ARTICLE I

PREAMBLE

Recognizing that providing quality education is the paramount aim of the Employer and the Union and that the character of such education depends largely upon the quality and morale of the teaching services, we hereby declare:

WHEREAS, the Union recognizes that the Employer, under law, has the final responsibility for establishing policies for the district; and

WHEREAS, the Employer recognizes the Van Buren Education Association, under law, as the exclusive bargaining agent; and

WHEREAS, the Employer recognizes that teaching is a profession; and

WHEREAS, the Employer recognizes the educational expertise of the teachers and views the consideration of educational matters as a mutual concern; and

WHEREAS, the laws of the State of Michigan authorize public employees to enter into collective negotiations agreements concerning rates of pay, wages, hours of employment, and other conditions of employment of such public employees; and

WHEREAS, at a representation election held on May 24, 1982, the Union was selected by a majority of the employees of the Employer covered by this Agreement, as their exclusive representative for the purposes of collective negotiations with the Employer with respect to hours, wages, terms and conditions of employment, and was duly certified as such exclusive representative by the Labor Mediation Board of the State of Michigan; and

WHEREAS, during the 1985-87 school years, and following professional negotiations between representatives of the parties, certain understandings were reached between representatives of the Employer and the Union concerning such matters; and

WHEREAS, the Employer and the Union desire to incorporate such understandings into a written collective negotiations agreement in the belief that such action is in the best interests of the residents of the Van Buren Public School System, the students attending a school therein, and the employees represented by the Union.

NOW THEREFORE, in consideration of the following mutual covenants, the Union and the Employer hereby agree as follows:

ARTICLE II

*These members are considered part-time members under 2.9 below.

- 2.7 A day-to-day substitute enters the bargaining unit after sixty (60) days in a continuous assignment, at which point they shall be considered a long-term substitute. All experience (seniority, sick leave, fringes, and incremental credit advancement) shall begin to accrue only once the individual enters the bargaining unit.
- 2.8 Representation of personnel in newly created positions shall be negotiated within thirty (30) days of the Employer authorization for the position. If the parties cannot agree, within the above thirty (30) days, the Union shall seek resolution through MERC rather than arbitration.
- 2.9 Part-time members shall be defined as those employees requiring certification employed outside the traditional K-12 public school day program. Part-time members currently include MSRP teachers, teachers of the homebound/hospitalized, tuition preschool teachers, alternative education teachers and permanent substitute teachers. The Board agrees that should alternative education cause a reduction in H.S. staffing levels below those in existence in the 2005-2006 school year the parties shall re-open the contract to bargain alternative education's impact. The VBEA shall represent for the purpose of the following sections only:
- 2.9.1 The only part of this contract that shall be applicable or cover part-time teachers shall be Articles 2.6; 2.9.1; 5.7 and its subsections; 12.1 through 12.13 and subsections therein; Article 13 and its subsections; Article 14 and its subsections; and Article 16 and its subsections. All other parts of the contract shall be excluded from application as listed above.

Part-time teachers shall have no right to file a grievance over the interpretation, application or alleged violation of any provision of this agreement other than Articles 2.6; 2.9.1; Article 5.7, Article 6.13 and its subsections; Article 12.1 through 12.13 and subsections therein; Article 14 and its subsections; Article 16 and its subsections. An arbitrator shall have no authority or jurisdiction to consider or to adjudicate any grievances filed by any part-time member over the interpretation, application or alleged violation of any provision of the agreement other than Articles 2.6; 2.9.1; Article 5.7 and its subsections; Article 6.13; Article 12.1 through 12.13 and subsections therein; Article 14 and its subsections; and Article 16 and its subsections. Notwithstanding the above limitations, it is further

agreed that permanent substitutes shall be permitted to file grievances over alleged violations of Article 13.

A separate seniority list shall be maintained for part-time members. Seniority for part-time members will be measured by semesters or summers in the program. For summer programs, a person who works twenty (20) days of their scheduled assignment will be credited with one summer of seniority.

By mutual agreement a member may take one summer leave without losing accrued seniority each six (6) years; however, no one will accrue seniority for time spent on leave. Members on layoff will retain seniority. Once having accepted summer employment the employee is obligated to make himself/herself available for the entire duration of his/her assignments. An employee that is not available for this time shall not be a qualified applicant for future vacancies.

- 2.9.2 Part-time members shall either pay appropriate Union dues or a service fee in accordance with 5.7 of the contract.
- 2.9.3 It is the policy of the Board to secure the best qualified persons for each position. The Board recognizes that it is desirable in making assignments to consider the interests and aspirations of its teachers in accordance with their individual qualifications. In filling vacancies for part-time members qualified applicants who have successfully taught within the last two (2) years in the K-12 regular day program for the Van Buren School District shall have priority in the filling of such vacancies. The decision of the Board as to the filling of such vacancies shall, however, be final.
- 2.9.4 Violations of the above 2.9.1 through 2.9.3 may be processed as grievances under Article XIV of the contract.

5.7.3.2 The method of payment for the agency fee shall be the same described above in Section 5.7.2 and its subsections.

5.7.4 Failure to comply with the Agency Shop Provision

5.7.4.1 In the event the agency fee shall not be paid, the Board, upon receiving a written and signed complaint from the Union indicating the teacher has failed to comply with this condition, shall process said complaint in accordance with the Teachers' Tenure Act, the charging party being the Union. 6.10 Refer to Clarification Language for no double coverage, page 69.

Fringe Benefits - The parties will cooperate in finding the most economical way of providing the benefits specified in the contract.

- 6.10.1 No teacher, nor their dependents, shall be eligible to receive health insurance coverage through the Van Buren Public Schools in addition to being covered by health insurance through any other source unless the teacher provides evidence that their coverage from another source is mandatory or meets any of the other exceptions specified elsewhere in this contract.

Consequently, each eligible teacher, as defined above and in Section 8.10 will select one (1) and only one of the three (3) following options in health insurance:

2006 - 2007 Health Care

- 1. Super Care I with Blue Cross/Blue Shield Underwriter with MESSA Care Rider. 10/20 Rx beginning January 1, 2007. Teachers electing SuperCare I

shall contribute a co-pay of three thousand dollars (\$3,000), pursuant to the district's flexible spending account.

2. MESSA TriMed. Effective January 1, 2007 10/10 Rx if available.
3. Optional Plan
 - A. An additional \$10,000 life with AD & D.
 - B. \$750 in lieu of health insurance. An employee who elects the \$750 option shall receive the pay on the basis of \$62.50 per month. Should an employee work only one (1) semester, their payment would be one-half (1/2) of the total amount. If an employee does not work the total year, the cash in lieu of health insurance shall be prorated. If the census increases by 5 members electing this option by December 1, 2006, the cash in lieu amount shall be increased to \$1,500 per year.

2007 - 2008 and 2008 - 2009 Health Care

1. Super Care I 10/20 Rx with Blue Cross/Blue Shield Underwriter with MESSA Care Rider. Teachers electing Super Care I shall pay the difference between the district contribution for Tri-Med and Super Care I 10/20 Rx, in addition to any applicable Tri-Med co-pays (\$500 or \$750). An employee must have completed five (5) years of employment in the Van Buren Public Schools to elect Super Care I.
2. Commencing with July 1, 2007, the district will provide MESSA Tri-Med with a 10/10 Rx. If the increase in Tri-Med health insurance with the \$10/\$10 drug card is eight percent (8%) or less, Tri-Med shall be fully paid by the employer. If the increase in Tri-Med health insurance with the \$10/\$10 drug card is more than eight percent (8%) but twelve percent (12%) or less - each employee electing Tri-Med shall contribute an annual insurance co-pay of five hundred dollars (\$500). If the increase in Tri-Med Health insurance with the \$10/\$10 drug card is more than twelve percent (12%) - each employee electing Tri-Med shall contribute an annual insurance co-pay of seven hundred fifty dollars (\$750).

The increase shall be calculated by comparing the base full family rate for 2007-2008 to the base full family rate for 2006-2007 for 2007-2008. For 2008-2009, the increase shall be calculated by comparing the base full family rate for 2008-2009 to the base full family rate for 2006-2007. Increases due to a change in census shall not be considered.

(If Tri-Med does not have an Rx 10/10 on July 1, 2007, effective for the 2007-2008 school year, the parties agree to a re-opener on wages and benefits only.)

If there shall be any dispute between the parties regarding the interpretation or implementation of 2007-2008 salary and benefit package, the resolution shall be the bargaining mediation process and not the grievance arbitration process.

Any employee contributions for the health care premiums shall be made through the district's flexible spending account.

3. Optional Plan

A. An additional \$10,000 life with AD & D.

B. \$750 in lieu of health insurance. An employee who elects the \$750 option shall receive the pay on the basis of \$62.50 per month. Should an employee work only one (1) semester, their payment would be one-half (1/2) of the total amount. If an employee does not work the total year, the cash in lieu of health insurance shall be prorated. If the census increases by 5 members electing this option by December 1, 2006, the cash in lieu amount shall be increased to \$1,500 per year.

If the current department chairperson desires to be considered, his/her name shall be included in the list of interested candidates. The principal will then make the final decision as to the chairpersons to be selected.

6.14.2.2 A department chairperson will be provided in the senior high school whenever a department contains two or more teachers who teach at least two or more department classes. The department chairperson shall counsel and assist teachers, shall serve, upon request, as a resource person for the Employer in the evaluation of teachers, exercise the coordination of programs and materials, and shall serve as instructional liaison between the teacher of the department and the school

administration. One hour of release time "per day" will be provided in departments containing six or more who teach two or more department classes unless school time is provided. School time will be provided for evaluation at the discretion of the building principal.

- 6.15 Teachers substituting or assigned during their preparation period shall receive 1/6 of their per diem rate.
- 6.15.1 Employees teaching in the middle school, high school, and elementary (if the elementary schools are ever placed on an houred format similar to the secondary schools) who substitute during their preparation period may receive, in lieu of the specified substitute rate, a prorata credit for additional personal business days. An employee desiring additional personal business days for subbing, must elect at the first of the school year to take their first 12 sub periods as personal business. The number of personal business days that can be earned and used under this provision is limited to two (2) per year. These personal business days are subject to all the limitations of a personal business day (10.4) including conversion to sick leave at the end of the year.
- 6.16 Teachers shall be paid an allowance up to the amount per mile allowed by the IRS for use of personal cars for field trips and other authorized school business. The Board shall provide liability insurance protection for teachers when their personal automobiles are used to transport children as provided in this section. Authorized school business includes mandatory seminars or workshops where mileage approval has been prearranged.
- 6.17 Compensation for (actual) performance of camp duties shall be two (2) personal business days.
- 6.17.1 These personal business days shall have the same limitations as outlined in 10.4.
- 6.17.2 Teachers participating in first semester camp programs shall be able to utilize their personal business days immediately in the fall (prior to their actual performance).
- 6.17.3 Teachers participating in second semester camp programs shall be able to utilize their personal business days during the spring semester or the following fall semester.
- 6.17.4 An employee shall not lose accumulated sick leave time or personal business day credit because of his/her participation in an employer approved camp program or a school field trip.
- 6.18 The High School Noon-Hour Supervisor shall be paid for a year's service 6% of the bachelor's degree minimum. When a Noon-Hour Supervisor is unavailable, a prorata deduction shall be made in the stipend. Payment shall be on a semester basis.
- 6.18.1 The teachers shall not be required to supervise students eating breakfast in the cafeteria.
- 6.19 Homebound teachers shall be paid an hourly rate commensurate with the alternative education pay schedule.

6.20 The school district shall reimburse teachers up to \$125.00 for teacher certification.

6.21 Retirement Severance

An employee retiring under the Michigan School Employee's Retirement System and having fifteen (15) service years of in-district service, shall receive a one time retirement grant. The retiree shall be paid fifteen (15) dollars per unused accumulated sick days to a maximum of 70 days with a maximum grant of \$1,050.

6.22 It is recognized that proper planning and staffing necessitates the knowing of vacant positions; therefore, individuals who unconditionally serve notice of termination or retirement for a succeeding school year by April 1 of the then current school year shall receive a termination bonus of \$750. Those persons who unconditionally serve notice of termination or retirement for a succeeding school year between April 1 and May 31 shall receive a \$500 bonus. Those individuals who unconditionally serve notice of termination or retirement for the succeeding year between June 1 and June 30 shall receive a \$300 bonus. No bonus under this subsection shall be paid to a teacher serving official notice of retirement or termination for a succeeding year after June 30.

