ARTICLE I
PREAMBLE

This agreement entered into this twenty-fourth day of July, 2012, by and between the Board of Education of the Riverview Community School District, Wayne County, Michigan, hereinafter called the "Board", and the Riverview Administrative Cabinet, hereinafter called the "RAC".

WITNESSETH

WHEREAS, the Board and the RAC recognize and declare that providing quality education for the children of Riverview is their mutual aim and that the character of such education depends in part upon the quality and morale of the administrative service; and

WHEREAS, the Board and the RAC can best achieve these most important aims by a cooperative and meaningful negotiation process and by depending upon each other's ability, experience and judgment in formulating, understanding, and making decisions that involve matters of mutual concern and which affect the quality of the educational program, and

WHEREAS, the Board and the RAC, following extended and deliberate negotiations, have reached certain understandings.

THEREFORE, the Board and the RAC agree as follows:

ARTICLE II
TEAM MANAGEMENT

The RAC and the Board agree that the team management concept and philosophy as expressed in this contractual agreement is the most beneficial and effective method of administrative operation to use to assure continuing improvement of the Riverview Educational Program. To this end, Administrators and the Board will work together in a professional and ethical manner in their dealings with each other, students, staff, and community in continually striving for excellence in education. Administrators, through their recommendations and participation in administrative meetings, will be provided the means for input in areas appropriate to their responsibilities and will be supportive of decisions reached.

ARTICLE III

Sec. 1. Recognition

The Board hereby recognizes the RAC as the exclusive negotiating representative as defined in Section II, of Act 379, Public Acts of 1965, for all administrators, including personnel on continuing contracts, and probation and including elementary principals, middle school principals, high school principals and assistant principals, and Director of Special Education but excluding the Superintendent, Assistant Superintendent, Business Manager, all central office personnel, and the Director/Supervisor of Maintenance, Buildings and Grounds and Transportation.

Sec. 2. Elimination or Creation of Positions

Before any RAC administrative position is eliminated or new positions which would fall within the RAC are created by the Board, the Board or its representative shall notify the RAC and will meet with the RAC negotiating team to negotiate wages and other working conditions not covered by the present agreement. After good faith bargaining, which might not necessarily result in agreement, the Board may fill the new position. However, the Board must, at the same time, in good faith, establish an interim wage rate and develop preliminary hours and working conditions pending further collective bargaining.

Nothing herein prevents both parties from meeting and mutually agreeing to include or exclude other new or previously existing duties in positions during the term of this contract.

The term "administrator" when used in this Agreement shall refer to all employees represented by RAC in the bargaining unit as above defined. References to male administrators shall include female administrators.

Sec. 3. Administrative Duties--Other

A. Additional Administrative Duties/Extra Curricular Activities/and Programs

Except as otherwise restricted by the Agreement, the Board and Superintendent retain the right to establish additional administrative duties, extra curricular activities, and programs or to discontinue such duties, activities, or programs.

1. Administrative Duties/Extra Curricular Activities

Administrative Duties and Extra Curricular Activities are those responsibilities and assignments typically given an administrator within his/her building or as the administrative representative of his/her building or position and contemplated by the administrator's job description. Such assignments are without additional compensation; however, extra curricular activities, not typically given an administrator, or contemplated by the administrator's job description, for which compensation has already been established, shall continue to be paid.

2. Programs

A program is an organized group or list of plans, other than duties or activities, having a district wide responsibility of the kind set forth in Section B below. Administrators may be assigned the programs set forth below in Section B as directed by the Superintendent without additional compensation. These program assignments may vary from position to position each year and changes will first be discussed with the president of RAC and the involved

RAC administrators for their input. These program assignments will be made by the Superintendent on a fair and equitable basis amongst existing RAC members after conferring with RAC. This will be confirmed by a written communication from the Superintendent.

Without limiting the right of the Board or Superintendent to assign additional program duties, the compensation for additional program duties other than established in Section B below shall be negotiated with RAC. Negotiations shall commence in accordance with Article I, Section 2.

