SECTION A: DUES AND SERVICE FEES

All teachers following thirty (30) days after the effective date of this Agreement or thirty (30) days after the commencement of employment, whichever comes later, shall as a condition of employment pay monthly either:

1. Membership dues of the Federation, or
2. Service fees not in excess of the amount of dues uniformly required of members of the Federation.

The Federation shall certify to the School District at the beginning of each school year the membership of the Federation subject to deduction of membership dues or service fees and the amount of the monthly Federation dues or service fees to be deducted from the regular payroll check of those teachers who have voluntarily authorized in writing the deduction. These amounts so certified and deducted shall be forwarded to the Federation, provided that when a teacher objects to the proper amount of such deduction, the deduction as certified by the Federation shall be placed in an escrow account by the School District until a determination of the proper amount of the deduction has been adjudicated in the proper administrative and/or judicial forums. In the event that the teacher refuses to pay the proper amount as adjudicated for the representation service fee or membership fees, the failure shall constitute reasonable and just cause for dismissal. The School District shall terminate said teacher at the end of the school year and no grievance shall arise nor shall any grievance be processed out of this termination.

SECTION B: PAYROLL DEDUCTIONS

The School District shall make payroll deductions upon written authorization from teachers for tax sheltered annuities with Metropolitan Life Insurance Company, Sherson Lehman, Annuity Services, Inc., Michigan Educational Credit Union, and/or any other plan or program jointly approved by the Federation and the School District. Monies remitted to the respective agencies shall be paid every two (2) weeks or monthly, as the agency itself prefers. All payroll deductions shall be itemized and identified separately on each statement of earnings and deductions to the extent practical by the capacity of the accounting system.

SECTION C: INDEMNIFICATION

The Federation agrees to indemnify and hold the School District, including each individual school board member, harmless against any and all claims, demands, costs, suits, damages, awards, judgments or other forms of liability, including, but not limited to, back pay damages and all court or administrative costs that may arise out of by reason of any action taken by the School District for the purpose of complying with this Article or because of clerical error in the administration thereof. It is specifically and expressly agreed that any payment for these specified

reasons shall be made directly from the Federation to the demanding party and at no time shall the School District be obligated to pay out any monies for any reason associated with the provisions of this Article.

**ARTICLE V -
TEACHER RIGHTS AND PROTECTION**

SECTION A: JUST CAUSE

No teacher shall be disciplined by reprimand, orally or in writing, without just cause, providing, nothing herein shall limit the School District's right with respect to the termination of services or failure to renew a probationary teacher. The teacher shall be provided a copy of any written disciplinary reprimand and shall be required to sign for the same.

SECTION B: RIGHT TO REPRESENTATION

A teacher shall at all times be entitled to have present his/her building representative when he/she is being reprimanded, warned, or disciplined for any reason except when such action is necessary to meet an immediate situation. Such reprimand, warning or discipline shall not be made in the presence of students or fellow teachers.

SECTION C: STUDENT REMOVAL

A teacher may remove a pupil from a class and send the pupil to the school office consistent with School District policy on student discipline. Within twenty-four (24) hours of the removal, the teacher shall be notified of what action has been taken. If no action has been taken, the teacher shall be informed of the reasons.

SECTION D: STUDENT ASSAULTS

Any cases of assault upon a teacher shall be promptly reported to the building principal. In the event that law enforcement or judicial authorities are involved in cases of assault upon a teacher or if any teacher is complained against or sued as a result of any action taken by the teacher while acting within the scope of employment, the School District will pay a reasonable and standard charge for a meeting with legal counsel of the teacher's choice to advise the teacher of his/her rights and obligations in such matter, provided that such protection is not available through the Federation or insurance coverage and if the teacher has not been negligent or at fault in the matter.

Time lost by a teacher in connection with any school related incident described above shall not be charged against the teacher if the teacher has not been held negligent or at fault.

SECTION E: TEACHER LIABILITY COVERAGE

Teachers shall be provided legal defense and comprehensive liability coverage in the amount of One Million and 00/100 (\$1,000,000.00) Dollars per occurrence, in accordance with the terms and provisions of the School District's liability plan or policy. The School District shall provide the Federation's President with a certification of coverage.