6.23 A teacher who is laid off under this agreement and who is paid unemployment compensation based on such layoff during the summer immediately following layoff and who is subsequently recalled on or before the first student day of the next school year to a bargaining unit position which would (in the absence of layoff) have paid the teacher compensation equal to or greater than that paid at the time of layoff, will be paid for such next school year at an annual salary rate which, when the amount of unemployment compensation received by the teacher is added thereto, will be equal to the rate of salary he/she would have earned for such next school year had he/she not been laid off.

ARTICLE VII

TEACHING CONDITIONS

7.1 The parties recognize that the availability of optimum school facilities for both student and teacher is desirable to insure the high quality of education; that is the goal of both the teacher and the Board. It is also acknowledged that the primary duty and responsibility of the teacher is to teach and that the organization of the school and the school day should be directed at assuring that the energy of the teacher is primarily utilized in this end.

ELEMENTARY SCHOOLS AND AUTHORIZED BASIC CLASSES IN SECONDARY SCHOOLS

Because the pupil-teacher ratio is an important aspect of the effective educational program:

1. The parties agree that class size should be lowered whenever possible to meet the following optimum standards:

| A. Class Sizes: | Optimum | Maximum |
|------------------------------------------------------|---------|---------|
| Kindergarten..... | 25 | 28 |
| Grades 1 through 5 | 27 | 30 |
| Authorized Basic Class, Grades 6 through 12 | 20 | 22 |

B. Whenever possible, without adding staff or moving students from one school building to another, the school district will have class sizes for split classrooms in grades 1-5 two students lower than the class maximum.

2. Further, staff may not be reduced or transferred at any time for a purpose of evading the class size maximum here set forth after the official student count day. Grievances may be filed on class size situations which occur or exist on or before the official student count day.

3. In no event shall the class size exceed the agreed to maximum, except:

A. After the official student count day

B. Before the official student count day, if the following criteria is met:

1. Due to a very unusual and unforeseen influx in student enrollment.

2. Or, when foreseen enrollment exceeds maximums and is mutually recommended by at least one of the following committees accordingly:

a. Building Level Committee - Shall be composed of a Union representative appointed by the President of the Union to represent those teachers involved and the building administrator. Recommendation(s) of said committee(s) must be reduced to writing listing the specifics of the exception(s) to include building, grade assignment, and exact anticipated class size number. Copies signed by both members of the committee(s)

must be forwarded to the parties on or about May 15, preceding the fall enrollment date of the same year.

- b. Administrative Level Committee - Shall be composed of the Director of Personnel and an officer of the Union appointed by the President of the Union. Said committee shall review and make recommendations of said situation forwarded from the Building Level Committee. Copies signed by both members of the committee must be forwarded to the Union and the Board within ten (10) days after said meeting. Said recommendations should be forwarded on or about May 30, preceding the fall enrollment of the same year.
 - c. Upon mutual agreement by either level committee of solutions to specific situations exceeding the class size maximums, and said solutions are implemented by the Board of Education, these specified situations, as agreed to, for that year are no longer grievable. However, if the Board does not implement a solution that has been mutually agreed upon by either committee, the specific situation may be grievable.
4. Or, in situations where teacher(s) involved have voluntarily agreed in writing to exceed the above agreed to maximums, those class size situations shall be no longer grievable. Signed copies of said agreements listing specifics of said agreements including the exceeded class size number shall be forwarded to the parties within ten (10) days after such agreement.
 5. Or, other valid reasons due to unforeseen emergencies, not including an influx in student enrollment, after concurrence with the Union. Copies of said concurrence by both parties shall be forwarded to both parties within ten (10) days after said occurrence.

SECONDARY SCHOOLS AND THOSE AREAS NOT COVERED IN THE ABOVE PROVISION

Because the pupil-teacher ratio is an important aspect of an effective educational program:

1. The parties agree that class size should be lowered whenever economically possible and will strive for the following maximum:
 - A. Special Education classes - State mandated caseload maximums including any RESA class size waivers.
 - B. Secondary art, English, social studies, mathematics, science, language and business classes - 25
 - C. Physical education classes - 40
 - D. Study hall - 100 pupils per teacher
 - E. Special facility areas shall be guided by total number of work stations available.
- 7.1.1 In the event that there is more than one available teacher and/or more than one available class, every effort will be made to keep the classes balanced. However, the total instructional program of the individual student and the total building shall also be taken into consideration. The decision of the building administrator as to the placement of the student, shall, however, be final.

- 7.2 The Superintendent shall, at the beginning of each semester, forward to the Union a report on the status of the class sizes in the district.
- 7.3 For the 2005-06 school year, the faculty work year was changed from 184 days to 176 days. The student days were reduced from 178 days to 170 days. The instructional day was increased by twenty (20) minutes for the 2005-06 school year.

In future years, should revenue allow the school district to schedule additional instructional days, the district may return to 184 work days, 178 student days, and reduce the instructional day by 20 minutes.

The teaching hours in the elementary and secondary schools shall be subject to the modification and meeting any unique needs as long as there is no increase in the total hours (7 hours and 35 minutes) of work or times otherwise negotiated and set forth in this Agreement.

Teachers shall be at their assignment prior to the scheduled arrival of their students.

Teachers may leave their school building, providing their teaching obligations are fulfilled, at the conclusion of their 7 hours and 35 minute work day.

- 7.3.1 A teacher who is assigned to the third shift shall be allowed to leave immediately following the dismissal of the students and the fulfillment of assigned duties if the teacher is enrolled in an accredited course at either a college or university meeting within an hour of the end of the teacher's regular day. Proof of such enrollment must be submitted to the building administrator at the beginning of each college or university term before said teacher may be entitled to the above early dismissal.

Before enrolling, a teacher must secure in advance the approval of the building administrator to insure against conflicting school activities, including those listed in 7.6.

- 7.4 All teachers shall have at least a thirty (30) minute duty-free lunch period.

- 7.4.1 The Board will make every reasonable effort to equitably distribute the instruction time for the art, music, physical education and media teachers throughout the week.

- 7.5 The Board shall furnish, without charge, one (1) pair of athletic shoes per year for all physical education teachers; smocks for art teachers, life management teachers, science laboratory teachers; and shop coats for vocational and industrial education teachers. The Board shall make the sole determination as to whether particular items mentioned above should be laundered or replaced.

- 7.6 The teachers recognize that their responsibility to their profession requires a performance of duties that involve the expenditure of time beyond that of the normal working day. In recognition, the teacher will make available and be present according to the following schedule:

A. Elementary

1. At the beginning of the school year, the building administrator, together with the staff, will establish a regular weekly thirty minute period either before or after the regular school day for building meetings. This meeting will not exceed thirty minutes. This established time and day shall be considered permanent for the school year unless the teachers and the building administrator agree to a change. The teachers are obligated to be available for this weekly meeting, making no other commitments that may interrupt this responsibility.
2. The teacher shall also be available for the scheduled curriculum planning meeting, as outlined in 7.6.4.
3. No teacher shall be assigned to more than four (4) evening assignments per year excluding other meetings or assignments provided for in this contract. The four (4) evening assignments shall not exceed a total of seven (7) hours. Teachers will be notified of the function thirty (30) days prior to such date.
4. The teacher shall also make time available for regular scheduled Parent-Teacher Conferences. Building staffs may choose to provide one evening of conference time (equal to 1/2 day). In exchange for this service, staffs may choose early departure (1/2 day) for a regularly scheduled conference afternoon.

B. Secondary

1. At the beginning of the school year, the building administrator, together with the staff, will establish a regular weekly thirty minute period either before or after the teachers' regular school day for building meetings. This meeting will not exceed thirty minutes. This established time and day shall be considered permanent for the school year unless the teachers and building administrator agree to a change. The teachers are obligated to be available for this weekly meeting, making no other commitments that may interrupt this responsibility.
2. The teacher shall be available for the scheduled curriculum planning meeting, as outlined in 7.6.4.
3. No teacher shall be assigned to more than four (4) evening assignments per year excluding other meetings or assignments provided for in this contract. The four (4) evening assignments shall not exceed a total of seven (7) hours. Teachers will be notified of the function thirty (30) days prior to such date.
4. Teachers may not be assigned to Saturday functions except for the Junior Prom, the Senior Prom, and Homecoming Dance, nor will a teacher be assigned to more than two (2) dances.
5. The teacher shall also make time available for regular scheduled Parent-Teacher Conferences. Secondary Parent/Teacher Conferences will be as scheduled:

One (1) afternoon and two (2) evening conferences shall be allocated for fall conferences.

One (1) afternoon and one (1) evening conference shall be allocated for conferences in the spring.

7.6.1 In addition, the teacher will make time available for any emergencies that may arise at their respective buildings as deemed necessary by the building administrator or his designee to include emergency meetings. A follow-up report, in writing, of said emergency must be forwarded to the building Union representative within five (5) working days.

7.6.2 The building administrator shall post or publish an agenda at least one day prior to the established weekly building meetings established by 7.6 except when an emergency arises preventing the same.

7.6.2.1 A section of the agenda will remain open for items of importance to the building staff.

7.6.2.2 If an agenda is not posted according to 7.6.2, a regular weekly building meeting will not be convened.

7.6.3 Each teacher shall receive prior notice of events scheduled in their building for that week so that lessons can be constructed to coincide with building events except in the case of emergencies.

7.6.4 A Professional Development/MEAP day shall be scheduled to be in compliance with state requirements for full funding. Each Professional Development/MEAP release day will be designated as per district calendar of events, unless unforeseen events dictate the changing of a specific Professional Development/MEAP day within each individual month.

7.6.4.1 The responsibility for planning the programs for each Professional Development/MEAP Day, except September, shall be that of the Professional Development/MEAP Committee for the coming school year.

A. The Professional Development/MEAP Committee shall:

1. Plan all curriculum release days except September.
2. Publish the intent of the forthcoming Professional Development Day prior to said meeting and post in each school building.
3. Evaluate the total activities of the Professional Development days prior to the end of the school year and make recommendations for future activities.

B. The Professional Development/MEAP Committee shall be composed of:

1. One elementary teacher from each building, two middle school teachers (one from each middle school), and two senior high school teachers, all of whom shall be appointed by the Union.
2. An elementary administrator, middle school administrator, and a high school administrator, all of whom shall be appointed by the Superintendent.
3. The Director of Instruction.

7.6.4.2 The Department Chairperson, Representative and/or the Building Representative shall:

- A. Submit to the Professional Development/MEAP Committee, via the Director of Instruction, desired topics and intended goals for each Professional Development Day on or before the regularly scheduled Professional Development/MEAP Committee meeting.
- B. Submit a report to the Professional Development/MEAP Committee, a review via the Director of Instruction, of each Professional Development Day within one week following each Professional Development Day.

- 7.7 Every effort will be made, where economically possible, to make available in each school adequate lunchroom, restroom, and lavatory facilities exclusively for employee use, and at least one room, appropriately furnished, which shall be reserved for use as an employee lounge.
- 7.8 Reasonable telephone facilities shall be made available to teachers for their appropriate use.
- 7.9 In all schools of the system, a vending machine for beverages shall be installed in the employees' lounge at the request of the Union with the proceeds to go to the building flower fund. It is understood that the Union will assume all costs of the installing and servicing of the vending machines.
- 7.10 Every effort will be made to have adequate paved parking facilities made available to employees for their exclusive use.
- 7.11 The Board recognizes that appropriate texts, library reference facilities, maps and globes, laboratory equipment, audio-visual equipment, art supplies, athletic equipment, current periodicals, standard tests and questionnaires, and similar materials are the tools of the teaching profession. Representatives of the Board and the Union will confer from time to time for the purpose of improving the selection and use of such educational tools, the Board retaining the final authority in these matters.
- 7.11.1 Because the Board recognizes that appropriate texts are tools of the teaching profession, the Board shall take necessary steps to insure the efficient ordering of textbooks and other classroom materials when increasing class enrollments deplete existing supplies.

7.12 The Board will provide a budget allocation for the use in the expansion of a professional library and inservice training, the amount of which will be determined by the availability of funds.

7.13 It is acknowledged that the primary duty and responsibility of the teacher is to teach and that the organization of the school and the school day should be directed at assuring that the energy of the teacher is primarily utilized in this end.

