employee, his/her spouse, and any member/s of his/her family, including children. For example, the employee may select single subscriber coverage paid for by the Board, if his/her spouse covers himself/herself and dependent children under another employer's hospital-medical insurance coverage.

A husband and a wife, however, who both work for the District shall not have the option of dual insurance coverage paid for by the Board under two separate coverages.

- (2) The following coverages shall not be considered dual coverage for purposes of this Article.

- (a) Hospital-medical insurance coverage provided under a pension or retirement plan, including OHIP.

- (b) Hospital-medical coverage provided by another employer, but whose premiums are paid by the employee's spouse in the amount of 50% or more.

- (c) Hospital-medical coverage provided through Health and Welfare Funds.

- (3) The District will provide dual insurance coverage as exceptions to number one (1) above in the following situations:

- (a) If legal decrees, such as divorce decrees, dictate that the dependent's hospital-medical coverage be provided by the employee and/or his/her spouse resulting in dual coverage;

- (b) If pre-existing conditions prevent continuous hospital-medical coverage for the employee, spouse, and/or any dependent as a result of the transfer of, or dropping of any Board or other employer paid insurance in compliance with number one (1) above.
- (4) In the event that a spouse's employer refuses to drop or reduce its hospital-medical coverage, the employee shall provide a letter from his/her spouse's employer as proof of refusal to drop or reduce its hospital-medical coverage. In this instance, the District will pick up the insurance coverage for the employee and dependent children.
- (5) Dual hospital-medical insurance coverage will be allowed temporarily for the employee, spouse, and his/her dependents, if the request for dependent coverage does not fall within the spouse's insurance open enrollment window period. Such dual coverage shall be extended until the effective date following the next open enrollment period.
- (6) The District shall provide hospital-medical insurance coverage for the employee and dependent children in instances where the employee's spouse would lose other insurance benefits (e.g., life insurance, LTD insurance) by dropping or reducing his/her employer paid hospital-medical insurance program.
- (7) Dual hospital-medical insurance coverage shall be allowed for the employee and his/her coverage dependents, when the spouse's policy does not provide for said coverage.
- (8) The District shall allow dual hospital-medical insurance coverage when the spouse's employer paid hospital-medical insurance program covers less than 80% of reasonable and customary benefits provided by the traditional full family hospital-medical insurance program identified in Article 13.3.1 above, including deductible.

For purposes of implementing this subsection (8), the Association shall appoint a representative to meet with a designee from Employee Services Department in order to review Member requests for exemption from the parties' agreement of no dual hospital-medical insurance coverage because of inferior coverage. If the representatives cannot agree to approve or deny a Member's request for exemption, the Association may submit the issue to final and binding arbitration under LEVEL THREE of the Grievance Procedure.

- (9) An annual survey may be distributed by the Board to all employees carrying Board paid hospital-medical insurance for the purpose of updating eligible dependents. The employee must complete and return the survey

within thirty (30) days. Failure to comply may result in loss of hospital-medical insurance benefits.

1. For the first 7 calendar days of such absence, the administrator shall be charged sick leave from his/her accumulated account or, if the administrator so requests, personal business leave. If the administrator has exhausted sick leave and/or personal business leave, s/he shall be considered "absent without pay" for any absences not covered by his/her accounts.
2. If the administrator's incapacitation extends beyond the period of 7 calendar days, and it is determined that the injury/disability is payable under the Michigan Workers' Compensation Act, s/he shall not be charged sick leave and/or personal leave for any further absences for such incapacitation for 90 calendar days from the date of said injury. Said administrator shall also, during this period of time, receive from the Board the difference between his/her Workers' Disability Compensation check and his/her regular salary.
3. If the administrator's incapacitation continues to the 15th calendar day and/or beyond, the administrator so affected shall have the sick leave and/or personal leave charged to his/her account for the first 5 working days of his/her absence restored to his/her account.