SECTION F: SPECIAL SERVICES

The School District will provide diagnostic evaluation, speech therapy, social work assistance, and other special education services that may be required to assist in handling students with special problems.

SECTION G: TEACHER AIDES

Teachers and administrators may involve teacher's aides in:

1. Performance of non-instructional duties.
2. Assistance to them in instructional related activities.

With respect to the use of teacher aides in the classroom, the teacher shall make the classroom education decisions, form lesson plans, select curriculum materials, formulate classroom objectives, and make any and all initial presentations of materials and concepts.

SECTION H: PERSONNEL FILE

Each teacher shall have the right upon request to review the contents of his/her own personnel files. A representative of the Federation may, at the teacher's request, accompany the teacher in this review. The review shall be made in the presence of the administrator responsible for the safekeeping of these files. Personal references and university or other recommendations such as normally sought at the time of employment or advancement are specifically exempt from review. The administrator shall in the presence of the teacher's authorized representative remove these credentials and confidential reports from the file prior to a review of the file by the teacher.

ARTICLE VI - ASSIGNMENTS, VACANCIES AND TRANSFERS

SECTION A: ASSIGNMENTS

The Superintendent, or his designee, shall give each teacher written notice of his/her tentative teaching assignment for the forthcoming school year five (5) working days prior to the end of the teacher work year. Should changes in assignment thereafter be made, the teacher shall be notified immediately, in writing, the reasons for the change. In no event shall changes in a teacher's assignment be made later than fourteen (14) days preceding the commencement of the school year without good cause and the sufficiency of the cause shall either be subject to the grievance

procedure or the teacher may resign his/her position in good standing. Any resignation shall be deemed to be for good cause for purposes under the Teacher Tenure Act.

In the event of a known change in grade level assignment at the elementary level for the coming school year, the principal will consider volunteers from the building grade level in question and meet with the teacher selected, and at the teacher's request, the Federation representative, to review the reason for the assignment change. The meeting will take place prior to the date of issuing tentative assignments for the forthcoming school year. The decision shall be based on the principal's determination as to the instructional requirements, student needs and the best interest of the District.

Since students are entitled to be taught by teachers who are working within the area of their competence, teachers shall not be assigned or transferred outside the scope of their teaching certificates and their area of qualification as defined in Article XIIA. Provided, however, this provision may be waived for good cause upon written agreement of the Federation and the School District.

The District will review a tentative draft specials schedule with the Federation President, and a specials teacher designated by the Federation, to obtain the Union's input prior to publishing the schedule. Under normal circumstances, the draft schedule will be reviewed with the Federation on or before the last teacher workday in June. Subsequent changes shall be reviewed with the Federation. In preparing a special schedule, consideration will be given to balancing assignments and travel between buildings.

SECTION B: VACANCIES

A vacancy shall be defined as an assignment declared open for the forthcoming school year due to the death, retirement, dismissal or resignation of a teacher during the period of time from September 15th to June 30th of the current school year and which is not filled pursuant to the recall provisions of Article XII. The School District shall publicize the vacancy and provide for appropriate posting at least ten (10) days in every school building. A copy of the posting shall be sent to the President of the Crestwood Federation of Teachers at the last address provided by the Crestwood Federation of Teachers. Teachers who are certified and qualified (as defined in Article XIIA) for the assignment, may bid on the vacancy during the ten (10) days of posting.

Newly created positions within the bargaining unit shall also be considered a vacancy and shall be posted and filled as provided in this Section B. Under normal circumstances, internal applicants meeting the minimum requirements will be offered interviews. The term "normal circumstances" assumes a relatively small number of qualified applicants apply. If a large number apply, the District will do a paper screen to find the best three or four internal applicants who would be interviewed. All other internal applicants who applied would be notified that their application had been reviewed but they had not been selected for interviews.

In filling a vacancy, the School District shall consider several factors, including, but not limited to, the applicants' competency, teaching experience, academic preparation in the subject area

and/or grade level to be taught, seniority in the bargaining unit and the best interests of the educational and instructional program. The Superintendent's, or designee's decision in filling the vacancy shall be final and the decision shall not be the basis of a grievance.