To insure this primary utilization, no teacher shall be required to perform extra non-educational duties or assignments that may interfere with the teacher's primary function.

No teacher shall be required to:

7.13.1 Grade standardized tests other than those specifically designated as Chapter 3 or ESEA Title I materials, unless request is submitted in writing by the teacher administering a special test.

7.13.2 Give up duty-free lunch except in cases of emergency or preparation time except in cases of emergency and middle school assemblies which shall be scheduled on an equitable basis.

7.13.3 No elementary teacher, other than kindergarten, shall be required to be on duty more than two (2) recess periods each week, except in situations that are impossible to cover and these will be handled on an equitable basis.

7.14 Professional Development

7.14.1 The parties support the principle of continuing training for teachers, participation by teachers in professional organizations in the areas of their specialization, leaves for work on advanced degrees or special studies and participation in community educational projects.

7.14.2 The school district shall make every effort to make available at least two (2) courses on the graduate level from an accredited college or university each semester provided that these arrangements can be made with an accredited college or university.

7.14.3 Every effort shall be made through the Professional Development/MEAP Committee for after school workshops, conferences, and programs designed to improve the quality of instruction that are mutually agreed upon by the parties. Every effort will be made to obtain people of the highest qualification to participate in the presentation of such programs.

7.14.4 The parties acknowledge that the state funded Professional Development/MEAP Committee was created to provide opportunities for additional training and inservice education.

7.15 If an employee requests, the employer shall transport the employee's teaching materials when a transfer occurs. Such material shall be appropriately packed and boxed by the requesting employee. The employer shall take no responsibility for damage, loss, or breakage.

- 7.16 The Board supports the concept of the orderly development and systematic review of curriculum. Teachers are encouraged to participate in this process through the Professional Development/MEAP Committee.

The Professional Development/MEAP Committee will be concerned with curricular programs and textbooks and changes which may occur in these areas. The Director of Instruction will chair the Professional Development/MEAP Committee and may make recommendations on its behalf to the Superintendent and Board of Education.

The Professional Development/MEAP Committee will meet when necessary. Meetings may be called when mutually agreed upon by the Director of Instruction and the V.B.E.A. President. Meetings will be held alternately during the school day and after student dismissal.

Members of the Professional Development/MEAP Committee will consist of at least a teacher from each of the three levels, an administrator from each of those levels, three parent or citizen representatives, and the Director of Instruction. Professional Development/MEAP Committee membership may be expanded by the Director of Instruction when deemed necessary. The President of the VBEA will select the teacher representatives.

The Professional Development/MEAP Committee may determine when and how data are to be gathered from staff or parents affected by curriculum or textbook changes and the appropriate informational and/or inservice education activities necessary to implement new or altered programs.

- 7.17 If a new course is to be created, at least two department members shall be appointed by the building administrator to work with the administration in determining course content and materials needed to implement the proposed course and released time shall be provided if so determined by the administration.

- 7.18 The district will provide facilities for itinerant staff, whenever possible.

- 7.19 Medically Fragile Students

- 7.19.1 No teacher shall be required to perform regular medical or regular hygiene procedures for students such as suctioning, catheterization or attending to any personal hygiene or medical need(s) of the student(s).

Teachers shall receive training for emergency situations dealing with medically fragile students in which they come in contact.

Medically fragile students enrolled in a class, which frequently engages in an activity which would endanger the student's health (unless the student has one-to-one supervision), shall be provided a paraprofessional for that portion of the activity.

- 7.20 School Improvement/Site-Based Decision Making

The conditions which follow shall govern employee participation in any and all plans, or projects included in the term school improvement.

- A. Participation on school improvement committees is voluntary.
- B. Participation on committees or non-participation shall not be used as a criteria for discipline or discharge.
- C. The Master Agreement may not be modified in whole, or in part. Any school improvement decisions affecting member working conditions will be approved by the Executive Board of the VBEA before implementation and memorialized in a letter of understanding.
- D. Decisions of committees must be approved by 60% of the members who will be affected by the decision. All decisions of school improvement committees will be for a specific duration not to exceed two school years.
- E. The committees are free to address topics affecting school programs, but shall not address salaries, benefits or teacher performance, or in any way nullify the collective bargaining agreement.
- F. The VBEA and the Van Buren Board of Education support the school improvement process.

ARTICLE VIII

TEACHING LOADS AND ASSIGNMENTS

- 8.1 The normal teacher's week in the High School shall consist of 25 assigned periods, 5 unassigned preparation periods, and homeroom, hall supervision, or equivalent assignment.
- 8.1.1 In grades 6-8 of the Middle School, the normal teaching load will be 5 homeroom or hall supervision assignments, 25 assigned periods, 5 unassigned preparation periods, and 5 lunchroom or supervised study periods. Upon request of the teacher, the noon responsibility may be altered.
- 8.1.2 The normal weekly teaching load in the Elementary Schools (grades K-5) is to be no more than 25 hours and 50 minutes of assigned periods and no less than 4 hours, 10 minutes (250 minutes) of unassigned preparation time. The Board agrees to provide a minimum of thirty (30) minutes per day.
- 8.2 No departure from these norms, except in case of emergency or extenuating circumstances shall be authorized. In the event of any disagreement between the representative of the Board and the Union as to the need and desirability of such deviation, the matter may be processed through the Professional Negotiation Procedure hereinafter set forth.
- 8.3 The work year for the Community Education Off Campus Coordinator shall be 40 hours per week, with some evenings involved, for 185 days per year. The Community Education Off Campus Coordinator shall receive no additional compensation for the hours he/she works above and beyond that of the K-12 teacher in the contract. Prorata additional compensation shall be paid for days worked beyond the contractual 185 days. Such days will be scheduled at the discretion of the supervisor of adult education.
- 8.4 Pupils are entitled to be taught by teachers who are working within their areas of competence. Therefore, teachers shall not be assigned, except temporarily and for good cause, outside of the scope of their teaching certificates or their major or minor field of study.
- 8.5 Teachers who will be affected by a change in grade assignments in the elementary school grades and by changes in subject assignment in the secondary school grades will be notified and consulted by their administrators as soon as practical and prior to the end of the school year. Such changes will be voluntary to the extent possible. Every effort will be made to avoid re-assigning probationary elementary school teachers to different grade levels unless the teacher requests such change. In no event will changes in teachers' assignments be made later than August 1st, unless an emergency situation requires, and the Union will be notified in each instance. Whenever possible a tentative secondary schedule for the second semester will be presented to employees, in writing, by January 5th of each year.
- 8.6 A preparation shall be defined as any class or section which has an individualized course number or which requires a separate lesson plan.
- 8.6.1 Classes shall be scheduled on the secondary level so that teachers shall not be required to teach more than two (2) endorsement areas nor more than three (3) teaching

preparation classes per semester unless the teacher agrees to the additional preparation(s). Only tenured teachers may approve the additional preparation(s). This shall not require the employer to reduce course offerings or hire any additional staff.

This language does not apply to those non-core curriculum departments that would not have enough staff to cover the courses offered.

8.6.2 For the purpose of this section, secondary shall be defined as Grades 6 through 12.

8.7 No teacher shall be required to teach more than two (2) basic classes unless they approve the additional class or classes. Said basic class shall be designed to generally serve those students who, in the opinion of the counselors, teachers, and administrator, cannot successfully meet the standards and requirement of "General or College Preparatory" classes. Only tenured teachers may agree to the additional classes.

8.8 Reduction of Personnel

8.8.1 No teacher shall be discharged or laid off pursuant to a necessary reduction in personnel unless there is one or more of the following conditions: (1) a substantial decrease in the students enrolled in the school district; (2) a substantial decrease in the revenue of the school district; (3) a substantial increase in cost to the school district; (4) the Board of Education deems it necessary to alter the school program.

8.8.2 No teacher shall be discharged or laid off pursuant to a necessary reduction in personnel for any school year or portion thereof except under applicable state law.

8.8.3 Before official action or a reduction of teachers is taken by the Board of Education, it will give notice to the Union of the contemplated reduction and afford the Union opportunity to discuss it with the Employer. As soon as the names of the teachers to be laid off are known, a list of such names will be given to the Union.

8.8.4 In the event the Union questions the wisdom of the Employer as to the specific teachers: (1) being laid off or not being laid off, or (2) filling the vacant teaching positions (as set forth above) or not filling such positions, the Employer will schedule a conference with Union representatives for the purpose of explaining its rationale. It is understood, however, that the Union's request for this information is to be reasonable, timely, and intended in good faith.

8.8.5 In the event that a reduction of personnel, as heretofore defined, shall become necessary, the Board shall first retain those teachers possessing current teaching certificates with the longest period of continuous service in the school district who are qualified to teach in those areas or disciplines to be preserved.

8.8.5.1 In the event of layoff, the Board will assist separated personnel seeking teaching employment in other districts.

8.8.5.2 A reduction in force shall be based upon:

- A. District Seniority
- B. Certification
- C. Qualification as defined by 8.8.5.2.5

8.8.5.2.1 The union will be provided a list specifying district seniority and the areas for which each teacher is certified and qualified as defined by 8.8.5.2.5. A similar list shall be posted in each school building throughout the district.

8.8.5.2.2 A reduction shall then be based on seniority within the certified and qualified areas as defined by 8.8.5.2.5.

8.8.5.2.3 District seniority shall be defined as continuous service in the school district. Time spent as an administrator in Van Buren shall be included in the definition of continuous service in the school district.

A. For seniority accrued from September 1, 1985 through September 1, 1993, seniority shall not accrue during:

- 1. Any unpaid time for whatever reason.
- 2. Any unpaid leave of absence, except for military leave as provided by statute.
- 3. Layoffs, except up to one year seniority (for career maximum of one year seniority) may be earned while on layoff.

B. Effective September 1, 1993, continuous service shall include time on layoff or leave.

C. Seniority shall be broken for the following reasons:

- 1. If the employee resigns or retires.
- 2. If the employee does not return to work when recalled from layoff with a timely notification period.
- 3. If the employee fails to report for work on the first regularly scheduled work day following the expiration of any employee's leave of absence or fails to secure an approved extension of a leave of absence.

4. If a probationary employee is laid off longer than his/her accumulated seniority.
5. If a tenure employee is laid off longer than 6 years.

8.8.5.2.3.1 The seniority list shall be posted in all school buildings by November 1 and until November 10. It shall be the responsibility of the Union and each employee to promptly check the seniority list. If an employee or the Union does not believe that the employee's seniority, certification, or endorsement is correctly shown on the list, the Personnel Director shall be notified, in writing, of the alleged error within ten (10) days (Nov. 20) of the list's final day of posting. If no challenges are made within the 10 day period, the seniority list shall be deemed to be accurate and the employer shall incur no liability for relying on such list. After November 20, the seniority list shall be frozen until reposted on March 1.

8.8.5.2.3.2 The seniority list shall be posted in all school buildings by March 1 and until March 10. It shall be the responsibility of the Union and each employee to promptly check the seniority list. If an employee or the Union does not believe that the employee's seniority, certification, or endorsement is correctly shown on the list, the Personnel Director shall be notified, in writing, of the alleged error within ten (10) days (March 20) of the list's final day of posting. If no challenges are made within the 10 day period, the seniority list shall be deemed to be accurate and the employer shall incur no liability for relying on such list. After March 20, the seniority list shall be frozen until reposted November 1.

8.8.5.2.3.3 The seniority date shall be established first by the initial day of work for which teaching certification is necessary. Where duplication exists, the contract signing date by the employee shall be used.

8.8.5.2.3.3.1 The method of resolving further duplication of employee's seniority date so affected shall be as follows:

All individuals will participate in a drawing, by lot, to determine their position on the seniority list. The Employer will notify the Union and each employee so affected in writing

of the date, place, and time of the drawing. The drawing will reasonably allow affected employees and the Union or Local Association representatives to be in attendance.

8.8.5.2.3.4 Instrumental Band Director - The only way an individual may accrue seniority in the Instrumental Band Director position is by serving in that position. No other VBEA bargaining unit member shall be able to exercise their seniority to transfer, be assigned, be recalled, or bump into the Band Director's position. The Band Director shall not accrue seniority in any other classification in the bargaining unit. If the Band Director, at a later date, transfers to another position in the bargaining unit, such transfer shall waive all previously accrued seniority, the Band Director shall then commence accruing seniority in the bargaining unit.