B. Additional Program Duties

1. Elementary Level

- Title I Program
- Latchkey Program
- Supervision of Non-Special Education Paraprofessional Staff
- Michigan Educational Assessment Program
- K-12 Textbook Selection Program
- River-Views, including seeking articles and pictures, establishing deadlines, assisting in preliminary layout, counting out issues, and delivery/payment to post office.
- Community Service. The intent is to assure that all administrators participate in appropriate school authorized community service activities.

2. Secondary Level

- Athletics
- 7-12 Update on Textbooks and Testing Usage
- Community Service. The intent is to assure that all administrators participate in appropriate school authorized community service activities.

C. Outside The District Work

Outside-the-district work for which compensation may be provided is covered in Appendix E. However, such compensation is the responsibility of the outside agency and the individual RAC administrator.

D. Athletic Director

An athletic director will be appointed with responsibility for the 7th through 12th grade athletic program, including all duties associated with the program. This appointee shall work with the high school principal for the 9th through 12th grade athletic program and with the middle school principal for the 7th and 8th grade athletic program. The high school principal and middle school principal shall assist the athletic director, primarily in the areas of coaching selection, and major decisions on schedules.

The high school principal, assistant high school principal, and middle school principal shall attend athletic events as is incumbent upon their positions.

Under this organizational procedure, the high school principal and middle school principal shall be responsible to co-sign evaluations and any other state mandated requirements. The high school and middle school principal may submit independent coaches evaluations to the superintendent if they disagree with the evaluation by the athletic director.

E. Secretarial services designated for athletics shall be supervised and directed by the athletic director.

F. Administrators will not be assigned administrative duties of transportation, however, they will still be responsible to handle normal transportation related parent/student responsibilities. They shall further have responsibility for supervising and evaluating personnel assigned to their building program as directed by the Superintendent, and may receive assistance from other non-RAC administrators in these areas.

G. Nothing contained in this Section will eliminate or modify the District's rights as set forth in Article III, Section 2.

Sec. 4. Agency Shop

A. Any administrator who is a member of RAC, or has been appointed to a position covered by this master agreement, must sign and deliver to the Board an assignment authorizing deduction of membership dues in RAC, including the RAC and the American Federation of School Administrators, AFL-CIO, Local 21. Such authorization shall continue in effect from year to year for the duration of this Agreement unless revoked in writing between July 1 and July 30 of any year.

B. Any administrator, as recognized in the master agreement, who is not a member of RAC in good standing or who does not make application for membership within thirty (30) days from the date of his appointment to his administrative duties, shall as a condition of employment pay a representation fee to RAC equal to membership dues payable to RAC (RAC-Local 21), provided, however, that if the administrator shall not pay such fee directly to the Cabinet, by the fifteenth of each month or authorize payment through payroll deductions, the Board shall immediately notify the administrator of his termination as an administrator, effective at the end of the present school year. The parties expressly recognize that the failure of any administrator who is covered under this master agreement, to comply with the provisions of this Article is just and reasonable cause for discharge from employment.

C. The Business Manager shall draw up an authorized form which shall indicate the amounts to be deducted and the manner in which they will be deducted. The RAC shall review and approve the form before it is utilized.

D. The RAC shall be responsible to notify the Business Manager of any prorated amounts in the event of employment for a partial year or for part time employment.

E. Sums deducted by the Board pursuant to authorization of the administrator whether for professional dues or representation fee, shall be sent promptly to the RAC under procedures to be established by the Business Manager. The RAC shall remain responsible for the ultimate disbursement of such monies.