Vacancies that occur during the school year may be filled with outside personnel until the end of the school year.

SECTION C: INVOLUNTARY TRANSFER TO POSITIONS/VACANCIES

An involuntary transfer is defined as movement of a teacher without consent from their assigned position during the school year to a position which is out of their present assigned subject area. No involuntary transfer shall be made, except in cases of emergency or to prevent undue disruption of the instructional program, prevent layoff or accommodate recall. In the event an involuntary transfer is made, the Superintendent shall notify the affected teacher and the Federation, in writing, of the reasons for the transfer. If the teacher objects to the involuntary transfer, the teacher may file a transfer request form for their prior position. If the teacher objects to such involuntary transfer, he/she may submit the dispute for resolution through the professional grievance procedure, or he/she shall have the opportunity to resign his position in good standing. Any resignation under the foregoing provision shall be deemed to be for good cause for purpose of the Tenure Act.

SECTION D: TRANSFER TO SUPERVISORY POSITIONS

Any teacher who shall be transferred to a supervisory or executive position and shall later return to teacher status shall be entitled to retain such rights as he/she may have had under this Agreement prior to such transfer to supervisory or executive status, provided that seniority rights are consistent with Article XI, Seniority Rights.

SECTION E: EXTRACURRICULAR VACANCIES

Vacancies in extracurricular positions which arise at least fifteen (15) days prior to commencement of the activity shall be posted for at least five (5) school days in every school building prior to being filled. All things being equal, teachers from within the District shall be given preference. If teachers who are currently performing Schedule B positions do not sign to perform those duties by May 15 (June 5 for Spring activities), the position will be posted for application.

SECTION F: EXCLUSIVITY OF LAYOFF AND RECALL PROVISIONS

In the event of a reduction in personnel or recall, the provisions of this agreement regarding reductions in personnel and recall in Article XII shall be applied exclusively and shall supersede the provisions of this Article.

ARTICLE VII - SCHOOL DAYS

SECTION A: GENERAL RESPONSIBILITIES

The teacher's regular workday shall include responsibility for supervision of the arrival and departure of students within the building, attendance at scheduled staff meetings, preparation for the performance of classroom responsibility, and availability for student and parent conferences. All teachers shall remain for a sufficient period after the close of the scheduled workday to attend to those matters which properly require attention at that time, including consultations with parents.

SECTION B: TIME SCHEDULE

All teachers in the secondary and middle schools shall have a seven (7) hour and four (4) minute day. All elementary schools shall have a seven (7) hour and thirty-four (34) minute day. The workday shall not begin prior to 7:00 a.m. nor end later than 4:00 p.m. Duty time shall be continuous except for the scheduled lunch period. Secondary and middle schools will have approximately fifty-eight (58) minute class periods of five (5) teaching periods per day.

Secondary (9-12) and middle school (5-8) teachers shall report to their schools ten (10) minutes before the opening of the pupils' school day. Elementary (grades K-4) teachers shall report to their schools thirty-one (31) minutes before the opening of the pupils' school day.

SECTION C: LUNCH

Each secondary and middle school teacher shall have a twenty-five (25) minute duty-free lunch with a five (5) minute passing period before and after lunch. Each elementary teacher shall have a duty-free lunch period of forty-five (45) minutes.

SECTION D: PLANNING PERIODS

For any school year in which 1098 hours of instruction are required, and professional development time is counted as instruction, the following schedule applies:

Secondary and middle school teachers shall have at least five (5) unassigned planning periods per week of approximately fifty-eight (58) minutes duration. Planning periods may be rotated to accommodate scheduling and need not provide staff with a common planning period.

Elementary teachers shall report to the building thirty-one (31) minutes prior to the beginning of instruction for purposes of planning and other professional responsibilities, such as conferences, child study and other meetings related to IDEA with the understanding that the use of such time by the principal shall be limited to not more than one (1) day per week.

SECTION E: SPECIAL INSTRUCTION AND RECESS TIME

No elementary teacher shall be scheduled to be present in the classroom during the time students are receiving instruction from a specialist in the field of art, vocal music, physical education, Media Center or Spanish. All such time shall be used as an unassigned planning period. All teachers shall accompany pupils to the specialist and remain until a learning atmosphere is established.