8.8.5.2.4 "Certified" shall be defined as a state recognized valid teacher certificate. A teacher will be considered certified for only those areas listed and university verified as of the due date (mutually agreed upon by the Board and the Union) of the Spring survey.

8.8.5.2.4.1. In the case of special education placement, certification shall be dictated by the ability of the individual to qualify for a certificate endorsement and the ability to qualify for Department of Education approval.

8.8.5.2.4.2 After the first day that teachers report in the Fall, updating of endorsement (majors and minors) shall be allowed for the purpose of recall ranking.

8.8.5.2.5 Qualified: In addition to the following requirements, a teacher must be "highly qualified" for his/her teaching assignment (as defined by the ESEA and the Michigan Department of Education) if required pursuant to the ESEA, 20 USC 6301 et seq.

8.8.5.2.5.1 For a teacher holding a secondary certificate to be qualified in the ninth (9th) through twelfth (12th) grade level, a teacher must meet the minimum North Central requirements necessary for the subject area.

8.8.5.2.5.2 For a secondary teacher to be qualified in the sixth (6th) through eighth (8th) grade, they must have a minimum of six (6) through eight (8) subject area major and minor commensurate to the assignment.

8.8.5.2.5.3 Elementary certified teachers will be qualified to teach in those areas that certification permits. For grades six (6) through eight (8), elementary certified teachers must have a specific subject area major or minor in order to be considered qualified.

8.8.5.2.5.4 A music teacher hired before July 1, 1985, will be deemed to be qualified as either instrumental, vocal or both only if the teacher and the Personnel Director mutually agree at the time of hire that the teacher is qualified in instrumental, vocal, or both. After initial hire, a teacher may only be deemed qualified in an additional music area by mutual agreement only between the teacher and the Personnel Director.

8.8.5.2.6 The district shall specify the program, class offerings and personnel positions needed to meet same. Tentative assignments for retained staff following a reduction of staff will be made as follows:

8.8.5.2.6.1 Senior High assignments will be filled using the following criteria:

8.8.5.2.6.1a North Central requirements of retained staff.

8.8.5.2.6.1b "Highly qualified" requirements of the ESEA, when applicable.

8.8.5.2.6.1c The Board shall attempt to place retained teachers in their original buildings.

8.8.5.2.6.1d Schedules will be developed, where possible, to compliment the tentatively assigned staff.

8.8.5.2.6.1e The number of preparations as listed in the Master Agreement will be followed as closely as possible.

8.8.5.2.6.2 Middle School assignments will be filled using the following criteria.

8.8.5.2.6.2a Certified subject area majors and minors will be applied to Middle School staff.

8.8.5.2.6.2b "Highly qualified" requirements of the ESEA, when applicable.

8.8.5.2.6.2c The Board shall attempt to place retained teachers in their original buildings.

- 8.8.5.2.6.2d If, in scheduling, a situation exists whereby an exception to the major and minor must be made, the person shall not teach more than two (2) periods outside of their endorsement areas or experience.
- 8.8.5.2.6.3 Elementary assignments shall be filled using the following criteria:
 - 8.8.5.2.6.3a "Highly qualified" requirements of the ESEA, when applicable.
 - 8.8.5.2.6.3b The Board shall attempt to place retained teachers in their original buildings.
 - 8.8.5.2.6.3c All remaining regular classroom positions shall be filled by those people with certificate majors and minors for all subjects grades K through eight (8).
 - 8.8.5.2.6.3d The addition of new positions or reinstated positions may necessitate changing of assignments for retained staff.
- 8.8.5.2.6.4 Special Service assignments shall be filled using the following criteria.
 - 8.8.5.2.6.4a "Highly qualified" requirements of the ESEA, when applicable.
 - 8.8.5.2.6.4b The Board shall attempt to place retained teachers in their original buildings.
 - 8.8.5.2.6.4c All remaining positions shall be filled as per their ability to qualify for a certificate endorsement and their ability to qualify for approval.
- 8.8.5.2.7 Recall of all teachers shall be in the reverse order of layoff: i.e., those laid off last will be recalled first, provided, however, that a teacher in order to be reassigned, shall be certified and qualified as herein set forth to teach the specific area for which a vacancy has occurred.
 - 8.8.5.2.7.1 The district, as it reinstates programs, shall post the positions as they are established listing the necessary certifications and qualifications.

- 8.8.5.2.8 After the tentative secondary assignments have been made in the Spring, all future recall openings will be filled from the remaining laid off tenure teachers on the basis of their Spring reported majors and minors.
- 8.8.5.2.8.1 Once the list of laid off tenured teachers has been exhausted of anyone possessing either a major or minor in a given area, the next criteria to be used shall be the experience the remaining teachers have had at the level with regard to district seniority.
- 8.8.5.2.8.2 In the event that two (2) or more teachers have experience teaching that subject area, the teacher with the highest district seniority shall fill the position.
- 8.8.5.2.8.3 Probationary teachers can only be recalled to vacant positions for which they possess the necessary certification and qualifications for that level of teaching and have more seniority than the remaining probationary teachers on layoff for the specific level of teaching in which a vacancy exists.
- 8.8.5.2.8.4 After the end of the first day of school, all future recall openings will be filled from the remaining laid off tenure teachers on the basis of their updated or last reported major(s) and minor(s).
- 8.8.5.2.9 If any provision of this Reduction of Personnel Section 8.8.5 is found to be contrary to law or a rule or regulation having the force of law, the Board of Education shall not be mandated to enforce that provision. That provision shall be null and void, but only to the extent mandated by law.
- 8.8.5.2.10 A teacher on layoff may request a voluntary leave of absence. Such leave must be requested sixty (60) days before the start of a semester. Teachers on layoff who do not return to work when recalled shall forfeit all employment rights with the district, except as provided by law.

ARTICLE VIII

TEACHING LOADS AND ASSIGNMENTS

- 8.1 The normal teacher's week in the High School shall consist of 25 assigned periods, 5 unassigned preparation periods, and homeroom, hall supervision, or equivalent assignment.
- 8.1.1 In grades 6-8 of the Middle School, the normal teaching load will be 5 homeroom or hall supervision assignments, 25 assigned periods, 5 unassigned preparation periods, and 5 lunchroom or supervised study periods. Upon request of the teacher, the noon responsibility may be altered.
- 8.1.2 The normal weekly teaching load in the Elementary Schools (grades K-5) is to be no more than 25 hours and 50 minutes of assigned periods and no less than 4 hours, 10 minutes (250 minutes) of unassigned preparation time. The Board agrees to provide a minimum of thirty (30) minutes per day.
- 8.2 No departure from these norms, except in case of emergency or extenuating circumstances shall be authorized. In the event of any disagreement between the representative of the Board and the Union as to the need and desirability of such deviation, the matter may be processed through the Professional Negotiation Procedure hereinafter set forth.
- 8.3 The work year for the Community Education Off Campus Coordinator shall be 40 hours per week, with some evenings involved, for 185 days per year. The Community Education Off Campus Coordinator shall receive no additional compensation for the hours he/she works above and beyond that of the K-12 teacher in the contract. Prorata additional compensation shall be paid for days worked beyond the contractual 185 days. Such days will be scheduled at the discretion of the supervisor of adult education.
- 8.4 Pupils are entitled to be taught by teachers who are working within their areas of competence. Therefore, teachers shall not be assigned, except temporarily and for good cause, outside of the scope of their teaching certificates or their major or minor field of study.
- 8.5 Teachers who will be affected by a change in grade assignments in the elementary school grades and by changes in subject assignment in the secondary school grades will be notified and consulted by their administrators as soon as practical and prior to the end of the school year. Such changes will be voluntary to the extent possible. Every effort will be made to avoid re-assigning probationary elementary school teachers to different grade levels unless the teacher requests such change. In no event will changes in teachers' assignments be made later than August 1st, unless an emergency situation requires, and the Union will be notified in each instance. Whenever possible a tentative secondary schedule for the second semester will be presented to employees, in writing, by January 5th of each year.
- 8.6 A preparation shall be defined as any class or section which has an individualized course number or which requires a separate lesson plan.
- 8.6.1 Classes shall be scheduled on the secondary level so that teachers shall not be required to teach more than two (2) endorsement areas nor more than three (3) teaching

preparation classes per semester unless the teacher agrees to the additional preparation(s). Only tenured teachers may approve the additional preparation(s). This shall not require the employer to reduce course offerings or hire any additional staff.

This language does not apply to those non-core curriculum departments that would not have enough staff to cover the courses offered.

8.6.2 For the purpose of this section, secondary shall be defined as Grades 6 through 12.

8.7 No teacher shall be required to teach more than two (2) basic classes unless they approve the additional class or classes. Said basic class shall be designed to generally serve those students who, in the opinion of the counselors, teachers, and administrator, cannot successfully meet the standards and requirement of "General or College Preparatory" classes. Only tenured teachers may agree to the additional classes.

8.8 Reduction of Personnel

8.8.1 No teacher shall be discharged or laid off pursuant to a necessary reduction in personnel unless there is one or more of the following conditions: (1) a substantial decrease in the students enrolled in the school district; (2) a substantial decrease in the revenue of the school district; (3) a substantial increase in cost to the school district; (4) the Board of Education deems it necessary to alter the school program.

8.8.2 No teacher shall be discharged or laid off pursuant to a necessary reduction in personnel for any school year or portion thereof except under applicable state law.

8.8.3 Before official action or a reduction of teachers is taken by the Board of Education, it will give notice to the Union of the contemplated reduction and afford the Union opportunity to discuss it with the Employer. As soon as the names of the teachers to be laid off are known, a list of such names will be given to the Union.

8.8.4 In the event the Union questions the wisdom of the Employer as to the specific teachers: (1) being laid off or not being laid off, or (2) filling the vacant teaching positions (as set forth above) or not filling such positions, the Employer will schedule a conference with Union representatives for the purpose of explaining its rationale. It is understood, however, that the Union's request for this information is to be reasonable, timely, and intended in good faith.

8.8.5 In the event that a reduction of personnel, as heretofore defined, shall become necessary, the Board shall first retain those teachers possessing current teaching certificates with the longest period of continuous service in the school district who are qualified to teach in those areas or disciplines to be preserved.

8.8.5.1 In the event of layoff, the Board will assist separated personnel seeking teaching employment in other districts.

8.8.5.2 A reduction in force shall be based upon:

- A. District Seniority
- B. Certification
- C. Qualification as defined by 8.8.5.2.5

8.8.5.2.1 The union will be provided a list specifying district seniority and the areas for which each teacher is certified and qualified as defined by 8.8.5.2.5. A similar list shall be posted in each school building throughout the district.

8.8.5.2.2 A reduction shall then be based on seniority within the certified and qualified areas as defined by 8.8.5.2.5.

8.8.5.2.3 District seniority shall be defined as continuous service in the school district. Time spent as an administrator in Van Buren shall be included in the definition of continuous service in the school district.

A. For seniority accrued from September 1, 1985 through September 1, 1993, seniority shall not accrue during:

- 1. Any unpaid time for whatever reason.
- 2. Any unpaid leave of absence, except for military leave as provided by statute.
- 3. Layoffs, except up to one year seniority (for career maximum of one year seniority) may be earned while on layoff.

B. Effective September 1, 1993, continuous service shall include time on layoff or leave.

C. Seniority shall be broken for the following reasons:

- 1. If the employee resigns or retires.
- 2. If the employee does not return to work when recalled from layoff with a timely notification period.
- 3. If the employee fails to report for work on the first regularly scheduled work day following the expiration of any employee's leave of absence or fails to secure an approved extension of a leave of absence.
- 4. If a probationary employee is laid off longer than his/her accumulated seniority.
- 5. If a tenure employee is laid off longer than 6 years.

8.8.5.2.3.1 The seniority list shall be posted in all school buildings by November 1 and until November 10. It shall be the responsibility of the Union and each employee to promptly check the seniority list. If an

employee or the Union does not believe that the employee's seniority, certification, or endorsement is correctly shown on the list, the Personnel Director shall be notified, in writing, of the alleged error within ten (10) days (Nov. 20) of the list's final day of posting. If no challenges are made within the 10 day period, the seniority list shall be deemed to be accurate and the employer shall incur no liability for relying on such list. After November 20, the seniority list shall be frozen until reposted on March 1.