The procedure in all cases of discharge for violation of the Article shall be as follows:

1. The RAC shall notify the administrator of non-compliance by certified mail, return receipt requested. Said notice shall detail the non-compliance and shall provide ten (10) working days for compliance, and shall further advise the recipient that a request for discharge will be filed with the Board in the event compliance is not effected. A copy of the non-compliance shall be sent to the Superintendent.
2. If the administrator fails to comply, the RAC may file charges in writing, with the Board, and shall request termination of the administrator's employment. A copy of the notice of non-compliance and proof of service shall be attached to said charges.
3. The Board, only upon receipt of said charges and request for termination shall conduct a hearing on said charges. In the event of compliance at any time prior to discharge, charges shall be withdrawn. The RAC, in processing of charges agrees not to discriminate between various persons who may have refused to tender the representation fee.
4. The RAC agrees to hold the Board harmless and pay all litigation costs and the judgments resulting from the termination of an administrator under this Article.

F. Dues shall be deducted monthly from the pays that an administrator receives according to the schedule established by the business office. It shall be the responsibility of RAC to identify the amount of dues deductions on a per-deduction basis for each member and to identify the effective pay date the deduction starts. Notice of any change must be received at least 21 calendar days before the effective date of the new deduction. All dues payments will be based on the year starting with the first pay date in July for all RAC employees unless RAC changes the dues year to an August 15 to August 14 schedule.

Sec. 5. Deductions and Annuities

Unless mutually agreed, administrators may change their payroll deductions no more than four times per school year. Payroll deductions include but are not limited to withholding exemptions, annuities, credit union, etc. If an administrator changes his/her payroll deductions at the commencement of the school year from those of the previous year, this will count as one of the changes for that school year.

Administrators shall be able to select one annuity company in addition to any selected by other employee groups. Administrators have access to all annuity companies proposed by other employee groups unless prohibited by the rules and regulations of a participating company.

ARTICLE IV

Sec. 1. Administrative Contract

Upon being approved by the Board of Education, administrators shall sign an administrative contract provided by the district. All administrators will sign a new administrative contract upon ratification of this 2011-2014 Master Agreement. No term or condition of an individual administrative contract shall be inconsistent with the master agreement.

Sec. 2. Non-Tenured Status

Administrators shall not obtain tenure in an administrative capacity but shall retain full tenure as a classroom teacher as provided by law.

ARTICLE V

SENIORITY-TRANSFER-REDUCTION

Sec. 1. Seniority

A. Seniority for administrators, while serving in an administrative position, is based on the total of all administrative experience in the District. Upon resignation from the District, all accrued administrative seniority is forfeited. If an administrator returns to the teaching staff, he or she shall enter the unit with seniority for all years served as a teacher and as an administrator provided that

administrators hired from outside the district after July 1, 1976 shall not accrue teaching seniority for time served as an administrator in Riverview nor accrue any seniority for any service outside Riverview Schools.

B. An administrator's seniority list will be provided in Appendix "A". In the event of a tie (tie meaning two or more administrators being appointed to commence work in a RAC position on the same date), the administrator with the greatest total seniority in the District will be granted the higher seniority. A RAC administrator who takes a non-RAC administrative position of his own volition (but not as a result of necessary reduction) shall not accumulate RAC administrative seniority, but shall retain the amount of seniority earned while serving in a RAC administrative position.

C. The procedures and criteria for re-entering the RAC from a non-RAC administrative position are as follows:

1. If a former RAC administrator now in a non-RAC administrative position within the District wishes to initiate returning to a RAC administrative position and no opening exists nor has there been a new RAC position established, he may return at the start of the school year provided he gives the Superintendent and the President of RAC written notice at least 120 days prior to the start of the school year and it is mutually agreeable to the Board and RAC, or if the Board eliminates the non-RAC position.
2. If a former RAC administrator holding a non-RAC administrative position within the District which was known to be temporary in nature wishes to return to a RAC administrative position, he may do so when the temporary non-RAC position is terminated. The Superintendent shall inform RAC of such temporary positions.
3. If an opening occurs for an existing or new RAC administrative position, a former RAC administrator, now holding a non-RAC administrative position within the District may return to a RAC administrative position provided he holds certification for whatever position remains after transfers, if any, are put into effect, and provided he/she is approved by the Board.

Sec. 2. Promotions, Demotions and Transfers

Except as otherwise restricted by the Agreement, the Board retains the right to promote, demote and transfer RAC administrators.