In order to facilitate such unassigned planning time for full-time elementary positions, effective with the start of the 2006-07 school year and ending June 29, 2009:

- A. A special shall be scheduled in 40-minute increments, except at the kindergarten level, where the special may range from 20 to 40 minutes, unless otherwise agreed between the District and the Federation; and
- B. A minimum of three (3) such specials will be scheduled each full week of school, or approximately 120 minutes of unassigned planning time per full week.

This paragraph shall not constitute a term and condition of employment when the 2006-09 contract expires.

Recess periods, other than lunch recess, are considered a part of the instructional day in the elementary school. A ratio of one (1) teacher to three (3) classes shall be used to determine the supervision of such recesses. There may be one (1) recess per day per grade level, not to exceed fifteen (15) minutes.

SECTION F: SUBJECT MATTER PREPARATION PERIODS

No secondary school teacher shall be required to make more than three (3) subject matter preparations. In special areas such as business education and practical arts, the guidelines established by the North Central Association shall prevail.

The Crestwood School District agrees to meet and discuss with the Crestwood Federation of Teachers the number and configuration of teacher assignments of more than three preparations as defined in Article VII, Section F, of the Bargaining Agreement and to give consideration to the Federation's input. This meeting shall occur by May 30, or as soon thereafter as the necessary scheduling information is available in any year when student course selections make teacher assignments of more than three preparations likely. It is the mutual goal of the parties to provide the maximum in curricular and educational opportunity for students, and to keep added teacher preparations to a minimum.

SECTION G: EXTRA ASSIGNMENTS

No secondary or middle school teacher shall be required to extend his/her services beyond the limits established in this Article (VII), but a teacher may agree to such extended service provided he/she is compensated at one-sixth (1/6) of his/her base salary for each additional period assigned.

SECTION H: STAFF MEETINGS

Teachers shall attend any necessary meetings called by the principal, or department meetings called by department supervisors, provided that such meetings are scheduled for and held on Mondays immediately after school, and that attendance shall not be required more than two (2) meetings per month. One meeting shall last no longer than forty-five (45) minutes. The other meeting shall be sixty (60) minutes. With the consent of the teachers involved, the limitations of this provision may be waived. Teachers who are involved in an extra-curricular assignment shall be excused from these meetings when there is a scheduled competition or performance. (Note: Practice is not a competition or performance.)

The sixty (60) minute staff meeting shall be held once each month, September through May of each school year. The Monday schedule for the year shall be established prior to the end of the first week of school. The sixty (60) minute staff meetings shall be used exclusively for professional development. It is understood that shared time teachers will attend all staff meetings.

SECTION I: ANNUAL OPEN HOUSE

Teacher attendance at the Annual Open House shall be required. Teacher attendance at Parent-Teacher Organization meetings and other open houses shall be voluntary.

SECTION J: PARENT TEACHER CONFERENCES

For grades K-4, three (3) one-half days after the first marking period (or one full day which would include the evening), and two (2) one-half days after the third marking period (or a half-day and evening) shall be scheduled for the purpose of parent-teacher conferences. Two of these conferences may be held in the evening with one half-day release time given for each evening conference.

For grades 5-8, two (2) one-half days after the first marking period, and two (2) one-half days midway through the third marking period (or a half-day and evening each semester) shall be scheduled for the purpose of parent-teacher conferences. Two of these conferences may be held in the evening with one half-day release time given for each evening conference.

For grades 9-12, two (2) one-half days after the first marking period, and one-half (1/2) day midway through the third marking period shall be scheduled for the purpose of parent-teacher conferences. These conferences may be held in the evening with one-half day release time given for each evening conference.

Placement of half-days of release time from evening conferences will be determined annually by representatives of the Federation and Administration. For the 06/07 school year, parent-teacher conferences will be scheduled on a single day (e.g., the elementary conferences in the first semester will be in the a.m., p.m. and evening on a single day). Prior to the end of the 06/07 school year, the representatives of the negotiating teams and Federation President will evaluate the effectiveness of this format and decide whether to follow this format in subsequent years.