8.8.5.2.3.2 The seniority list shall be posted in all school buildings by March 1 and until March 10. It shall be the responsibility of the Union and each employee to promptly check the seniority list. If an employee or the Union does not believe that the employee's seniority, certification, or endorsement is correctly shown on the list, the Personnel Director shall be notified, in writing, of the alleged error within ten (10) days (March 20) of the list's final day of posting. If no challenges are made within the 10 day period, the seniority list shall be deemed to be accurate and the employer shall incur no liability for relying on such list. After March 20, the seniority list shall be frozen until reposted November 1.

8.8.5.2.3.3 The seniority date shall be established first by the initial day of work for which teaching certification is necessary. Where duplication exists, the contract signing date by the employee shall be used.

8.8.5.2.3.3.1 The method of resolving further duplication of employee's seniority date so affected shall be as follows:

All individuals will participate in a drawing, by lot, to determine their position on the seniority list. The Employer will notify the Union and each employee so affected in writing of the date, place, and time of the drawing. The drawing will reasonably allow affected employees and the Union or Local Association representatives to be in attendance.

8.8.5.2.3.4 Instrumental Band Director - The only way an individual may accrue seniority in the Instrumental

Band Director position is by serving in that position. No other VBEA bargaining unit member shall be able to exercise their seniority to transfer, be assigned, be recalled, or bump into the Band Director's position. The Band Director shall not accrue seniority in any other classification in the bargaining unit. If the Band Director, at a later date, transfers to another position in the bargaining unit, such transfer shall waive all previously accrued seniority, the Band Director shall then commence accruing seniority in the bargaining unit.

- 8.8.5.2.4 "Certified" shall be defined as a state recognized valid teacher certificate. A teacher will be considered certified for only those areas listed and university verified as of the due date (mutually agreed upon by the Board and the Union) of the Spring survey.
- 8.8.5.2.4.1. In the case of special education placement, certification shall be dictated by the ability of the individual to qualify for a certificate endorsement and the ability to qualify for Department of Education approval.
- 8.8.5.2.4.2 After the first day that teachers report in the Fall, updating of endorsement (majors and minors) shall be allowed for the purpose of recall ranking.
- 8.8.5.2.5 Qualified: In addition to the following requirements, a teacher must be "highly qualified" for his/her teaching assignment (as defined by the ESEA and the Michigan Department of Education) if required pursuant to the ESEA, 20 USC 6301 et seq.
- 8.8.5.2.5.1 For a teacher holding a secondary certificate to be qualified in the ninth (9th) through twelfth (12th) grade level, a teacher must meet the minimum North Central requirements necessary for the subject area.
- 8.8.5.2.5.2 For a secondary teacher to be qualified in the sixth (6th) through eighth (8th) grade, they must have a minimum of six (6) through eight (8) subject area major and minor commensurate to the assignment.
- 8.8.5.2.5.3 Elementary certified teachers will be qualified to teach in those areas that certification permits. For grades six (6) through eight (8), elementary certified teachers must have a specific subject area major or minor in order to be considered qualified.

8.8.5.2.5.4 A music teacher hired before July 1, 1985, will be deemed to be qualified as either instrumental, vocal or both only if the teacher and the Personnel Director mutually agree at the time of hire that the teacher is qualified in instrumental, vocal, or both. After initial hire, a teacher may only be deemed qualified in an additional music area by mutual agreement only between the teacher and the Personnel Director.

8.8.5.2.6 The district shall specify the program, class offerings and personnel positions needed to meet same. Tentative assignments for retained staff following a reduction of staff will be made as follows:

8.8.5.2.6.1 Senior High assignments will be filled using the following criteria:

8.8.5.2.6.1a North Central requirements of retained staff.

8.8.5.2.6.1b "Highly qualified" requirements of the ESEA, when applicable.

8.8.5.2.6.1c The Board shall attempt to place retained teachers in their original buildings.

8.8.5.2.6.1d Schedules will be developed, where possible, to compliment the tentatively assigned staff.

8.8.5.2.6.1e The number of preparations as listed in the Master Agreement will be followed as closely as possible.

8.8.5.2.6.2 Middle School assignments will be filled using the following criteria.

8.8.5.2.6.2a Certified subject area majors and minors will be applied to Middle School staff.

8.8.5.2.6.2b "Highly qualified" requirements of the ESEA, when applicable.

8.8.5.2.6.2c The Board shall attempt to place retained teachers in their original buildings.

8.8.5.2.6.2d If, in scheduling, a situation exists whereby an exception to the major and minor must be made, the person shall not teach more than two (2) periods outside of their endorsement areas or experience.

- 8.8.5.2.6.3 Elementary assignments shall be filled using the following criteria:
 - 8.8.5.2.6.3a "Highly qualified" requirements of the ESEA, when applicable.
 - 8.8.5.2.6.3b The Board shall attempt to place retained teachers in their original buildings.
 - 8.8.5.2.6.3c All remaining regular classroom positions shall be filled by those people with certificate majors and minors for all subjects grades K through eight (8).
 - 8.8.5.2.6.3d The addition of new positions or reinstated positions may necessitate changing of assignments for retained staff.
- 8.8.5.2.6.4 Special Service assignments shall be filled using the following criteria.
 - 8.8.5.2.6.4a "Highly qualified" requirements of the ESEA, when applicable.
 - 8.8.5.2.6.4b The Board shall attempt to place retained teachers in their original buildings.
 - 8.8.5.2.6.4c All remaining positions shall be filled as per their ability to qualify for a certificate endorsement and their ability to qualify for approval.
- 8.8.5.2.7 Recall of all teachers shall be in the reverse order of layoff: i.e., those laid off last will be recalled first, provided, however, that a teacher in order to be reassigned, shall be certified and qualified as herein set forth to teach the specific area for which a vacancy has occurred.
 - 8.8.5.2.7.1 The district, as it reinstates programs, shall post the positions as they are established listing the necessary certifications and qualifications.
- 8.8.5.2.8 After the tentative secondary assignments have been made in the Spring, all future recall openings will be filled from the remaining laid off tenure teachers on the basis of their Spring reported majors and minors.
 - 8.8.5.2.8.1 Once the list of laid off tenured teachers has been exhausted of anyone possessing either a major or minor in a given area, the next criteria to be used shall

be the experience the remaining teachers have had at the level with regard to district seniority.

- 8.8.5.2.8.2 In the event that two (2) or more teachers have experience teaching that subject area, the teacher with the highest district seniority shall fill the position.
- 8.8.5.2.8.3 Probationary teachers can only be recalled to vacant positions for which they possess the necessary certification and qualifications for that level of teaching and have more seniority than the remaining probationary teachers on layoff for the specific level of teaching in which a vacancy exists.
- 8.8.5.2.8.4 After the end of the first day of school, all future recall openings will be filled from the remaining laid off tenure teachers on the basis of their updated or last reported major(s) and minor(s).

8.8.5.2.9 If any provision of this Reduction of Personnel Section 8.8.5 is found to be contrary to law or a rule or regulation having the force of law, the Board of Education shall not be mandated to enforce that provision. That provision shall be null and void, but only to the extent mandated by law.

8.8.5.2.10 A teacher on layoff may request a voluntary leave of absence. Such leave must be requested sixty (60) days before the start of a semester. Teachers on layoff who do not return to work when recalled shall forfeit all employment rights with the district, except as provided by law.

8.8.5.2.11 A teacher that has been released because of staff reduction shall, if he/she desires, have priority in the substitute pool.

8.8.5.2.12 A laid off bargaining unit employee who fills a position outside the bargaining unit, but within the district, shall continue to be subject to recall.

8.8.5.2.13 Teachers on layoff status may purchase, at their own expense, if available, hospitalization, life, and dental insurance as a member of their group at a rate and method of payment determined by the carrier and the School Business Office for a period not to exceed one (1) year.

8.8.6 In conjunction with Article 16, Section 2, which provides that the individual contract executed between each teacher and the Employer is subject to the terms and conditions of this Agreement, it is intended that this Article takes precedence over and governs the individual contract and the individual contract is expressly conditional upon this Article.

8.9 Voluntary Twinning and Part-time Positions

- 8.9.1 The purpose of the voluntary Twinning Program is to allow two teachers to share a single full-time assignment or to allow an individual to teach a part-time assignment for one school year. The Personnel Department will make the final determination for twinning.
- 8.9.1.1 It is expressly understood that the pairing or part-time single assignment shall not occur if it causes the layoff or involuntary transfer of a full-time teacher or if it prevents the recall of a laid off teacher.

- 8.9.1.9 All other articles of the master agreement shall remain in full force and effect.

Requests by a teacher for transfer to a different class, building, or position shall be made in writing, on forms furnished by the Board, one copy of which shall be filed with the Superintendent, one copy shall be filed with the Union, and one copy shall be filed with the building administrator. The application shall set forth the reasons for transfer, the school, grade or position sought, and the applicant's qualifications.
- 9.2.1 Applications will be kept on file and given due consideration, should such vacancy occur, either during the school year or during the summer. A list of existing vacancies will be posted in each school building on the first Monday of the months of May and June. On the fifth day of school each year, all previously submitted applications for positions become null and void.
- 9.2.2 The Board shall review staff requests for transfers at the time of the initial assignments.

- 9.3.1 Laid off teachers desiring to accept a retained extracurricular activities assignment shall receive the rate agreed to in the Master Agreement.
- 9.3.2 The Board's decision will be binding unless it violates this Master Agreement.
- 9.4 In filling all vacancies, the Board agrees to give due weight to the professional background and attainments of all applicants, the length of time each has been in the school system, and other relevant factors. Upon request, a teacher who has been denied a transfer or position shall be given the reasons for denial. All qualified applicants within the school system shall have priority in the filling of vacancies. The decision of the Board as to the filling of such vacancies shall, however, be final.

- 9.5 Whenever any opening within the bargaining unit for the coming school year arises by virtue of newly created or vacated position, or whenever any opening in a supervisory or administrative position in the district arises, the district shall publicize the same by providing for the appropriate posting in every school building
- 9.5.1 No such opening shall be filled except in the case of emergency until such openings shall have been posted for at least ten (10) school days.
- 9.5.2 In the event that the vacancy occurs after the end of the current year and the beginning of the next school year, the position will be posted only in the administration building; notification shall be sent to the Union President.
- 9.5.3 In filling the unexpected summer vacancy, the administration will first look at the Request for Transfer Forms which may be obtained from the Building Principal or the Personnel Office. Request for Transfer Forms should be returned to the Personnel Office.
- 9.5.4 In filling the vacancy, then, the Board will give preference to current members who specify on the Request for Transfer Form that they are interested in any of the vacancies which have occurred.
- 9.5.5 When the position is filled by a current member, it can be done without the full five (5) day waiting period.
- 9.5.6 If no contract member requests the position on the Request for Transfer Form, the position shall be filled no sooner than five (5) calendar days from the date the notification is received by the Union President.
- 9.6 In the event that a teacher from outside the system is contracted to fill a newly created or vacated position after the school year has started and a qualified teacher from this system has applied for the position, it is understood that their assignment to the position shall be temporary and considered open to transfers once the current school year ends. The position shall be made known to the bargaining unit and priority in filling this position shall be from those applicants within this system considering their professional backgrounds and attainments of all applicants, the length of time each has been in this school system, and other relevant factors. The decision of the Board as to the filling of such vacancies shall, however, be final.
- 9.7 When involuntary transfers are effected for a necessary change in the staff of any school, due to reduced student enrollment or the closing and/or consolidation of a building or a change in programs, said transfers will be made on the basis of years of service in the district; that employee in the affected building or position possessing the least amount of service and applicable certification being transferred first.