A. Promotions

A promotion shall mean a move from one position to another of different title and higher wage as listed on the salary schedule.

B. Demotions

A demotion shall mean the assignment from one position to another of a different title and lower wage as listed on the salary schedule (i.e. reduced in rank) for reasons of job performance, ability, and/or discipline. A demotion can only be for any reason that is not arbitrary or capricious.

C. Transfers

A transfer is defined as a change in assignment to a position bearing the same title and having essentially the same job specifications or to a different title and lower wage as listed on the salary schedule for reasons other than those set forth for demotions in (B) above.

1. Voluntary Transfers-Promotions

Any RAC administrator shall be given an opportunity to seek a transfer (lateral or downward as defined above) or promotion to an open RAC position and will be given priority consideration over non-RAC candidates, but the Superintendent's determination shall be final.

Voluntary transfer and promotion requests shall be submitted in writing to the Superintendent with a copy to the RAC President.

Administrators submitting such a transfer or promotion request shall be interviewed by the Superintendent or his designee as well as the immediate supervisor of the position to be filled in the case of assistant principal.

2. Involuntary Transfers

When in the best interests of the School District an involuntary transfer is contemplated, RAC and the administrator being considered for such transfer will receive a written explanation for the need of the transfer in advance of its taking effect. Unless mutually agreed by both parties that such a meeting is not necessary, the affected administrator and RAC President shall be provided the opportunity to meet with the Superintendent to discuss, review and qualify the necessity for such a transfer and provide alternatives. This meeting, if requested by RAC and/or the administrator, shall take place at least ten (10) working days prior to the transfer taking place.

3. Decisions on voluntary and involuntary transfers are at the discretion of the Superintendent, after he has reviewed all the information presented by the affected administrator and/or RAC as set forth above.

Sec. 3. Reduction

A. The Board retains the right to eliminate administrative positions and/or to reduce the number of administrators.

B. The proposed reduction of administrators will first be discussed at a meeting called by the Superintendent for that purpose. The meeting shall include the Superintendent and at least one officer of the RAC. RAC will be given the opportunity to offer alternatives and suggestions relative to the reduction. The Superintendent shall make the final decision, at his discretion, after taking the alternatives and suggestions presented by RAC to the Board. The Board will not take official action on the elimination of positions or reductions of administrators until the above procedure has been followed.

C. In order to facilitate an orderly reduction in administrative personnel, the following procedures and criteria shall be implemented.

1. The Superintendent will identify the number of administrative positions needed, retaining those currently employed administrators in RAC positions in accordance to Board Policy.
2. Those administrators who are retained may request assignment to certain positions. The Superintendent, at his discretion, will make the final decision as to where the retained administrators are placed.

D. Administrators laid off shall be eligible for recall to the next administrative opening, in accordance with Board policy, within the RAC for which the employee is certified and qualified, subject to the following conditions:

1. Any bargaining unit member currently employed in a RAC administrative position who is laid off shall retain recall rights during said layoff for a period equal to the length of his RAC administrative seniority or for a three-year period, whichever is less.
2. In order to qualify for reinstatement as an administrator after being reduced, the reduced administrator must continue in the employment of the District and must accept the next administrative position offered for which he is certified regardless of the nature, length or classification of said administrative position, and, if appropriate, acceptable to the outside funding source and provided he/she is still eligible for recall as determined in paragraph 1.

E. In the event of a temporary vacancy, the Superintendent or his designee will discuss the need to fill the vacancy with the principal of the building should the vacancy be in the position of an assistant principal. After such discussion in the event of a vacancy in the position of assistant principal, or the Superintendent's own deliberation for all other positions, the Superintendent, at his discretion, will make the decision as to whether or not a reduced administrator will be temporarily recalled to fill the vacancy. It is understood that each temporary vacancy is unique and will be considered on the merits of the conditions existing at the time of the temporary vacancy, and prior decisions of the Superintendent shall not establish binding precedents. The Superintendent may not fill a temporary vacancy of less than fifteen (15) days with a reduced administrator unless the reduced administrator agrees to the recall.