SECTION K: SCHEDULED CALENDAR DAYS

For elementary teachers, one half (1/2) day at the end of the first, third and fourth marking periods for the purpose of marking report cards shall be provided.

Middle school teachers shall have one half (1/2) day at the end of the first, third and fourth marking periods for the purpose of marking report cards.

For high school teachers, two (2) one half (1/2) days for exams at the end of each semester shall be provided.

SECTION L: REPORTING UNAVAILABILITY FOR WORK

Teachers shall report their unavailability for work at least one (1) hour prior to their regularly scheduled reporting time. The School District shall provide a telephone-answering device which will enable teachers to report their unavailability for work during the time when the switchboard is not in operation.

Once the teacher has reported unavailability for work, it shall be the responsibility of the administration to arrange for a substitute.

If a substitute does not satisfactorily carry out the duties to be assigned to him, the classroom teacher may request a review by the administration of the eligibility of that substitute.

SECTION M: CANCELLED STUDENT INSTRUCTION DAYS

If in the discretion of the Superintendent, or his designee, scheduled student instruction days are cancelled due to conditions not within the control of the School District, such as, by way of example, severe storms, fires, epidemics, or health conditions as defined by City, County or State authorities, the cancelled scheduled student instruction days shall be made up immediately following the last student attendance day and the teacher workdays will be advanced accordingly. All make-up days shall be without additional compensation. The School District and the organization may make up the cancelled days through mutually agreed upon alternatives. Provided, however, the first two (2) cancelled days shall not be made up if those days are counted as days of pupil instruction under the laws of the State of Michigan and the Rules and Regulations of the State Board of Education and the Department of Education.

ARTICLE VIII - WORKING CONDITIONS

SECTION A: STUDENT SUPERVISION

Each principal shall develop for his/her building a schedule for the supervision of students entering the building during the ten (10) minute period prior to the beginning of the pupil school day. This schedule shall require a ratio for supervision not greater than one (1) teacher to three (3) classes. Such ratio shall be based on the number of classes scheduled for the beginning of the student day. It is understood that this schedule will equally divide the responsibility for the supervision among all the teachers of the building.

SECTION B: TEACHING CONDITIONS

The parties recognize that optimum school facilities for both student and teacher are desirable to ensure the high quality of education that is the goal of both the Federation and the School District. It is also acknowledged that the primary duty and responsibility of the teacher is to teach and that the organization of the school and the school day should be directed toward insurance that the energy of the teacher is primarily utilized to this end.

SECTION C: CLASS SIZE

The pupil teacher ratio is an important aspect of an effective educational program. The parties agree that class size shall not exceed the following standards, provided that if an emergency situation exists, such standards may be modified, with agreement with the Federation.

The School District shall provide:

1. A desk for each teacher assigned to a classroom and comparable facilities for each transient teacher. Lockable drawer space will be provided each teacher.
2. Suitable space for each teacher to store coats, overshoes and personal articles. The School District assumes no responsibility for lost or stolen personal property where a lockable space is provided.

SECTION E: BUILDING CONDITIONS

The School District shall make available in each school, lunchroom and lavatory facilities exclusively for employee use and at least one room, properly furnished, which shall be reserved for use as a faculty lounge. Provisions for such facilities shall be made in all future buildings, however, this paragraph shall not be construed to require construction of additional facilities in present buildings.

SECTION F: PARKING

Off-street paved parking facilities shall be provided, a portion of which shall be designated exclusively for faculty use. Such space is to be determined by the needs of each building.

SECTION G: MONEY COLLECTION

No teachers shall be required to supervise or collect monies for milk, pictures, albums, lunch or student insurance.

SECTION H: TELEPHONE

A telephone shall be made available in the teachers' lounge in each building. The School District shall assume responsibility for the basic instrument charge and local calls. All telephone service shall be restricted to local calls.

SECTION I: HEALTH AND SAFETY

Teachers shall not be required to work under hazardous conditions or to perform tasks which endanger their physical health or safety.

SECTION J: EARLY DISMISSAL

In the event that a student body of a building is dismissed during regular school hours for adverse conditions, teachers shall be permitted to leave at the time of such dismissal provided that the school grounds have been cleared of students.