LEAVE POLICY

- 10.1 Sick Leave - Individuals entering the bargaining unit for the 1999-2000 school year shall be granted a sick leave allowance of ten (10) days per year. Individuals having previously entered the bargaining unit shall be granted a sick leave allowance as follows: Ten (10) days per year for those with less than five (5) years in the system; fifteen (15) days per year for those with five (5) years of service or more. Accumulation of sick leave days is unlimited. These days may be used as follows:
- A. Sick leave days may be used for personal illness, quarantine, or a medically defined and physician confirmed (M.D. or D.O. only) disability.
 - B. A maximum of five (5) sick leave days per year will be allowed in the case of an illness of a member of the immediate family when no other arrangements can be made. In this instance, "immediate family" shall be defined as a spouse, children, parents, parents-in-law, grandparents or other relatives living in the same household with the teacher.
 - C. An individual who is aware of a pending disability that has a substantial likelihood of requiring the employee to be absent from the school district, shall inform the employer of the anticipated nature and duration of such absence and provide the employer with documentation (M.D. or D.O. only) substantiating such. Such notification shall be provided as soon as the pending disability is known and must be updated if changes occur regarding said notification. An employee may elect not to use paid sick leave days for pregnancy-related disabilities.
 - D. Any teacher who is absent for more than five (5) consecutive instructional days must provide the Director of Personnel with a medical doctor's certificate verifying that the teacher is unable to work. Such verification must be furnished to the Personnel Director at the earliest possible date in order for the absence to be approved.
 - E. Employees are expected to maintain a reasonable absence record. An employee absent, without extenuating circumstances, in excess of his/her accumulated sick leave shall be disciplined according to the following schedule:
 - 1st occurrence – verbal reprimand
 - 2nd occurrence – written reprimand
 - 3rd occurrence – one day suspension
 - 4th occurrence – discharge
- The following types of absences shall not be the basis of discipline:
- Absences of five consecutive days or more which are justified by a physician's statement
 - Absences due to a medically documented chronic condition
 - Absences included under the Family Medical Leave Act

- 10.2 Any teacher whose personal illness extends beyond the period compensated, shall be granted a leave of absence, without pay, for such time as is necessary for complete recovery from such illness, but not to exceed a period of twelve (12) months. Upon written request by the teacher, an extension may be granted by the Board.
- 10.2.1 Upon return from leave, a teacher shall be assigned to the same position or a substantially equivalent position, when available. A statement from the teacher's personal physician should be furnished upon request by the Board before return to employment in the district is permitted. The Board reserves the sole right to select a physician of its own choosing and at its own expense to verify such statement.
- 10.3 Funeral Leave - When death occurs in the employee's immediate family, i.e. parent, step-parent, grandparent, brother or sister, step-brother or step-sister, parent, step-parent or grandparent of a current spouse, the employee will be permitted to use sick leave during the period commencing with the date of death and ending with the second calendar day after the day of the funeral not to exceed five (5) work days. The above limitations do not apply in the case of death of a spouse or children of the teacher.
- 10.3.1 A maximum of one (1) day of sick leave per funeral will be allowed to attend the funeral of other relatives or close friends not mentioned in the above paragraph.
- 10.3.2 An additional sick day may be approved for funerals involving extensive travel or if the employee has legal responsibilities for the probating of the estate.
- 10.4 Personal Business Days - Two (2) days in any one year will be allowed for "personal business", providing it does not fall on a day immediately preceding or following a holiday or vacation period. Personal business days should not be used to extend a vacation period or holiday. The teacher must receive permission from the administrator at least one day prior to a personal business day. Any unused personal business days will be added to the accumulated sick leave at the end of each school year.
- 10.5 All absence, other than sick leave or personal business will be considered a leave of absence with loss of pay for the period of such absence. A day's pay under this clause will be: 2003-2004 school year – one-one hundred eighty-fourth (1/184) of the yearly contractual salary for those employees with ten month contracts; 2004-2005 school year – one-one hundred eighty-fourth (1/184) of the yearly contractual salary for those employees with ten month contracts.
- 10.6 Any teacher called for jury duty or to give testimony before any judicial or administrative tribunal, or in an Arbitration, Negotiation, Mediation or Fact Finding proceeding shall be released with pay and not charged to their leave allowance, providing, however, that any compensation, excluding mileage, received by the teacher for such proceedings shall be remitted to the Board.
- 10.6.1 Time necessary to take the selective service physical examination shall be with pay and not chargeable against the teacher's leave allowance.

- 10.7 Any teacher who is not able to report for duty because of injuries resulting from any performance of duties shall not have their absences charged against their accumulated leave days provided:
- A. That the injuries occurred on school property and/or during approved school activities.
 - B. That upon written request they submit a medical statement relative to the injury.
 - C. That the injury occurs during the performance of their duties and
 - D. That the injury be verified and approved according to the above provisions by the building administrator.
- 10.8 Any teacher who is absent because of an injury or disease compensable under the Michigan Worker's Compensation Law may elect, in the case such injury extends beyond the seven-day waiting period, to have the difference between their regular salary and the amount received from Worker's Compensation paid from the gross amount they are entitled to receive from their accumulated sick leave. Sick leave deductions will be prorated on the percentage used.
- 10.9 Sabbatical
- 10.9.1 On recommendation of the Superintendent, the Board may permit members of the professional staff to take sabbatical leaves for the purpose of self-improvement and benefit to the school system. A maximum of one (1) teacher per year at one-half (1/2) the base salary may be granted a sabbatical leave in accordance with the following procedure:
- 10.9.2 Qualifications: An application for a sabbatical leave of absence may be filed with the Superintendent provided the following conditions are filled:

- C. If the request entails study at a university here or abroad, no further action is necessary on the part of the applicant except that a complete transcript of the courses taken be forwarded to the Superintendent's Office in Belleville upon completion of the studies. A minimum of eight (8) semester hours of graduate credit is required for each semester of sabbatical leave.

10.9.4 Salary Provisions: A teacher on sabbatical leave will be considered under contract to the Van Buren Board of Education and will receive one-half (1/2) the base salary they would receive as a full-time teacher for that year. Base salary includes the regular salary schedule and increment.

10.9.5 An interim report shall be filed at the midpoint for the period for which the leave is taken. The final report shall be due immediately following the applicant's return to service with the Van Buren Board of Education. These reports are to be mailed to the Superintendent.

10.9.6 Status while on sabbatical leave:

10.10 Child Care Leave

10.10.1 A teacher, either actively employed or on layoff status, who is pregnant or whose spouse is pregnant, or who adopts a child, shall be entitled, upon request, to a child care leave as provided below.

10.10.2 Said teacher shall make such a request to the Superintendent, in writing, on the form(s) approved by the Board thirty (30) calendar days prior to the anticipated date of birth or adoption. In the event of adoption, the teacher shall provide the appropriate form(s) 30 days in advance, or as soon as is possible after learning the date of adoption. Included shall be: A physician's statement certifying pregnancy or paternity, a copy of the child's birth certificate, or notice from the adoption agency certifying the upcoming adoption, whichever is applicable.

Child care leave request packets are available in every building.

10.10.3 A teacher who is pregnant may continue in active employment as long as she desires, provided she is able to perform her required functions.

10.10.4 A teacher adopting a child one (1) year of age or less, shall be entitled to a leave to commence at any time during the first year after receiving de facto custody of the child, or prior to receiving such custody if necessary to fulfill the requirements for adoption.

A teacher acquiring a child one (1) year of age or less through marriage or assuming the legal responsibilities for a family, shall be entitled, upon request, to a leave to commence at any time during the first year after acquiring said child or after the acquisition of the legal responsibilities for the family.

10.10.5 A teacher requesting a child care leave must elect one of the following leaves and only one leave will be granted per teacher, per birth, adoption, acquisition of a child through marriage, or assumption of legal responsibilities for a family. The Board may, however, elect to bring a teacher back prior to the expiration of the leave by mutual consent.

I An unpaid leave for the remainder of the semester that the leave commenced.

II An unpaid leave for a complete semester.

III An unpaid leave for the remainder of the semester in which the leave commenced and the succeeding semester.

IV An unpaid leave for two (2) complete semesters.

10.10.5.1 Accumulated sick leave time shall be used only for that time during which the employee is disabled. Employees intending to use birth related disability leave must comply with the notice provisions of 10.10.2.

Sick days may be used for pregnancy related disability, but not for child care. Generally, physicians define the period of disability as the six weeks

following birth. If a teacher is disabled prior to delivery sick days may be used.

10.10.6 Leaves I-IV above shall not commence within the first ten (10) paid days of the new semester. A leave shall begin on the first calendar paid day following the last day worked. Teachers on leave at the beginning of a new school year shall not be credited with any benefits that accrue on that day.

10.10.7 If an employee desires to take both a disability leave and a non - FMLA child care leave, such leaves must be taken consecutively. Where a disability leave expires within four weeks (20 working days) prior to Christmas break in the first semester or twenty (20) working days prior to the last scheduled work day in the second semester, a teacher may elect to continue child care leave for the next two (2) complete semesters pursuant to 10.10.5 (IV). Any teacher who returns to teaching duties immediately following a disability leave shall not be eligible for a non -FMLA child care leave.

10.10.8 A teacher returning from a leave shall be reassigned to the position held at the time the leave commenced except when the position is no longer in existence or the teacher has insufficient seniority to retain that position when the number of positions have been reduced. In these instances, the teacher shall be placed in the position most similar to the one held when the leave commenced.

10.10.9 During a child care leave of absence, the teacher shall maintain tenure rights.

10.10.10 Insurance benefits can be maintained on a self-pay basis.

10.10.11 A teacher, upon resumption of active employment, shall have restored all benefits to which she/he was entitled at the time the leave commenced, including, without limitation, unused sick leave days. If a leave is for less than sixty (60) working days, benefits shall accrue as though the leave had not occurred. If the unpaid leave is for more than sixty (60) working days, benefits shall not accrue. If a minimum of twelve (12) weeks are worked in any semester, time shall accrue for salary advancement.

10.11 Purchase of Insurance Benefits

10.11.1 A teacher, while on a leave of absence, may purchase the insurance benefits provided for the bargaining unit as a member of his/her group at the rate determined by the insurance company provided said insurance carrier allows such purchase. If the above teacher misses two (2) payments for his/her fringe benefit package, the Employer and the Union will assume he/she no longer wishes to continue the option of group rates for fringe benefits.

10.12 Voluntary Leave

10.12.1 Upon application the Board will approve from one to three unpaid leaves of absence per school year, provided the leave is for one full school semester or year and the employee has taught at least ten (10) years for the Van Buren Schools at the time of application. A written request for unpaid leave must be submitted to the Personnel Office before April 1. If more than three employees apply for an unpaid leave, the three leaves will be determined by a lottery system as managed by the Board. The lottery will be held in April to approve three leaves for the following school year. Employees granted an unpaid leave of absence shall, upon the expiration of the leave, return to active employment provided that the employee is eligible to return to work according to the layoff and recall procedure of the contract. It is understood that employees returning from unpaid leave are not entitled to be placed in the same position and assignment they occupied prior to the leave. The employee shall be responsible for providing by December 1 or April 1, whichever is appropriate, written notification of his/her intent to resume active status as described in the leave application. Employees who do not return to work at the expiration of their leave, shall forfeit all employment rights with the district and shall be terminated.

10.13 Voluntary Leave Requests received after April 1.

The Board, at its discretion, may consider voluntary leave applications which are received after April 1. Employees must submit applications no later than June 15. If approved the vacancies may be filled without posting and subject to the following:

- a. the position may be filled by a non-seniority accruing teacher.
- b. the position may be paid at the adult education rate.

Employees granted an unpaid leave of absence shall, upon the expiration of the leave, return to active employment provided that the employee is eligible to return to work according to the layoff and recall procedure of the contract. It is understood that employees returning from unpaid leave are not entitled to be placed in the same position and assignment they occupied prior to the leave. The employee shall be responsible for providing by December 1 or April 1, whichever is appropriate, written notification of his/her intent to resume active status as described in the leave application. Employees who do not return to work at the expiration of their leave, shall forfeit all employment rights with the district and shall be terminated.

10.14 Maximum Voluntary Leaves

Commencing with September 1, 1993, employees are eligible for a career maximum of one voluntary leave (either Article 10.12 or 10.13). Leaves taken prior to September 1993 shall not be included in the career maximum.

 - 11.1.4 The annual year-end performance evaluation shall be completed and provided to the teacher within a reasonable amount of time after the final formal observation, but shall not be considered completed until the filing date or the end of the school year.
 - 11.1.5 Tenure teachers shall be evaluated at least once every three (3) years.
 - 11.1.6 Tenure teachers' evaluations may take place at any time during the school year.
- 11.2 All evaluations shall be conducted by a qualified administrator. There shall be no formal peer evaluation. In situations where special area supervisors are involved, the supervisor shall be charged with the responsibility of filing the formal documents with the Personnel Office. However, input from the affected administrators shall be incorporated into the final report.
 - 11.2.1 All monitoring or observation of the teacher shall be conducted openly and with the knowledge of the teacher.
- 11.3 A formal observation shall be made in person for a minimum of thirty (30) minutes preceded, whenever possible, by one informal observation. Within a reasonable time period following a formal observation by the administrator, a conference shall be held with the teacher. The purpose of the conference may be to discuss the observation alone or a combination of the conference, the teacher's self-evaluation, and the administrator's evaluation. In cases where a conference discussion will include the evaluation, the teacher will be so notified in advance.
 - 11.3.1 Teacher evaluations prepared by the administrator and the teacher's self-evaluation shall not be limited to the observations of the classroom

visitations, but will include all aspects of the teacher as a professional staff member.