F. Failure to continue in the employment of the District after the reduction, or failure to accept recall, forfeits the reduced administrator's claim for reinstatement as an administrator.

G. The District shall not be required to transfer existing administrators currently employed in RAC positions to accommodate the recall of laid off administrators.

Sec. 4. Certification

Certification requirements for current RAC administrative positions will be in accordance with State certification requirements.

The Board retains the right to establish reasonable qualifications additional to certification requirements as long as they do not conflict with present or future State certification requirements.

ARTICLE VI **EVALUATION-ADMINISTRATORS**

Sec. 1. Probationary Period

All administrators during their first four years of employment as an administrator, shall be deemed to be in a period of probation for the position to which they were appointed. A portion of this probationary period may be waived by the Board of Education upon the recommendation of the Superintendent.

If at the end of any year of probation the administrator's work is unsatisfactory, he may be dismissed as an administrator.

At least ninety (90) days prior to the end of each probationary year the Superintendent shall provide the administrator with a definite written statement as to the quality of his work, and further stating the status of the administrator for the next year. At least sixty (60) days prior to the end of the school

year, the administrator reserves the right to a hearing with the Board of Education to discuss the status of employment.

Upon satisfactory completion of the probationary period the administrator shall be granted an administrative contract.

Only one administrative probationary period will be served by an administrator, unless, after serving the initial probationary period and being placed on a regular administrative contract, his work has become unsatisfactory, and is so documented in his evaluation.

Sec. 2. Evaluation of Subordinate

In the instances where one administrator (subordinate) is working under another administrator (senior) and both positions are RAC administrative positions, the senior building administrator shall evaluate his subordinate if so directed by the Superintendent. The Superintendent shall be responsible for the final evaluation of the subordinate administrator and may incorporate or make reference to the senior building administrator's evaluation. The subordinate administrator shall receive a copy of the directive from the Superintendent to the senior building administrator. The evaluation criteria and form shall be developed by the Superintendent and will be provided to the senior building administrator. This evaluation of the subordinate administrator by the senior building administrator must be completed by October 15 and the subordinate administrator shall receive a signed copy of the evaluation from the senior administrator. A conference shall be held prior to November 1 between the senior building administrator and the subordinate administrator covering each item of the evaluation if requested by either party. A copy of the conference request will be forwarded to the Superintendent prior to the conference.

Sec. 3. Unsatisfactory Performance

A. Work Performance

Should the Board, upon the recommendation of the Superintendent, determine the work performance of a non-probationary RAC administrator is not satisfactory, a written statement to that effect, detailing the reasons therefor, shall be promptly served upon said administrator. The written statement shall include a detailed explanation of the unsatisfactory performance and suggest specific actions for improvement. If the unsatisfactory work performance specified in the written notification is not corrected, the administrator will be notified no later than 90 days prior to the end of the administrator's current contract of the District's intent to terminate his employment as an administrator at the end of the administrator's current contract. The administrator may request a public or private hearing before the Board to discuss his status. All procedural matters including dismissal shall be in accordance with the School Code of 1976 (Act 451 of 1976, as amended). Probationary administrators – four years or less of service with the district – shall be subject to the procedural requirements of the School Code of 1976 (Act 451 of 1976, as amended).

Nothing herein will prevent both parties from agreeing to a transfer of position should mutual agreement exist. This transfer may take place prior to, or after the probationary period but is not required to take place at all.

B. Conduct Other Than Work Performance

Notwithstanding any other provision of this Master Agreement, including but not limited to Article VI, Section 3-A, an administrator may be terminated for any reason that is not arbitrary or capricious immediately and without any mandatory probation period for matters other than work performance including, by way of example and not limitation: physical violence, physical or mental inability to perform the work duties, insubordination or theft or dishonesty.

Sec. 4. Evaluations

The Board and the RAC recognize the importance of an objective and positive evaluation process. The Superintendent has the responsibility to create and revise appropriate evaluation forms, instruments, criteria and procedures. Prior to implementing said forms, instruments, criteria and procedures, the Superintendent will discuss same with the RAC.