SECTION K: SCHOOL CALENDAR

The calendar for 2006/07 is Schedule C-1. The calendar for 2007/08 is Schedule C-2. The calendar for 2008/09 is C-3.

If the school calendars set forth above do not provide a sufficient number of days/hours of student instruction required for the School District to receive full state aide and not suffer a reduction, the parties shall meet to add the number of day(s)/hours necessary to receive full state aide.

SECTION L: TRAVEL BETWEEN BUILDINGS

Whenever a teacher is required to travel between buildings as part of his/her daily schedule, that teacher will be allowed not less than fifteen (15) minutes for travel time between work stations from the ending time of one class to the beginning time of the next class.

SECTION M: STUDENT PROMOTION/RETENTION

The Federation recognizes by law that the Superintendent shall determine the promotion, retention and/or placement of the student. However, consideration shall be given to the teacher's written recommendation concerning such promotion or retention. The teacher shall receive prior written notice of any exception to the teacher's recommendation.

SECTION N: SUBSTITUTE PREFERENCE

Teachers may submit their preference of substitute to the building principal for consideration.

SECTION O: SUPERVISION OF STUDENT TEACHERS

Supervision by a teacher of a student teacher shall be voluntary and no teacher shall supervise more than one such student teacher simultaneously. The School District shall remit to the supervising teacher any monies received from the university which placed the student teacher.

SECTION P: SHARED TIME POSITIONS

The Superintendent may, in his discretion, approve shared teaching positions. Applications for a shared position during the first semester of a school year must be received by May 1st of the prior school year. Applications for a shared position during the second semester must be received by December 15th of that school year. Vacancies created by the establishment of shared teaching positions during the second semester of any school year will be posted. Teachers applying for and receiving a shared teaching position will remain in the position for a school year or the second semester of a school year.

Shared teaching positions shall be defined as two (2) teachers sharing a position for a school year on a daily basis or a semester each, which would otherwise have been a single assignment for one teacher. Each teacher sharing a position will receive a pro rated portion of his/her salary, as shown in Schedule B. Examples are as follows:

1. Two (2) teachers sharing a position for one (1) semester each would receive fifty (50%) percent of their full salary. Teachers teaching the first semester may have their salary paid for the first semester (approximately ten (10) pays), or the school year (approximately twenty (20) pays), or through the summer (twenty-six (26) pays). Salary would not begin for those teachers teaching the second semester until employment begins, and could be paid at the request of the teacher over the balance of the second semester and through the summer.
2. Two (2) teachers sharing a position on a daily basis will receive a pro rated salary based on the ratio of classes taught to the total classes normally assigned, i.e., two (2) of six (6) periods would equal 33-1/3% salary.

3. Two (2) kindergarten teachers sharing a position on a daily basis for the school year (one for AM and one for PM) will receive fifty (50%) percent of their full salary.

Teachers teaching full-time for one (1) semester would receive one-half the annual accumulated paid leave days granted to teachers in a full time assignment for a full school year, with one (1) full day deducted for each full day's absence.

Teachers teaching each day (but less than a full day) would receive the same number of annual accumulated paid leave days granted to teachers in full-time assignments for a full school year and would lose one (1) full day for each day's absence. Should a shared time teacher who has accumulated days in his/her sick leave bank while teaching full-time and who is teaching less than a full day (each day) be absent more than thirteen (13) days during the school year, then beginning with the fourteenth (14th) day of absence, the deduction from that teacher's sick leave bank (which was accumulated through full-time work) would be prorated based upon the teacher's assignment (one-half (1/2) day for one-half (1/2) time employment).

All shared time teachers will receive pro-rated insurance benefits. Furthermore, each shared time teacher will attend the nine (9) one-hour blocks of professional development and all staff meetings.

Each teacher participating in an approved shared teaching position will continue to accrue seniority on a full-time basis. Experience on the salary schedule shall be granted according to the schedule in Article XV.B.