- 11.3.2 All teachers new to the system shall file a self-evaluation form with their administrator by November 1 and February 1 of their first year. In the case of a teacher hired for the second semester, the self-evaluation shall be filed by March 15. All other probationary teachers shall file one by February 1 and all tenured teachers shall file this form every other year or more as requested by their administrator by November 1.
- 11.4 Copies of the administrator's evaluations and the teacher's self-evaluation and any written reports regarding a classroom observation shall be provided to the teacher, the administrator and the Personnel Office by December 15 for the first semester. - 11.8 In the event a teacher works in more than one building, the Personnel Office shall designate one administrator as the person responsible for filing the formal document. However, input from all affected administrators shall be incorporated into the final report. This person shall hold the final evaluation conference. If the final evaluation has a negative recommendation, all affected administrators shall be involved in the evaluation summary and conferences.
- 11.9 In the event of conflicting evaluations concerning a teacher, the Superintendent will confer with the parties involved before determining the future of the probationer.

ARTICLE XII

TEACHERS' RIGHTS

- 12.1 Each employee shall have the right to review the contents of their own personnel file as maintained by the Administrator or the Superintendent. If desired by the teacher, a representative of the Union may be present.
- 12.1.1 Employees will be given copies of all materials placed in their files within five (5) working days with the exception of college placement bureau credentials. - 12.2 An employee shall be entitled to have present a representative of the Union when being disciplined for any alleged infraction or delinquency in professional performance. - 12.3 No bargaining unit employee shall be disciplined without just cause. Any such discipline, reprimand, or reduction in professional level, compensation or advantage, including adverse evaluation of teacher performance or violation of professionals ethics asserted by the Employer or any agent or representative thereof shall be subject to the Grievance Procedure hereinafter set forth.
- Employees shall be entitled to full rights of citizenship and the U.S. Constitution which includes the right to face their accuser during any action which questions their professional standards or decisions.
- This section (12.3) is not applicable to probationary employee non-renewal which shall be governed by the Michigan Teacher Tenure Act.
- 12.4 The private and personal life of any teacher is not within the appropriate concern or attention of the Employer as long as it is consistent with the high standards which the teaching profession has set.
- 12.5 No restrictions shall be placed upon the freedom of the employee to use their own time for gainful employment insofar as it does not interfere with the satisfactory performance of their school duties.
- 12.6 Employees shall be entitled to full rights of citizenship. Presence or absence of religious or political activities outside of school shall not be grounds for discipline or discrimination against any teacher insofar as it does not interfere with satisfactory performance of their school duties and is consistent with the high standards which the teaching profession has set.
- 12.7 This agreement shall apply to all employees regardless of race, religion, national origin, sex, marital status or membership in any professional or employee organization.

- 12.8 Since the Employee's authority and effectiveness in their classroom or on school property is undermined when students discover that there is insufficient backing and support of the Employee, the Employer recognizes its responsibility to give all reasonable support and assistance to Employees with respect to the maintenance of control and discipline in the classroom or on school property, providing that the Employee is reasonably pursuing a legitimate duty.
- 12.9 Any case of assault upon an Employee shall be promptly reported in writing to the Employer or its designated representative. The Employer may, upon request, provide legal counsel to advise the teacher of their rights and obligations with respect to such assault and shall render all reasonable assistance to the employee in connection with the handling of the incident by law enforcement and judicial authority.
- 12.10 If any Employee is complained against or sued by reason of disciplinary action taken by the Employee against a student, the Employer may, upon request, provide legal counsel and render all necessary assistance to the Employee in their defense.
- 12.11 If any Employee is sued as a result of the performance of their duties, the Employer will provide legal counsel and render all necessary assistance to the employee in their defense.
- 12.12 The Employer will reimburse employees for, in the case of assaults, any loss, damage or destruction of clothing or personal property of the employee while on duty in the school or on the school premises. Proof of loss shall be furnished to the Employer within ten (10) days of the incident. The Employer shall not be obligated to pay more than \$200.00 for any one incident. If an employee is injured while performing his duty, free medical, surgical, or hospital care will be furnished by the Employer. If the Employer has insurance to cover such incidents, this will be deemed to be in compliance with this provision.
- 12.13 Any serious complaints by a parent of a student directed toward the employee shall be promptly called to the employee's attention and, if necessary, a conference will be called. Such complaint shall be reduced to writing and forwarded to the employee. A copy of the complaint and its disposition shall be kept in the employee's personnel file. The employee may reply in writing to the charge and their reply shall be attached to the copy of the complaint and kept in the employee's personnel file.
- 12.14 Day-to-day Substitute Teachers
- 12.14.1 The Board agrees at all times to maintain an adequate list of substitute teachers. Teachers shall be informed of a telephone number they may call to report unavailability for work. This phone will have a recording device attached to it so that teachers may leave a recorded message. Teachers may call in at any time prior to: First Shift - 6 a.m., Second Shift - 6:30 a.m., and Third Shift - 7 a.m. Any teacher who knows he will be absent the next day should report in prior to 9:30 p.m. Once a teacher has reported unavailability, it shall be the responsibility of the administration to arrange for a substitute teacher.
- 12.14.2 Non-classroom teachers will not be used as substitute teachers except in case of extreme emergency. In cases where a teacher is used in one assignment for one-half

(1/2) day or more, an explanation will be forwarded to the Union within five (5) days.

- 12.14.3 Whenever possible, the Board will provide qualified art and vocal music teachers. It will be the responsibility of the regular special teachers to have usable lesson plans and the instructional materials readily accessible for use by these substitutes.

In the event that a qualified art or vocal music teacher is not available, a substitute will still be provided to cover these classes. At this time, it will be the responsibility of each regular special area teacher to provide the substitute with the necessary lesson plans and instructional materials to carry on a meaningful educational activity.

- 12.14.4 On returning to work following an absence, the classroom teacher will complete and submit to a person designated by the Board an evaluation of the substitute on an evaluation form agreed upon by the administration and the Union. This form, provided by the administrator, will be due at the end of the second day of returning to work.

ARTICLE XIII

SCHOOL CALENDARS

13.1 Calendar Guidelines - The parties agree that the calendar will meet the state mandate for number of days/hours during the term of this agreement.

13.1.1 It shall be the responsibility of the Board to determine whether conditions are such as to warrant the closing of schools. When schools are closed because of severe, inclement weather, teachers shall be excused from duty except as required by law under the State School Aid Act.

13.2 School Calendars

13.2.1 The school calendars set forth below in this article are based on the state mandate for required number of days and/or hours. To insure provision of the required days/hours of student instruction, days/hours of student instruction which have been canceled will be rescheduled and the necessary modifications to the school calendar will be made by the Board.

In the event that pupil instructional days have been canceled due to conditions not within the control of the Board, then instructional days shall be rescheduled to insure provision of the required days/hours. In order to make up canceled days, instructional days will be added to the school calendar without additional compensation to teachers or expense to the Board to insure provision of the required instructional days.

GRIEVANCE PROCEDURE

14.1 Definitions:

14.1.1 Grievance: A grievance is a complaint submitted, in writing, by a teacher or the Union, hereinafter designated as the "grievant", involving any alleged violation, misinterpretation or misapplication of any provisions of this agreement.

14.1.2 Days: The term "days" when used in this section shall, except when otherwise noted, mean school days. Time limits may be extended by written agreement of both parties.

14.2 Every effort shall be made to resolve complaints at their inception. This grievance procedure is intended to provide a formal means for handling those complaints which cannot, for any reason, be resolved by discussion and cooperation at their inception.

14.3 Grievances shall be presented and adjusted in accordance with the following procedure:

14.3.1 Level One:

When a cause of Complaint occurs, the grievant shall request a meeting, within ninety (90) days, with their administrator or immediate supervisor in an effort to resolve the complaint. The Professional Rights and Responsibilities Committee of the Union shall be notified and may be present with the grievant at such meeting. The grievant may, within three (3) days formalize his/her complaint by proceeding to Level Two.

14.3.2 Level Two:

The grievant shall submit, in writing, within three (3) days of such meeting, a copy of the grievance to their administrator or immediate supervisor. If the particular grievance arises in more than one school building, a copy shall also be sent to the Superintendent and to the Union. The administrator or immediate supervisor shall, within five (5) days, render a written decision. A copy of the decision shall go to the grievant, the Union, and the Superintendent.

14.3.3 Level Three:

If the decision obtained at Level Two is unacceptable, or if no decision has been rendered within five (5) days from the date of submission of the grievance, the Union shall, within five (5) days, make a determination as to whether the grievance has merit. If the Union confirms the validity of the grievance, the Union may proceed to Level Four. The Union shall so notify the grievant and the Board's representative of its decision.

14.3.4 Level Four:

The Union shall submit the grievance to the Superintendent within five (5) days of the decision of the Union set forth in 14.3.3. Within ten (10) days after the submission of the grievance, the Superintendent or his designee shall conduct a hearing. The Union shall be given a five (5) day notice of the date and place of any hearing. The Superintendent shall have ten (10) days from the conclusion of the hearing to render his written decision.

14.3.5 Level Five:

In the event that the Union is not satisfied with the Superintendent's decision in Level Four, the grievance may be submitted to arbitration before an impartial arbitrator who is selected by the mutual consent of the parties. If the parties cannot agree as to the arbitrator, he shall be selected by the American Arbitration Association in accord with its rules, which shall likewise govern the arbitration proceedings. The arbitrator shall have no power to alter, add to, or subtract from the terms of this agreement. Both parties agree to be bound by the award of the arbitrator and agree that judgment thereon may be entered in any court of competent jurisdiction.

14.4 Upon mutual agreement by both parties, a grievance may be expedited in the following manner:

- (1) The grievance shall be submitted in writing to the superintendent or his/her designee within the time frame specified in 14.3.1. Within five (5) school days after submission, the Superintendent or his/her designee shall schedule a meeting with the Union in an effort to resolve this dispute.
- (2) If the grievance is not resolved to the Union's satisfaction within seven (7) school days of the initial meeting between the Superintendent or his designee and the Union, the Union may appeal the grievance to final and binding arbitration as provided in 14.3.5.

14.5 The expense of arbitration shall be shared equally by the Employer and Union.

14.6 Any individual employee at any time may present grievances to the Employer and have the grievance adjusted, without intervention of the Union if the adjustment is not inconsistent with the terms of this Agreement, provided that the Union has been given the opportunity to be present at such an adjustment.

14.7 An individual may withdraw their grievance at any level without prejudice on record. However, if in the judgment of the Union or its representative, the grievance presents an issue of importance, the Union may process the grievance at the appropriate level.

14.8 No reprisals of any kind shall be taken against any grievant or other participant in the grievance procedure.

- 14.9 If an employee for whom a grievance is sustained shall be found to have been unjustly discharged, he shall be reinstated with full reimbursement of all professional compensation lost from the date of discharge.
- 14.10 All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel file of the participants.
- 14.11 Any grievance not carried to the next step within the prescribed time limits agreed to, shall automatically have the grievance closed on the basis of last disposition and shall not be subject to further review unless stipulated to by the Employer and the Union. Notification of the Superintendent by the Union of intent to continue the grievance shall be deemed in compliance with the provision.
- 14.12 Following a probationary period, equivalent to a teacher, social workers, psychologists, and school nurses shall not be disciplined or discharged without just cause.

Any alleged violation of the above statement may be processed through the grievance procedure (including arbitration).

- 14.13 The following matters shall not be the basis of any grievance filed under the procedure outlined in this Article:
- A. Failure to re-employ any probationary bargaining unit employee or the placing of any non-tenure teacher on a third year of probation; provided that in either case the Board shall furnish said teacher a copy of reasons for such action and a copy of all evaluation reports. The failure to provide such reasons or reports may be the basis for a grievance under this Article.
 - B. Any claim or complaint which may be subject to the procedures specified in the Teachers' Tenure Act (Act 4 of the Public Acts, Extra Session, of 1937, of Michigan, as amended).
- 14.14 In any matter concerning a Central Office decision, the Central Office administrator, at his initiation, may write a grievance response before a hearing is held at the Superintendent's level.
- 14.15 The Employer shall make available to the Union upon its request such available personnel information and reports related to the operation of the district as are necessary for the processing of grievances under this Article, provided nothing included herein is intended to require the employer to compile or present information in forms not customarily followed nor in forms not already compiled as provided by law.