The Superintendent will implement said forms, instruments, criteria and procedures, and will communicate same to the RAC by July 31 of the school year in which they are to be implemented.

The Superintendent may meet with administrators on an individual basis to set job goals and to discuss the administrator's evaluation. The evaluation shall be held in confidence and treated in an ethical manner. The administrator may place a written response to the evaluation of his personnel file.

ARTICLE VII
GRIEVANCE PROCEDURE

A. Definition of a Grievance

A grievance is defined to be a complaint by the RAC or any administrator based on the belief that there has been a violation, misinterpretation, or misapplication of any provision of this Agreement. This grievance and arbitration procedure shall not be applicable where the Board is without legal authority to take the action sought or to remedy a complaint where the matter complained of is not covered by this Agreement. The written forms relating to grievances and/or notifications of violations of this contract shall be those set forth in attached Appendix B. Any administrator may file a grievance. Only the Union President or the Vice President, in the President's absence, may file a grievance for the RAC on its own behalf with the District.

B. Procedures

Step 1. Any administrator with a grievance, or the RAC on its own behalf, believing that there has been a violation, misinterpretation, or misapplication of any specific provision of this Agreement, must first discuss the action with the Superintendent or his designee. The administrator may involve a RAC representative at this and all subsequent steps and must request the step one (1) conference within ten (10) school days of the alleged action. The conference, if requested, must be scheduled within five (5) school days from the date of the request. The Superintendent is not required to respond in writing at this level on a formal grievance form but may respond in writing if he so desires. The grievance disposition by the Superintendent, in writing or otherwise, must be within five (5) school days following the conference day with a copy to the grievant and the President of RAC.

Step 2. In the event that the aggrieved administrator or RAC is not satisfied with the disposition of the grievance at Step 1, he shall, within ten (10) school days after the conference in Step 1 or within ten (10) school days after the receipt of the written response in Step 1 (whichever is applicable), file the grievance in writing, using the form provided in Appendix B, with the Superintendent or his designee. Once a grievance is filed it may not be altered.

Step 3. Within five (5) school days of the filing of the written grievance, the Superintendent or his designee shall hold a conference with whomever signed the grievance. This conference is in addition to the original conference held under Step 1. A copy of the Superintendent's written grievance answer shall go to the grievant and to the President of RAC within five (5) school days following the conference.

Step 4. In the event the administrator, his representative, or the RAC is not satisfied with the answer of the Superintendent, or if the Superintendent fails to answer the grievance within the prescribed time, the administrator and/or the RAC shall within ten (10) school days from the date of receipt of the written grievance disposition from the Superintendent or twenty (20) days from the date of filing of the grievance if the Superintendent fails to respond submit a letter to the Superintendent informing him of the RAC's intent to go to arbitration before an impartial arbitrator. Within five (5) school days of submission of the notice of intent to arbitrate, the RAC shall submit the matter to the American Arbitration Association in accordance with its rules. In no event shall an arbitrator be empowered to modify, subtract from or alter the provisions of the Agreement, or to arbitrate policies or practices of the Board not covered by this Agreement. The decision of the arbitrator shall be in writing and shall cover only the issues in dispute without recommendations as to other matters.

The Board and RAC shall not be permitted to assert in arbitration any argument or to rely on any evidence not previously disclosed to the other party if requested.

The arbitrator so selected shall hear the matter promptly and shall issue his decision not later than thirty (30) days from the date of the close of the hearing. The arbitrator's decision shall be binding and in writing and shall set forth his findings of fact, reasonings and conclusions on the issues submitted.

The cost for the services of the arbitrator, including expenses, if any, shall be borne equally by the Board and RAC.

C. Time Limits

The time limits provided in this Article shall be strictly observed and may be extended only by written agreement of the parties. In the event the Board fails to answer within the time limits provided in any of the steps of the grievance procedure, the grievance will be deemed to be denied and the grievant may automatically go to the next step within the time limits set forth.