Teachers participating in a shared teaching program must give notice to the Superintendent by March 1 of their desire to continue in a shared teaching position for the next school year. This notice is the responsibility of the individual teacher. In the event a teacher elects not to continue in a shared teaching position, the involved teachers will be assigned a full-time position for the following school year, subject to reduction in personnel.

SECTION Q: COUNSELORS

Counselors will work the teacher year plus up to thirteen (13) additional days, paid at their per diem rate, scheduled continuous to the end or beginning of the school year as determined by the School District. Counselors will be notified of the scheduled dates of the additional days no later than May 15. Counselor's workday is continuous duty, excluding lunch. Counselors shall not receive a planning period.

**ARTICLE IX -
INSTRUCTIONAL IMPROVEMENT**

SECTION A: INSERVICE

The School District and the Federation recognize that local inservice education is desirable. Therefore, teachers shall attend all regularly scheduled professional meetings, including institutes and workshops, when release time is provided. The Superintendent may designate portions of the normally scheduled school day for District, building, or individual inservice educational workshops.

In addition to any inservice scheduled as part of the calendar, up to six (6) one-half (1/2) District and or building inservice days may be scheduled each school year. The dates shall be determined at the discretion of the Superintendent or his designee. In the case of District inservice, the dates and content of the inservice shall be established by the Superintendent, or his designee, after consultation with the Curriculum Council. In the case of building inservice, the dates and content of the inservice shall be established by the Superintendent or his designee, after consultation with the School Improvement Committee and the building representative.

SECTION B: PROFESSIONAL DEVELOPMENT INDUCTION

During the first three (3) years of employment in classroom teaching, a teacher shall be required to receive intensive professional development induction into teaching, including classroom management and instructional delivery. The intensive professional development shall consist of five (5) days, in each of the first three (3) years of employment, of professional development, the experiencing of effective practices in university-linked professional development schools, and regional seminars conducted by master teachers and other mentors. The five (5) days of professional development each year are in addition to the professional development days provided for in the regular school calendar, are without additional compensation, and, as a condition of continued employment, the five (5) days each year shall be completed by April 1 of each school year.

The administration shall make teachers aware of professional development seminars, workshops, inservices, and other activities which have been approved by the administration as qualifying for a professional development day. A teacher may also make application to the administration for the approval of professional development activities he/she may want to attend.

SECTION C: CONFERENCE ATTENDANCE

Teacher attendance at conferences, workshops and conventions will be based upon the needs and interests of the District and teacher(s) and the financial limits allocated by the School District for such purpose or the funds available from other outside sources. Attendance may be granted upon the recommendation of the principal and the approval of the Superintendent, or his designee. The Superintendent, or his designee, shall determine at the time of approval the limits and items of

expense which will be reimbursed by the School District and whether the teacher will attend without loss of compensation.

At the request of the Federation, and with the approval of the Superintendent, or at the request of the Superintendent, arrangements shall be made for after school courses, workshops, conferences and programs designed to improve the quality of instruction. Every effort will be made to obtain people of the highest qualifications to participate in the presentation of such programs.

SECTION D: WAIVER PROCESS

The Crestwood School District ("the District") and the Crestwood Federation of Teachers ("the Union") agree that, from time to time, recommendations from a building's school improvement committee or a desire on the part of the staff of a building to implement innovative ideas to improve the school may require the waiver or modification of the collective bargaining agreement. Therefore, the District and the Union have agreed to the following procedure and process for effectuating such proposed waivers and modifications.

1. A proposal for waiver or modification will be developed in writing by those proposing the waiver or modification with concurrence of the building principal and shall include both the current contract language and proposed waiver or modification.
2. The proposal will be given to the building membership at least five (5) working days prior to a vote.
3. If 75% of the building membership votes in favor of the proposal, it will be referred to the Executive Board of the Union and the District's administration.
4. The Union's Executive Board shall accept or reject the proposal on the Union's behalf and shall so notify the District's administration, in writing, within twenty-five (25) working days of building's vote on the proposal.
5. The District's administration shall accept or reject the proposal and so notify the Union's Executive Board, in writing, within five (5) working days of receipt of notification of acceptance from the Union.
6. Waivers and modifications accepted by the District and the Union will take effect as specified in the proposal, but shall expire on the expiration date of the then applicable collective bargaining agreement.