ARTICLE XV

NEGOTIATION PROCEDURES

- 15.1 In all negotiations between the Employer and the Union, neither party shall have any control over the selection of the representatives of the other party. Each party may utilize the services or advice of persons outside of its membership.
- 15.2 It is contemplated that matters of common concern to the parties shall be subject to professional negotiations from time to time during the period of this Agreement upon mutual consent of the parties. The parties will reserve the first Thursday of November, January, March, May and July for meetings at the request of either party. The parties will request a meeting in writing and specifically identify the areas of concern.

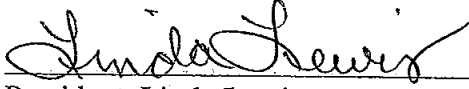

ARTICLE XVI

MISCELLANEOUS

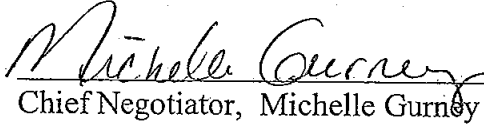

- 16.1 The Union shall deal with the ethical problems arising under the Code of Ethics of the Education Profession in accordance with the terms thereof and the Board recognizes that the Code of Ethics of the Educational Profession is considered by the Union and its membership to define acceptable but not the sole criteria of professional behavior and is to be considered a part of this contract.
- 16.2 This agreement shall supersede any rules, regulations, or practices of the Board which shall be contrary to or inconsistent with its terms. It shall likewise supersede any contrary or inconsistent terms contained in any individual teacher contracts heretofore in effect. All future individual teacher contracts shall be made expressly subject to the terms of this Agreement. The provisions of this Agreement shall be incorporated into and be considered part of the established policies of the Board.
- 16.3 No employee covered by the terms of this agreement will be penalized, threatened, punished, or demoted because of any participation in collective bargaining activities prior to the reaching of this Agreement. All persons, upon ratification, are immediately restored to both regular and extra duties.
- 16.4 If any provision of the Agreement or any application of the Agreement shall be found contrary to law, then such provision or application shall be deemed null and void to the extent prescribed by law, but all other provisions or applications shall continue in full force and effect. The parties shall meet and attempt to negotiate that portion of the contract that is unenforceable.
- 16.5 This Agreement will become effective upon ratification by both parties.
- 16.6 The use of all tobacco products will be prohibited within and on any and all buildings, facilities and vehicles owned or leased by or to the Van Buren Public Schools. This provision shall supersede any and all contrary and/or inconsistent policies, rules, regulations, or contract provisions with which it may conflict or modify.
- 16.6.1 The school district will arrange, at no cost to the employer or the employee, a smoking cessation overview program at least once a year.
- 16.6.2 An employee who refuses participation in a smoking cessation program shall be subject to the following progressive discipline:
1. First offense - oral warning or enrollment within 14 days in a smoking cessation program at the employee's own expense.
 2. Second offense - written reprimand.
 3. Third offense - suspension without pay.

- 16.6.3 At any step of the progressive discipline, an employee can postpone that level of discipline, up to three times, by enrolling each time in a mutually agreeable smoking cessation program, at his/her own expense, and must provide documentation that he/she has successfully completed the program. If the employee violates the smoking ban on school premises while in the smoking cessation program, he/she will automatically move to the next level of discipline which will be postponed the first time it occurs. If there is a repeat violation of the smoking ban while in the smoking cessation program, the discipline will be imposed.
- 16.7 Each elementary principal shall designate a teacher, or teachers, to serve as an administrative designee in the absence of the principal.
- 16.7.1 The administrative designee will fill in on a day-to-day basis for the building, but is not meant to replace the principal during absences due to long-term illness or accident. If a prolonged absence is known or foreseen, the vacancy will be posted in compliance with the administrator's Master Agreement.
- 16.7.2 By way of example, administrative designees will handle student discipline problems, deal with parental calls and concerns, act as decision maker and direct staff in emergencies, The Administrative Designee will not act as a supervisor of professional or support staff, or administer or cause anyone to administer any discipline, nor hire or fire, or evaluate.
- 16.7.3 In the event an issue is of such magnitude or specific and urgent enough in motive that an administrator is needed, a pre designated elementary principal will be called to the building. All six elementary principals have teamed with a fellow principal to determine the pre designated administrator. In the event the pre designated administrator is unavailable, central office personnel will be called to respond.
- 16.7.4 Administrative designees will be assigned and paid a stipend of \$30 per day (\$15 in the event of a half day. A half day is defined as a day when school is in session or students for a period of time not to exceed four hours.) in the event the building principal is away from the building for a period of four or more consecutive hours. Except in the event of illness or an emergency, absences of four or more consecutive hours will be pre-approved by central office administration.
- 16.7.5 The school district shall provide liability insurance for administrative designees subject to the provisions of the schools general liability policy.

**CLARIFICATION OF
NO DOUBLE COVERAGE HEALTH INSURANCE
CONTRACT LANGUAGE**

The parties agree to the following interpretation of dual choice concerning Hospital-Medical Insurance coverage:

1. The employee and his/her spouse may carry separate hospital-medical insurance policies, provided that no dual insurance coverage shall ensue from such insurance for the employee, his/her spouse, and any members of his/her family including children.
 - a. The employee may select single subscriber hospital-medical insurance coverage, paid by the Board, with the spouse electing single subscriber coverage from his/her employer in instances of the husband-wife family unit with no children or dependents. This does not apply to a husband and wife within Van Buren Public Schools.
 - b. The employee may select single subscriber hospital-medical insurance coverage paid by the Board, if the spouse covers himself/herself and a dependent child (two person coverage) under another employer's hospital-medical insurance program in the instances of a husband-wife-dependent family unit.
 - c. The employee may select single subscriber hospital-medical insurance coverage paid by the Board if his/her spouse covers himself/herself and two or more dependents under his/her hospital-medical insurance program paid for by another employer in instances of a husband-wife two or more dependent family unit.
 - d. The employee may select two person hospital-medical insurance coverage paid by the Board covering the employee and dependent in instances of a employee-spouse-dependent family unit, if the spouse selects single subscriber hospital-medical insurance coverage paid for by another employer.
 - e. The employee may select full family hospital-medical insurance coverage paid for by the Board in instances of a employee-spouse-two or more dependent family unit, if the spouse is covered as a single subscriber under an employer paid hospital-medical insurance program.
2. The following shall not be considered an employer paid hospital-medical insurance plan for purposes of no dual coverage:
 - a. If the individual is covered by a corporate plan which becomes insolvent, the employee is eligible for coverage.
 - b. Hospital-medical insurance coverage provided by another employer, but whose premiums are paid by the employee's spouse in the amount 50%.
 - c. Hospital-medical insurance coverage dictated by legal decrees, such as divorce decrees, which require that the dependent's hospital-medical insurance be provided by the employee and/or his/her spouse resulting in dual insurance coverage.

- d. Hospital-medical insurance that is mandated by another employer. In the event that a spouse's employer refuses to drop or reduce its hospital-medical insurance coverage, the employee shall provide a letter from his/her spouse's employer as proof of refusal to drop or reduce its hospital-medical coverage. The district will pick up insurance for the employee and dependent children. Van Buren has the option of pursuing such cases with the spouse's employer.
 - e. Requests for dependent coverage change which do not fall within the spouse's insurance open enrollment window period. Dual hospital-medical insurance coverage shall be allowed temporarily for the employee, spouse, and his/her dependents, if the request for dependent coverage change does not fall within the spouse's insurance open enrollment window period. Such dual coverage shall be extended until the effective date following the next open enrollment period.
 - f. Waivers of hospital-medical coverage that would also waive vision, dental or life insurance benefits. When a waiver of health care coverage would also have the effect of waiving vision, dental or life insurance benefits under another employer's health care plan, then the employee may be allowed double coverage.
 - g. Limited health insurance plans mandated by statute. An individual receiving health benefits through the U.S. Government or Veteran's Administration, for example, which are limited to a specific condition or may be limited benefits for all conditions, the individual would be eligible for Van Buren health insurance.
 - h. Hospital-medical insurance coverage provided under a pension or retirement plan where the coverage is mandatory.
- 3. An annual survey will be distributed by the Board to all employees carrying Board-paid hospital-medical insurance for the purpose of updating eligible dependents. This will be sent out along with the MESSA application in the fall of each year. The employee must complete and return the survey and MESSA application within thirty days of the material being mailed.
 - 4. Commencing with the 1992-93 school year, if the school district finds an employee who is receiving dual insurance coverage the school employee must take immediate action to eliminate the dual coverage. Upon notification the employee must furnish the school district with evidence of corrective action. If no corrective action is taken within two weeks the Van Buren employee's health insurance will be terminated.

In addition to the remedy specified above, termination of health insurance coverage, the school district will pursue the following beginning with the 1993-94 school year. Any instances of fraudulent reporting or misrepresentation of hospitalization coverage will result in the school district recovering from the employee premiums paid by the school district on the employee's behalf.

- 5. With this Letter of Understanding, the Board waives any premium claims made upon employees during the term of this contract as a result of their alleged non-compliance with the no double coverage for health insurance contract language.

6. All members IMMEDIATELY receive health insurance coverage provided by and paid for by the Board whenever they lose their current non-Board provided coverage, whether due to spouse's unemployment, divorce or separation, etc.
7. Hospital-medical coverage shall be allowed for the employee's over-age dependents when spouse's policy does not provide for said coverage.

LETTER OF UNDERSTANDING

VBEA President (Release Time)

1990-91 The VBEA paid \$2,046.50 to the district for 1/2 of one hour second semester for Dave Medley as the contract was not signed until after Christmas:

One hour for the full year being 1/6 of \$49,923 or \$8,320 ÷ 185 = \$45.00 per diem x 91 days (second semester) = \$4,093 and the VBEA paid 1/2 or \$2,046.50.

1991-92 The VBEA paid the district \$4,326.50 or 1/2 of \$8,653 which was 1/6 of the \$51,920 (full year salary of Mr. Medley).

1992-93 VBEA paid \$1,512 for 1/2 of 1/6 of salary for Mrs. Karen White-Twigg \$36,288 = \$3,024 then divided by 2 as she only served one semester or \$1,512.

1993-94 Ms. Coleman was released for a period of two hours. Mrs. Curtis served as counselor during the two hours and Mrs. Flores, a substitute teacher, was paid at the Adult Ed. rate for the two hours. The VBEA was invoiced for 1/2 of the cost. Two hours at the adult ed rate is 2 x 180 x 22.00 = \$7,920 ÷ 2 = \$3,960 for a savings of \$700. If Ms. Coleman would have been released for one hour and paid 1/6 of her salary the cost would have been \$4,666.

1994-2000 Ms. Coleman is released for two hours and a Teacher Designee serves as counselor during this period of time (7:15 a.m. to 9:15 a.m.) before reporting to his/her teaching assignment.

The schedule for the Teacher Designee is:

- 6:35 a.m. Report to Belleville High School
- 6:40 - 7:15 a.m. Unassigned time to compensate for the unassigned time he/she misses not being at his/her scheduled teaching assignment.
- 7:15 - 9:15 a.m. BHS counselor paid at the Adult Education rate
- 9:15 a.m. - 3:55 p.m. Teacher Designee reports to scheduled teaching assignment.

The Schedule for Ms. Coleman is:

- 8:15 a.m. Report to the High School or report directly to one of the buildings in which case she will notify the High School office (Mrs. Brendtke).
- 8:15 - 9:15 a.m. Release time. Ms. Coleman will check out with the High School office if she leaves the building during this time. Ms. Coleman will sign in upon returning from another building.
- 9:15 a.m. - 2:05 p.m. BHS (Counseling)
- 2:05 - 2:30 p.m. Unassigned time.
- 2:30 - 3:30 p.m. Release time. Ms. Coleman will sign out with the office if she leaves the building.

The VBEA will be invoiced for 1/2 of the Adult Education wages paid to the Teacher Designee (24.18 x 2 x 180) ÷ 2 = \$4,352

One (1) hour at 1/6 teacher rate (\$63,182) ÷ 2 = \$5,265