D. Records and Reprisals

No reprisals of any kind shall be taken by or against any party or any participant in the grievance procedure by reason of such participation.

All documents, communications, and records dealing with a grievance shall be filed separately from the personnel files of the participants.

E. Representation of Grievant

During all phases of the grievance procedure the Board or RAC is entitled to legal counsel if it so desires, with each party paying their own fees and costs. A grievant may not in any event be represented by an officer, agent, or other representative of any other organization other than the RAC and its affiliates.

ARTICLE VIII
RESIGNATION

A written notice of resignation shall be filed with the Superintendent no later than thirty (30) days prior to the effective date of the resignation, except in cases of mutual agreement to waive such notice, which agreement shall not be unreasonably withheld.

Failure to give the required thirty (30) day notice shall cause the District to withhold one hundred (\$100.00) dollars from the last paycheck of the administrator as a forfeiture, except in cases of mutual agreement to waive such notice as above provided.

ARTICLE IX
RETIREMENT

A. When a current administrative staff member who qualifies for retirement under the Michigan Public Schools Employees' Retirement Fund, as evidenced by his receiving retirement pay upon leaving the district, terminates his employment with the school district, he shall receive payment at the rate of \$200 per day for 68 days. Eligibility is limited to RAC members who have a minimum of ten (10) years RAC administrative service in the district or thirty (30) years of combined teaching and administrative service in the district.

B. The definition of "qualifies for retirement" means the individual has applied for and is collecting retirement pay from the state system and payment from this district is made pursuant to proof that this has taken place.

ARTICLE X
TERMINATION OF EMPLOYMENT

Every administrator in good standing who is not retiring under Article IX but who has been employed by the Riverview Community School District as an administrator and/or teacher for ten years or more will, when he terminates his employment, receive one-half (1/2) of the payment set forth in Article IX, Paragraph "B". This provision does not apply to an administrator who is recalled or hired after January 1, 1990.

ARTICLE XI
REASSIGNMENT TO A TEACHING POSITION

Sec. 1. Seniority and Salary Status

Administrators in the Riverview Community School District will retain all years of experience earned as administrators and as a teacher in the Riverview Community School District and these total years shall apply to the teacher seniority list provided that administrators hired from outside the District after July 1, 1976 shall not accrue teaching seniority for time served as an administrator in Riverview nor accrue any seniority for any service outside Riverview Schools. All administrative experience and teaching experience in and outside the Riverview Community School District shall apply to years on the teachers' salary schedule in accordance with the district policy in effect at the time of the initial employment of each individual administrator.

Sec. 2. Teaching Status

An administrator who is reassigned or elects to return to a classroom teaching position and is eligible shall be granted any and all benefits that exist in the REA Master Agreement and shall be treated, in

determining said benefits, such as, for example, and not by way of limitation, accumulation of scheduled absence days as if the administrator had been continuously employed as a teacher in the school district during the time he has served as an administrator and/or a teacher. Administrators hired from outside the district after July 1, 1976 shall not accrue teaching seniority for time served as an administrator in Riverview. Once an administrator in a position covered by this agreement elects to go back into the classroom he shall forfeit all rights of reinstatement.

ARTICLE XII **BENEFICIARY**

The Board shall pay to the beneficiary of an administrator who died while under contract in the Riverview Community Schools payment for all termination benefits based on the current position on the administrative salary scale.

ARTICLE XIII **TEMPORARY REPLACEMENT**

OUTSIDE-THE-DISTRICT WORK

In the event an outside agency proposed to establish a program utilizing the District's buildings after normal working hours which requires administrative supervision, the District will require consideration of qualified RAC administrators if such program scheduling does not conflict with their normal duties. The Superintendent will review the requirements of the administrative position in light of the applicants' present responsibilities and determine which administrators, if any, are eligible to perform the additional administrative responsibilities and submit the list of eligible administrators to the outside agency with a copy to the RAC President.

The notification from the Superintendent need only be sent to RAC administrators currently holding an administrative position.