SECTION E: TEACHER EVALUATION

The work performance of all teachers shall be evaluated in writing. Probationary teachers shall be observed at least twice during the school year; at least once between October 1 and December

1, and once between January 15 and March 15. A year-end evaluation shall follow the last observation. Tenured teachers should be observed and evaluated at least once every other year.

Evaluations shall be conducted by the teacher's immediate supervisor, an administrator working in the same building or an administrator designated by the Superintendent who, in his opinion, is competent. If a teacher works in more than one building or under the direct supervision of a special area coordinator, he/she shall be evaluated by the principal of each building and a coordinator of that special area. Each observation shall be made in person, and one observation shall be for at least one full class session.

Within five (5) days of the written evaluation, at the request of either party, the administrator shall hold a conference with the teacher he/she observed and discuss his/her evaluation. Each teacher shall receive a copy of his/her evaluation. The teacher may attach a statement providing additional pertinent information, if desired.

No later than April 15 of each school year, the final written evaluation report will be furnished to the Superintendent for each probationary teacher. A copy shall be furnished to the teacher. If the report contains any information not previously known to and discussed with the probationary teacher, the teacher shall have an opportunity to submit additional information to the Superintendent. In the event a probationary teacher is not continued in employment, the Superintendent, or his designee, will advise the teacher of the reasons therefore in writing.

SECTION F: PERSONNEL FILE/COMMUNICATIONS AND EVALUATIONS

All communications, including evaluations, by Crestwood administrators, commendations, and validated complaints directed toward the teacher which are included in the personnel file, shall be called to the teacher's attention at the time of inclusion and signed by the teacher. All notifications to the teachers covered in this paragraph shall be in writing.

SECTION G: It is a professional responsibility of teachers and school improvement teams to provide a sufficient number of qualified mentors in each school. A list will be provided. The Building Principal will consult with the School Improvement Team to help put such a list together. A formal mentorship program has been developed. An annual stipend per each mentee will be provided. The stipend will be set forth in Schedule B.

Newly-employed full-time teachers shall be provided an initial grant of four (4) days leave effective September 15 and a subsequent grant of four (4) days leave effective February 15 of their first school year of employment to be used only as protection against loss of income because of absence due to personal illness or accidental injury. All earned but unused leave days shall be cumulated to one hundred forty (140) days maximum accumulation. Days accumulated while teaching less than full-time and subsequently withdrawn shall be used as the portion of the work day the teacher worked when earned. At the beginning of the school year, each teacher shall be provided with a statement of their accumulation as of the end of the previous school year.

Teachers who must leave during the work day because of sudden personal illness or accidental injury shall be charged with use of leave for the portion of the work day missed to the nearest one-sixth (1/6) of a work day.

The following requirement and procedures shall apply to all teachers:

- a. All teachers aware of an impending period of physical disability or illness shall notify the administration of such as soon as possible. Said notification is to be accompanied by a statement from the attending physician giving the anticipated date and duration of disability or illness. Said notification shall be filed with the Superintendent of Schools.

Such leave absolutely shall not be granted to participate in the affairs and business of the Federation, to engage in ventures for profit, to render services to another employer or organization, or to engage in recreational activity or competition of any sort. Such leave shall not be used the day before or after a holiday or vacation period. Such leave shall be deducted from the teacher's personal illness leave. 5. A teacher receiving benefits pursuant to the Michigan Worker's Compensation Act for a compensable injury arising out of and in the course of employment shall be paid one-half (1/2) of a day's pay deducted from their personal illness leave accumulation, for each day the teacher would have been working but for the injury, for the period of the benefits, but not to exceed beyond a sixty (60) working day period.

The application shall be submitted to the Superintendent for recommendation to the School Board. The School Board shall consider the request and provide an answer granting or denying the leave of absence as requested. The School Board may indicate an alternative arrangement for leave of absence in its answer, which the teacher may accept by submission of an amendment to the original application. Upon the return from such leave, the teacher shall be placed at the same position on the salary schedule to which the teacher was entitled at the effective date of the leave and credited with seniority rights if the teacher had been teaching in the District during the leave.
